OUR VISITORS

We welcome as our first team 'First-Foots' to Wigginton Road the Directors, players and coach of Oldham R.L. Club. Last season they finished bottom of Division 1. Their record read:

P	W	D	L	F	A	P
30	7	0	23	322	666	14

Immediately above them were Barrow, who visited us a fortnight ago.

This season Oldham are making determined efforts to return to Division 1 and the fact that they occupy 4th position at the moment of writing substantiates that statement.

Obviously they want every point they can get and two points for them today would be of inestimable value to them, but it is up to us to see that the points at stake remain here at York.

We lost to Oldham at Watersheddings in the Second Round of the R.L. Challenge Cup a couple of seasons ago when they beat us 6—5. Our supporters will remember that Neil Fox missed an easy penalty kick in the last seconds of the game.

Last year Oldham celebrated their Centenary. They have won the R.L. Challenge Cup on three occasions; been finalists on 4 occasions. The League Championship was won by Oldham four times (runners-up five times).

We hope for an enjoyable and evenly-contested game.

Next Sunday, the 15th January, 1978, we meet Swinton at Swinton. The kick-off is at 3 p.m. and the following route (kindly supplied by the A.A.) will be helpful to those of our supporters who wish to travel by car, rather than coach. "Leave Motorway M62 at Junction 15, then turn left A666 signposted Pendlebury, Swinton. After 5 miles turn right B 5231 into Station Road for Swinton Rugby League Ground.

Those of our supporters who braved the elements to see our win against the strong Barrow side in our last home match in 1977 could not fail to have been greatly impressed by the capital performance given by our team. It was bound to come following our vastly improved play at Rochdale and Leigh and it was particularly gratifying that the excitement created should be before our own supporters. The vocal support was magnificent and this, as much as anything, brought this hard won victory. "YORK, YORK, YORK" makes all the difference. The next thing we want are more tries—they will assuredly come!

It is regretted that Gary Hetherington is reluctant to operate in the second row and this left the Board no alternative but to agree to his request for a transfer. We will watch future events with interest, but we would like him to stay with us.

"Go to work on an egg" is a slogan known to all of us. Mal took the hint and 'by George' the goodness of eggs reflected itself in his general play and stamina in the Barrow match. What a man!

We continued our improved form in our match at Keighley and managed a 15—15 draw after being 10—1 down at one stage of the game. Again, a lot of effort was in evidence and our tackling, though stretched to the full by the relentless pressure of the home team for long periods, fully justified the point we earned.

Our Referee today is

RON CAMPBELL (Widnes)

One of our younger referees who has been officiating since 1970, he was upgraded to Grade 1 in 1974. An amateur second-row R.L. forward, he last refereed at York in mid-October when Keighley beat us 19—13. On that occasion Mr. Campbell officiated extremely well.

Our principal scorers to date are—

TRIES: Gary Smith (8), Mick Marshall (7), Mick Morgan (6), John Crossley (5), Barry Banks, Terry Day and Gary Hetherington (4).

GOALS: G. Hetherington (49) (including 3 drop goals)

NOTE—Our backs have scored only 1 try since the Doncaster match played

on the 20th November. Perhaps we will see a change today. Hope so! The Rugby League Night at The Oval Ball on the 28th December was a great success and everybody enjoyed themselves. The buffet, excellently prepared by our Manager and his good lady, was so much appreciated.

I think it can be said, with some degree of confidence, that we have got over the most difficult part of our programme and the remaining four months should certainly be more profitable than the last two.

Looking forward to seeing you at the Huyton match at Wigginton Road on Sunday the 22nd January — kick-off 2.30 p.m.

GATES

Cup and League gates during November went up by 10.5% compared with 12 months ago. This further boost to Rugby League's healthy attendances comes after an 18.5% increase in October and an 8% jump in September.

This November's average gate of 3,533 compares very favourably with the November 1975 figure of 2,536.

Nearly 20,000 more people have watched this season's John Player Competition compared with last year. With the Warrington v. Widnes Final still to come on 28th January, 1978, 134,229 spectators have viewed the 30 ties. Compared with last season's competition, there has been an increase in attendances in every round.

JOHN SMITH'S ALES

BRIAN BATTY'S RUGBY LEAGUE SCENE

by
BRIAN BATTY
of the
"Daily Mail"

in 1974 and a year later handled the St. Helens v Wales game which was in aid of John Mantle's testimonial.

But two years earlier had come a surprise trip to France where he must have set some sort of record.

"What happened was that Warrington were sending out a Colts team and coach Len McIntyre rang me to see if I would go as a referee, he recalls.

"It was a last minute arrangement but I finished up handling a total of 14 games in only 12 days. I actually did three game in one afternoon, starting at 1.30 and finishing at six and I was really shattered.

"I also did a French comp. semi-final and just after I got home I had a telegram asking me to go out and do another Cup semi-final between Limoux and Carcassonne but I could not manage it."

"I had been promoted by the League at that time and I did not want to miss handling a Bradford-Hull game. I can, though now speak enough of the lingo to get through this game between Wales and France!"

Ron, whose father John played full back for Everton's first team, lives for rugby league.

If he has not got a game on a Saturday then he can be found watching an amateur game and if he is not refereeing on a Sunday appointment goes along to a First Division game.

Referee Ron Campbell is approaching his first international between Wales and France at Widnes with typical confidence.

Ron knows his way around Naughton Park as well as any player for he trains there twice a week with the Widnes players.

He is unconcerned about the possible language problems with the French after a 'crash' course of refereeing in that country four years ago.

And, as far as the playing side goes, he can look back on a career in which he completed four seasons as a second row forward.

Ron, one of the game's most popular and enthusiastic officials, is only 38 and made a rapid climb through the refereeing ranks.

"I signed as a forward for Salford to have trials but never completed them because of moving from the area in 1959," he recalls.

He went on to join Liverpool City, playing with them until 1964 and turning to refereeing in 1969.

Ron became a grade one official

MAN OF THE MONTH AWARD

Greenall Whitley, the Warrington based brewers, are linking up with The SUNDAY PEOPLE to present this new award. Every month during the season a special panel of judges will select the R.L. Personality who has made the most impact on the game, be it player, referee, coach or official. The recipient will be presented with a cheque for £100 and will be featured in The John Robinson column in The SUNDAY PEOPLE.

Greenall Whitley are also to sponsor THE SUNDAY PEOPLE POINTS SCORING AWARDS introduced last season. This season the top try scorer will receive £5 per try and a £100 bonus if Billy Boston's post-war record of 50 tries in a season is smashed. The top goal kicker will receive £1 per goal kick and a £100 bonus if David Watkins World record of 221 goals is booted into touch.

Bradford Northern Coach, Peter Fox, is the "Man of the Month" for November. The Northern Coach joins John Woods (Leigh) and Green Vigo (Wigan) on the Roll of Honour in this new and popular Award Scheme.

The judges also made a special November award to Colin Welland for his part in the excellent B.B.C. T.V. "Grandstand" documentary on Rugby League.
