Match Sponsorship

One of the most popular methods of promoting a company has proved to be a **Match Sponsorship** scheme. In most cases one company has undertaken to sponsor a game, but there have been occasions when two business concerns have undertaken a joint-sponsorship. The **Match Sponsorship** fee ranges from £100 to £300 depending on the opposition, for which a company receives the following benefits.

1. Ten Match Tickets to our Executive Box
2. Tea Tickets for which three will admit to the Board Room
3. Two Car Park Tickets
4. Half Page Advertisement in Match Programme
5. Announcements of the Company's name and message, over the public-address system, pre-match and at half-time on the match-day sponsored.

Matchball Sponsorship

A comparatively inexpensive, but highly popular way of promoting your company is our **Matchball Sponsorship** scheme.

The **Matchball Sponsorship** fee is £50 per match. The sponsoring company will receive:-

1. Two Stand Tickets
2. Two Board Room Tickets
3. Acknowledgements over the public-address system, pre-match and at half-time.
4. A mention of the company, in a prominent position in the match programme.
5. The company's name on the team sheet page in the match programme

Details for the above can be gained by contacting the Secretary's Office - 34636.

MARTIN LACY COLUMN

York v Oldham (10th November)

Today we welcome Oldham to Clarence Street but while the quest for two points is vital, many eyes at Clarence Street, I suspect, will be turning towards tomorrow's High Court in London where York will face a winding up petition issued by the Inland Revenue for unpaid taxes.

The situation is obviously extremely worrying for everyone connected with the club and at the back of everyone's minds is the fear that the winding up order will be granted and Rugby League will disappear from Clarence Street.

I can hopefully reassure the fans that that won't happen. In the event of the order being granted, then a receiver would be appointed to handle the club's affairs.

His brief would be to raise the £30,000 owed as soon as possible — and that would mean selling assets. Unlike the directors, whose decision to sell off the training ground and squash courts came after much long and hard thinking, a receiver would want to raise the capital as soon as possible — and that would invariably mean selling players and more moveable fittings such as office and boardroom furniture.

It's a pretty depressing situation and although the debt might be discharged quickly, it could mean serious damage to York's playing fortunes and future prospects.

Hopefully it won't come to that.

Despite the refusal by the city council to loan York the cash to meet the demand, the directors have not been idle. They have investigated every possible way to raise cash and will go to the High Court hopefully with the cash but if not with a substantial down payment and a promise to pay off the remaining arrears in instalments.

If this plan is acceptable then York will gain valuable breathing space.

They are still hopeful of winning their appeal — heard last week — against refusal of planning permission for a housing development on the training ground and success here would solve many of the financial problems.

Success on the field will help. Last weeks performance against Wigan — in front of the biggest Rugby League gate of the day — won a lot of friends and people are now beginning to believe that York mean business.

If that is reflected through the turnstiles, then a brighter future lies ahead.

Meanwhile today's opponents represent a real test but one York must overcome if they are to keep away from the relegation zone.

YORK v OLDHAM

Sunday, 10th November 1985

Kick off 2.15 p.m.

Today we welcome the players, supporters and officials from Oldham. Our visitors had a terrible start to the season (by their standards), drawing at Halifax (12-12), losing at home to Leeds (14-30) and Swinton (12-16) and away to Hull (12-54). But since then they have gone six matches without defeat with notable victories against Castleford (46-22), Salford (away - 34-20) and Bradford (away - 24-6).

Coach Frank Myler has certainly got his side into shape and made them a very difficult team to beat, lets hope York play like we all know they can and overcome Oldham!

Super Game — Superb Performance

Well done, York, you had a marvellous game, it was a performance that far outshone the end result, where the obvious pace and power of the Wigan stars were displayed. Mat Carter scored a superb try to put York 10-8 into the lead, I thought Chris Harrison covered Great Britain centre Hanley extremely well, together with a first class team performance. The final score did not represent the game but what an advert for Rugby League.

The attendance was 6,476, the highest of the day, a few more attendances like this and we will be well on the way to erasing some of our long term financial problem. Talking of problems, at the recent Appeal on our Training Area one of the objectors was Bill Hanaran of Radio York. I would have thought Radio York employees should have taken an impartial line like the Evening Press (that is to help the Club?). By the way the Appeal went well and the club is hopeful of a good result!

Thanks to the combined efforts of my co-director Trevor Cox and Barrister Peter Collier, also may I extend this to include all supporters of York R.L.F.C. who signed the petition for development of the Training Area.

Today we should overcome... with our recent displays, the points are there for the taking, Phil Lowe and the team are full of confidence and enthusiasm, lets hope for a good win.

OLDHAM R.L.F.C.

Frank Myler (*Coach*)

A truly great British middle back of the post-war era making 24 appearances for Britain, being the only man to appear in both the 1960 and 1970 World Cups, he toured in 1966 and in 1970. As tour captain he became the last British skipper to bring home the Ashes. He won the Harry Sunderland Trophy with St. Helens in the 1970 Championship Final joining the Saints from home town Widnes with whom he starred for 11 seasons, including scoring a try in the 1964 Wembley win. His 34 tries for the Chemics in 1958-59 still stands as a club record.

He was coach of Widnes when they won their solitary championship in 1977-78, an achievement that won him the Trumanns Coach of the Year award. He has also coached Rochdale and Swinton before joining Oldham, and was of course, Great Britain tour coach in 1984.

Brian Gartland (*Coach*)

St. Helens born coach who has spent most of his career in the Oldham area coaching the Oldham Colts and Reserve grade sides in recent seasons, before stepping up to First Team duties in the middle of the 1983-84 season, doing an excellent job for the club in a crisis period which saw the resignations in quick succession of former coaches Dave Cox and Frankie Barrow.

David Topliss (*Stand Off - Captain*) - 35

Height 5ft. 8ins., weight 11st. 2lb. A former Normanton Junior who served Wakefield Trinity brilliantly for 13 seasons, winning the Lance Todd Trophy in the 1979 Wembley defeat. Played for Penrith Panthers in the mid-seventies and joined Hull F.C. in 1981, captaining the Airlie Birds to six major finals, his finest hour being the 1982 Challenge Cup replay with Widnes at Elland Road, scoring two tries of outstanding courage and importance. His brilliance gained him only four caps making his debut versus the 1983 Aussies at Wembley and his last as captain in the Final Test at Headingley in 1982. Was a replacement tourist in 1979 and has scored over 200 tries in a great career. Joined Oldham this summer.

David Liddiard (*Full Back*) - 24

An Australian in his first season in England has earned rave reviews for his attacking play from full back berth. Signed from Parramatta Eels but will return to play for the Penrith Panthers at the end of the British season.

Hussein M'Barki (*Winger*) - 29

Was brought to England by Fulham in 1981 for £25,000 from the French club Cahors, traded under the name of Des Smith for a while at Craven Cottage and became one of only seven players to score a try against the 1982 Australians in Fulham's tour match. Joined the exodus to Warrington last season before joining Oldham. The first and only Moroccan player in British Rugby League.

Des Foy (*Middle Back*) - 21

Boy wonder who signed for Widnes in July 1980 for a then record £17,000 contract from Saddleworth Rangers after playing for England Schoolboys. Made only 18 appearances for the Chemics before transferring to Oldham in January 1983. Scored a try on his Test debut in Avignon in January 1984 and went on the 1984 tour playing at Stand Off opposite the great Wally Lewis in the first Test at Sydney Cricket Ground, his only Test appearance on tour.

Mick Parrish (*Centre*) - 27

Signed from Hunslet for £20,000 in September 1980 whom he had joined from Morley R.U.F.C. Is the only man in the history of the game to play and score in every match in a season for two different clubs, Hunslet in 1979-80 and Oldham in 1981-82. The elder brother of our Steve.

Mick Taylor (*Winger*)

This is Mick's second season at the Watersheddings being signed from Huddersfield amateur club Britannia Works (now Paddock).

Ray Ashton (*Scrum Half*) - 25

Widnes born half back signing for Oldham in 1978, went on tour in 1984 as third choice number seven to Holding and Gregory, injuries ruining his tour, playing in only four matches.

Wally Jones (*Open Prop*)

Signed from Rochdale Hornets, the rugged prop was Oldham's Player of the Year in 1983-84 and was at one point in Frank Myler's pre 1984 Tour, Great Britain training squad.

Ian Sanderson (*Hooker*) - 20

The Leigh born player has come through the ranks at Oldham, given his chance he has retained his place on merit, playing well.

Mick Morgan (*Blind Side Prop*)

Ageless trouper who is taking a Rugby League approved benefit this season celebrating 20 years as a pro. A star for Yorkshire in the War of the Roses match this season Mick has found fame as an auctioneer with the Rugby League Roadshow.

Terry Flanagan (*Second Row*) - 24

Signed from Saddleworth in 1979, was club captain at only 19, captaining the side to the Second Division title. Was Britain's lock v. France in the 1983 Tests and went on tour as a late replacement for Arkwright playing in two Tests in 1984.

David Hobbs (*Second Row*)

A club record £40,000 signing from Featherstone who has one of the few '84 Tour successes. Seems unfortunate to be out of this season's Test squad, won the Lance Todd Trophy at Wembley in 1983.

Gary Warnecke (*Loose Forward*)

Signed from Wests, Sydney, and scored the try that earned a valuable draw at Naughton Park this season. Can also play centre.

Mal Graham (*Second Row*)

Mal found fame with Hunslet last season being outstanding in the side relegated to Division Two. A Newcastle, N.S.W. player.

Paddy Kirwan (*Half Back*)

Signed with Ashton and Flanagan in 1979 from Oldham Colts, creative player, graduate of Manchester University, also played for Saddleworth.

Mick Worrall (*Forward*) - 23

Warrington born former Colt, went on tour in 1984 playing in two Tests versus Australia. Guested for Brisbane Norths this summer but has suffered a knee injury in his first match back.

David Finch (*Forward*) - 27

On loan from Castleford for whom he kicked two goals against Northern in the 1981-82 Yorkshire Cup Final.

Colts Corner

Bramley Away

York Colts did the double over Bramley, defeating them at Clarence Street by 26-4 and now on their home territory at Stanningly Rangers ground by 12-8. In a very hard but fair physical encounter excellently handled by Referee Andrew Burnett, York pressurised for long periods but failed to score. A quick breakaway try just before half time put Bramley in front 4-0. In an effort to change the pattern of play three forward substitutions took place, Brian Medd, Rob Dickinson and Kevin Elliott, on for Simon Smith, Ricky Long and Shaun Carlill, and after ten minutes Brian Medd set up Stephen Bell towards Bramley's line to see Darren Barnes in support crash over for a fine try, converted by Forsythe, to see York in front 6-4. Mark Forsythe side stepped round several players to score under the posts, converted by himself to give York the tonic that was needed, being in front 12-4. In the last 20 minutes it was all Bramley and York having to defend desperately, Darren Barnes leg tackling at full back was copybook stuff, along with Joe Goodall, Steve Bell and Graham Sullivan cover work. Rob Dickinson at prop calmed the forwards down in difficult situations with his straight running and steadiness under pressure. Bramley can count themselves unlucky playing their best rugby when the final whistle went, but York were in no mood to let them snatch a win or a draw and held on gamely. Adam Greenfield, 16 in two weeks time, joins the elite band of two, Simon Harland and Lee Unwin, of donning a Colts jersey at the age of 15. Adam has had to fight for this position and has trained hard, and fully deserves this run out.

A quiz night has been organised by the Committee for the lads on Thursday evening, 14th November, meet 8.30 for a 9.00pm start, at the new Lynx Club under the Main Stand, mine hosts Ken and Dave, with your starter for 10 (quizmaster Harry Rhodes) and an enjoyable evening is assured. May I through this column, on behalf of all involved in the Colts, i.e. Staff, Players and Helpers, thank you for the collection taken during last Sunday's home game against Wigan. We all know the cash crisis the Club is going through at the present time, and this money will help lighten the burden of running the Colts considerably. Once again, a big thank you. D. Mills

GREAT BRITAIN RUGBY LEAGUE TOURS — 75 YEARS

This new Rugby League publication is the story of Lions tours to Australia and New Zealand and provides a fascinating document on the way the international scene has evolved.

The book is published by the British Rugby League Lions Association to commemorate the 75th Anniversary of the first Lions tour back in 1910.

The top quality publication contains historic photographs of every British tour side, including World Cup teams, to have gone to Australia and is backed with a wealth of fascinating stories, comment, mementoes and statistics.

This is the very first book of its kind to be produced on Rugby League. Published as a limited edition, Rugby League followers are advised to order their copies immediately... it is destined to become a real collectors' item. Price £5.

Steve Ella

Steve Ella's touchdown for Wigan at York last Sunday was his 5th successive try scoring match. The stand-off's sequence is as follows:- 2 - 4 - 1 - 2 - 1. The Australian Test star made a try scoring debut on 2nd October and has failed to score in only one of seven matches. His total of 11 tries puts him joint third in the try chart.

Points Scoring Sequence

Peter Wood extended his points scoring sequence for Runcorn Highfield to 45 matches with two goals in the 30-8 defeat at Blackpool Borough on Sunday. The run began at the start of last season and has brought him 316 points from four tries and 169 goals including 38 drop goals.

Whitbread Trophy Bitter Tests

Second Whitbread Trophy Bitter Test : Records

Gary Schofield's four tries in the Whitbread Trophy Bitter 2nd Test at Wigan equalled the record by a Great Britain player in any Test Match. The Hull centre's 16 points were also the most by a British player in a Test Match against New Zealand.

Other Great Britain players who have scored four tries in a Test are:

Jim Leytham (Wigan): 2nd Test v. Australia at Brisbane - 2nd July, 1910.

Billy Boston (Wigan): 1st Test v. New Zealand at Auckland - 24th July, 1954.

Alex Murphy (St. Helens) v. France at Leeds - 14th March, 1959.

The previous points record against New Zealand was set by Jim Lomas of Salford with 15 from six goals and one try in the First Test at Auckland on 30th July, 1910. In a World Cup match against New Zealand at Pau, France, John Holmes of Leeds scored 26 points from ten goals and two tries on 4th November, 1972. Harry Pinner's drop goal in the Second Whitbread Trophy Bitter Test took him clear as a kicker of most one-point drop goals in a career. It was his first of the season but gave him a total of 79 and edged him ahead of Dewsbury's Nigel Stephenson with whom he had shared the lead. Britain's 25-8 victory ended New Zealand's longest winning run against them of four matches. The attendance of 15,056 was the biggest ever for a New Zealand Test at Wigan, beating the 14,500 in 1926. The receipts of £56,436 were a record for any New Zealand Test in this country, beating the £43,509 for the First Test. The total attendance of 27,647 for the Second Test has already surpassed the three-match aggregate on each of the Kiwis last two tours. With the biggest crowd of the present series expected at Elland Road, Leeds, on Saturday, the three-match aggregate is certain to be the biggest since 59,056 saw the Tests in 1961. The last 20,000 crowd for a home Test against New Zealand was 22,536 for the Third Test at Swinton in 1961. Jeff Grayshon is believed to be the oldest player ever to play for Great Britain. The veteran Leeds and former Bradford Northern prop was 36 years 8 months when he played in the Second Test. He was born on 4th March, 1949. Coach Maurice Bamford, thus, has the unique distinction of having selected the youngest and the oldest players to appear for Great Britain. Shaun Edwards of Wigan (born 17th March, 1966) was 18 years 135 days old when he made his Test debut at full-back against France at Leeds on 1st March this year.

Winning and Losing

Barrow extended the current longest winning run to eight matches with the 36-13 home defeat of Carlisle on Sunday.

Salford ended the run of six successive Cup and League defeats with a 27-24 home win over Hull K.R. on Sunday.

Mansfield Marksman now have the current longest losing run of six defeats.
