A Seasonal Message

from Chairman

Keith Snape

AS WE are all too well aware, 1981 was not a good year for the Salford Club. The 1980/81 campaign resulted in relegation and although we have had some good performances in the current season our form is too inconsistent and will have to improve if we are to regain our First Division status next year.

The directors are constantly looking for new talent but as with limited funds available getting the right players is no easy task. We hope that our recent signings STEVE DICKENS and TOM MURRAY will strengthen our squad and we are looking forward to assessing the form of GARETH OWEN who is on trial from Oldham. The club have other players under review and

hope further signings will be possible in the near future.

Everyone connected with the Club recognises that the side needs strengthening and that signings of the right calibre are necessary but unless the public of Salford support the club either through the turnstiles and through the lotteries then the money just will not be available. The present economic climate is just as disastrous for a rugby club as it is for business as a whole and it is no use disguising the fact that we are finding the going tough.

The Board of Directors, the players and the staff join me in wishing all our supporters the best luck possible in the coming year. Let us hope that 1982 will be a turning point in the history of the Salford Club and that we will achieve all our ambitions both on and off the field.

Christmas Party Time!

THE Annual Christmas party for the children of the players, officials and staff of Salford rugby club was held at The Willows on 13th December.

Following one hours entertainment by magician MIKE DERRICK—and his reluctant

"assistants" KEITH FIELDING and KEVIN ASHCROFT—the children welcomed the appearance of Santa Claus, who could almost have been mistaken for club director STEVE MAYOR, if it was not for that beard!

Pictured with Santa are STEVE RULE, Kevin Ashcroft, HAROLD HENNEY, MALCOLM YATES, BILL FRANCIS, MIKE COULMAN, STEVE NASH, DAVID STEPHENSON and Keith Fielding.

Our Visitors... Oldham

by Graham Morris

OLDHAM are one of the pace-setters in the Slalom Lager second division and this afternoon's holiday clash could prove vital in deciding the promotion battle.

Our visitors are coached by two very experienced professionals in FRANK MYLER—a brilliant half-back in his days with Widnes and St. Helens—and PETER SMETHURST who is remembered with a lot of affection by supporters at The Willows.

Full-back MARTIN MURPHY is now in the "veteran" class having been at Watersheddings since 1966 when he was signed from Leigh junior rugby, whilst the three-quarters include New Zealander ASHLEY McKEWAN and former Hunslet player MICK PARRISH in the centre.

The wing positions are likely to be filled by PHIL WARD—who started his career at Salford, before moving on to Bradford Northern in 1974 and then Swinton—and DENNIS O'NEILL who signed from Whitehaven, Dennis started out at Widnes in 1966 as a stand-off and played for Great Britain and Lancashire during his time at Naughton Park.

The half-back positions will probably be filled by the brilliant young pairing of PADDY KIRWIN and RAY ASHTON.

Hooker ALAN McCURRIE was signed from Wakefield Trinity last November having originally been with Whitehaven. Alan was at Wembley with Trinity in 1979.

Another new signing is prop BRIAN HOGAN from Widnes. Brian—a first class ball distributor—has also had experience at St. Helens, Wigan, Bradford Northern and Workington.

Second-row man BOB MARDELL has proved an excellent signing from rugby union and is enjoying tremendous form at present whilst young loose-forward TERRY FLANAGAN is an under-24 international and one of the most exciting prospects in the game.

SALFORD 12 ... OLDHAM 12

SYD LOWDON dropped a goal for the Reds at the start, but after 30 minutes the visitors took a 3-2 lead when FRANK STIRRUP brilliantly created space for VINCE NESTOR to go over from his long pass.

Right on half-time ARTHUR GREGORY and BOB PREECE thrilled the home crowd by putting GRAHAM JONES in at the corner for a 5-3 interval lead.

Penalties by Lowdon and the famous Oldham full-back BERNARD GANLEY made it 7-5 before a Stirrup drop goal pulled Oldham level with 20 minutes to go.

The Salford crowd sensed the impossible might

happen after Jones got his second try in the corner and Lowdon kicked a penalty for the Reds to lead 12-7 with only 10 minutes left.

As befits a great side, Noon burst through from the wing in the final seconds to score under the posts for Ganley to convert and make the final score 12—all.

Paul O'Neill breaks record

THE highlight of our 44-8 victory over Batley in the last home match was **Paul O'Neill's** second-half try which enabled him to beat **Ellis Devlin's** club record for a hooker set up during the 1970's.

Paul's new record total stands at 17 tries and he said after the game: "I am delighted to get it. When I first heard what the record was last season I wanted to beat it!"

Although the total might seem a modest one for a club record, older supporters will readily testify to the days when hookers were only expected to win the ball!

In fact **Bert Day**, during his club record of 494 appearances only scored seven tries for the Reds.

Last season, Paul scored 11 tries which was the most ever scored by a Salford hooker in one campaign.

At 22, Paul is clearly going to set up a total that will take some beating.

Salford Colts

THE Salford Colts committee would like to express their gratitude to everybody who contributed to the collection at the Salford-Swinton match.

A sum of £185 was raised towards the visit of the French Colts side next April.

THE Demmy Leisure Group November Player of the Month was popular forward **HAROLD HENNEY**. This is his first Demmy award after coming close on numerous occasions and he will receive an engraved tankard and a £20 cheque from the Demmy Leisure Group.

The September and October awards were won by **STEVE NASH**.

Maurice is back on course!

MAURICE RICHARDS is back on course to beat **Barney Hudson's** career record of 292 tries for the club.

Maurice started the season needing 23 tries and was quickly away with six in our first nine matches.

But then came an agonizing "dry spell" of nine further games without a try to his name.

The break-through finally came in the Batley match and a much relieved Maurice commented: "I could have jumped over the stand, its been so long since I scored!"

Ironically, Maurice came inside looking for the ball shortly after, just as it was flashed across to his vacated wing! "Just my luck to be in the middle" was Maurice's light-hearted remark to **David Stephenson** as **Steve Rule** dived over in the corner in true Richard's fashion.

Maurice added another try at Carlisle and now requires 15 tries for the club record. Will he do it?

Funnily enough, Steve Rule did a repeat performance late in the match at Carlisle by diving over in Maurice's corner but all the Monday papers wrongly credited Maurice with two tries instead of one. I wonder if he was trying to get his own back!

WARNING NOTICE

Please note the **RUGBY FOOTBALL LEAGUE** has fined the Salford Club because of the misconduct of spectators on this ground. Any repetition could involve the League imposing **FURTHER HEAVY FINES** or possibly **CLOSING THE GROUND**.

Your co-operation and assistance to prevent any such action is earnestly sought.

G. Atkinson, Secretary

Our popular captain

OUR popular captain **Steve Nash** recently received the most amazing letter of his career when it was thought he would have to quit the game due to eye damage.

A 65-years-old Salford supporter who wishes to remain anonymous, offered his eye to Steve who comments: "I think its really amazing, but very generous of him to offer."

Happily, the damage was not as bad as originally suspected and the eye specialist has now cleared him to continue playing.

Don't forget to stick this on your Voucher Sheet.

... and Frank's Testimonial starts today!

TODAY'S match with Oldham marks the official opening of FRANK STEAD'S Testimonial with a collection being taken during the game, writes GRAHAM MORRIS.

Frank has always proved a popular player here since he first came from the Widnes rugby union club in 1971, and in 69 first team outings has never let the side down.

My own outstanding memory of Frank was at Featherstone Rovers in a Challenge Cup tie in 1975.

Hot favourites Rovers were bidding for a third successive Wembley visit and they absolutely pounded the Salford line for the opening half-hour.

Frank Stead's defence was heroic during this vital spell and Rovers could not score. Then, just on half-time, Salford shattered the home team when scrum-half PETER BANNER tapped the ball towards their posts. And who do you think

was up in support to flash over the line for the important try?

Frank Stead!—and from then on the Yorkshiremen were a beaten team as we recorded a famous cup victory.

Testimonials are awarded for club loyalty and Frank Stead has unquestionably defined the very meaning of "club loyalty" during his 11 years at The Willows, and I sincerely hope that all Salford fans will reward Frank generously over the next six months during his testimonial period.
