MOMENTS TO REMEMBER

YORK v OLDHAM

Games between York and Oldham are something of a rarity, because it was not until December 8th 1923. 25 years after York had joined The Northern Union (now Rugby League) in 1898 that the two sides met in a League match at Wigginton Road, York winning 7 points to 5.

The scorers for York were: Mirfield 2 Goals, and Henry a Try. For Oldham Sloman scored a Goal, and Hall a Try. 6,000 spectators attended to see the following teams:—

YORK: E. Owen, A. Corsi, J. Corsi, Davies, L. Farrar, Jones, Paterson, Millard, F. Mirfield, J. H. Betteridge, Henry, Whiting, Ward.

OLDHAM: Knapman, Rix, Hall, Davies, Joe Corsi, Hesketh, Jones, Collins, Tomkins, Marlor, Sloman, Murray, Kendall.

Referee: Mr. F. Fairhurst (Wigan).

Oldham, funny as it may seem, are the only Lancashire team to knock York out of the Yorkshire County Cup. This was accomplished in 1941, when on Saturday, October 25th they played us in the 1st Round, 1st Leg, and won by 5 points to 2. On the following Saturday at The Watersheddings, Oldham then beat us again in the 2nd Leg by 10 points to 0.

The reason for Oldham playing in the Yorkshire Cup was that there were only a hand full of Lancashire clubs competing during the War so they were invited to compete in the Yorkshire Cup. However none of the Lancashire teams ever won the Yorkshire County Cup.

Teams were 1st Leg.

YORK: C. Knowles, Maud, Taylor, Preston, K. Smith, J. Mills, Robinson, H. Deighton, W. Stringer, F. Dobbs, L. White, Selway, H. Beverley.

OLDHAM: F. Taylor, Brown, Stott, Mitchell, Hodgkinson, Lees, Bowyer, Ogden, Whitehead, Greenwood, Ambler, Lowe, R. Cattlin.

Referee: Mr. A. E. Harding (Warrington).

On Wednesday, April 12th 1978 in a 2nd Div. Match at the Watersheddings, Oldham. York beat Oldham on their own ground for the first time since 1898. The main instigator for this victory for York was Mick Morgan, who most probably will be opposition to us this afternoon.

The last time we met Oldham was actually in the 1st Round of the JOHN PLAYER TROPHY on Sunday, November 23rd 1980, at Wigginton Road, when we won very narrowly by 11 points to 9. Both sides were drawing at half time 7 - 7. Gibson kicked 4 goals for York, and Peter Inns a Try. Parrish kicked 3 goals, and A. N. Other a Try for Oldham an attendance of 5,154 saw the following teams:

YORK: G. Smith, C. Gibson, L. Sheard, D. Foster, T. Morgan, J. Crossley, P. Inns, A. Wardell, P. Phillipo, D. Dunkerley, B. White, G. Price, (W. Kirkbride-15), P. McDermott. Substitute: K. Harkin, d.n.p.

OLDHAM: Murphy, Munro, A. N. Other, Parrish, Caffery, Francis, Gwilliam, Alexander, (Hawkyard-15), Handforth, Owen, (Alexander-8), Clarkson, Mordell, Flanagan. Substitute: Littler, d.n.p.

Referee: Mr. Stan Wall (Leigh).

TODAY'S MASCOT

Today's mascot is VICTORIA NICHOLAS, aged 10 from Lawrence Street, York. Victoria has been an ardent York supporter since "pram days" and her two favourite players are Graham Steadman and Geoff Pryce.

York versus Fulham at Crystal Palace

Our visitors today . . .

OLDHAM

Today we extend a warm welcome to the players, directors and supporters from across the Pennines. Oldham have had a tremendous start to the season and are currently joint top of the Slalom Lager Championship. We hope today's game proves to be a tough and entertaining encounter.

Their team is likely to be chosen from the following large squad of players:

ALAN TAYLOR, Full Back — Alan joined the club from Swinton. He went to work in America two years ago. He has returned this season and is now club captain. A fine utility player he has played in the loose forward position due to injuries during the past few weeks.

PAUL TAYLOR, Utility Player — Signed from the Parramatta club in Sydney he arrived in this country with his brother five weeks ago. He is a marvellous all round player who can fill any of the back positions. He plays mainly at full back however with the Parramatta club.

GREEN VIGO, Winger — Green joined Oldham from Swinton. He is a South African who joined Wigan five seasons ago. Very fast and elusive he is on the transfer list at £12,000. Green has scored many great tries in his Rugby League career especially two at Headingley against John Atkinson in a televised Leeds v Wigan John Player Cup-Tie.

JIM HORNBY, Winger — Signed from Wigan in 1983. A former Great Britain Under-24 International, very fast, experienced player. Has been out with injury this season.

MICK TAYLOR, Winger — A fast, elusive player who has been out with injury but could be back today. Signed from Huddersfield junior rugby.

MICK PARRISH, Centre — Mick first played for Morley R.U. Club before turning professional with Hunslet. He joined Oldham for £17,000. He is the elder brother of Bradford Northern's Steve. One of the games top goalkickers, he holds the unique record of having scored in every game during a season for two separate clubs. Standing well over six feet he is a powerful runner and hard tackler.

BRIAN CAFFREY, Centre — Signed from local Oldham amateur side Waterhead, good hard runner and strong tackler.

DES FOY, Centre or Stand Off — Born in Oldham but signed from Widnes two seasons ago. Now one of the best inside backs in British Rugby League. Tremendously fast, he was a member of this summer's team in Australia and New Zealand. He played at stand off against Wally Lewis in the first Test in Australia. A Great Britain Under-24 International.

IAN BIRKBY, Stand Off — Signed from Castleford a year ago. A very clever and speedy half back, equally at home in the scrum half position. A former Colts International.

PADDY KIRWIN, Scrum Half — A civil engineer graduate of Manchester University he started his career with the Oldham Colts side. Gives 100% commitment in both attack and defence and has gained a permanent First Team spot this season with some tremendous displays.

RAY ASHTON, Scrum Half — Signed from Widnes amateur rugby league and a former Oldham Colt. One of the best scrum halves in the game. He was a tourist in Australia this summer but did not gain a Test place. In 1981-82 season he scored 26 tries from the half back position. A Great Britain player and Under-24 International.

MICK MORGAN, Prop Forward — One of the greatest characters in the game today. He joined Oldham from Carlisle after playing with Wakefield Trinity, York and Featherstone. A first class ball handler and pack leader. He was a top ranking hooker in his early days with Wakefield.

TONY OGDEN, Prop — A young player given his chance this season due to injuries. He has had a remarkable start to his First Team career and will take some shifting from his position when all are fit.

WALLY JONES, Prop Forward — Signed from Rochdale Hornets. A very experienced player who was Oldham's Player of the Year last season. He has been out with injury for a few weeks.

ANDY GOODWAY, Prop or Second Row — Without doubt the number one forward in British Rugby League at the present time. A former Castleford Junior. He played in all eight Test matches on tour this summer and was voted the outstanding player in the tour party. Last month he was voted number three in the world's second row forwards in Open Rugby. A terrific runner and tackler he has continued his splendid form this season with Oldham.

ALAN PLATT, Second Row — A former Oldham Colt and Leigh Junior. A very promising young player who has gained Junior International honours.

ALAN McCURRIE, Hooker — Alan started his career with Whitehaven before joining Wakefield Trinity for £10,000. He then moved on to Oldham. He is on Oldham's transfer list at the present time. He is a Cumberland County player and one of the best all round number nine's in the game. A splendid ball handler

MICK WORRAL, Second Row — A former Oldham Colt and Warrington Junior. He is one of the tallest players in the game and was a member of this summer's tour team. He played in two test matches in Australia and is a strong, hard runner and tackler. He has however, been injured for most of the season.

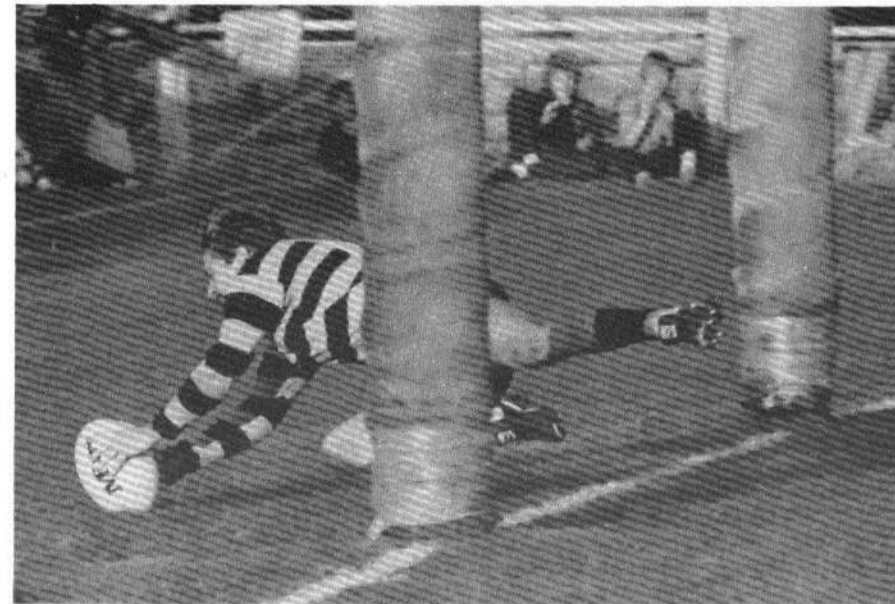

TOM NADIOLA, Second Row — Born in Fiji he is a former Wigan player and son of a former Huddersfield player. Tom has made great strides this season playing some great games. Another strong forceful runner and tackler.

COLIN HAWKYARD, Centre or Second Row — A young local player who started his career in the centre but moved to the second row this season due to injuries. He has been in great form and has a splendid future in front of him.

CHRIS PHELAN, Second Row — One of the best forwards in Australia. He first played for Souths in Brisbane, Queensland, winning a Rothman's medal in 1981 for his outstanding play. He joined Parramatta in 1981 and has played in the last three Sydney Premiership Finals. Chris toured Great Britain with the Queensland side last season.

TERRY FLANAGAN, Loose Forward — Terry joined Oldham from Saddleworth Rangers and is the second Oldham player with a university degree. A marvellous ball handler and former captain of the side he is a Great Britain Under-24 International and was a member of this summer's tour squad, gained his latest place in New Zealand. Unfortunately he has been out with injury for most of the season.

Others who may come into the reckoning are Paul Lowndes a former Colt International forward and Paul Sherman an up and coming young forward, who scored against Workington earlier this season.

York v Hull — Graham Steadman scores York's magnificent try

A powerful run by Brendan White versus Bramley 28/10/84

CLUB CHAT

MIXED FORTUNES

York travelled to Wakefield yesterday, scene of that memorable 20 - 12 Challenge Cup success in February, and won again 12 - 8 in what was a hard game with both defences at a premium, it was a dour match with York hanging on at the end due to a solid defence, even though territorially Wakefield had more chances than York in the second half to score points.

I hope York can put their game together in a much more convincing style than in recent matches, we should not be in the league position we are now, the players have far more ability than has been shown, they and the club should be riding high on top of the 2nd Division. At the start of the season I could not see us losing until the New Year! The most important and essential job for York RLFC is to get into the 1st Division.

Best of luck today.

PROGRAMME NOTES

by Martin Lacy

Today's John Player Special Trophy tie gives York a welcome relief from the rigours of the second division promotion campaign — although visitors Oldham hardly provide an easy game!

The Lancastrians, despite the heavy defeat at home to Hull KR last Sunday, are riding high in the first division and bring a side which they claim is without stars, but one which has a glut of talented players.

They are certain to start favourites for what promises to be a close tussle, but York's performance at Wakefield last Sunday will have given York players heart, while history is on our side.

Meetings between the clubs are few and far between but the Lancastrians last won at York in 1972 and since then the five games between the sides have seen York win four and lose only one.

The last meeting between the two clubs was back in 1980 — and that game, too, was in the first round of the John Player competition.

The similarities don't end there. Oldham were in the first division, although perhaps not going as well as this season; York were in division two — and doing a damn sight better. York had lost only two league games, were topping the table and destined to win the championship.

The game was a nail-biting affair with the boot of Chris Gibson proving decisive. He landed four goals to go with a try from Peter Inns to see York home 11 - 9.

York will be hoping for a repeat of that result today but they face formidable opposition — not least from one of Clarence Street's former favourites, Mick Morgan.

Mick was a popular loose forward at York but in recent years has played at prop forward with great distinction. Oldham have plenty of talented youngsters and Mick has been employed bringing them on and providing the 'old head' needed to steer the youngsters in the right direction.

I am sure that most York fans will wish Mick the best but we will all be wishing that York's welcome is not quite as generous on the field and Oldham go away empty-handed.

Mick Hughes scores a try versus Bramley 28/10/84
