CLUB NOTES

Good Afternoon Ladies and Gentlemen.

The last two games have seen us make an exit from the Player's No. 6 Competition and the Yorkshire Cup.

The game at Wigan got off to a bad start when Paul Sutcliffe and Sam Illingworth got lost en route and missed the kick-off. We started with Barry Parker in the second row, and what a first half Barry had! He tackled everything in sight and ran with tremendous power. Well done, Barry. John Stephenson went into the second row in the second half and he also showed up well. Alan Clarkson had to retire early in the game with hamstring trouble, this left a hole in an already weakened pack. Steve Shackleton, making his first team debut, had a really good game against the lively Jimmy Nulty, he tackled very well and his backing up was rewarded with a fine try. Great stuff, "Shack." Dave Jickells at full back, although under a lot of heavy pressure came out of this game with a lot of credit. Andy Smith made some nice breaks (one leading to "Shack's" try) and with more careful handling from the support we could have had another three tries, but the main cause of the downfall was letting the Wigan forwards run too much. Dave Garbett completed our scoring with two goals.

In the Yorkshire Cup semi-final last Wednesday night, we went down 2-11 here at Lawkholme. What a great performance the lads put up! They grafted right to the end. This is not sour grapes, but the first two tries were very very doubtful ones; their first try was a blatant obstruction by two of their forwards, allowing Mel Mason to dive over; their second try looked to me to be a forward pass and some of our players confirmed this afterwards. This try came right on half time—a killer time. But our lads came out in the second half and stuck to their task manfully, but it just wasn't to be. This was a great team effort. I think it would be unfair to single any one player out for special praise, but I feel I must mention Laurie Hinchliffe; a lad who is deputising for John Burke has a lot on his shoulders to say the least, there isn't a forward in the league who could better John's work rate; I think Laurie has fit into the side admirably. Well done, Laurie! Also I think we've found Greg Sharpe's best position—loose forward; given a little more time to settle in the position I think he'll make a "good 'un." Keep it up Greg!

Today we are looking for our first league win at the expense of Oldham. If the lads put it together like we know they can then a win is on the cards.

"SUPER C."

SUPPORTERS' CLUB NOTES

Welcome to our visitors from Oldham and especially to the members of their supporters' club. There is no Federation amongst the Lancashire clubs but I understand that Oldham have a thriving supporters' club; as we have recently accepted Blackpool and Rochdale into the Yorkshire Federation maybe we can interest Oldham. We would be pleased to welcome any of their officials or members of their club at our supporters' club today before or after the match.

Leeds Match

Although we lost on Wednesday night we were not disgraced, indeed with the least bit of luck and the spotting of some of Leeds's obstruction moves we could have won. I feel that all the lads deserve credit for a magnificent display, with the odds stacked against them they fought to the last; to my mind that second try just before half time was the vital one.

Player of the Year

Before today's game we will be presenting the above award to Tony Garforth who although one of the more recent signings was elected by our committee as this year's winner. Congratulations Tony and thank you for a good job well done.

Curtain-raiser

Unfortunately the curtain-raiser to Wednesday's semi-final had to be called off owing to the amount of rain that had fallen; it is hoped that before today's game Swire Smith and Hartington schools can play their game.

Away Games

The coach for the Dewsbury game will leave the ground at 6-20 p.m. and for the Wakefield game on Sunday next at 2-0 p.m. Please book your seats at the supporters' club hut today.

Match Raffles

Don't forget your tickets for today's draw: 1st prize, one bottle of Whisky; 2nd prize, one bottle of Sherry.

Junior Rugby

Last Sunday the joint Keighley/Bradford Under 16 League commenced its fixtures. Keighley have two teams in Worth Village and Bracken Bank. Any boys wishing to play should report to Alan Winterbottom at Marley Stadium or to Geoff Eccleston at Oakbank School, in both instances Tuesday evenings at 7-0 p.m. Also at Marley Stadium at the same time Worth Village are running a coaching course for boys under 13 years of age and hope eventually to select a side to play friendly matches.

Dave Garbett's Benefit

Thank you all for your support at Dave's Benefit Concert on Thursday at the Variety Club; the amount raised is not yet known but will be given in the next programme.

"A" TEAM NEWS

Our "A" team had a tremendous 34-6 win at home a week last Friday against Bramley "A". They played some really superb rugby with loose forward Greg Sharpe having a really brilliant game, his strong running and superb passes laid on four of his side's six tries. Well done, Greg. Backing Greg up all the time was stand-off Colin Robinson and he was rewarded with two fine tries. Veteran prop and skipper Dave Worthy crashed over for two more tries, Alex Kalinowski and Billy Cockcroft added the other two. The strong bursts of Alex Kalinowski and Tony Garforth often tore holes in the Bramley defence. Young scrum half Martin Lazenby had a great game; in the first half he was up against the very experienced Peter Astbury but he stuck to his task very manfully, and in the second half he switched with Brian Jefferson and brought off some excellent tackles and went down on loose balls fearlessly. Well done, Martin!! Brian Jefferson landed eight goals out of nine attempts, the one he missed with bounced on the crossbar (from the touchline) and bounced out. Richard Moncrieff (our new Aussie) made his debut in this game, although obviously not fully match fit "Dick" did enough to show us he's got the ability. He is a very good tackler and has a very good pair of hands.

The team was (1) B. Jefferson, (2) P. Walker, (3) R. Moncrieff, (4) C. Wilkes, (5) W. Cockcroft, (6) C. Robinson, (7) M. Lazenby, (8) D. Worthy, (9) D. Raistrick, (10) A. Kalinowski, (11) A. Garforth, (12) D. Brosnan, (13) G. Sharpe, (14) D. Rooke, (15) C. Woolford.

TODAY'S VISITORS — OLDHAM

Today we offer a very warm welcome to our friends from the Watersheddings. They are out seeking the double against us after narrowly winning earlier in the season. On that occasion our lads had a real off day and I know they'll be out for revenge today.

I'd like to take this opportunity to congratulate the Oldham players on their fine win in the floodlit trophy against Widnes last Tuesday.

At full back they have Martin Murphy who last season played for Gt. Britain. For a threequarter line they can blend the talents of goal-kicking centre Phil Larder, ex-Powderhall sprinter Mike Elliot, ex-Leeds player Tony Wainwright, Eddie Barton, the versatile Johnny Blair or Castleford product Steve Lund. At half back they have the ex-Northern player David Treasure; David caused us problems at the Watersheddings earlier in the season, no doubt we'll have to keep a close eye on him today. At scrum half they have ex-Doncaster player Mick McCone, a real live wire on his day. The pack squad has many well known names in it: Kevin Taylor, their long serving hooker; Bob Welding, a match winner on his day; the strong running Fred Hall; ex-Castleford utility forward Dickie Brown; long standing prop Denis Ashcroft, and local boy Ray Hicks.

ST. HELENS COLTS 26 v. KEIGHLEY COLTS 0

Keighley Colts visited St. Helens and lost 26-0; they never recovered from the disadvantage of arriving late after travelling with the first team via Wigan. They managed to hold St. Helens for the first twenty minutes with the forwards playing well individually, Dick Wellock, Dave Sharkey and Pete Clayton working tirelessly, but never managed to work together as a unit and there is a need to introduce more variety into their play. St. Helens were very good at spotting and cover defence which gave little opportunity for our backs to show their paces. Possession from the scrums was even, but Keighley once again didn't take advantage of their possession by losing the ball at vital times. Nevertheless St. Helens, who had a professional loose forward in their team, were by far the best side we have met this season. The lads realise that this effort was better than last season and with this marked improvement they will go into this week's match with Bradford Northern with renewed vigour.
