CLUB NOTES BARROW v OLDHAM

FRIDAY 19th JANUARY 1973.

Kick Off 7.00 p.m.

As this is your first programme for this year may I on behalf of the Directors, Officials and Players wish all our supporters and in fact everybody connected with Rugby League Football a Happy and Prosperous New Year, and may it prove a better year for the Barrow Club.

I would like to congratulate Mr. T.D. Dickinson on being made Chairman of the club, and I am sure that all will wish him all the success he deserves, whilst on this subject I think we should give our thanks to Mr. W.B. Oxley who has devoted such a lot of his time for the welfare of the club, and I am sure he will continue with all the help he can possibly give.

As for our friends from Oldham they are always welcome at Barrow and they always give us a good game. As everybody knows this team is captained by Frank Foster who played part of last season for the Barrow club before being transferred to Oldham, and he has certainly made his mark among their players.

As we have not played Oldham this season we cannot judge them but on looking at the records they do not compare as they are in the eighth position in the league against our twenty seventh position but in these last few matches they have not shown their early form. They have some good players on their books and as it has proved they are still

trying to strengthen the team. In Murphy they have a very good full back who is quite a good defensive player, and is also not frightened to link up with the rest of the backs, they also have a good kicker in Larder so it is up to our lads to watch for those penalties as this lad does not miss many kicks.

They like other teams have suffered with injuries but will welcome back Cliff Hill who had a run out against our A team, and has now regained his first team place. They have a good set of forwards, and whilst they will be without Foster who is suspended they will still be a formidable set to beat. The Officials of the Oldham club are very progressive as they have turned the old upstairs bar in the pavilion into a vice-presidents lounge for which will cost five guineas for membership which will be limited to 100, this is very good thinking and will certainly assist their revenue.

It is to be hoped that our team puts up a good show against Oldham as we meet them in the Challenge Cup which unfortunately is played away and this Fridays match could be a pointer of what will happen in the cup. Our team cannot seem to do right as we have lost our last 4 games but on Sunday they got back on the winning vein when they beat Huyton away from home, this was quite a near thing for them as they had a lead of 10 points at the half way stage but in the second half they allowed Huyton too much scope with the result that the score got to 16pts to 15pts and it was only a penalty kick in the last minutes that resulted in us getting the points.

The first twenty minutes of this game was very good as the Barrow team let the ball do the work and the three tries scored in this period were good McPoland went over in the corner like a bullet, and the try by Bowker was one not very often seen these days as he dribbled the ball at least 15yds before he fell on it over the line. Our A team has had a lean time since they were beaten in the Lancs Shield but in the match against Huyton A they certainly went to town, and I would imagine it is quite some time since our A team scored so many points in one match.

In this match a great welcome was given to George Crayston who was returning to us after being on loan to Whitehaven, and whilst the team itself played well I am sure everybody will agree who saw the match that George had an outstanding game and Eddie Whitehead was not far behind because his display in the centre was his best performance this season.

I have already congratulated Millom on reaching the first round proper of the cup but I must again repeat it on there drawing a home tie, and whilst I am sure they would have liked one of the bigger teams I know that they will give Hunslet a good game and who knows they could be in the hat for the 2nd round draw.

The committee have a lot of work to do to get the ground ready for this there most important match of the season but have no fear they will manage and all we can finish with is by saying Good Luck Millom.

The Player's N°6 Trophy

Bigger prizes. More excitement.

The Player's N°6 Trophy that ended last year in an exciting win for Halifax, is back again.

The rules of the series are the same as last season—a 5-round, 32 club knock-out tournament played between September and March. But this season the prize money has been increased from £9,500 to over £16,000 so matches will have that much more excitement.

Make a date with Player's
