Rugby League's richest prize!

Player's N°6 Trophy

The outstanding feature of every season

With over £16,000 in prize money to play for it's no wonder that the Player's N°6 Trophy is a success with the players. And the effort and skill they put into capturing the Trophy has made sure that this 5 round, 32 club knockout series is a hit with the spectators too.

The Player's N°6 Trophy really is Rugby League's richest prize—in every sense.

SAINTS CLUB NEWS

HOW TO GAIN PUBLICITY

I have often been reminded that "It pays to advertise", a catch phrase which could only have been thought of by a firm of Advertising Consultants. We seem to have found the formula necessary to oblige the Saints to lose matches.

Our exit from the Challenge Cup brought about speculation regarding the retirement of two players, fortunately, the problems were overcome, and the latest revelation has again been overstated by the use of words that hardly apply.

In the standard dictionary, the word "quit" means to leave or go away from. The word "resign", means to leave an employment. Both of these nouns are "doing" words, they were applied obviously to create sensationalism.

All this leads up to a story that only has an ending around May—the end of season 1973/74, and Jim Challinor telling the Club that he would rather not be considered for the coaching position next season.

The association has been a happy one in all ways. A trip to Wembley; a Championship win; and another with Runners-up medals, a trophy won in the B.B.C. 2 Competition—more trophies than many clubs have won in their history.

Jim Challinor is not leaving us, nor is he going away, not until he leaves for Australia, he just wishes to have a rest from the tension of top class rugby after four hard seasons with the Saints, and a long tour with the Great Britain team, something that ordinary mortals need.

We wish him well, and thank him for the part he has played to keep St. Helens at the top, we shall miss his quiet sensible approach to our game, we will lose a good friend. And if he does decide to "quit", the game will be the loser.

With Salford dropping a valuable two points at Dewsbury the stage was set for St. Helens to narrow the gap, alas! Widnes had other ideas and in a close struggle they gained two valuable points for themselves which now takes them well clear of the relegation area.

I suppose that we can thank Dewsbury for still keeping us in the League Leadership race, but the final outcome will be close and it still means that we now must go for more and more points in relation to scores.

Our Visitors this afternoon, Oldham, have pressures of their own, they have spent a lot of money to avoid relegation, they will be coming for a win, so it all makes for yet another crucial game.

The news is very good.

Young Tony is working hard and making everybody work with him at Whiston Hospital.

We are more than pleased with the news of his recovery.

He has received a bumper delivery of "Get Well" cards, which proves that people do care—thank you.

The next match at home—St. Helens v. Leeds

Is on Friday evening next, 5th April, with a 7.30 p.m. kick-off.

All the bars on the ground will be open before the match, the stand bar remains open throughout the game, and the Lounge Bars are open again when the match ends.

THE EUROPEAN CHAMPIONSHIP

"Guess the Players, the Opponents, Venue, Date and Score"

It was all too easy for Mr. J. E. Leyland of 261 Knowsley Road, St. Helens, not only did he furnish all the answers, he even named a French player!

Saints Players: Prescott, Whittle, Woodyer.

Opponents: St. Gaudens.

Venue: Toulouse.

Date: Saturday, December 5th, 1970.

Score: St. Helens 30 pts., St. Gaudens 11 pts.

He even beat the postman with an early delivery.

The Saints won the return match on the 29th May, 1971—62 pts. to nil.

The response was very good, and many others were able to furnish the correct answers.

The second draw for our new "Three 'n Easy Competition" was made on Monday, 25th March, in the Knowsley Cabaret Bar.

SAINTS CLUB NEWS

OUR VISITORS—"CAN WE OLDHAM"?

This afternoon Saints continue in the search for Championship points with a visit from relegation haunted Oldham, a side which, despite their league placing, contains a great deal of skill and experience, writes Don Yates.

In Martin Murphy, Oldham have one of the leagues best attacking full-backs and it is surprising that he has made only two appearances for Lancashire. He joined Oldham in April 1967 from Astley and Tyldesley Colliery juniors and prior to his turning professional he represented Lancashire at under-17 level. The leading Oldham try scorer this season is Tony Wainwright who has crossed for 14. He joined Oldham from Leeds for £3,000 in September 1972 and whilst with Leeds played against Saints in the 1970 Floodlit Cup Final when Leeds won 9-5. On the left wing for Oldham this afternoon will be Saint Helens born Ian Holland, the former Orrell RUFC player who made two appearances in the Lancashire rugby union side before signing for Salford in January 1973. At the beginning of this year he moved to Oldham for £4,500 and since his transfer to Watersheddings he has taken over the goal-kicking duties. A player who is enjoying a tremendous run of good form is Mick McCone, the former Yorkshire under-19 scrum-half. McCone turned professional with Doncaster from Wakefield juniors in 1966 before transferring to Oldham in January 1972 for £1,000. Partnering McCone in the stand-off role, Oldham have 23 years old David Treasure, the former Yorkshire Copper Works junior who was signed from Bradford Northern for £4,500 last November. In the forwards Oldham have a very experienced hooker in Kevin Taylor who, although he is only 28 years of age, has played over 350 games for Oldham since he joined them from Werneth juniors in October 1962. He has played for Lancashire and England and as well as a quick striker he is a solid attacker. Oldham's representative on the forthcoming tour of Australasia is Terry Clawson, who at 33-years of age is a very experienced prop. He has played for Featherstone Rovers (where he held the club goal-kicking record), Bradford Northern, Hull Kingston Rovers and Leeds before joining Oldham for £3,750 last July. It was in the early 1960's that Clawson first earned representative recognition and then again last season he regained his place in the national side for the World Cup Competition, altogether he has played 10 times for Yorkshire and during the past two seasons he has played 9 times for Britain including all this seasons 5 matches. He is a useful goal kicker who has kicked 41 goals this season but Saints fans will remember him for his great display in the 1972 Championship Final when he won the Harry Sunderland Trophy

SAINTS CLUB NEWS

in Leeds's 9-5 win over Saints. Although he has been troubled by injury this season he managed to gain selection for the 'down under' tour where his experience should prove invaluable. Occupying the other proping position is the former Saint Keith Ashcroft who began his professional career here at Knowsley Road before moving to Bradford Northern, Warrington, Wigan and then, in autumn 1970 to Oldham for £2,000. Whilst with Saints, Ashcroft won a Lancashire Cup winners medal in the 15-4 victory over Leigh in 1963 and he has also played at Wembley with Wigan. At present settling in at Watersheddings in Bob Welding who was signed for £2,500 at the beginning of this month from Rochdale Hornets. Earlier this season Welding made two appearances for Lancashire to make his total of county appearances to 10 and he has also played for England at under-24 level. Welding began his professional career at Leigh before moving to Bradford and then Rochdale where, in 1971, he played against Saints in the Floodlit Cup Final which resulted in an 8-2 win for the Saints. Oldham's biggest signing of this season was the £9,000 capture of Brian Gregory from Warrington last November. Gregory had been at Wilderspool for five years since he was signed from Wigan Colts and last season he played twice for Lancashire. The hard working Fred Hall was a much cheaper acquisition having cost a mere £700 from Blackpool Borough in January 1973. Hall is a former Oldham junior who joined the Seaside club from Waterhead juniors.

Already this season Oldham have spent £30,000 on new players in order to avoid the drop and although Saints will start as favourites this afternoon, Oldham are expected to form stiff opposition to Saints Championship ambitions.
