TODAY'S VISITORS

For our first league game of the season we welcome to Lawkholme Lane our visitors from Oldham.

Over the years the Oldham Club have been well to the fore in Rugby League, although during the past couple of years the Club have not been quite the force that they were in the 50's and 60's, during this period they were always in contention for honours and their side contained many International players.

They will be ranked amongst the favourites in the promotion stakes this season after being relegated last term and under the guidance of new coach Dave Cox they could well be a force to be reckoned with.

Martin Murphy at full back has served the Club well over the past decade and he ranks amongst the best full backs in the game, late on, last season, Oldham signed a couple of useful backs in Glen Knight the former Huddersfield and Warrington stand off and Hill the former Wigan centre, Elliot has been a consistent winger and former Castleford junior Steve Lund turned in some good displays during last season, Johnny Blair has turned in some useful performances at stand off and former Castleford junior Paterson, is a lively scrum half.

In the forwards there is a mixture of youth and experience with former Salford player Frodsham making his league debut today, local signing O'Mahoney will be at hooker and former Leeds player Brian Hughes will be at number 10, Fred Hall who was signed from Blackpool will be in the second row alongside former Junior international Steve Herbert, another youngster Peters who signed from Leigh will be loose forward.

Official Club Colours. Red and White hooped jerseys.

LAST WEEK'S GAMES

KEIGHLEY 17pts. NEW HUNSLET 8pts.

Last week's game in the 2nd round of the ESSO Yorkshire Cup at Lawkholme turned out to be a cracking game and in ideal conditions some really top class rugby was served up by both sides.

New Hunslet who had convincingly beaten Hull K.R. the previous week were freely tipped to win this game and they came with the intent of using their strong pack to win them it, our pack came out well in the encounter and in contrast to the New Hunslet pack who tend to drive down the middle our forwards ran and backed up well and supplied the backs with plenty of the ball, Bunny Ackroyd was always dangerous with his breaks and Billy 'Wooster' Woolford gave the side ample possession from the scrums and did a wonderful tackling stint, Tony Garforth ran strongly and played well despite a painful groin injury, Dave Garbett covered and ran well, Alan Clarkson relishing the responsibilities of pack leader varied his play well and got the ball out to the backs, at the back Kenny Loxton gave his usual non-stop tackling display and was ever in the support role.

Dave Jickells at full back defended well and was always looking to support the breaks, on the wings Terry 'Jet' Morgan nipped over for three tries one of which was a fine solo affair while Mike Hedges on the left wing gave a sound display, centres Bruce Leek and Arthur Waterhouse were always probing for the opening and both had sound games, Joe Bardgett more than held his own with Bob Gaitley and at the scrum base skipper Roly Holden set a fine example to his team.

This was a fine team display and augers well for the season ahead.

HULL K.R. 47pts. KEIGHLEY 'A' 10pts.

After a fine showing at Leeds the previous game, our lads came down to earth with a bump at Craven Park, the Rovers had a very experienced side on view and our boys were completely outplayed, after the home side took a five point lead Kalonowski scored near the posts for Burnley to convert and put us level, but some weak tackling before half time saw us drop well back, Daniels scored a good try converted by Rook but the strong Rovers side went further ahead to register a big win. Jowett and a trialist scrum half were the pick in the backs and Barry Clayton who won the man of the match award the pick of the forwards.
