CLUB NOTES

BARROW **V** OLDHAM

Sunday 14th November, 1982

Kick Off 2.30p.m.

Today we give a warm welcome to the Directors, Players and Supporters from Oldham who have travelled to support their team. Oldham were promoted this season and under coach Frank Myler are putting together some fine performances. Before last Sunday's game against Hull Oldham had lost only three of their previous eleven First Division matches, so they will clearly be going into today's match full of confidence, naturally we will be all out to stop these winning ways.

The Barrow club have placed a realistic figure of £15,000 on second row forward Steve Kirkby. Kirkby became disenchanted with his lack of first-team opportunities this season and the crunch came when he failed to turn up for a recent A team game. The former BALA Under 19 International has been substitute forward for most of this season's Division One games, but has not been able to make his place secure and now feels a transfer is in his best interests.

Kevin Jones the former Great Britain Under 24 player has signed for Bramley on a months loan and Nigel French hopes to join Cardiff on loan, two players who found the travelling to Barrow difficult.

On a brighter note congratulations are due to the Barrow players selected to play for Cumbria against Australia at Carlisle; these being Terry Moore, Mel Mason, David Cairns, Steve Herbert, Malcolm Flynn, Ralph McConnell and Derek Hadley.

We welcome two new signings to the club in Harold Henney a 6ft. 1in. 16 stone prop or second-row forward on loan from Salford, Henney a Cumbrian played for Workington before joining Salford and former Colt Dave Tyson who has impressed in the A Team. Dave, nineteen years of age, comes from Kirkby and is a prop forward, he is the second Colts player to sign on professionally for the club. We wish them both a happy and successful career with the club.

The Barrow player of the match award has been sponsored by **John Pearson**, a very good Barrow Supporter to whom we are deeply appreciative.

Supporters Club Notes

Good afternoon and welcome to Craven Park. Today's visitors are last season's Division Two champions, Oldham, who are proving to be this campaign's "surprise package". They are currently lying 6th in Division One with fifteen points from twelve matches and will be keen to win this afternoon to consolidate that placing.

Barrow though will also be looking for two points. After making a promising start to the season they have lost their last three games and any further slips could see them with relegation trouble on their hands. However, having said that the team played really well at Warrington last Sunday and were unlucky not to take the points. They fought back from being 15-3 down to lead 16-15 before finally going down to the Lancashire Cup Winners by 20-16.

Today's game is Barrow's last scheduled home game for a month. Next week they travel to Featherstone while the following Sunday (the 28th) there are no fixtures due to the third Test being played that day. The first two weeks in December are allocated to the opening rounds of the John Player Trophy

In the first round of the John Player Trophy Barrow have been drawn away to Dewsbury who are next to bottom of Division Two with just two wins from fourteen matches in that league. Barrow should then progress to the second round where, hopefully they will be drawn at home. If not we are going to have an awful lot of travelling to do in the next four weeks.

For those supporters travelling to Crown Flatt Ground, Dewsbury the following route guide should be of some help. From West M62 Junction 25. Follow signs Dewsbury A644 (6¾ Miles) DEWSBURY. Follow signs Leeds A653 (¾ Miles) DEWSBURY R.L. GROUND (on right)

Congratulations are due to the Barrow players who turned out for Cumbria last Tuesday against Australia at Brunton Park, Carlisle. These notes were written prior to that match but I hope the lads gave a good account of themselves. Those selected were Terry Moore, David Cairns, Mel Mason, Malcolm Flynn, Derek Hadley, Steve Herbert and Ralph McConnell. Steve Herbert will in fact be playing today against his former club. He left Oldham early last season to come to Craven Park and will be keen to put up a good show this afternoon. He has been a tremendous buy for Barrow and has made his mark at Craven Park in a way which has left many Barrow fans wondering just how Oldham could sell a player of his calibre.

MICK PARRISH

Mick Parrish is the only player in Rugby League history to achieve the feat of scoring in all his club's matches throughout a season with two different clubs. The centre did it first with Hunslet in 1979/80 and repeated the feat last season with Oldham.

Mick's match by match record for last season is given below:-
