30 Seconds walk from Market

PRESIDENT'S PAGE

Some surprise has I know been expressed that we have taken veteran prop forward Mike Murphy on to our register, Murphy is of course well into his 30's. But this is very much a short term measure, taken with a view to the cup ties, in particular today's game with Oldham. The fact is, that neither John Rangeley or Keith Mason who have been operating at open side prop in recent times will be available for today's game which made the situation extremely acute in the front row, though Dave Weavill is now back in action and there was a most promising display by Steve Watkins on his first team debut at Featherstone last Sunday. Murphy was prepared to help us out as a short term solution to the situation, he has vast experience of prop forward work and his services are therefore available to Team Manager Alan Lockwood if desired. It was arranged that the first team squad should go to Blackpool yesterday for a special training session in preparation for today's game.

Steve Hankins as everyone knows has now gone to Featherstone, I'm sure I do not have to repeat that Steve wanted to leave Dewsbury and in fact we did receive a substantial fee for him. Very recently, we made two important signings from amateur R.L., they are, Shaun Dunford who is only 20 years of age, is nephew of Brian Dunford who was with us in the years just after the last war, a former apprentice 'Soccer Professional'. Shaun took up R.L. about 6 months ago with Woolpack All Blacks and made a considerable impression in his trials with our "A" team. He has considerable speed and good handling ability and at 5ft. 8ins. and 11sts. looks a prospect as a future stand off half. The second signing, is that of Gerald King, a 22 year old, 6ft. 3ins., 15½sts. second row forward who was with Stanley Rangers. Gerald was introduced here by John Wolford and is also a former 'Soccer player'. To both these young men, I extend a warm welcome, together with the hope that their careers here may be long and successful ones.

Today is the opening round of the State Express Challenge Cup and on another page is a list of benefits which could accrue from progress in this sponsored competition. I'm sure that the visit of Oldham to Crown Flatt just before last Christmas will be fresh in the minds of our supporters. Oldham were successful on that occasion by the narrow margin of 17 pts. to 14 pts., but cup football is a different "kettle of fish" and if our boys can strike their best form I regard our chances of progress as very good. In any case, I extend to the Officials, Players and Supporters of the Oldham Club, another warm and cordial welcome to Crown Flatt.

SYDNEY A. CROSS,
President.

INTRODUCING OLDHAM

The Oldham full back I've no doubt will be **Martin Murphy** in probably his 11th season with Oldham, he was signed from the Astley Colliery A.R.L. Club, was in the 1968 Lancashire Cup Final when only 20 years of age, one appearance for England in 1975 against France and had a testimonial in 1977. Right wing could be **Geoff Munro** who is a product of the Oldham "B" team and has already 17 tries to his credit this season, his centre when Oldham were last here, was **Phil Ward** who is one of the few players to have appeared in John Player Finals for two different clubs, signed for Salford from Loughborough College R.U. in 1971, joined Bradford Northern in August 1974 and was in the 1975 John Player Final, a native of Rochdale. The other centre on that last visit, was **Steve Lund** who is a native of Castleford and had 4 trial games with us in 1977/78, is equally at home at wing or centre. **Phil Larder** is another Oldham Centre, an Oldham man but signed from Sale R.U. used to be a regular goalkicker and has been at Watersheddings for some seasons. **Eric Fitzsimmons** was on the wing on the last visit, a former 'Soccer player' and the regular goalkicker, kicked 4 against us here in December and 5 when we visited Oldham. Stand off half is **Bill Francis** this seasons appointment as Player/Coach, a native of Normanton, signed for Wigan in 1964 and was there 13 years, St. Helens in 1977 and Oldham in close season 1979. Appeared in Wembley Finals, Championship Finals, John Player Finals and Lancashire Cup Finals, played for Gt. Britain and appeared in every one of Wales international games, qualifying by descent. Scrum half is likely to be **Ken Gwilliam** signed this season from St. Helens. At 20 years of age Gwilliam was the youngest player in Salford's 1969 Wembley team, playing at full back. He signed for Salford from the Blackwood A.R.L. Club. Went to St. Helens in 1973 and was in three successive Championship Finals, 1975/76/77, also in 1977 Floodlit Final and 1978 Wembley Final.

Open side prop for Oldham is likely to be **Adrian Alexander** a R.U. convert from the South of England, his club was the fashionable Harlequins R.U., 6ft. 3ins. and 16sts., he is 24 years of age, scored the vital try against us here in December and could have a big future as a R.L. forward. Possible hooker is **Ray Martland**, formerly of Blackpool Borough and Wigan and there's **Roger O'Mahoney** who is I think a local amateur product. **Alan Forster** also a prop forward is a native of Huddersfield and was at Fartown before Oldham, **Steve Herbert** usually in the back three has been around the Oldham scene for some time, **Bob Blackwood** is a Cumbrian, born in Whitehaven, was with St. Helens, Widnes, Wigan and Workington before Oldham and was in the 1971 Championship Final, 1972 and 1973 Floodlit Finals, 1974 Lancashire Cup Final and 1975 John Player Final and the 1977 Lancashire Cup Final. Loose forward **Terry Flanagan** is one of the youngsters Oldham consider have star potentiality. **Ray Ashton** is another of the youngsters with potential, he's a half back, then there's **Colin Hawkyard** a back three forward from Huddersfield and **Glen Crehan** a utility back signed from Swinton formerly with Leigh R.U.

The Challenge Cup is of course sponsored by the State Express Tobacco Company, and the sponsorship goes as follows :

The 16 1st Round losers each receive £750
The 8 2nd Round losers each receive £1160
The 4 3rd Round losers each receive £2000
The 2 beaten Semi-Finalists receive £3555
The Runners Up receive £6555
The Winners receive £12555

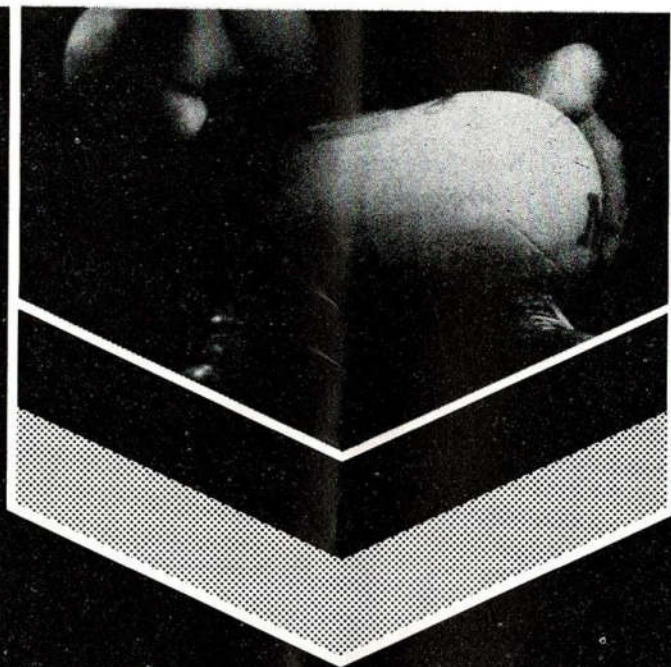

In addition, challenge awards are received by the Rugby Football League, of which 20% will be donated to the club involved in any of the following scoring achievements :

£500 each time an individual player kicks five goals in a State Express Challenge Cup Match.
£5000 each time an individual player scores five or more tries in a State Express Challenge Cup Match.
£5000 each time a team scores 55 points or more in a State Express Challenge Cup Match.

Interesting to note that the five goal feat was achieved five times during the 1979 Cup campaign, by Sammy Lloyd (Hull), Ian Ball (Barrow), Sammy Lloyd (Hull) again, Paul Orr (Castleford) and Andy Wilson (Huddersfield). The feat of scoring five or more tries in a match was achieved by Ike Southward who scored six tries for Oldham in their 55-4 defeat of amateur side Walney Central on 27th February, 1960. As far as the points scoring barrier is concerned, the last time 55 points was achieved or exceeded, was by Leigh who ran up 63 points against amateur side Kippax on 3rd February, 1973.
