Lancashire Cup semi-finalists Oldham come to Headingley with a side sprinkled with youth and experience. A swoop into the transfer market last week saw the Watersheddings side sign Hunslet's prolific centre Mick Parish for £20,000, and Geoff Clarkson join his tenth club. Two valuable close-season signings were Hull K.R. veterans Brian Lockwood, possessor of three Cup Winners medals and Clive Sullivan. Both have captained Britain, and Lockwood is the current holder of the Lance Todd Trophy, whilst 'Sully' scored over 400 tries for Hull and Hull K.R.. Player-coach Bill Francis has been a model professional, serving Wigan for 13 seasons and St. Helens. He made his debut for Britain in 1967 and has played for Wales magnificently throughout the 1970's. Half-back partner Ken Gwilliam followed Francis to Oldham from St. Helens. A tireless No. 7, Gwilliam seldom gets the praise he deserves. Wingman Geoff Munro, currently in his benefit

season, scored 26 tries last term to top the Division 2 list, recording four hat-tricks. Martin Murphy has served Oldham since 1967, gaining a well-earned England cap in January 1975. Roger O'Mahoney and Steve Herbert have also served Oldham well. R.U. converts Bob Mordell and Adrian Alexander, signed from Rosslyn Park and Harlequins respectively, have both settled to R.L. well. Whilst the club have spread their net far and wide, local talent has not been overlooked, and four members of their superb Colts team of 1979-80 are in the first team squad. Half-backs Paddy Kirwan and drop-goal expert Ray Ashton, and forwards Mick Worrall and Terry Flanagan, last season's Player of the Year and a Lancashire debutant in September are four magnificent prospects. Newcomers, goalkicker Caffrey and the promising Hunter have played in early games, but last season's goalkicker Eric Fitzsimmons has been out of the side.

### MEMBERS' BAR

The refurbishment of the Members' Bar will be completed in time for the Leeds v. Castleford match on Wednesday, 8th October. From that match onwards the bar will be exclusively LEEDS MEMBERS ONLY and evidence of membership will have to be produced. To avoid embarrassment, members are asked to make a special note of this arrangement. PLEASE PRODUCE YOUR LEEDS MEMBERSHIP TICKETS.

Drinks and other refreshments are available for non-members in the Main Stand and South Stand Bars.

### TODAY'S CURTAIN-RAISER

Leeds Schools Under-13 Seven-a-Side Competition for the Wynne Trophy—First Semi-final—Bramwood v. Blenheim. Curtain-raisers are a fairly novel feature at Headingley and we trust spectators will enjoy this pre-match entertainment. It is intended to stage both Semi-finals and the Final of the above competition, as an incentive and encouragement to schoolboy rugby in the city. The second Semi-final will be played before the Leeds v. Warrington game on 12th October, and the Final will precede the Leeds v. New Zealand game on 26th October. The winning team then goes forward to the English Schools Under-13 Seven-a-side Competition.

### LES DYL TESTIMONIAL FUND

If any Leeds Supporter wishes to contribute to the above Fund, donations can be sent to The Fund's Treasurer, Mrs. B. Dodsworth, at the Club Office, Pavilion Building, Headingley Grounds, St. Michael's Lane, Leeds 6.

Cheques should be made out to L. Dyl Testimonial Fund. If any interested person wishes to arrange a fund-raising effort of any kind, please contact Mrs. Dorothy Hall, Secretary, Leeds R.L.S.C., 22 Mayville Street, Leeds 6. Telephone 784653 (Home) or 33731 (Business).

### WEBSTER'S YORKSHIRE CUP FINAL

Despite the occasional inconsistent form shown by Leeds in recent matches, partly due to injuries to key men, the team has won through to yet another Yorkshire Cup Final—the eighth in 12 years and a record unsurpassed by any other club. Congratulations go to all the players who have taken part in the cup-ties so far and if the final match against Kingston Rovers seems to be the most difficult game of the competition for Leeds, it is a task well within the compass of the side provided there is a renewal of the confident attitude and highly-skilled rugby shown when Leeds won each of the past seven finals in which the Club has been involved.

Prices for the match will be £3.00 Centre Stand, £2.50 Wing Stand and £1.50 Ground Admission. Details of distribution will be announced shortly.

The match takes place at Huddersfield on Saturday, 8th November. Your support for the

## SEASON BY SEASON A HISTORY OF LEEDS R.L.F.C.

### SEASON 1901-02

This season was historic for the formation of the Northern Rugby League by 14 clubs which resigned from the Senior Competition. Broughton Rangers were the first champions. Leeds were not one of the teams which joined but, partly due to several signings from the disbanded Leeds Parish Church club, they had a fine season, finishing top of the Yorkshire Senior Competition. The leading positions were :

|                   | P  | W  | D | L  | Pts | F   | A   |
|-------------------|----|----|---|----|-----|-----|-----|
| Leeds             | 26 | 22 | 2 | 2  | 46  | 317 | 63  |
| Manningham        | 26 | 19 | 1 | 6  | 37  | 212 | 85  |
| Keighley          | 26 | 15 | 6 | 5  | 34  | 192 | 117 |
| Wakefield Trinity | 26 | 15 | 1 | 10 | 31  | 258 | 90  |

Leeds beat 'The Rest' 7—5 in the usual Challenge Match before a crowd of only 4,000 at Headingley. In the Northern Union Cup Huddersfield conquered Leeds 11—0 at Fartown in the third round after we had attained earlier victories over junior clubs Otley and Windhill.

### SEASON 1902-03

This season all the senior clubs joined the Northern Rugby Football League and it was split into two divisions, Halifax winning the first division. Leeds went into the second division, this being the only season in our history when we've played there since promotion was immediately achieved. The leading positions in the Second Division were :

|             | P  | W  | D | L | Pts | F   | A   |
|-------------|----|----|---|---|-----|-----|-----|
| Keighley    | 34 | 27 | 2 | 5 | 56  | 270 | 92  |
| Leeds       | 34 | 26 | 1 | 7 | 53  | 334 | 98  |
| Millom      | 34 | 22 | 3 | 9 | 47  | 238 | 118 |
| Rochdale H. | 34 | 20 | 6 | 8 | 46  | 323 | 88  |

In the Northern Union Cup, Leeds achieved fine away wins at Dewsbury 15—0 and Wakefield 13—0 before losing in the third round at Hunslet 5—2 in a game which drew a huge crowd to Parkside.

The season's average attendance was up to 5,500 despite a record low attendance of 712 for the last match against Wakefield T. Since 13 of the last 14 matches had been won this shows that even then a winning side didn't necessarily fill Headingley.

## Club Scene cont.

team will be very much appreciated and can play an important part in helping Leeds achieve yet another major Rugby League honour to add to the many won in recent years.

In view of the Final on 8th November, the Leeds v. Salford match arranged for Sunday, 9th November is now to be postponed and a new date will be announced as soon as it is decided upon.

### *Some Memorable Matches from the past*

**LEEDS 12 v. OLDHAM 7 3rd March, 1956**

This Third Round Challenge Cup Tie, watched by a huge crowd, was a most thrilling encounter with Leeds snatching a late victory after Oldham had looked the more likely winners for almost all the game. Some aspects of the match are revealed by the following contemporary report:

"All the tries were scored in the second half. Oldham took a 7—2 lead when Alan Davies ran through a wide gap to score after Daley had cleverly changed the direction of attack.

"Leeds equalised just before three-quarter time, Stevenson got McLellan away in a sharp thrust on the right and, when McLellan turned inside, Robinson was perfectly positioned to take his pass and run the last half-dozen yards to the line. The winning score, came only two minutes from the end. From Hopper's wide pass the burly Scholes made progress down the right wing and three Oldham defenders went across to take him, leaving McLellan following up inside unmarked.

"Scholes, harassed though he was, somehow managed to find a hole large enough for the passage of the ball in the red and white blanket that enveloped him and McLellan took his one hand pass to score the try which gave Leeds the lead for the first time".

Scorers — **LEEDS 12** — Tries: Robinson, McLellan. Goals: Dunn (3). Attendance: 33,000  
**OLDHAM 7** — Try: Davies. Goals: Ganley (2).

Ian Proctor previews the Season's First Final

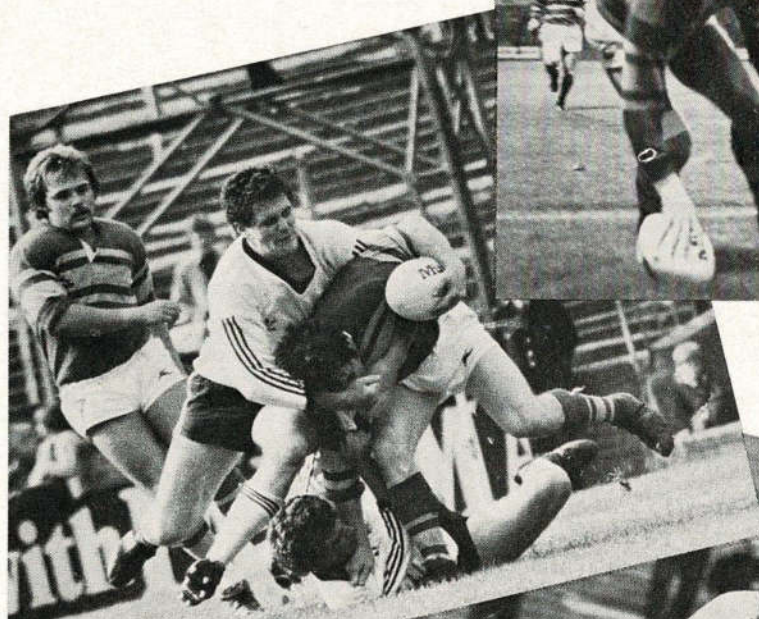

Next Saturday at Knowsley Road, Wigan meet Warrington in the Forshaws Lancashire Cup Final. It should be an intriguing battle.

It's strange to see Wigan in Division Two, but the Lancashire Cup has brought the best out of them. A win over Rochdale Hornets was followed by a defeat of lively Whitehaven at the Recreation Ground. This was surpassed by the shock of the season when they defeated Widnes at Naughton Park in the semi-final. Widnes seeking their sixth County Cup win in seven years, were put out of their stride by Wigan's magnificent defence, and Fairbairn's boot did the rest. The young player-coach landed four goals in the 14—10 success and youngster John Pendlebury scored the match-clinching try. Although Wigan were defeated at York and Fulham in Division Two games, they will rise to the occasion on 4th October, in an attempt to regain the trophy they last held in 1973.

Warrington's last success in this trophy was in 1965, and only "evergreen" Parry Gordon remains from the side which defeated Rochdale Hornets in that Final. The "Wires" lost a replayed Final in 1967, to St. Helens, and whilst collecting every other trophy during Alex Murphy's amazing seven year reign, the Lancashire Cup has eluded them since. Therefore Billy Benyon's men will be hungry for success against their neighbours. The "Wires" have begun 1980-81 in style, and men such as John Bevan, Ken Kelly, Tommy Martyn, Steve Hesford and promising winger Rick Thackray will pose Wigan many problems. If injured stars Dalgreen, N.cholas and Potter are available, their pack should be too strong for Wigan, although with Denis Boyd around Wigan's tackling will not lack bite.

One interesting anecdote to the Final, is the surprising fact that this is George Fairbairn's first domestic Final. Wigan won both previous Final clashes in 1948 and 1950.

## OBITUARY

### Mr. F. HARRIS

It was with feelings of the deepest regret that we heard last week the sad news of the death of Fred Harris, one the finest middle-backs ever to play for Leeds. A gentleman and sportsman, on and off the field, Fred was still a popular figure among supporters for he lived within a few hundred yards of the ground for many years. He played for Leeds in February 1935 and made 199 first team appearances, scoring 71 tries, in a colourful career which ended during the war years. Fred was one half of an illustrious partnership with Australian Eric Harris, which was among the best centre and wing combinations Rugby League has ever known. He gave tremendous pleasure to thousands of the game's followers in his time and will be long remembered.

We express deep sympathy to Fred's family on behalf of all those connected with Leeds who knew and respected him.
