THE P.R.O. REPORT

Writing in the Cardiff City R.L. Programme last Sunday, David Watkins said, "In any ball game, without possession there is little you can do". This was in explanation of his team's unexpected defeat at the hands of Keighley the previous week. Just to prove the point, with a virtual monopoly of possession, Cardiff ran up 34 points against us. We started off brightly enough, heroic tackling denying Cardiff the score they always threatened for twenty minutes. When Ian Douglas who had been having a rousing game, retired with a shoulder injury after twenty minutes we lost our rhythm and Cardiff gradually got on top, making maximum use of their monopoly of scrum possession. The ability to release the pass in the tackle and good backing up coupled with adventurous running were additional crucial factors in our heavy defeat. Where do we go from here? Again I echo the words of David Watkins — "Well, I can tell you all this; even as the years roll by, defeat does not become easier to take". The 500-miles round trip to the Land of My Fathers proved a depressing experience — until I remembered what we did to Cardiff at The Mount following our even more depressing experience at Salford.

The remainder of the season is going to be a hectic affair in many ways. Mounting injuries make team selection very difficult — and in the case of the 'A' team sometimes impossible.

The match with Keighley 'A' scheduled for 13th March was cancelled on the Thursday evening when only four players were available after the first team squad had been selected. The following players were unavailable due to injuries: Jennings, West, Wilson, Harrington, Hemingway, Dobek, Frain, Cummins, Woodall, Gibson, and Bennett. Several other players were doubtful, including Mal Shaw who failed a subsequent fitness test on arrival at Cardiff. For a variety of reasons D. Price, B. Allen, A. Tingle, G. Tingle and P. Cookland have not been training recently. Martin Whelan has left us to pursue his political ambitions.

The pitch is also taking a pounding, and the backlog of fixtures is not going to help matters. In spite of all the problems, groundsman Brian Cartwright works wonders in keeping the pitch playable. Regrettably we have to deny use of the ground to organisations we would love to help but we have agreed to the Morley Schools R.L. Association playing the semi-finals and the final of the Leeds and Holbeck Building Society Shield Competition on the Huddersfield Match Day — next Sunday. This seven-a-side competition for under-elevens attracted ten entries, and I believe the winners will play at Wembley on Challenge Cup Final Day. The semi-finals kick-off at 2.15 p.m. and 2.30 p.m., the final being played at half-time.

A final reflection on our visit to Cardiff. Of their trip to Batley, Tony McAvoy of the Rugby Leaguer wrote: "I can't sign off today without complimenting the Batley Club on the warmth of its welcome for players, supporters and press alike back in December — a credit to any organisation — and if my memory serves me correctly the Dragons and supporters responded in kind that particular night in the club-house with a rendering of some of the Principality's best-loved tunes". Sweet music indeed for the P.R.O.

We extend that same warm welcome to our friends from Oldham. Even Lancastrians are more than welcome to enjoy the company in our well-appointed Taverners' Club. (I ought to have said ESPECIALLY Lancastrians — I was once in the 9th Battalion Lancashire Fusiliers).

Although our rearranged team was convincingly beaten at Cardiff last Sunday, we created enough early chances to take the lead.

Eighteenth-minute interception by NEIL PICKERILL put STEVE PRESLEY on course for a shock try, but his cross-kick for Oulton was covered.

NEIL PICKERILL sidesteps Paul Ringer and gathers this chip kick with JOHN PARKER in support. But the move was let down when Cardiff covered quickly.

SUPPORTERS' CLUB GOSSIP by "Batley Fan"

Defeat by Swinton and Cardiff has left us firmly placed in the bottom four of the Second Division. We must start winning now, and winning well to make sure we lift ourselves to respectability.

Before and during today's game our caravan behind the short stand and our tea hut (which is situated at the top end of the ground) will be open for the sale of refreshments.

Results of the raffle held at the Swinton game were as follows: Whisky 34961, Sherry 37260, Tin of Biscuits 33933. All the prizes were claimed. A similar raffle will be held this afternoon and prizes can be claimed at the caravan after today's game.

Before today's game and at half-time our Souvenir hut will be open. This is situated behind the short stand. Items for sale include, Centenary ties, Centenary team photos, pens, combs, key fobs, scarves, bob caps, car stickers and many old programmes including all Cardiff City R.L. home games for 1981-1982.

On Thursday 25th March 1982 in the Taverners Balcony Lounge a R.L. Quiz will be held, commencing at about 9.00 p.m. The competition is all about Rugby League with one round of questions entirely on Batley R.L.. Four couples will contest this quiz and the winners go forward to the Yorkshire final which will be held at a future date. The Grand Final of Lancashire and Yorkshire Finalists will be held on Friday 23rd April 1982 at Salford. Admission for this evening is free and also a chance to meet the players and officials of the Batley Club.

Also at this evening a cheque from the Batley Supporters Club will be presented to Alan Watts.

Again in the Taverners Balcony Lounge on Friday 2nd April 1982 a video will be shown of the Batley v Huyton R.L. Cup game. Admission is free.

One of the Batley stalwarts, Gareth Price recently opened his own hairdressing business in Branch Road, Batley. From Batley R.L. Supporters Club, good luck.

Ladies' Curtain-Raiser Match. Kick-off 2 00 p.m.

Making a return to Mount Pleasant against an Oldham Ladies' R.L. opposition this afternoon are the Huddersfield Hellcats, who appeared here on the occasion of our Centenary match day.

We look forward to this "Roses battle" between the female species, where no doubt rub-down volunteers will far outweigh R.L. Scouts on the terraces !

Our Visitors — OLDHAM R.L.F.C — League Position 2nd

Their record in League football : P20, W18, D0, L2, F 394, A192.

On neutral territory — at Oldham Athletic's Poundary Park during the freeze-up spell — we put up a spirited performance against our high-flying visitors Oldham, before going down in the end 17-9. They will still prove a tough nut to crack even with home advantage this time around, for only twice have they been defeated in league rugby this season — away at Halifax 15-9, and at Watersheddings by Carlisle 22-7.

Of their playing staff, ex-Morley R.U. and Hunslet centre Mick Parrish has amassed 222 points this season — having also scored in all games he has appeared in, apart from a friendly with St. Helens. Former Whitehaven and Wakefield Trinity hooker Alan McCurrie joined them just prior to Christmas and has a fine reputation of all-round ability. Similarly, loose forward Terry Flanagan, who has gained representative honours, is a keen competitor — while R.U. converts Adrian Alexander and Bob Mordell have seemingly settled into the code now. Classy New Zealander Ashley McEwen appeared at Stand-off in the meeting of sides in January, but Oldham have two further good half backs in Ray Ashton and Denis O'Neil.

Though they are well in line for promotion, let us hope we can "hold 'em".

Injuries in both the 1st and 'A' team have caused 'A' team games to be called off and unfortunately with not having a settled side from week to week has resulted in the 1st team having poor results.

At the last count no fewer than 13 players were on the injured list, which resulted in a scratch team turning out to Cardiff. Everything seemed to be going to plan with the first half having a 3-0 advantage just before half-time and at this stage Batley were playing well. An interception try and a conversion put us 8-0 down at the break. The second half is best forgotten, Cardiff monopolised the scrums, allowed to run and caused havoc with Batley's open defence.

A few words must be said about the 20 or so supporters who ventured to Cardiff, these are the true supporters who were unfortunately treated to our worst display of the season.

The hospitality shown by the Cardiff officials was first class, let us hope they survive.

Today's game with Oldham begins a three match run with all the fixtures at Mount Pleasant.

The Yorkshire Senior Competition League Table is led by Hull K.R. P20, W18, L2, D0, For421, Against149.

Batley are in 10th position with P15, W7, L8, D0, For170, Against 208.

"THE GALLANT YOUTHS" by T. SWIFT

Scenes from our game at Cardiff last Sunday.

Batley's late try at Cardiff:CHRIS SCHOFIELD persevered with some block-busting charges to bring him this deserved try in the 70th minute

Before being injured, IAN DOUGLAS had threatened Cardiff on several occasions — here he split their defence with a 30 yard break, but fell to the full back through lack of support.
