TODAY'S VISITORS

Good afternoon everyone, and welcome to this afternoon's Slalom Lager First Division match.

We are pleased to welcome all Players, Officials and supporters of Oldham R.L.F.C., who provide today's opposition. Our first league match of the season was, as you may recall at the Watersheddings where spectators witnessed a fine game of open football and a 14 all draw was, in the end, a fair result. Oldham were leading 14-13 in the dying minutes of the game, until Malcolm Reilly banged over a drop goal to level matters, with what was virtually the last kick of the match.

Players in the Oldham side that day included Bill Francis, and Brian Lockwood, however, they have since lost the services of these fine stalwarts. But in an effort to remain a first division outfit, they have acquired Mick Parrish the ace goal kicker from Hunslet. Full back Martin Murphy has been a loyal servant for the club and has been unlucky not to gain representative honours.

Ex-Union stars Bob Mordell and Adrian Alexander are now well established in Rugby League and have proved to be great favourites of the Oldham followers. Scrum-half Ken Gwilliam was purchased from St. Helens where he had a successful career. But perhaps the man of the moment in the Oldham side is loose forward Terry Flanagan, who signed for Oldham from Saddleworth Rangers A.R.L.F.C. and immediately made his mark in the first team and helped them gain promotion. Since then he has been chosen to play for Lancashire in their County Championship match against Cumbria at Barrow earlier this season and the highlight of his career to date came on Bonfire Night of last year, when he represented Great Britain Under 24's in their match against the touring Kiwi side. He is surely destined for

a great career.

Despite being in an uncomfortable position in the first division, Oldham have had one or two good victories, notably their narrow win over Hull F.C. by 2 points to 1.

CLUB NOTES

Since our last home game on New Years Day when we staged a tremendous second half come-back to finally defeat Bradford Northern in the final minute thanks to a last ditch effort which produced a try for Terry Richardson, this try being successfully converted by Gary Hyde to give a final score of 19-18; we have had two successive away games at Halifax and Workington. At Thrum Hall, despite a fine interception try by Phil Johnson and a penalty goal by Rob Beardmore, Castleford were defeated by 11 points to 5. Midway through the second half, our pack already without such as Jimmy Crampton, David Finch and Brian Hughes had to reshuffle after losing Bob Spurr who had to leave the field with a leg injury.

This defeat ended a run of nine successive league victories, stretching back to the beginning of last October.

At Derwent Park, last Sunday, where David Finch made a welcome return after recovering from shingles, Cas opened their account with a towering penalty goal from Rob Beardmore. Workington replied with a try from Keiron O'Loughlin which was converted by full-back Hogg. Sustained pressure saw the Castleford defence breached again with a try from McMillan, again converted by Hogg. However, before the interval Castleford came back into the game with perhaps the best try of the match. Geoff Morris gathered a loose ball 20 yards inside his own half and set off down, Terry Richardson provided the backing up and scored near enough to the

posts for Rob Beardmore to add the conversion. This resulted in a half-time score of 10-7 to Workington. The second half was also evenly matched and the vital score came from Keiron O'Loughlin after a kick and a chase and despite protests from Castleford players, the referee awarded the try, which was again converted by Hogg. The only reply from Castleford (despite many times being close to scoring) was a drop goal from Rob Beardmore.

Hopefully, by now, the injury situation should have improved and Castleford supporters should be able to look forward to a successful year.

In the first round of the Three Fives Challenge Cup, we have been drawn at home against Huyton. The probable date of this tie will be Sunday 15th February.

THE 'A' TEAM

On Friday 2nd January, the second string defeated Halifax by 18 points to 10, and although last week's game at Bramley had to be postponed due to Castleford being unable to raise a team, we are still handily placed in the league and are hopeful of adding the Championship to add to their Yorkshire Senior Competition Cup success at York.

Finally, congratulations are in order for our players who represented the successful G.B. Under 24 side at Villeneuve last Saturday evening namely Kevin Ward and Steve Fenton and comiserations to Gary Hyde who had to withdraw from the squad with a badly bruised shin.

SUPPORTERS CLUB NOTES

We wish to extend a very warm welcome to our friends from Oldham this afternoon and hope they will witness an enjoyable game of rugby so that they are

able to return home with many pleasant memories of their visit to Castleford. These visits, we must add, seem few and far between as it is over four years since Oldham were last at Wheldon Road in a match which resulted in a Castleford victory by 11 points to 5.

The last Oldham victory on this ground was back on the 7th April 1974 when they triumphed 25 points to 12 in the 1st Division. However, to be fair to our visitors it must be said that they have only made 10 visits in the last 40 years.

We would like to emphasise a couple of items regarding travelling on our coaches. Firstly we must insist that everyone travelling on our coaches must be fully paid up members of the Castleford Rugby League Supporters Club. There are several reasons for this system and although lack of space prevents the reasons being given here I am sure that if you ask any of our Committee then all will be explained.

Secondly, we do advocate everyone to book their seats early as this will give us an early idea of how many coaches we will require and nobody should be disappointed. The tickets are available well in advance from the Pools Office in Sykes Street or from the Programme Shop at any previous home fixture. The Programme Shop is situated behind the Main Stand and sells all kinds of souvenirs and old programmes as well as match day programmes so it is well worth a visit.

There is the Supporters Club Queen Competition which is to be held at the Sandmartin in Pemberton Road on Valentines Day the 14th of February. You are all welcome to come along and if there are any ladies over the age of 16 who would like the honour of becoming the next Castleford Rugby League Supporters Club Queen as well as a sash to wear plus a prize then please give your name to any Committee member.

Finally we should like to give our belated thanks to our second team in providing the first trophy of the season with their 28 points to 3 victory at York in the final of the Yorkshire Senior Competition Cup.

Also our congratulations to Ian Birkby for being voted the best player in the match and thus receiving the Bramley Trophy which is donated annually by the Yorkshire Federation of Rugby League Supporters Clubs.
