SWINTON v OLDHAM

This afternoon we welcome our old friends from Oldham, for very many years we always played at Watersheddings at Christmas and the return game at Swinton on Good Friday. However, the confusion regarding fixtures for the Second Division teams, prevented us from making any arrangements for similar dates this season. With Oldham in the First Division last season, we did not meet, which adds further interest to today's meeting. Oldham are making a strong challenge to gain promotion at the first attempt, and their new coach Jim Challinor has got the team going well. The match is important to both teams with Oldham in second position in the League table, with six wins from eight matches, having scored 111 points against 71. We are three places lower with five successes from eight games, and have scored 130 points against 74. Oldham's defeats were at Hull Kingston Rovers and in their home game with league leaders Huddersfield.

SWINTON COLTS

A shortage of young players has prevented our Colts team from playing this season. Now Alan Buckley has been appointed as coach for the Colts, and with excellent co-operation from sports masters, is inviting boys aged 16 to 19 to write to him giving Name, Address, date of birth, present or former school. Alan will contact all boys who write when he has completed arrangements for training, etc.

Letters should be addressed to:—

Alan Buckley, c/o Swinton Football Club, Station Road, Swinton, Manchester.

Rugby League's richest prize!

Player's N°6 Trophy

The outstanding feature of every season

With over £16,000 in prize money to play for it's no wonder that the Player's N°6 Trophy is a success with the players. And the effort and skill they put into capturing the Trophy has made sure that this 5 round, 32 club knockout series is a hit with the spectators too.

The Player's N°6 Trophy really is Rugby League's richest prize—in every sense.

PNS 649

THE BRIAN BATTY COLUMN

(Daily Mail)

It must be many seasons since Lancashire clubs dominated the scene among the leading clubs at this stage of the season.

There is a distinct Red Rose influence as St. Helens, Widnes, Salford and Wigan emerge as the pace-setters in the First Division.

With Featherstone Rovers suffering an unexpected slump in fortunes, Leeds, Bradford Northern and Keighley have been desperately trying to turn the title struggle into an inter-county affair.

Keighley's bold start swept them to the top but they seem to have lost some momentum and are lodged in the middle of the table at the moment.

The biggest surprise has been the failure of Leeds to establish themselves, suffering the indignity of a swift removal from the Floodlit Trophy and Yorkshire Cup.

They also lost three of their first seven League games, an uncharacteristic start even allowing for a sizeable casualty list.

It will be little consolation to Yorkshire clubs that Warrington have, perhaps not surprisingly after last season's success, been slow into their stride.

But with Alex Murphy back at the helm, the Wires are on the way up and will be rubbing shoulders with the title aspirants before long.

Bradford's wonderful support should be both an encouragement and inspiration to maintain their challenge while Castleford are looking to experienced men like Brian Lockwood and Mal Reilly to blend with a young side that can only improve.

Rochdale's injuries and the loss of coach Frank Myler disrupted their start but with experienced Graham Starkey taking over as coach I expect them to continue their revival.

The club that is making great efforts is Wakefield Trinity where Peter Fox has already revealed the qualities that brought Featherstone so much success in recent seasons.

The Second Division is a three-way battle between Yorkshire, Lancashire and Cumbria with Huddersfield striving to recapture past glories and revive Fartown's flagging fortunes.

Leigh, Oldham and Swinton look like providing Lancashire's challenge with neighbours Whitehaven and Workington Town already showing they are set on winning promotion.
