To Town Fans:—

The message is that Rugby League is determined to provide the best entertainment at all times, and that includes trouble free terraces. Please play your part in helping to stamp out hooliganism by identifying the trouble-makers to the Police, but the club stress that genuine Town fans should never become physically involved. Let's make sure Town's unequalled reputation, on and off the field, for exemplary behaviour and fine sportsmanship remains intact.

BRIAN BATTY — DAILY MAIL

Gary Van Bellen could still afford to smile even though he had seen the man of the match award for the Great Britain Under 24 side torn from his grasp in Tonneins.

Bradford Northern's strongly built prop had proved a revelation with his all round performance against the French.

But he could not hope to match Des Drummond's display of three match winning tries — two of which would have been beyond most wingers.

Leigh's winger Drummond had emphasised his worth as a Test player to face the Aussies and at the same time provided entertainment that even the French loudly acclaimed.

But until Drummond put the game beyond reach of the French in the second half Van Bellen had looked set to take the honours.

It was not just his tackling and driving runs but his ability to repeatedly slip the ball under pressure, setting up several moves that impressed the selectors.

Gary admitted afterwards: 'I have been keeping that part of the game up my sleeve but it is something that I used to do a lot when I was playing Union.'

It certainly contrasted well with the solid tackling of his clubmate Brian Noble and Ian Potter, Leigh's hard working second row man.

Behind the pack stand off Tony Myler showed the cool and calculated approach that stamped him as a future star.

Myler moved well in attack and certainly lived up to club coach Doug Laughton's pre-match prediction that he will one day win Test honours.

His brother John made an equally sound contribution at fullback which looks his best position after proving a man of many parts with Widnes.

Britain certainly responded well to the challenge of overcoming an improved French side and their record of ten successive wins is one to be admired.

If we can produce a handful of future Test stars from this platform then it will have handsomely repaid the work of coach Johnnt Whiteley and manager Colin Hutton.

TOWN TOPICS

The Club have arranged the three outstanding postponed away fixtures as follows:

Wednesday 17th March Rochdale 7.30 p.m.

Thursday 1st April Blackpool 6.30 p.m.

Sunday 9th May Oldham 3.00 p.m.

Town have now won their last eight league games (four at home and four away) scoring a total of 190 points while conceding only 56. The 190 points have been made up of 37 tries, 39 goals and one drop goal, a fine achievement for a team that has had its share of injuries, in fact only once have the same thirteen took the field on two consecutive occasions in those eight games.

The 'A' team now have only three home games left and these will be all played on Saturdays kicking off at 2.30 p.m. as follows: 27th March—St. Helens, 10th April—Blackpool, 24th April—Rochdale.

We would like to thank all our supporters for the tremendous support given at Bradford last Sunday. The performance and behaviour from our Players and Supporters was a credit to the Workington Town Club and I am sure you will agree that if our attempts to gain promotion are achieved, there is no reason why, with careful planning, the Club should not be able to establish itself in the First Division.

TODAYS GAME — OLDHAM v WORKINGTON

After a very unhappy season in the First Division last season, where they only managed to win 11 of their 35 League and Cup games, Oldham are now enjoying one of their best seasons for quite a number of years, as they are currently 2nd in Division Two, losing only two of their 18 matches, at home to Carlisle and away at Halifax. The main reason for their success has been due to the shrewd signings of players under the guidance of the knowledgeable coaching duo of Frank Myler and Peter Smethurst, who came to Oldham in the close season and pledged that they would make a quick return to Division One.

Oldham started the present season in great style, until around October when the Club decided that a total of 13 players were to be placed on the transfer list at the staggering total of £190,000. These included 18 year old 2nd rower Alan Platt at a world record price for a teenager of £60,000, prop forwards Billy Harris and Steve Herbert, half-back Ray Ashton and winger Ashley McEwan. Of these Steve Herbert went to Barrow for a bargain price of around £9,000 and Billy Harris went over the Pennines to Wakefield in an exchange deal for Cumbrian hooker Alan McCurrie.

In December, Oldham reached the semi-final stage of the John Player Trophy, through beating Doncaster, Huddersfield and Leeds to meet Hull at Headingley. Although Oldham were in with a chance for most of the game, Hull ran out winners by 22pts. to 6pts., with good performances for Oldham were given by prop forward Adrian Alexander, and also Bob Mordell and Mick Parrish.

The Club showed that day that they could work with the neighbouring football Club, by placing one of their home league matches on a centrally heated surface, so avoiding further fixture congestion at the end of the season, and were rewarded with an above average attendance. Last week Oldham's interest in the Challenge Cup went when they travelled to Wakefield in the 2nd round only to be beaten by 18pts. to 12pts., so now they can concentrate all their efforts on promotion and possibly the Second Division Championship.

THE OLDHAM TEAM —

At full-back today could be either the evergreen Martin Murphy who holds the record number of appearances for an Oldham player, or former Wigan player Alan Taylor who can also play in either of the half-back positions. Wingmen include Geoff Munro, who has made a comeback after breaking an ankle at the end of last season, New Zealander Ashley McEwan who has 8 tries this season, or former captain Brian Caffrey who is also a goal kicker. Oldham's record signing last season for £20,000 Mick Parrish will probably play at centre and has already kicked 99 goals this season, as well as being the top points scorer for last season with Oldham with 150pts. He will be partnered by either Eddie Hunter or the strong-running Phil Ward who also has 8 tries this season. Oldham are well served in the half-back pairings with former Oldham Colts players Ray Ashton and Paddy Kirwan, and former Widnes and Whitehaven utility player Dennis O'Neill.

One of Oldham's greatest strengths must be in the front row where have the much travelled player Brian Hogan who has played for England, and England Rugby Union forward Adrian Alexander, who has made himself a favourite with the Watersheddings crowd. In the second-row are England R.U. player Bob Mordell, Great Britain Colts International Alan Platt who is also a goalkicker, and finally Dave Nicholson who came from Swinton along with Alan Taylor in the close season. Last down in the pack is the brilliant U-24 International Terry Flannagan, who at 20 years old is the youngest captain in the League, and it tipped for full International Honours.

Other players who could well be in the Oldham side today are Gt. Britain Colts Captain and stand-off Derrick Seabrook, 2nd row forwards Andrew Goodaway and Mick Worrall, and finally reserve team hooker Dave Walker who was formerly with Huyton.

TODAYS CURTAIN RAISER AND COLLECTION

The curtain raiser this afternoon is between the Districts of Copeland and Allerdale, both teams being made up of players from the very popular under 13 league. The collection at todays game will be used to help finance the League. By supporting todays collection you will be helping the future stars of our game.

PAST LEAGUE ENCOUNTER

One of the most exciting matches between Town and Oldham came on 6th October 1962, with Town winning by 44pts. to 15pts. Season 1962/63 was one of Town's better seasons, when they were the first ever holders of the Mackeson Trophy for points scoring. In the first period of the Trophy, Town won their first 9 matches, scoring 263 points and conceding only 45.

The two respective teams were:

Town — 1. Ferriera, 2. Glastonbury, 3. O'Neill, 4. Brennan, 5. Pretorius, 6. Archer, 7. McDowell, 8. Herbert, 9. Ackerley, 10. Martin W., 11. Edgar, 12. McLeod, 13. Foster.

Scorers — Tries — Brennan 2, McDowell 2, Archer 2, Ferriera, Edgar, Glastonbury and Pretorius. Goals — Ferriera 7.
