Today's Visitors

Today we extend a warm welcome to table-topping Oldham who last week progressed to the second round of the State Express Challenge Cup with a 15-5 win over Swinton at Station Road.

Oldham have already beaten us at Watersheddings back in October — the scoreline was 21pts to 12pts — and we can only hope that home advantage today gets us back on the winning trail after five successive defeats — four in the league and one in the cup. Apart from winning games, happy news at Oldham in recent weeks has been the removal of utility back Phil Ward from the transfer list after he had made it clear that he did not want to leave Oldham. Apart from a spell when he was on the injured list, the strong running Ward has held down a place on the Second Division leaders' wing this time.

Up front Oldham have some well-known names in former Rugby Union player Bob Mordell, and experienced hooker Alan McCurrie. As a goal-kicker they have former Hunslet centre Mick Parrish who already has 91 goals to his credit this season. He is one of only three players in the league who have played and scored in every club game this term.

Since Keighley and Oldham first met in 1903-04 they have come up against each other on 53 occasions, with Keighley winning 19, Oldham 32 and two matches being drawn. At Lawkholme Lane honours have been fairly even — Oldham claiming 14 successes and Keighley 13.

Keighley's biggest home win over the Lancashire side was a 20pts to 8pts success in 1970-71, while their heaviest home defeat was by 32pts to 15pts in 1956-57.

Supporter's Club

What a marvellous sight it was to see Lawkholme Lane so full for the Cup game against Barrow. The support Barrow received was magnificent, apart of course from the hooligan element. Their fans really got behind them and carried them to victory, despite the fact that they must have been slightly disappointed with the way their team failed to break Keighley down as they have done with a lot of first division sides this season. This is the objective of this Supporter's Club — to encourage you to get behind the team.

All genuine supporters agree there are too many knockers watching Keighley. They can be heard at all matches, home and away, criticising and barracking individual players — sometimes even before the kick-off. Of course we are all entitled to our opinions, and we all have our favourite players, but barracking of individual players helps neither that player nor the team. Let's therefore follow the example set by the Barrow fans and give the side our encouragement and not abuse.

The next date for your diary is **Friday 26th February, 1982**, when following the 'A' team game against Wakefield, a Disco will be held in the Executive Lounge. Colin North has again been booked for the disco and we will have guests from Radio Leeds, Radio Aire and Pennine Radio.

Mick Naughton the former referee said of **John Martin** that he was a good hard player but always fair and the ideal man to referee. Many of you when writing in and asking for John to be featured in this spot said how much his contribution had helped in Keighley's promotion bid.

Looking Back

FEBRUARY 22nd 1902 – In a game against Manningham, six men, three from each side were sent off.

FEBRUARY 17th 1931 – Gate of only £7.00 for a Tuesday match with Huddersfield. Keighley lost 36pts to nil.

FEBRUARY 19th 1935 – Norman Foster was placed on the transfer list at £1,600, the highest fee asked for a Keighley player at the time.

FEBRUARY 23rd 1952 – The great Chris Brereton played his last game for Keighley.

Sam says Thank You

Our kit man Mr. Sam Linford would like to thank all the supporters who contributed to the gifts he was presented with before the start of the Barrow match. Sam received a pocket watch, a wrist watch and a club jumper. Also some joker placed a set of clockwork false teeth amongst the presents, but Sam saw the joke.

The presentation was for Sam's long association with the club and also as it was his birthday.

Keighley's Sweep Stakes

On Thursday 22nd April 1982, a race night has been fixed to take place in the Executive Bar. At this stage we are looking for race sponsors, and horse owners. The cost to sponsor a race and call it after yourself or your company is £20, and for £2.50 you can own one of the horses. Race cards will be printed with the races and owners on them. There will be 8 races with 8 horses in each race. Already fixed is the Directors Derby and the Sainsbury's Selling Plate, the latter comprising of 8 horses all owned by players. If you would like a horse or to sponsor a race, contact Roger Anderson at our commercial office, or in the Executive Bar after today's match. It may not be Royal Ascot, but it's the nearest thing to it in Keighley!
