TONIGHTS VISITORS — OLDHAM

We welcome Oldham to Wheldon Road this evening for what should be an interesting tussle. The visitors have had a season of mixed luck so far this season, showing up well in the league, however, they made their exit from the Lancashire Cup in somewhat of a disgrace after failing to overcome the 2nd Division Swinton at Station Road. Off the field, the situation has been much the same, for despite having four players named in Frank Myler's Under 24 squad, they have lost one of those chosen players namely Andy Goodway through suspension and fellow forward Alan Platt who broke his leg during the match at Hull Kingston Rovers, where Oldham earned a creditable 18 all draw. Also, the crowds have not turned up in the numbers expected by the Oldham officials, and this has resulted in an increase in admission price for Adults at the Watersheddings, from £1.80 to £2.00 in an attempt to bring in some extra revenue.

However, as previously mentioned Oldham have had a useful league campaign to date and are holding a comfortable position in the top eight but lost out recently to Widnes who were smarting from their Lancashire Cup Final defeat by Barrow. Coach Peter Smethurst has inherited a promising squad of players from Frank Myler, when the latter left for his international Coaching post.

The backs include some youngsters who seem destined to make their mark in the game in the not too distant future including; Chris Willis, who operated at full back for most of last season, although it was reported that Nick Wright a Maori has signed for Oldham and is expected in approximately a month's time. More established names in the back division include Green Vigo the former Wigan and Swinton flying South African winger and Jim Hornby another ex Wigan player who signed for Oldham despite being hotly chased by Blackpool Borough.

Centres Mick Parrish who has recently been linked with a top American Football Team, who would naturally want him for his excellent kicking and new arrival 23 year old New Zealander Alan Sinclair seem destined to make an excellent pair, although the imminent return of fellow threequarter Colin Hawkyard should make the fight for first team places even more intense at the Watersheddings.

Martin Foy and Ray Ashton may well form the half back combination for the visitors tonight. Foy is the brother of Widnes starlet Des Foy and is another young man of extreme talent, whilst Ray Ashton has been selected in the Great Britain Under 24 side to meet the French in November, although it was recently reported that he was unhappy at the Watersheddings and had filed a transfer request with the club.

Prop forward Mick Worrall is another of the newly selected Under 24 side and a fine prospect who may well be hard pushed to keep out young Craig Coyle another Kiwi recently arrived in Oldham. Mick Morgan needs no introduction, having served Featherstone, Wakefield, York and Carlisle before being snapped up for a bargain fee by the shrewd Oldham Directors. Alan McCurrie is another who needs no introduction as he was previously at Belle Vue and has had some great games against ourselves. His leadership combined with the guile and craft of Morgan has been responsible for the improvement of such as Goodway, Platt and loose forward Terry Flanagan the fourth member of the Oldham quartet chosen for the Under 24 squad. His mobility and eye for an opening enables many gaps in opposition defences to be exploited to the best extent.

With the expected return of Welshman Gareth Owen and fellow forward Mick Coombes, the battle for places in the forwards will hot up even more and leave Peter Smethurst with a problem that I dare say he will not be too distraught about, that is not which player to pick, but which player to omit.

Another youngster who may well make the side today is on loan Castleford scrum half Ian Birkby who is currently on loan to Oldham whilst being at University across the Pennines.

WHITEHAVEN 2 — CASTLEFORD 26

League Division One
9th October 1983

Following our annihilation of Leeds the previous Sunday down here at Wheldon Road, it was a confident side that made the long journey up to Cumbria to meet bottom club Whitehaven. The conditions were atrocious with a strong wind coupled with incessant driving rain which culminated in neither side playing with any great cohesion. Indeed after Haven had taken the lead with an early penalty for offside, handling errors from both teams meant

that neither side scored until the 36th minute, although John Kear did touch down but a 'double movement' was given by the referee, he also disallowed a Tony Marchant touchdown for offside, after the centre had followed up a high kick.

But in that 36th minute, Cas created a try right out of the blue, as Steve Gill came into the line and after receiving the ball cut inside before veering back out toward the centre and beating the full back to the line. Rob Beardmore added the conversion and although the scores remained the same until the interval, both teams were reduced to twelve men for a ten minute period, our culprit was Keith England who had a difference of opinion with a Whitehaven forward.

Despite playing up the slope in the second half, we took the game by the scruff of the neck and the first scorer was John Kear who pounced on a dreadful error by a Haven defender following a kick over the top to score too far out for Beardmore to complement with the goal. The second try of the half came from a clever grubber kick by Rob Beardmore who chased the ball and seemed a certain scorer, but was tackled short of the line when not in possession of the ball and Mr. Macdonald had no option but to award an obstruction try. This was goaled by Beardmore himself and Cas held a comfortable 16-2 lead. This was extended with two further tries both from Tony Marchant the first following a chip over the defence and the second a gem of a try when he outpaced two defenders in a thirty yard touchline dash. A conversion by David Rookley on as back sub for his first senior outing of the season and the sizeable contingent of Castleford fans left the ground extremely happy.

This victory put the side to the top of the league for the first time this season, although naturally with their involvement in last Saturday's Yorkshire Cup Final, this position will now probably have been relinquished.

THE A TEAM

A frustrating evening for the second team as they struggled to overcome a plucky and brave Hunslet outfit, who up to the last minute of normal time were holding us to a draw with the scores standing at 24 all until Kevin Jones, operating at scrum half for the first time this season darted in for the winner from some thirty yards, much to the relief of his colleagues, himself and I suspect the people watching from the stands and terraces.

So, the A Team are at the top of their league, still being unbeaten, although it has been a struggle for Geoff Wraith's men to hit their true form up to press.

2nd Round YSC Cup – Friday 21st October v Featherstone R. 'A' – Away – K.O. 7.30 p.m.

THE COLTS

Not to be outdone, the youngsters also hold top spot in their league with eight straight wins, the latest one to report was a convincing victory over the strong Huddersfield outfit, by 42 points to 14 away from home. Certainly, Dennis Hartley seems to have the lads well tuned this season, although the acid test of last seasons Champions from Hull has yet to come.

MAN OF THE MONTH

Robert Beardmore was chosen as the Daily Express/Hepworths Tailoring Player of the Month for September in a vote by readers. He was a narrow winner over Bradford's Ellery Hanley. It is a deserved award for Bob, as he had already amassed 56 goals and crossed for 7 tries when the result of the poll was announced.

For his achievement, Bob will be awarded with £100.00 from the newspaper, a clothing value to the same value from Hepworth's Tailoring and a silver salver.

Well done Bob.....

Incidentally in the match against Leeds, Robert Beardmore wrote himself into the record books with an individual points haul of 34 points. This was made up of a hat trick of tries and eleven goals, which is a record for a first division match.

THE JOHN PLAYER SPECIAL TROPHY

As you may well know by now, we have been drawn at home in the first round of the John Player Special Trophy competition to Hull F.C. This match is due to take place on the weekend of 5th and 6th November. A good crowd is expected; so make sure you arrive in good time, but should you wish to purchase a stand or ground ticket then they will be available. OLDHAM R.L.F.C.

Oldham make their 15th league visit to Wheldon Road this evening seeking their sixth victory over us here.

The biggest of those five triumphs was in 1941 - 42 when they triumphed with a 31 - 16 margin. Our best win over them here was in 1975 - 76 by a 31 - 8 scoreline.

Although Oldham were one of the founder members of the Northern Union there seems to be some uncertainty about the actual date of their birth.

Some sources say they were formed in 1864 and other records claim that it wasn't until September 1876.

The Club is believed to have been started as a result of some leg pulling between players at Werneth Rangers and members of Oldham Lyceum which resulted in a challenge match.

The interest caused by that game proved so strong that Oldham Football Club took its first steps.

The first match was on a ground at the back of Glodwick Spinning Company Mill, with teams changing at the Shakespeare Hotel.

Later the club shared the Oldham Cricket Club ground at Clarksfield - a ground where the Maoris of 1888 - 89 were defeated.

The first match at the Watersheddings, Oldham's present headquarters, was on September

28th, 1899 and a crowd of around 7,000 saw Swinton win by two goals, one try and two minor points to one minor point.

In 1898–99 Oldham became the first Lancashire club to win the N.U. Challenge Cup when they beat Hunslet 19–9 at the old Fallowfield grounds, Manchester.

The name of Joe Ferguson began to appear in the Oldham records about this time and it figured regularly for over 24 years — one of the lengthiest spells in N.U. or R.L. history.

Other personalities with the club in that era were Alf Wood, Bert Avery, R.L. Thomas and New Zealand threequarter G.W. Smith.

Smith was approaching his 44th birthday when in 1916 he broke a leg in the derby game against Rochdale Hornets.

Reg Farrar hit the headlines in 1921–22 when he collected 49 tries, a club record, and other backs of note included Jim Lomas, Sid Rix, Jack Oster, T.E. Rees, Tom Holliday, Alan Davies, Terry O'Grady, Frank Pitchford and Dick Cracknell.

Bob Sloman, Herman Hilton, Albert Brough, Bryn Goldswain, Sid Little, Charlie Winslade, Edgar Brookes, Derek Turner, Alec Givvons, Rod Narlor, Jack Read, Jack Keith and Len McIntyre were forwards feared and respected in the Oldham colours.

McIntyre will be mostly remembered for scoring around 20 tries in the 1958–59 season. And recalling notable scorers one cannot leave out fullback Bernard Ganley, a remarkable goalkicker indeed.

In 1956–57 he piled up 194 goals, and the following year improved on that to reach 224, beating the long-standing record of Wigan's Jim Sullivan (204) which had stood for 24 years.

Ganley's record was made up of 219 in Cup, League and representative football and five in friendly games, and he also landed 14 goals in one match.

Centre or wing John Etty was a prolific scorer around this time and in 1956–57 he col-

In the last few seasons Oldham, under the guidance of Frank Myler emerged as an attractive side again.

Terry Flanagan is rated as one of the best loose forwards in the game while Andrew Goodway, a Castleford-based player, has done enough to earn international recognition for quite a few years.

Though they have won an abundance of trophies during their history Oldham have yet to realise the ambition of playing at Wembley.
