

Back again for another great season!

The Player's N°6 Trophy

Bigger prizes. More excitement.

The Player's N°6 Trophy that ended last year in an exciting win for Halifax, is back again.

The rules of the series are the same as last season—a 5-round, 32 club knock-out tournament played between September and March. But this season the prize money has been increased from £9,500 to over £16,000 so matches will have that much more excitement.

League positions to date.

5th OLDHAM	P12	W8	D2	L2	Pts. For 238	Against 111	Pts. 18

For the second time this season we welcome to The Boulevard all the officials, players and supporters of The Oldham R.L.F.C.

This is the third meeting between our two sides in the past three months, in the first match which was played at Oldham our opponents ran out winners on the day to the tune of 27-2, but in The Players No. 6 Trophy Competition the result was reversed and we finished in front 17-10.

In welcoming Oldham we would like to extend a very special welcome to BOBBY IRVING who was in The World Cup Squad. Although not commanding a regular spot in the team he was never the less a very important member of our victorious team and was the obvious choice for the subs bench and when called upon to play showed just what a good forward he is, no doubt BOB has pencilled his name in the list of likely candidates for the next Australian Tour. These days no Oldham pack would be complete without the familiar figure of Frank

Foster. In the previous programme when Oldham were our visitors I described Frank as 'Granite', the way he has been playing recently that word is an understatement . . . Frank was very nearly a member of the World Cup Team as on the last day when players had to be nominated by their countries Leeds prop TERRY CLAWSON was very doubtful and it was reported that Frank was on his way to the join the party but at the last minute Terry was declared fit, this one player who would have really enjoyed himself against the Aussies. One of the centres who Oldham are expected to have on duty is a big raking mid-field player, Phil Larder who can kick goals from all over the place. Oldham's two most recent matches, both at home, saw them defeat 'Cas' 9-7 and Huyton 22-0.

Club News.

Our last two matches we again met with mixed fortunes, at home to Hunslet the result went as expected and we ran out easy winners, a dull first half was followed by a scintillating second period in this half we saw some classic moves. Last week-ends visit to YORK saw the Minster Men gain an early lead which we were unable to pull back. In front of Yorks biggest gate of the season Yorks heavyweights got on top early and two breaks saw them register the only two tries of the match, during the second period our team grafted really well and were unlucky on three occasions not to score. Outstanding was Mike Crane who was a tower of strength in attack and defence. Making his first senior side appearance

for us was ALAN WARDELL who tackled every one in sight and had a very good debut, in fact Alan played that well he retains his place for tonight's match. In the 'A' team camp a disappointing display at Keighley saw the home side scrape home by the narrowest of margins while last weekend saw the Junior Airlie Birds coasting to a win over a strong York outfit but our visitors hit back in the last few minutes to score ten points and in the end we won by just a couple of points, still in the 'A' team camp Kev Tommerup has had some good games of late and in the forwards Alan Drew and Bob Shaw have put in some good work.

BRIAN BATTY of the DAILY MAIL

The tragic luck suffered by Great Britain forward Bob Haigh has done more than split the most successful forward partnership in present day football.

It has almost certainly robbed the 29-year-old Leeds star of his chance to break the try scoring record he set up for a forward in 1971.

Haigh's feat in scoring 40 tries in 48 matches comfortably surpassed the previous record of 36 by Hull forward Bob Taylor in 1926.

It was a magnificent start to Haigh's career with Leeds but his luck turned sour on him last season.

He was in typical scoring mood for Britain in the second Test against the Kiwis at Castleford when he was forced to retire with a broken forearm.

This break possibly cost Britain the chance of levelling the series but, more important, it put Haigh out of action for five months.

It surprised many people that Haigh's courage and class enabled to force his way into the Wembley side against St. Helens considering his comeback was delayed until last March.

But a loser's medal in the Cup final and missing the championship final the following week when Leeds took their revenge on Saints brought down the curtain on a disappointing season for the likeable Haigh.

This was all forgotten when Haigh launched himself into a determined bid to regain his form with Leeds and challenge for a World Cup place last August.

It was like old times as he teamed up so successfully with loose forward Ray Batten, the man who made that try scoring feat possible with the finest service in the game.

With six tries in seven games as Leeds lifted their incredible scoring average above past seasons Haigh's supporters must have scented the possibility of another record breaking run.

Alas a recurrence of his forearm injury cut short dreams and put Haigh back into hospital for a fortnight.

'It was blow just when things were going so well, reflects Haigh. 'But I hope to be in training in a fortnight and ease my way back.

'The World Cup chance has gone and I can't see me breaking any records but I'll be happy to help Leeds go for the honours.

'The plate and rivets have been removed from my arm and I am told it will be as strong ever.'

Haigh is described as a player who always comes up smiling and who never causes any trouble for his club.

I am sure Headingley fans will be anxious to see him back even though the firm of Batten and Haigh - back in business - will again worry most other clubs.
