CLUB NOTES

GOOD AFTERNOON and welcome to Alt Park for the first round of the John Player No. 6 Trophy and a hearty welcome to our near neighbours from the Watersheddings, Oldham, a team who this season are making a mark with their great fitness and it is a great pity that finance rears its ugly head and sales of their players are having to be made to maintain their status quo, and the recent sale of their Ian Holland to Swinton for £2,500 did little to relieve the situation, so still on their transfer list are Wainwright at £9,000 and Larder at £3,500 and Larder at this price would really strengthen any team, for recently he outkicked the great Kel Coslett in the Lancs. Cup encounter.

Still, by being here today, at least they are amongst friends, for Rugby League on Merseyside is a struggle at all times and whilst our feelings are with them I am afraid it is all forgotten when that kick-off whistle goes, and we all look forward to a good game.

And now on to last Sunday's game at Doncaster, and if it was not for the extra cost this paragraph would be edged in Black, for indeed, it was Disaster, and once again the few die hards who made the 190 mile round trip to Tattersfield saw the side, as you have no doubt read, go down by 11 points to nil, and, dare I say it, against a very mediocre Doncaster.

Injuries have set us back and several team changes had to be made. Derek Watts is still Hors de combat and we could have done with him badly, and to make matters worse several of our players received niggling injuries actually in the game, the worst being Grady at Stand off with a badly gashed leg, and so all in all this match is one that is best forgotten.

For the record keepers our team read: Lloyd; Hammel, Muliarkey, Preston, Nuttall; Grady, Gorman; Walker, Parry, Davies; Wills, Heesom; Westhead; and the subs were Leatherbarrow and Goulding both of whom had to play, the nett result being a very dismal defeat, but as I said, it is now water under the bridge and these things happen.

It would appear that the "A" team are meeting with better success, for they defeated Widnes *A* at Alt Park last Saturday and this in itself is no mean effort and it is heartening to know that the reserve strength is up to par, incidentally these Combination fixtures are well worth a visit and some sparkling Rugby came from the game last Saturday.

Going further down the reserve strength, and looking to a real long term policy, Huyton Tigers (how's that for a name?) had their first competitive clash yesterday, but as this programme has to be in early I cannot tell you the result, they met a team from Crosby and I'll let you know about it next week. They have had quite a bit of coaching and we felt that they should be about ready, and believe me, there is talent there. Liverpool born Rugby League players? It sounds incredible.

Wembley 1976 :

We still have a number of Wembley tickets available and it won't be long before these are really sought after, the date incidentally is May 8th. Book yours now, all information at the Supporters' kiosk on the right of the Club offices.

Supporters' Club Monthly Meeting :

As next Tuesday is the last Tuesday of the month it is a general meeting for all interested members, or should I say for anyone who is just interested, the venue is the Knotty Ash Hotel, the time 8 p.m. Come and make your views heard, tell us what you want.

Supporters' Club Kiosk :

We are hoping to lay in a supply of Club favours, Scarves, Rosettes, etc., and these will be on sale along with old programmes (not essentially Huyton's) it is well worth having a look see.

Tea Bar :

The old Windmill adage "We Never Closed" applies equally to our tea bar, for it remains open throughout the game, and it has a new look for we now supply Sweets, Nuts, Sandwiches, Tea, Coffee, Soft Drinks, in fact a host of goodies, nothing is worse than watching a game on an empty stomach. So once again "ON HUYTON ON" and see you all at the game next Sunday here at Alt Park v. Halifax. Kick-off 3 p.m.

Rugby League's richest prize!

The outstanding feature of every season

With over £16,000 in prize money to play for it's no wonder that the Player's N°6 Trophy is a success with the players. And the effort and skill they put into capturing the Trophy has made sure that this 5 round, 32 club knockout series is a hit with the spectators too.

The Player's N°6 Trophy really is Rugby League's richest prize—in every sense.
