Today's Opponents OLDHAM

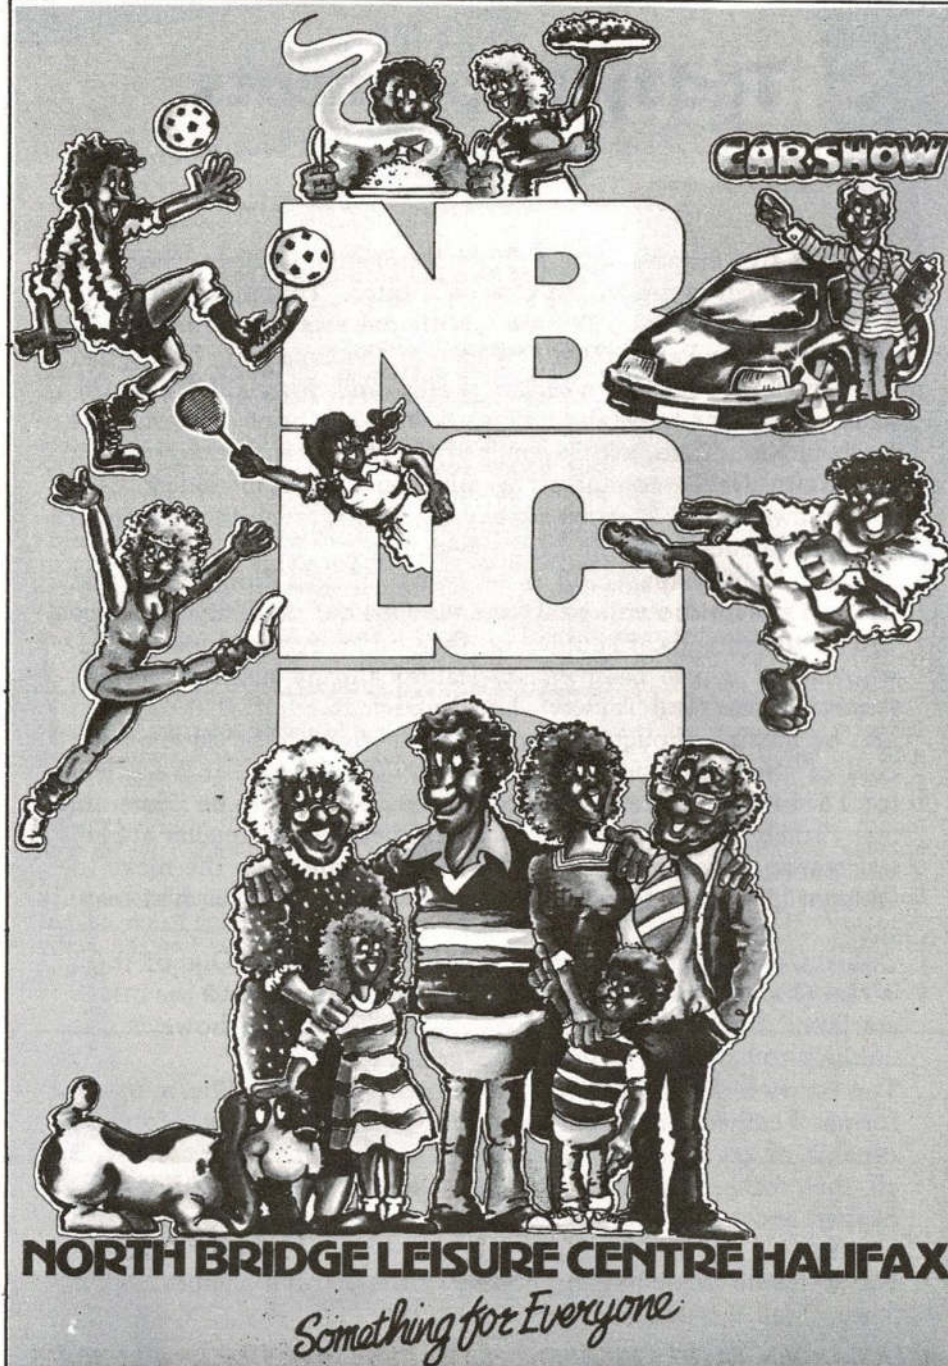

It is just five months since today's opponents, Oldham, were last at Thrum Hall in a Division One encounter. That match on April 5th ended in dramatic fashion. With the score standing at 6-6, Oldham winger Pat Mitchell, on loan at the time from Leeds, had raced clear and seemed a certain scorer, only for Halifax's scrum-half Bob Hudson to catch him inches short and bring off a brilliant cover tackle. Then, with seconds of the match remaining, Hudson and Keith Neller combined to put South African winger Cliff Brown away. Brown sensationally skipped through the remaining Oldham defence to give Halifax the victory.

Today's Halifax team will show many changes from April, and Oldham's team too will be different. One certain Oldham change will be the absence of Paul Dixon, then on loan from Huddersfield, who has of course been one of Halifax's many summer recruits. Australian star Paul Taylor, who played at stand-off that day, will also be missing, though he has been replaced with the signing from Hull of the experienced David Topliss. Topliss was at Wakefield for 13 seasons before moving to Hull in 1980, where he figured in many finals. His first team appearances became less regular at Hull last season — he was not in the Wembley team — so the move to Oldham gives him the chance to re-establish a regular first team spot.

Oldham have also recruited three new Australians. One of them is Mal Graham who starred with Hunslet last season, and the others are David Liddiard and Garry Warneke. These three, however, are unlikely to have arrived in time for today's game.

Top forward Andy Goodway has now moved on to Wigan, but in former Featherstone hero David Hobbs, Oldham have a forward capable of creating similar problems to opposing defences. With all their other stars still available, Oldham will be confident of having another good season after finishing 1984-85 in fifth position.

We welcome the Oldham players, officials and supporters to Thrum Hall this afternoon.

Chairman's Chat

At last, rugby time again. I should like to welcome you all back to Thrum Hall for yet another exciting 1st Division season, and look forward again to seeing the superb rugby we were all treated to last year. Remember the games against St Helens, Wigan, Bradford Northern and many more? Will we ever forget the magic of Ron Ryan and Mike Hagan, indeed the excellent displays by the whole squad (Aussie & English) that brought us to our feet time and again throughout the season. This quality of rugby had not been seen at Thrum Hall for many a year but I am sure that with our new squad we can carry on where we left off and provide you all with the very best entertainment in the game.

Today it is my pleasure to receive visitors Oldham and extend a true Halifax welcome to their fans, players and directors, especially my old pal Frank Myler. Since Franks appointment as General Manager last year, Oldham have again become one of the games leading clubs and I am sure todays game will be yet another "humdinger" in the great tradition of games between our two sides.

The close season has been hectic to say the least as those of you who have been following the reports in the press will know. While President David Brook was in Australia signing the very best players available, the directors brought about some excellent English signings, blending experience with youth. Mick Scott from Wigan, Gary Stephens from Leigh, Brenden White from York, exciting newcomer Paul Dixon from Huddersfield and amateurs Dobeck, Moore and Clayforth from Redhill Castleford. When you add these to our existing squad and Aussies Heugh, Robinson and Kilroy, who David will be telling you all about, I think that we will have one of the strongest teams in Division One.

A short time ago I launched the "500" Club, details of which are printed elsewhere in this programme, and the response has been fantastic. As membership is limited strictly to 500, I do urge those who intend to join to do so today, it is not just a very good lottery with over £26,000 in prizes but will provide the club with much needed cash to enable us to carry out our plan to make Halifax the greatest team in the land.

Up the Blue and Whites
Yours in sport,
STAN ACKROYD
Chairman

Odds and Ends

CALLING OLDHAM FANS. The Halifax Past Players Association are keen to make contact with former players from the Oldham area. If there are any Oldham fans here today who know the whereabouts of any former players who appeared for Halifax, the Association would be most grateful to be put in touch with them.

Meanwhile an attempt is being made to compile records of all players who have ever played for the Halifax club. Information needed includes the player's birthplace, birthdate, playing weight and height. Such information is needed for players like Steve Whitmore (1977-78), Brian Lord (1967-68), Welshman Malcolm Price (1968-69), Jack Keith (1959-60), Alan Jarman (1957-61), Peter Fearis (1954-55) and Tom Greenwood (1945-46), all of whom had connections with Oldham, plus Anthony Mundy (1947-48) who came from Oldham St Mary's, Billy Webb (1949-50) from Higginshaw, and Bernard Mitchell (1945-48), also from Oldham A.R.L.

Halifax fans can help too if they can remember a player called R. Marsden, a trialist who appeared as a centre in a home match with Doncaster in October 1958. Enquiries to date have failed even to reveal his first name.

OPEN RUGBY. In addition to the September edition of this glossy Rugby League magazine, which is now available from the Souvenir Shop, there have been two other editions since the end of last season. Copies for both May and June are still available (80p) from the Souvenir Shop. The June issue was a review of the 1984-85 season.

COACH TRAVEL to Halifax's away matches will again be supplied by the Supporters' Club this season. Compare their prices before you travel by other means, and bear in mind that any profits made go towards the purchase of new players for Halifax R.L.F.C. For coach bookings, phone Halifax 69692.

VIDEO TAPES of Halifax's home matches for last season are now available for sale, in both V.H.S. and Beta formats, for just £10. Take this once-only opportunity to have a perfect record of some of those brilliant players who represented the Thrum Hallers last season. Most matches were still available from the Souvenir Shop at the time of writing.

THE 1985-86 HALIFAX R.L.F.C. DIARY is now available. Complete with photographs and records of last season's players, it cost just 50p.

SUPPORTERS' CLUB MEMBERSHIP can be renewed today for the same price as the last two seasons, £1. This includes a free diary (value 50p) in addition to the opportunity to travel to away matches at reduced rates and the opportunity to borrow video-tapes of Halifax matches. Try to support Supporters' Club ventures whenever possible - last season profits helped pay for the services of the three new Halifax R.L.F.C. signings from Redhill, Castleford.
