PROGRAMME NOTES FOR THE PLAYER'S No. 6

TOP TRIES CONTEST

As you know our Club was unfortunate enough to be knocked out in the first round of the Player's No. 6 Trophy competition.

Today, however, our club is participating in the Top Tries Contest against Leigh which is also sponsored by Player's No. 6 and gives us a further chance of collecting some prize money. John Player & Sons have put up £1,000 for this contest. The winning club scoring the most number of tries will receive £500 while the second highest will receive £250. The third and fourth most successful clubs will receive £150 and £100 respectively. A club must first win its match to qualify for a prize.

Clubs participating in the second round of the Player's No. 6 Trophy competition will also be playing this weekend. Prize money for the winning finalist will be £5,000 with £2,500 for the runner-up. £1000 will go to each of the clubs playing in the semi-final.

The popular Player's No. 6 Player of the Year Awards are continuing but this time it will be the turn of the club officials to act as judges with each club being allowed six votes for players other than those registered with their own club. Voting will take place towards the end of the season and £500 will be shared by the three players with the most points.

Together these competitions will make this an exciting season for all clubs and their supporters.
