HULL v OLDHAM

Sunday, 21st September, 1980

Kick off 3.00 p.m.

For our second home league fixture of the season we entertain newly promoted Oldham, a club who like ourselves have staged a remarkable revival of fortunes in the past two seasons. A little over two years ago this famous Lancastrian club that had enjoyed success and prosperity in the fabulous fifties was on the brink of extinction. Two decades of disappointment and failure had left their mark. Spectators were disillusioned, the club was broke, the Watershedding's ground was dilapidated and down-trodden. However dedication and perseverance have proved the saviour of the day and financial backing from the club's successful lottery has helped developments both on and off the field. On the playing side the club has made steady if not spectacular progress and Oldham's obvious priority now is to preserve their First Division status this season and then consolidate. Like ourselves a devoted youth policy has brought a whole string of top class youngsters to the club and last season the 'A' team won the Lancashire Shield and the Colts lifted the Colts League title and went on to win the Premiership Trophy. At first team level the side has been almost totally rebuilt in the past two years with only full back Martin Murphy, winger Geoff Munro, hooker Roger O'Mahoney and utility forward Steve Herbert remembering the days when the club was down on its heels. Player-Coach Bill Francis and scrum half Ken Gwilliam are just setting out on their second season at Watersheddings having been bought from St. Helens and as transfer fees escalated last year the club moved into the Union market and bought Adrian Alexander from Harlequins and Bob Mordell from Rosslyn Park. More recently Oldham again hit the headlines when they captured Rovers' Wembley hero Brian Lockwood and former Airline Bird Clive Sullivan.

The Lancastrians have made a mixed start to the new campaign reaching the Forshaw's Lancashire Cup semi-final only to go down 2-11 at home to Warrington last Wednesday whilst they have picked up one point from three league fixtures to date. They will need no reminding however of their last visit to the Boulevard when almost two years ago to the day they were ruthlessly humiliated 10-61 by a rampant Hull side boosted by new signings Charlie Stone and Sammy Lloyd. The latter, making his home debut left the 7,195 spectators bewildered as he kicked 14 goals from 14 attempts and scored a try leaving him only five points short of Jim Kennedy's club record of 36 points in a match set in 1921. The teams that day were:

HULL: Robinson, Bray, Hancock, Barr, Macklin, Wilson, Hepworth, (Lynn), Tindall, (Boxall), Crowther, Farrar, Lloyd, Stone, Norton.

Scorers: Tries: Lynn 2, Crowther, Bray, Lloyd, Tindall, Norton, Robinson, Boxall, Macklin, Stone. Goals: Lloyd 14.

OLDHAM: O'Brien, (Lund), Stondin, Larder, Ward, Munro, (Radcliffe), Murphy, Bates, Charles, Newton, Taylor, Hall, Herbert, Flanagan.

Scorers: Tries: Ward, Herbert. Goals: Stondin 2
Attendance: 7,195 Referee: P. A. Massey (Salford).

MATCH REVIEWS

Two weeks ago we opened our account with a comfortable victory over newly promoted Barrow after a game of two totally different halves. The ultimate destruction of an enterprising Barrow side looked most unlikely midway through the first half when the Cumbrians led 13-5. Then our third successive defeat stared us in the face as we failed to find any rhythm or cohesion and our attempts to play fast open rugby were hindered by numerous elementary mistakes. Too many passes went astray, tackles missed and the absence of a steadying influence gave an 11,192 crowd obvious reason for concern at the interval. It may have been pride or a stern lecture from Team Manager Arthur Bunting that reaped dividends but we finally shook off our early season blues with a seven try second half blitz. It was the constant power of our pack which again provided the foundation for victory. Whith the effervescent Steve Norton again at the helm he received magnificent support from Charlie Birdsall, Trevor Skerrett and Charlie Stone. Birdsall was again in storming form, his powerful running producing a brace of tries whilst Skerrett took no time to establish his popularity with the Hull supporters showing just why Hull had paid a world record £40,000 fee for his services. With Clive Pickerill giving another outstanding display of subtle ball distribution and incisive running and Ian Crowther again dominating the scrums the Airlie Birds never looked back from the moment they took the lead shortly after the break.

So to last Sunday and the trek into Lancashire to meet a Leigh side struggling to regain confidence after a surprisingly poor opening to the season and again it was a case of coming from behind as we staged a remarkable recovery from being 15-0 down after half an hour.

It seemed as if the players had walked over the Pennines as Leigh relished the freedom which we presented them. Lack of possession in our own half did not help matters and each time we managed to clear our lines we were pushed back again by raking touch kicking from Alan Fairhurst and Tom Gittings. After two narrow escapes in the first five minutes, Gittings crashed over and again we paid the penalty for niggling fouls as Fairhurst kicked two excellent goals. The nightmare continued as we were still striving to string together a worthwhile move; the ever elusive John Woods broke out of a tackle to send Terry Bilsbury away on a dazzling 45 yard run for the line and with Fairhurst adding the goal we were fifteen points adrift before we had started to play. Ironically the feeling in the Hull camp was that the game could still be pulled out of the fire once our forwards began to dominate Leigh's lightweight pack. Gradually our optimism was fulfilled as inspired

particularly by Steve Norton and Trevor Skerrett we commenced our thrilling revival. The defence closed ranks and in attack we began to stretch Leigh's cover and tries by Paul Prendiville and Charlie Birdsall put us within striking distance at the interval. It was in the opening quarter of the second period that the issue took a dramatic turnaround as we shook the home side with three superbly worked tries and then withstood Leigh's final assault with some stern defensive play. Although certain weaknesses have still to be remedied this display underlined there is nothing lacking in our character, team spirit and determination. Perhaps the most encouraging feature is that our back division began to show its true flair with Steve Dennison and Clive Pickerill always eager to create space and keep the ball moving, and direct running by the threequarters exposed a suspect home defence. Once settled our forwards again looked formidable with Steve Norton tantalising the opposing cover with his subtle distribution, Trevor Skerrett making constant headway with some powerful running and Charlie Stone, Charlie Birdsall and Sammy Lloyd always in willing support and after an inauspicious opening Ian Crowther again won the scrums. Crowning a memorable day was the fact that Sammy Lloyd's fourth goal was the 1,000th of his career.

'A' TEAM NEWS

Two more victories - away to Hunslet at Mount Pleasant, Batley and at home to Halifax gives four victories out of five with only the last minute defeat at Wakefield a blot on the opening league fixtures. Unfortunately Ron Wileman suffered a knee injury against Hunslet and if our worst fears prove true Ron is going to need a cartilage operation and will thus be out of action at least two months. Mick Sutton also suffered a back injury against Hunslet but should have been fit to play this weekend. The trialist off-half who came well recommended scored a well taken try at Hunslet but he was not up to the required standard and no further action was taken. With injuries taking their toll what seemed would be a comfortable victory saw our lead whittled away and we were pleased to hear the final whistle whilst still leading 17-13.

A week ago we kept a clean sheet for the first time this season with a hard earned 13-0 win against Halifax in extremely windy conditions. A good crowd saw Gary Peacham playing in the centre score two excellent tries whilst winger Ray Smith scored a sparkling try late in the second half. Colin Lazenby kept up his impressive early season form and Robin Chester worked extremely hard at scrum half as did Carl Sanderson at loose forward.

Scorers v Hunslet: W 17-13

Tries: Trialist, Peacham, Hodgson.

Goals: Lazenby 4.

Scorers v Halifax: W 13-0

Tries: Peacham 2, Smith. Goals: Lazenby 2

COLTS NEWS

The Colts 100 per cent record was maintained with two excellent victories at Hunslet and last Saturday at home to last season's Colts champions, Oldham. David Elliott scored two superb tries in the 32-13 win against a strongly fancied Hunslet side and the club persuaded him to sign professional forms the next day.

The opportunity was taken to hold the Oldham fixture at the Boulevard and if ground conditions permit more home fixtures will be held here. It was a real red blooded affair, particularly in the first half and Oldham went in at half time holding a 6-0 lead as a result of three penalties well goaled by loose forward Platt who unfortunately received his marching orders early in the second half for arguing with the referee.

With the strong wind in their favour our Colts weight of numbers was too much for Oldham. Carl Sanderson generalled his side superbly again - from scrum half this time - and Lee Crooks, Kenny Jackson (who is enjoying his new hooking role) and Andy Talbot proved more than a match for the Oldham front row. Carl Suddaby and Wayne Procter were most impressive once again, both scoring excellent tries whilst the threequarters covered well and made the most of their running opportunities. So the scene was set for yesterday's intriguing Colts derby with Hull K.R. at East Park.

Scorers : v Hunslet : W 32-13 Tries : Elliott 2, Ridsdale 2, Bell, Scruton. Goals : Sanderson 4, Bell 3.

Scorers : v Oldham : W 17-6 Tries : Procter, Suddaby.
Goals : Sanderson 5. Drop Goal : Sanderson.

ANOTHER APPEAL!

Next Sunday we go to Craven Park in the first fixture against Hull Kingston Rovers since that history making meeting between the clubs at Wembley on 3rd May last. In our last programme we printed tributes to our supporters from the Police authorities in Hull and London as well as British Rail. Your behaviour on that day was a credit to you, to Hull F.C., to the city of Hull and to Rugby League in general and was a repeat of the opinion expressed following the Floodlit Final at the Boulevard last December.

It seems that there are some people who delight in publicising trouble but who are silent when supporters behave as you all did at all our big matches last season.

The kick off time next Sunday is the normal time of 3.00 p.m. as we did not think it was in the interests of our out of town players and our supporters in general to agree to a proposed 11.00 a.m. kick off. So it is up to you all once again to prove once and for all that as well as being the best supported club in the Rugby League you are also the most knowledgeable, the most good humoured and appreciative of skilful play, not only from our own players but also opponents. Please continue to bring credit to Hull F.C. - Have a nice day next Sunday!

We have approximately 600 Shareholders and it might not be generally known that we are always looking for more. The minimum investment is £25 but it must be remembered that there will never be any prospects of a dividend being paid! The club wishes to increase its issued capital so if any supporter would like to become a shareholder please ask for details at the Secretary's Office at the Airlie Street end of the ground.

HULL F.C. v NEW ZEALAND

Supporters will have read in the press that this fixture on Sunday, 5th October, 1980 will take place at Boothferry Park by kind permission of the directors of Hull City A.F.C. With the anticipated very big attendance for this attractive fixture at the start of New Zealand tourists programme we believe that the facilities at Boothferry Park will avoid congestion and be of benefit to all supporters. Obviously if this venue proves attractive and a success it might be feasible for the club to persuade the Boothferry Park management that future big games could also be mounted there. So we do appeal to you to come along to Boothferry Park and make this another record-breaking attendance to fit the occasion. Further announcements will be made regarding other details concerning this fixture.

HULL F.C. SUPPORTERS' CLUB (WEST YORKSHIRE BRANCH)

It was certainly hectic for us yesterday as our monthly meeting at the Adelphi Hotel in Leeds was followed by a function at the Hull Supporters' Club last night when Paul Woods received our Player of the Year Award and Keith Boxall a cheque towards his benefit fund.

Our recent holiday travels took us into Scotland and on visiting Wick in the County of Caithness we called at "Camps Bar" owned by Ken Read and interest was expressed by many regarding Hull F.C. It does seem impractical, however, to form a Supporters' Club in a distant place such as Wick.

This afternoon we welcome newly promoted Oldham Football Club to the Boulevard and all their followers and welcome them to join us in the Supporters' Clubhouse. I am sure many of you will have seen last week's Rugby Leaguer which stated; "Ray Hatton, go-ahead Chairman of Oldham knows exactly where the club is heading - to the top. On the ground itself, about £50,000 has been laid out in recent months, providing new turnstiles, new roofing on the popular side stand, new terracing on the pavilion side, bench seats bought from Manchester City in the main stand wings, new refreshment bars and a variety of other improvements designed to convert Watersheddings into one of the finest grounds in the league. On the playing side it will be a great pleasure to see the

Terry Richardson (Castleford)	6
Ian Slater (Huddersfield)	6
Trevor Leathley (Huddersfield)	6

Top Goal Scorers:

Steve Quinn (Featherstone Rovers) leads the goal scorers and is scoring at a faster rate than last season when he reached a century of goals in a record equalling 18 matches. This season he has kicked 31 goals in 5 matches. After the same number of matches last season, he had totalled 24 goals. Others with 20 or more goals this season are:

Steve Quinn (Featherstone Rovers) has now played and scored in 37 consecutive Featherstone Rovers matches for a total of 442 points.

Steve Hesford (Warrington) needs only 4 points to become the second player to score 1,000 points in Division One.
