NEWS and VIEWS v OLDHAM

Welcome to McLaren Field ground and this First Round Tie in this season's JOHN PLAYER SPECIAL TROPHY Competition. We extend greetings to our visitors today from Oldham and for the second week running we face opponents from top of the Division. Last week v Leigh (top of the Second Division) and Oldham, today's visitors, are top of the First Division.

Team News — League's top Try scorer Peter Lister has been missing the last few matches with a neck injury and David Downs will be out for another six weeks, having broken his thumb again. Darren Coen has been signed on loan from Castleford as a utility man and made his debut at Leigh last week.

According to the Mansfield programme approaches have been made to Marksman regarding Steve Nicholson and exchanges have been suggested. Locally based Steve has been signed by neighbours Hunslet. Another possible signing was prop Neil Goodwin who is coach at Streethouse but he prefers to continue coaching. Former Bramley player Steve Rose, who was crossed off the register last season, is now back in the pro-game, having trials with Dewsbury 'A.' On loan Harold Box has been returned to Trinity, the asking price of £5,000 being too much.

Raffle Winner — In the raffle held at the last home game v Rochdale, Sharon Evans of Bramley won the bottle of Champagne and this was her very first visit to McLaren Field — congratulations Sharon!!

OUR VISITORS — OLDHAM

FRANK MYLER (Coach): A truly great British middle back of the post-war era making 24 appearances for Britain, being the only man to appear in both the 1960 and 1970 World Cups, he toured in 1966 and in 1970. As tour captain he became the last British skipper to bring home the Ashes. He won the Harry Sunderland Trophy with St. Helens in the 1970 Championship Final, joining Saints from home town Widnes with whom he starred for 11 seasons, including scoring a try in the 1964 Wembley win. His 34 tries for the Chemics in 1958-59 still stands as a club record. He was coach of Widnes when they won their solitary championship in 1977-78, an achievement that won him the Trumanns Coach of the Year award. He has also coached Rochdale and Swinton before joining Oldham, and was of course, Great Britain tour coach in 1984.

RAY ASHTON (Scrum Half): Age 25. Widnes born half back signing for Oldham in 1978. Went on tour in 1984 as third choice No. 7 to Holding and Gregory, injuries ruining his tour, playing in only four matches.

WALLY JONES (Open Prop): Signed from Rochdale Hornets, the rugged prop was Oldham's Player of the Year in 1983-84 and was at one point in Frank Myler's pre-1984 tour Great Britain training squad.

MICK MORGAN (Blind Side Prop): Ageless trouser who is taking a Rugby League approved benefit this season, celebrating 20 years as a pro. A star for Yorkshire in the War of the Roses match this season, Mick has found fame as an auctioneer with the Rugby League Roadshow.

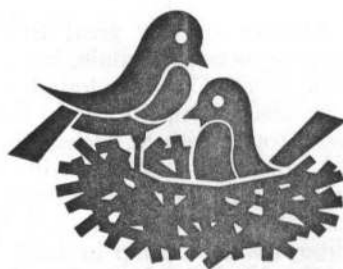

DAVID HOBBS (Second Row): A club record £40,000 signing from Featherstone Rovers, who was one of the few 1984 tour successes. Seemed unfortunate to be out of this season's Test squad. Won the Lance Todd Trophy at Wembley in 1983.

GARY WARNECKE (Loose Forward): Signed from Wests, Sydney, and scored the try that earned a valuable draw at Naughton Park last month. Can also play Centre.

MAL GRAHAM (Second Row): Mal found fame with Hunslet last season, being outstanding in the side relegated to Division Two. A Newcastle, N.S.W. player.

MICK PARRISH (Centre): Age 27. Signed from Hunslet for £20,000 in September 1980, whom he had joined from Morley R.U.F.C. Is the only man in the history of the game to play and score in every match in a season for two different clubs, Hunslet in 1979-80 and Oldham in 1981-82.

SUPPORTERS' NOTES

Let me first take this opportunity to welcome the Players, Officials and Supporters of today's visitors. Our full vocal support will be needed today to lift the lads as they face the second First Division side of the season. The first side being Hull K.R. (Yorkshire Cup). With a patched up side we were able to come away in defeat with heads held high. Hopefully, we will be in the hat for the Second Round Draw if the team produce the same gritty performance as was given that night.

Going back to support, we have been running coaches to away matches in an effort to boost the team's spirit away from home, but alas, the same old story. For the trip to Runcorn and Fulham only 37 and 27 respectively managed to turn up, even though fares were kept to a bare minimum, only £5.50 to Fulham. In order to continue this service we are asking one and all to come along. Our next bus is Blackpool Borough next week, leaving Bramley at 10.30 a.m., price £2.50. You can book at the Club Shop near the main gate or with Bob Ferguson.

Supporters Club Meetings are held once a fortnight in the Supporters Bar under the Stand. Everyone is welcome to come along to the next meeting on Tuesday, 26th November. Voting will take place for today's Man-of-the-Match plus any matches since the last meeting. All votes are counted and recorded, the player amassing the most votes by the end of the season receives a trophy and a cheque. So don't say "I didn't vote for him" when the results are shown at the end of the season, come on Tuesday and cast your vote.

Membership to the Supporters Club is £1.00.

The Club Shop opens before and after the game.

BOB FERGUSON (Vice-Chairman)

BRAMLEY COLTS CORNER by Lenny Pickles (Colts Secretary)

Bramly Colts, without a win this season, have now started to put things together, with wins at Doncaster and Huddersfield and a draw against second placed Dewsbury they have started a steady climb up the Second Division table.

Last Saturday's win at Huddersfield was a great team effort, winning 6-2. Credit must be given to Budge Lynn whose emphasis on fitness is beginning to pay off.

COLTS PEN PICTURES ADRIAN PUDSEY — Centre or Wing

Colt of the Year in 1984/85 and an ever-present this season. Adrian started playing at Wyther Youth and represented Leeds Schools at under-11 and under-13 level. He has already played for Bramley 'A' this season.

ALLIANCE TEAM REPORTS

**Wednesday, November 6th, 1985. Mansfield 'A' v Bramley 'A' (Away).
WON 2-18.**

Team: Bibb, Poole, Longden, Micklethwaite, Hobbs, Coutts, Beale, Pitchford, Barraclough, Sanderson, Green, Anderson, Sidebottom.

Substitutes: Pudsey and O'Brien.

Scorers: Tries: Green (2), Beale, Hobbs. Goal: Hobbs.

Coach Kenny Loxton was particularly pleased with this performance, not because it was a victory against his former club, but it also signalled that our experiment with playing friendly fixtures with a second team was beginning to show fruits. This was the fifth match that had been played and only two wins had been recorded, but the team were now used to playing with each other and the efforts were being rewarded.

Sunday, 10th November, 1985. Fulham 'A' v Bramley 'A' (Away) Draw 16-16

Team: Bibb, Poole, Pudsey, Micklethwaite, Hobbs, Coutts, Wilson, Green, Barraclough, Sanderson, Anderson, Longden, Sidebottom.

Scorers: Tries: Bibb, Micklethwaite, Green. Goals: Hobbs (2).

Fulham: Tries: Hogg, Matthews, A. N. Other. Goals: Noel (2). H.T. 12-0.

Bramley took two teams down to the Capital and the second string played as a curtain-raiser to the big League match. Only playing 30 minutes each way though, because of the time of arrival and also that Fulham did not have lights at the Polytechnic ground at Chiswick. For Fulham it was the first game for their 'A' team, which was assembled from amateur, colts and various other players from around the South, and considering that they had not played together before, they were very enthusiastic and went into an early 12-0 lead from a brave start. However, after the interval Bramley's little bit more experience saw them come back strongly to score three tries with winger Hobbs kicking two goals. For Bibb (returning from his rib injury) and Green it was to be their first of two games in the same day at the same venue. Both were selected for the first team game that followed and although Bibb was not used, Green came on for Downs.

Attendance: 1,356. H.T. 4-12. Referee: R. F. Tennant (Castleford).

Hornets came determined with spirit and enterprise from the kick-off and were a different kettle of fish than previous encounters. They have a new board and not content with 15 new signings are still on the look out for fresh faces. So Bramley were on the receiving end of the Hornets sting, letting in six tries. Luckily ex-Doncaster full back and £10,000 star signing Harcombe was off target with his goal kicks. Our only reply was a cheeky try by half back Steve Carroll in the first half and Haydn Kelly's touchdown in the second period. Unfortunately a little frustration crept in with prop Steven Hankins spending ten minutes in the sin-bin for dissent. Centre Andy Mason had several useful looking thrusts for the line but brought no scoring reward. Another home defeat meant a further slide down the league table where we had been at the top earlier in the season.

Sunday, 10th November, 1985. Fulham v Bramley. League. WON 18-20

Team: Whittaker, Kilner, Fletcher, Mason, Shipley, Beale, Carroll, Harrison, Kelly, Garforth, Downs, Clarkson, Box.

Substitutes: Bibb and Green for Downs.

Scorers: Tries: Harrison, Mason, Box. Goals: Kilner (4).

Fulham: Mills, Jones, Nissen, Barrow, Cambriani, Davis, Wilkinson, Mordell, Garner, Glover, Platt, Henney, Kinsey.

Substitutes: Feighan for Glover and Key for Mordell.

Scorers: Tries: Mills, Henney, Wilkinson. Goals: Wilkinson (3).

Attendance: 831. H.T. 18-12. Referee: S. Haigh (Ossett).

Powering back from a half-time deficit of 18-12, we tackled strongly the second half to withstand the pressure from the Londoners. The try from loose man Harold Box squared the issue but a penalty later in the game gave Shaun Kilner the opportunity to win the match. He popped the goal kick over very coolly and Bramley won for the second time in the Capital. Our record against Fulham has been poor, having won only once before out of the seven previous meetings, but this fine victory made the statistics look a little healthier. Fulham started well and we let them score three tries before settling down to play better rugby. Compared to recent games where the results have been a matter of concern, in this game a gritty performance was offered and more determination on defence.

Stanningley Boys' Visit — The youngsters who usually provide the half-time entertainment from local amateur Stanningley were invited up to Bramley for an evening the week before last. They were shown R.L. videos of the Bramley team and shown around the dressing rooms, meeting the First Team squad. Later they had hot dogs and no doubt all the young lads had a good night.

BRIAN BATTY—DAILY MAIL

After a spate of disputes among clubs over the merits of video recording matches it is heartening to see a new attitude developing.

The early season trouble stemmed from the case of Salford's international star Keiron O'Loughlin facing the League following an incident in the game against Wigan. A video of the game taken by Wigan was used by the League even though no action was taken against O'Loughlin by the officials handling the game. As a result O'Loughlin found himself banned and felt he had had a raw deal, particularly in being pre-judged on the issue in certain quarters.

The immediate outcome was that several clubs, including Salford, announced they were banning visiting clubs using videos on their grounds. But now the situation has eased and clubs are deciding that they are happy to see video recordings used as evidence. The general feeling is that clubs should not have anything to hide and I endorse this outlook.

I would not want to go into the merits of different cases and some of the incidents that we have had in recent seasons.

Salford chairman John Wilkinson says: "If we are going to be professional in the use of videos then let us work the system they use in Australia." That is the one where clubs are compelled by law to video every match at home and send copies to the League.

Warrington director Clarrie Owen says: "We are prepared to let any club film at Wilderspool. We also prefer to take our own videos at away matches and use them for training purposes."

Substitutes: Kerr for Cogger and Cottrell for Moyah.

Scorers: Tries: Halliwell (2), Henderson, P. Johnson (2), Cogger, Fox (2), Gelling. Goals: C. Johnson (9).

Attendance: 3,000. H.T. 10-8. Ref.: T. M. Beaumont (Huddersfield).

Heavyweight props Bowman and Pitchford made their first appearance of the season Darren Coen, on loan from Castleford, made his debut and Trevor Bibb returned from injury. It was a tale of two halves, with Bramley at the interval keeping in touch only two points down. Chris Bowman scored the Bramley try when he went in under the posts from a pass close to the line, which is where he is most dangerous. In the second half Leigh demonstrated just why they are top of the League and a cert. for promotion. They touched down nine times and full back Chris Johnson kicked nine goals. Actually in one period the Hilton Park men scored five tries in a ten minute spell. Early in the second half skipper Paul Fletcher got his marching orders for an alleged punch.
