HULL F.C. v OLDHAM

Slalom Lager First Division Championship

Sunday, 19th December, 1982

Kick off 3.00p.m.

Our first home league fixture for over a month brings to the Boulevard newly-promoted Oldham, a club not only steeped in Rugby League tradition but who in recent seasons have enjoyed a revival similar to our own. It is just over four years ago when the Roughyeds visited the Boulevard as a struggling Second Division side and suffered the ignominy of a 60-15 defeat with Sammy Lloyd equaling the club record of fourteen goals in a match. Since then Oldham have pieced together a useful outfit partly through ventures into Rugby Union circles and partly through a viable youth policy. They lifted the Second Division Championship last season and under the guidance of former Widnes supremo Frank Myler, have made an impressive opening on their return to the top flight.

When we visited the Watersheddings at the beginning of November the Lancastrians occupied a top-four place and for much of the game looked capable of taking two vital points from us. Fortunately, David Topliss saved the day with a sixty yard interception try and Myler's men will be obviously keen to settle a score today and continue their quest for honours.

Featuring Oldham

What worthy Second Division Champions Oldham are. Under the coaching leadership of former Great Britain Captain Frank Myler, they had a tremendous season in 1981/82, winning 30 out of 32 matches, a record for the Second Division; 22 successive league wins, an Oldham record.

Only Workington scored more points than Oldham's 734 and only ourselves had a better defensive record. These are statistics to be proud of and obviously they are hoping for a sustained spell in the top flight.

Oldham have the reputation of being something of a "Yo Yo" team over the past few years, after winning the Second Division then dropping straight back, but to date look certain of retaining First Division status this time around.

Their squad of players contains a mixture of experience and youth from both Rugby League and Rugby Union circles and their team will be chosen from the following players:-

ALAN TAYLOR (Full Back) - Alan gained a first team place last season and has now become Oldham's No. 1 full back. He joined the club from Swinton. He is a fine utility player, good tackler and runner. Shocked the club recently by his decision to take a three year teaching post abroad.

GEOFF MUNRO (Winger) - Geoff has been with Oldham for over 10 seasons and has had his benefit with the club. One of the top try scoring wingmen in the game. Held the Second Division try scoring record for one season until broken by John Crossley, the former York stand-off two seasons ago. Very fast and powerful.

HULL F.C. 7 AUSTRALIA 13
Tuesday, 16th November, 1982

Dane O'Hara shows his paces with David Topliss and Rod Reddy in close pursuit.

Mick Harrison is halted by Les Boyd with Tony Dean, Keith Bridges, Craig Young, Max Krilich and Paul Rose in close company.

PHIL WARD (Winger) - Phil is a former Bradford Northern and Salford player. He left Northern to join Swinton from where he moved on to Oldham. Fast and elusive runner, equally at home in the centre position.

MICK PARRISH (Centre) - A former Morley Rugby Union player who joined Hunslet before moving to Oldham for a very big fee. Standing 6ft. 4ins. weighing over 15 stone, he is a very powerful centre indeed. Last season his points scoring was tremendous with 164 goals and 17 tries. He holds the record of twice going through a season playing and scoring in every game his club played. Once with Hunslet and once with Oldham.

CLIVE HUNTER (Centre) - Signed from Leigh Rugby Union Club, an excellent tackler and fine runner, standing 6ft. 1in. and weighing 12st. 0lbs. He is a perfect build for a centre and should go far in the game.

BRIAN CAFFERY (Centre) - Brian was signed from Waterhead (Oldham Amateur) Rugby League Club. He was an ever present last season playing in 39 games and scoring 10 tries. He weighs 11st. 10lbs. and 5ft. 10½ins. tall. Strong runner and fine tackler.

ASHLEY McEWAN (Centre or Stand Off) - A New Zealander who came to this country and joined Blackpool Borough. From there he moved to Oldham. He can play in most of the back positions. Another powerful player standing 6ft. and weighing 13 stone.

RAY ASHTON (Stand Off/Scrum Half) - Signed from Widnes Amateur Rugby League and former Oldham Colt. He had a brilliant season in 1981/82 scoring a fantastic 26 tries from the half-back position. Whether he will get the same latitude this season is doubtful but is certainly a man to watch today and a man who is destined for representative honours in the future.

GARETH OWEN (Prop) - Gareth has been with Oldham for 10 seasons but has suffered from injuries throughout the years. He gained Welsh International honours, is a powerful forward in both tight and loose and the son of Stan Owen former Leigh, St. Helens and Rochdale favourite.

ADRIAN ALEXANDER (Prop) - Signed from Rosslyn Park Rugby Union Club three seasons ago. He has now become a very formidable Rugby League forward. Moved back to London last season and commuted with the club at weekends. One of the game's biggest and strongest players standing 6ft. 3ins. and weighing 16st. 8lbs.

ANDY GOODWAY (Prop) - Andy gained first team place last season having some terrific games. Unfortunately he suffered a slipped disc which kept him out of the side for some time.

BRIAN HOGAN (Prop) - One of the most travelled players in the game, but one of the game's top front row forwards. Brian has

played with Wigan, St. Helens, Bradford Northern, Workington Town and Widnes before joining Oldham. A Great Britain International, Brian is a fine ball handler, fine runner and strong tackler. Currently on the transfer list.

ALAN McCURRIE (Hooker) - Signed by Oldham from Wakefield Trinity and first played for Whitehaven. Has gained many Cumberland County caps, one of the game's top hookers and a brilliant player in the loose with fine handling skills.

ROGER O'MAHONEY (Hooker) - One of Oldham's longest serving players, retired a few seasons ago but returned to the fold as good as ever. A fine player in both tight and loose.

MICK WORRALL (Second Row) - A former Oldham Colt only 21 but a tremendous prospect. Hard as nails and needs some stopping in full flight.

ALAN PLATT (Second Row or Loose Forward) - A most promising young forward having gained Junior International honours. Son of Don Platt former Leigh, Oldham and Batley star.

DAVE NICHOLSON (Second Row) - Joined Oldham from Swinton after Frank Myler and Peter Smethurst joined the club. He has become a great favourite with Oldham supporters.

BOB MORDELL (Second Row) - Signed from Rosslyn Park with Adrian Alexander. Played for London against the All Blacks before turning professional. Equally at home in the front row, terrific runner in attack.

TERRY FLANAGAN (Loose Forward) - One of the best young forwards in the Rugby League. A product of Oldham's Schools Rugby. Joined Oldham from Saddleworth Rangers, a brilliant handler of the ball and strong runner. He is an "Under 24" International and captain of the side.

John Player Trophy Second Round Replay

HULL F.C. 8 BRADFORD NORTHERN 10

Hull F.C.: Kemble, O'Hara, Evans, Banks, Prendiville, Topliss, Dean, Harrison, Duke, Rose, Crooks, (Proctor), Norton, Crane.
Sub: Day.

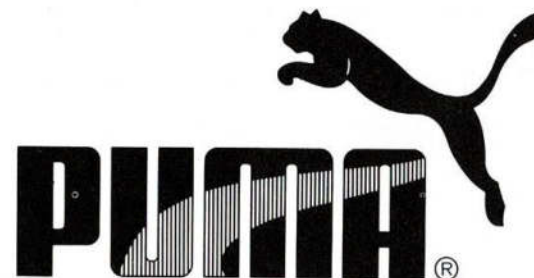

Scorers: Try: O'Hara, Topliss.

Goal: Crooks.

So once again our cup dreams have been shattered by Peter Fox's Bradford Northern side and really we only have ourselves to blame. Sadly the game as a contest of skill was destroyed by a driving wind which totally dictated the pattern of play. David Topliss won the toss and decided to use the advantage first in the

hope that his side could build a large enough lead to put the game beyond Northern's reach. On reflection that is precisely where we surrendered the Trophy because Northern performed far better against the elements than ourselves. Paul Prendiville had a golden opportunity to set us on the road to victory when taking advantage of a John Green error but after kicking forty yards down the touchline his second kick ahead held too much power and ran dead. For a sustained spell thereafter Northern actually imposed pressure in our twenty five which was a task in itself and gradually frustration began to mount on our part. We did manage to force our way back into Northern's twenty five and inspired play by Gary Kemble provided the crucial breakthrough as our Kiwi flyer supported Paul Rose's break and his long flighted pass gave his New Zealand counterpart Dane O'Hara a clear run to the corner. Ten minutes later David Topliss eluded several defenders to score near the posts following fine work by Steve Norton and Gary Kemble and Lee Crooks' conversion gave us an eight point advantage. Team Manager Arthur Bunting was perhaps hoping to double that margin before the interval but Northern's gallant defence and handling errors on our part dashed such illusions. Try as we did the Northern rearguard could not be pierced again and we were left with a mountainous task to fulfil a quarter-final date at Widnes. That was emphasised only a few minutes after the restart when we were penalised in front of our own posts and Keith Mumby reduced the arrears appropriately. The strength of the gale was demonstrated by Lee Crooks' kick-off ending back in our own twenty five and though Keith Mumby missed the subsequent penalty we were pinned in our own half with the only route out by forceful running and astute supporting play. Fortunately our defence held firm and with Tony Duke providing the better share of scrum possession, we had reason to be optimistic. Sadly it was too good to be true as Northern bided time and delivered the killer blow just short of the hour. After withstanding pressure on our line Keith Whiteman eluded desperate tackles to crash over though our players hotly claimed a double movement. Keith Mumby's conversion reduced the deficit to a point and obviously it was not destined to be our night as Mick Crane was penalised for offside beneath our posts to give Northern the lead for the first time in the tie. A late Alan Rathbone drop goal sealed our fate and our last-ditch efforts when Dane O'Hara was stopped inches short were to no avail. So one Trophy has passed on though defeat may prove a blessing in disguise as we can now focus our attentions on our major goal of the Championship. It has been a memorable cup-winning sequence but we must certainly be due more fortune in the draw when the Challenge Cup campaign comes around.

Great Britain Team Manager

Congratulations are due to Dick Gemmell on his appointment as the Great Britain Team Manager. The Club feel confident that this is a wise choice and wish him every success in his new endeavour.

Dick, currently a Hull Director and International selector, will have charge of the British teams for the games against France early next year, and the position will be reviewed towards the end of the season.

This popular Hull centre was capped three times by Great Britain between 1964 and 1969. He was assistant manager of the 1979 Tour of Australia and New Zealand.

He has no illusions about the enormous task ahead but is facing it with his usual resolution and forthrightness.

CARLING BLACK LABEL

Bass Yorkshire

Today's Match, Match Ball and Man of the Match Sponsors

Bass Yorkshire are proud to be able to be associated with Hull Rugby League Football Club. Like the Club, Bass Yorkshire is very much part of the local community. The Company is a major local employer, and has a long and happy association with the City.

Through a large number of Licensed houses and at many Free Trade Clubs, Pubs and Hotels, the Company's beers are sold, including Hull's favourites Best Mild XXXX, Stones Best Bitter, Draught Bass, and the City's and the Country's best-selling Lager, Carling Black Label.

Despite the recession, Bass Yorkshire continues to invest in the future of Hull. Only a few weeks ago "The Pennine Rambler", a large new Public House, was opened at Bransholme, the most recent in a long line of Bass Yorkshire houses in the City.

As Gordon Robson, Bass Yorkshire's Managing Director and himself a member of an established East Riding brewing family, says, "We're a Company with a big history in Hull and we intend to make sure we've an even bigger future".

The officials of the Club would like to express their sincere thanks to today's sponsors Bass Yorkshire and welcome their Directors and friends and hope that they enjoy the match and the hospitality afforded to them.

'A' Team News

Two useful victories have taken our 'A' Team into the top half of the table although they now begin life under the leadership of David Elliott following the restructuring of the club's coaching roles culminating in Clive Sullivan's departure as 'A' Team coach. Clive has certainly left an array of talent at David's disposal and it is encouraging to note how many members of the current side have progressed through Colts football.

DEWSBURY 'A' 15 HULL F.C. 'A' 21

Hull 'A': Robinson, Redfern, Ridsdill, Peacham, Scruton, Chester, Sanderson, Harrison, Duke, (S. Patrick), K. Portz, Welham, Dannatt, (A. N. Other), Dennison.

Scorers: Tries: Peacham 2, Dennison, Ridsdill, Welham.
Goals: Sanderson 3.

With Mick Harrison back in a Hull shirt after an eight year absence, George Robinson recovered from a lengthy injury and Robin Chester returning from a loan period with Castleford, Hull 'A' stretched their unbeaten sequence to three with this high-scoring victory at Crown Flatt. Harrison revelled in the pack leaders role and his experience is going to be a key factor in the development of the club's promising youngsters. Steve Dennison certainly benefited showing some neat touches whilst Gary Peacham notched a brace of tries.

Friday, 26th November, 1982

HULL K.R. 'A' 21 HULL F.C. 'A' 10

Hull 'A': Robinson, Scruton, Dennison, Peacham, Redfern, Day, Harkin, Sutton, Duke, (S. Patrick), K. Portz, Suddaby, A. N. Other, Sanderson. Sub: Welham.

Scorers: Tries: Harkin, Scruton.

Goals: Dennison 2.

Hull 'A' went down to their second derby defeat of the campaign as a Phil Lowe inspired Rovers overcame a 3-1 disadvantage in the scrums. With an abundance of possession the Airlie Birds held the initiative before the interval. Unfortunately Rovers line was only breached once when lively scrum-half Kevin Harkin crossed and the Robins had sneaked in front by half-time through two Larvin penalties and a try by Phil Edmonds converted by Larvin. After the break Terry Day made his presence known by carving out a try for Ian Scruton and Steve Dennison's conversion put Hull 10-9 ahead. Then came the turnaround as in the space of eight minutes Phil Lowe charged over for a try and then broke the tackle to race into the clear and set up a second for the supporting Paul Proctor. It was a major disappointment for the young Airlie Birds.

Friday, 3rd December, 1982

HULL F.C. 'A' 30 WAKEFIELD TRINITY 'A' 5

Hull 'A': Robinson, Scruton, Penrose, Peacham, Redfern, Dennison, J. Portz, Sutton, S. Patrick, K. Portz, A. N. Other, Suddaby, Sanderson. Subs: Ridsdill, Welham.

Scorers: Tries: Peacham 2, Patrick, Sanderson, Penrose, Welham.

Goals: Dennison 6.

With greater strength and power up front and more inventiveness and pace in the backs, Hull 'A' were convincing victors over a youthful Trinity outfit. Mick Sutton, Carl Sanderson and Steve Dennison set a fine lead and Shaun Patrick winning a useful share of the ball, the young Airlie Birds produced some splendid football. Gary Peacham raced in for two blistering tries and the highlight of the game was a classy move finished in style by Trevor Penrose.

Friday, 10th December, 1982

HUNSLET 'A' 5 HULL F.C. 'A' 20

Hull 'A': Robinson, Scruton, Day, Peacham, Redfern, Dennison, J. Portz, Sutton, S. Patrick, Duke, Suddaby, A. N. Other, Sanderson. Subs: Penrose, K. Portz.

Scorers: Tries: Redfern 3, Scruton, S. Patrick, Suddaby.

Goal: Dennison.

Hull 'A' were always in control of this game against Hunslet 'A', played at Dewsbury. Playing with pattern and authority in attack and surrendering little in defence the Airlie Birds never looked back from Carl Suddaby's third minute try. Shaun Patrick again dominated the scrums and with Tony Duke providing valuable experience Hull emphasised their dominance as the game progressed with Paul Refern scoring his first hat-trick for the seniors.
