Today's Opponents - Oldham

Tonight we welcome to Thrum Hall the players, officials and supporters of Oldham, a club strongly challenging for a place in the League's top four and a consequent home tie in the Premiership.

Despite murmurs of discontent from scrum-half Ray Ashton and ball-playing loose forward Terry Flanagan, both members of last summer's Great Britain party, Oldham still have a powerful team under the management of Frank Myler. Leading the way is second-rower Andy Goodway, the current Great Britain skipper who is so clearly one of the best forwards in the world. With ball-players like Flanagan, hooker Alan McCurrie and evergreen prop Mick Morgan - wanted by Halifax a few weeks ago - to feed off, Goodway's strength and speed becomes really effective. Fellow back-row forwards Mick Worrall (another 1984 Tourist) and Colin Hawkyard, plus Aussie star Chris Phelan from Parramatta who was a member of the 1983 Queensland Tour of this country, have benefited in a similar way.

In the backs, Ashton or the industrious Paddy Kirwan have Oldham's second top Aussie, Paul Taylor, as half-back partner. Taylor is a much-used name in the Oldham back section, for Alan Taylor appears at full-back and Mike Taylor is a most effective speedy winger. At centre, meanwhile, there is a mixture of strength and speed with big goal-kicker Mick Parrish rattling up the points alongside another Great Britain Tourist, Des Foy.

Oldham have now further strengthened their squad with the signing of top Featherstone Rovers forward David Hobbs the Great Britain International and 1984 Tourist. They also have second-rower Paul Dixon on loan from Huddersfield and winger Mitchell from Leeds.

Oldham were comfortable 24-12 winners against a tired Halifax at Watersheddings on New Year's Day, so will be looking to complete the double tonight. Their last visit to Thrum Hall brought them a 20 points to 5 victory in September 1982, tries being scored by Foy, Ashton, Goodway and Hawkyard, with Parrish kicking four goals. Halifax's try was scored by Franny Jarvis, and the goal by Mal Agar. The attendance was 2,840.

Chairman's Chat

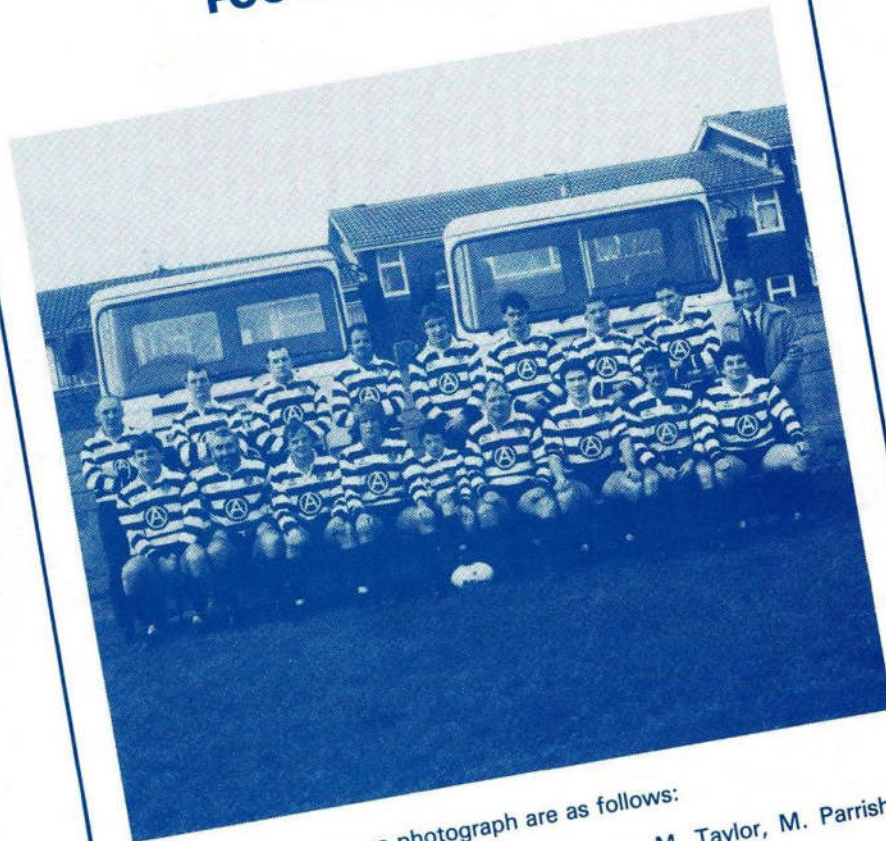

Hello Again. The column this week was to have been presented by our President David Brook but unfortunately he has been a little out of sorts this week. However I am hopeful he will be here with us tonight. Anyway I'm always grateful of the opportunity to write this column, so as someone once said "into the breach dear friends". Firstly let me bring you all up to date on the Ashton saga. David had been having fruitful negotiations with the Oldham Board and it only remained for the President and I to see Raymond on either Sunday night or Monday to discuss his personal terms, expenses, wages, etc. as it turned out, what with David being ill, and the Tuesday deadline we thought that rather than rushing such an important deal we would be better leaving it till later when things could be finalised without the pressure of time. I think that Ray will be coming to Thrum Hall and I am sure he will blend in with our team and be a major force in achieving our long term aim of putting the Blue and Whites back on top, where they belong.

The least said about the defeats at Leigh and Widnes the better, although I could trot out a string of excuses flu, injuries, etc. Better to forget them and concentrate on the games in hand. I am not saying that there will be any easy rides but at this stage of the season form does sometimes go topsy turvy. You can be sure that the excellent win over Hull did wonders for the lads confidence. People were saying to me after the match that Hull fielded a very weak team. But remember we didn't pick the Hull side and even so they had at least four Internationals in and some very promising juniors. Hull are never easy to beat and those two points were heaven sent, who knows the top eight may not be so far out of reach.

Stick with us, we are on our way to the top.
Up the Blue and Whites.

Yours in sport

Yesterday's Heroes

By Robert Gate

Featured in today's picture are a couple of the finest three-quarters to have served the Halifax and Oldham clubs. The action comes from an international match played at St. Helens in September 1953 in which England defeated Wales 24-5. The central figure is Don Gullick, the Welsh centre, who is passing out to ARTHUR DANIELS. Daniels joined Halifax in 1945 and played 377 games for the club before moving to Bradford Northern in 1957. His 215 tries for the Thrum Hallers has been bettered only by Johnny Freeman. Arthur won 13 caps for Wales and appeared in three test matches for Great Britain. He was an Australasian tourist in 1950 but was beset by injuries and made only five appearances. He was also unfortunate in the matter of three times appearing in losing sides in Halifax's Challenge Cup Final teams of 1949, 1954 and 1956. He is perhaps best remembered for his telepathic understanding with his centre, Tommy Lynch.

The player challenging Gullick is ALAN DAVIES, a centre of rare quality who graced the Oldham team from 1950 to 1961, scoring 173 tries in 392 matches. Like Daniels he never won a Challenge Cup winners' medal. During his time at Watersheddings Oldham won everything on offer but never reached Wembley. After joining Wigan, however, he eventually appeared at the Empire Stadium in 1963 only to be part of the Wigan side which fell 25-10 to Wakefield Trinity. Davies made 20 test match appearances for Great Britain and won 19 Lancashire caps. He later played for brief periods with Wakefield Trinity and Salford.

APOLOGY — In the "Yesterday's Heroes" feature for the programme of 16th February (v Barrow) an error was made in the identification of Bryn Knowelden, the old Barrow International centre who was wrongly identified as Joe Jones.
