Home Games at Cockburn Fields, Middleton Grove, Leeds T1

Welcome to Elland Road

A hearty welcome to Oldham on I believe their first visit to Elland Road.

As I recall, Oldham was one of our first games of the current season and it is our task today to reverse the result achieved at the Watersheddings.

One of the first players we ever bought from Oldham was that great man of action, Dickie Brown, who was so tragically lost in an accident. All good Hunslet supporters will remember Dickie, a great try scorer and one of the most rugged players I have seen in all my time with Rugby League. Dickie certainly performed well for us as he did for Oldham.

Our result at Leeds was disappointing, but that was yesterday and I am sure our lads will be on song for today's game. So welcome once again Oldham, I am sure we will see a great game.

Yours in Sport,

From the Editor's Pen...

*"A valiant host lives there, and by the power
of that stone the PHOENIX turns to ashes, but
the ashes gave him life again. Thus does the
PHOENIX moult and change its plumage,
which afterwards is bright and shining and
as lovely as before."*

Wolfram von Eschenbach, A.D. 1195

What a miserable afternoon it was at Headingley last Saturday for Hunslet supporters! The 50-8 defeat was the biggest since the present Hunslet Club was formed and took the combined scores in the 6 games at Headingley since 1973 to Leeds 202 Hunslet 71.

Strangely enough it was a game we could have won. On two occasions what should have been 6 points for us ended up being 6 points for Leeds, and as I've said before in this column scoring chances in the first Division must be taken. I must congratulate Leeds on having a positive approach to a tap penalty situation. Instead of adopting the usual method used by most Clubs (ourselves included) of wasting the first tackle by running straight at the opposition, their novel approach paid off with Dave Heron's first try. Although it was made to look easier by for the second week in succession our failure to carry out one of the basic rules, that of tackling the man with the ball.

Starting with today's game we have 8 fixtures left to the end of the season on April 21st. I'm really looking forward to the last 3 when we visit Wigan, St. Helens and Hull in the space of 7 days!

Hunslet Supporters Club News

Welcome to today's visitors, Oldham who are in the top half of the league, and who we must beat if we are to have any chance of remaining in the First Division.

A vast improvement will be needed after last week's thrashing at Headingley, against the 'Australian Tourists VIII'.

Our recent home league results have been good so let us hope that we can continue in that vein.

N.B. — From the start of 1983-84 season the value of a try was increased from 3 points to 4 points. To show this in the "Full Record Column" 3 point tries are shown first (e.g. Graham King 44/41, shows he has scored 44 3 point tries and 41 4 point tries).
