

Outstanding feature
of the Rugby League season!

The Player's N°6 Trophy

Big prizes. Big excitement.

Right from the start the Player's N°6 Trophy was a success — both with the players and spectators.

And this year — with the prize-money raised to a record £16,000 — it's an even bigger success.

This 5-round, 32-club knock-out series really has taken its place as the outstanding event in the Rugby League season.

HULL v OLDHAM

Saturday, 17th February, 1973.

Kick-off 3 p.m.

Our Visitors

Today it is a great pleasure to welcome to the Boulevard all the officials, players and supporters of the Oldham R.L. Club for this the second round of the Rugby League Challenge Cup. One thing is certain about today's match and that is that we are in for a really great game of Rugby, the two teams are expected to be short of at least one of their star players, for our part it is very unlikely that our skipper Clive Sullivan will be in action today although he has had the plaster removed from the chipped ankle bone injury and he has been in light training for the past week, at the time of writing these notes it appears Clive is a non-starter, but no decision as yet has been made. From our opponents point of view they will no doubt miss the flair and resourceful play of Norman Hodgkinson who unfortunately has met with an injury that will put him out of today's match unless the injury responds to treatment. Our visitors are a very strong and well drilled team with forwards like 'Iron' man Frank Foster, world cup star Bob Irving, Ken Wilson and 'hooker' Keith

~~At half~~^{Taylor} the battle up front will be well worth watching. At half-back it is expected that Cliff Hill will be wearing the number 6 shirt, while in the centre spot Phil Larder can be given no undue liberties when it comes to goal kicking. The best news from the Hull teams camp is the fact that Mick Harrison came through his come-back match without showing any ill effects and will be wearing the number eight shirt today.

Club News.

The last home game for the senior side was a great disappointment to all connected with the club, on the night Dewsbury were well worth their two points, but things did not go at all well for us. On a miserable night our points were scored by Len Dittmar, Try, and two goals from full back Mick Kendle. The 'A' team followed up their away win at Halifax with a very good win over a strong Leeds 'A' at The Boulevard, in winning 13-8, the only try of the match was scored by Arthur Gibbons after the spade work had been done by Mick Harrison, Four goals by Keith Boxall and a great drop by Chris Davidson completed our point tally. The game was marred by the dismissal of prop forward Don Robson who was more sinned against than sinning, but fortunately this did not cost us the match. In this game one of the clubs newest signings Barry Waltham, playing on the wing suffered a badly sprained ankle, Barry is really a loose forward but when he settles down with the club he will be challenging for a regular berth in the side.

Clive Sullivan Benefit.

The second of the autographed world cup balls is now being raffled in aid of this fund, the tickets are five for tenpence and are on sale on the ground today . . . the draw will take place at half time during the Hull v York match . . . For the information of our friends from Oldham I will inform the Oldham Club of the winning number and ask that it be published in their programme. Should any person from Oldham win the ball the prize would be sent direct to their address, so please support this very worthy cause.

BRIAN BATTY of the LONDON DAILY MAIL

The inevitable decision of Rugby League clubs to change the fixture formula yet again must not be greeted as the immediate answer to the game's vast problem of falling attendances.

There is little doubt, in my mind, that with few exceptions this season's county league style fixtures have cost the top clubs a considerable amount of precious revenue.

And in fairness to these clubs they and the Press declared in the same breath last season that the League was making an expensive mistake in abandoning inter-county fixtures.

Now we are faced with the frustrating experience of trying to make up for lost ground and cash and the solution is not as clear-cut as many might imagine.

I would not like to guess as to what fixture system we will have at the start of next season even though it seems that Two Divisions is favourite at the moment.

Some clubs are still going to suffer whatever policy is adopted but surely the main object is that the game as a whole recovers its balance before it topples on its back.

MAKE A 'POINT' OF 'SCORING' WITH THEM.

And if it is to take a step in the right direction then you have to look beyond the fixtures and sponsored competitions for survival of both the weak and strong.

There has, I believe, to be far more individual effort among clubs to improve their status instead of the sheepish attitude of accepting that everything will resolve itself in the end.

League chairman Ron Simpson touched on this aspect at the recent meeting in Manchester when clubs decided to abandon the present fixture formula.

'I don't think merely changing the fixtures is the answer to the problems the game is facing at the moment,' he told me.

'It goes much deeper than that. It is more important that the clubs realise that they have to work unselfishly for the game as a whole'.

'I can understand smaller clubs fighting tooth and nail to hold onto a fixture with a top club in its own county. But when you look at the long term damage it is the little club that loses out in the end'.

'The big club loses gate money at home from meeting the smaller club so the contribution to the levy fund suffers. So in the end the little club loses out'.

'It gets less out of the levy fund. It is a vicious circle'.
