John Player Special Trophy

John Player celebrate 21 years support of Rugby League - New agreement gives 76 per cent increase.

A 76 per cent increase in the value of their support in the coming season - making a total of \$150,000 - will mark the 21st anniversary of the association between John Player and the Rugby Football League, the longest running major sponsorship in British sport.

The increased support is part of a new two-year agreement which will benefit the Rugby League with a total of \$320,000 by the end of the 1988-89 season.

When the partnership started in 1967 it was worth just over \$6,000 to the sport. In the coming season it will be worth a record \$150,000 divided into two parts - \$85,000 in prize money for the John Player Special Trophy competition, a 45 per cent increase over the previous season and \$65,000 to the League's Capital Development Fund, almost three times as much as last season.

Announcing the new agreement, Peter Dyke, head of sponsored events for Imperial Tobacco, said: 'It is most appropriate that these increases should come in this particular year. It means that since 1967 and including the new agreement, Imperial Tobacco has provided over \$1m worth of support to the sport, mainly through the promotion of the John Player Special Trophy competition and also through a variety of other events in the earlier stages. In addition we have given help to the amateur side of the sport during the same period.'

'My company has enjoyed a long and very supportive relationship with everyone concerned in the running, playing and watching of Rugby League and we are proud of our part in its development, particularly with John Player Special Trophy competition now in its 17th successive season.'

Bob Ashby, Chairman of the Rugby League, added: 'The massive increase in the overall sponsorship and prize money reflects the ever growing stature of the competition. The quality of the tournament has been mirrored in the high standard of play particularly in recent top class finals.'

All 34 First and Second Division clubs and the two leading amateur clubs will take part in the John Player Special Trophy competition in the coming season. It will start with a preliminary round of four matches on Sunday, 1 November and continue through to the end of the year with the final being scheduled as the first major Rugby League event of 1988 on Saturday, 9th January.

The BARLA teams taking part this season are Thatcho Heath, of St. Helens, and Heworth, of York, as winner and runner-up respectively of the Whitbread National Cup competition. Both start in the preliminary round. Dates for the 1987-88 John Player Special Trophy are:-

COUNTY CHOICE

On Wednesday in the curtain-raiser to the Rodstock War of the Roses fixture at Central Park two local schoolboys and members of the juniors supporters club Richard Badby who has just left St. Edwards School, Lees and starts at St. Augustines next week and Philip McAndrew who has just left Watersheddings School to start at Royton and Crompton will be Lancashire's half-back pair. Nicknamed 'Joe Cool' and 'Haggis' respectively these two youngsters who both play for Oldham Juniors are keen Oldham Fans and all at the club are delighted with their success.

Especially proud of their success must be local schoolteachers Brian Whitworth of Watersheddings and Charlie Saul and Stan Toft of St. Edwards who introduced the boys to rugby league. These three teachers, hard working members of the local association have introduced hundreds of boys to the game including Darren Bloor of Salford, Richard Russell of Wigan, Michael Ford of Leigh and Ian Sherratt, Martin Hall and Des Foy of Oldham, and deserve our praise for the thousands of unpaid hours they have spent to develop this talent for our great game. Oldham Juniors have helped the boys tremendously too with coaches Nigel Green, the ex Waterhead player and Mick Slicker, now in their second season with that age group, encouraging the boys to develop all their skills whilst Oldham player John Ogburn has also been assisting with recent training sessions. Well done lads and the club are pleased to present you with a season ticket giving you free entry to all this season's home games.

WATERSHEDDINGS SURVEY

We could not have wished for a better start to the new season than that provided by the boys at Whitehaven last Sunday.

Only those 'in the know' realise how difficult it is to do well up there at the Recreation Ground. Whitehaven are making a real effort to give the club a lift, and this was evident not only in their overseas team strengthening ideas, but also in the way they have upgraded their ground in the past couple of years.

This spick and span ground was no longer the eyesore of years gone by. It was smart, and had obviously had a lot of money spent on it.

Last season, of course, Whitehaven finished third and, in the normal course of events, would have been promoted. This time they are really determined to go up and it was against the backdrop of this determination and new-found enthusiasm and drive at the Recreation Ground that our boys did the business in such magnificent fashion.

Our 20-6 victory was the Cumbrians' first league defeat in 18 months. Last season only one team won at the Recreation Ground: St Helens by 10-8 in the John Player Trophy.

No wonder, then, that the Whitehaven directors paid tribute afterwards to Oldham's terrific performance and to the size and mobility of our forwards.

They expressed the view that it was the best all-round display seen by a visiting side to the Recreation Ground for many years — a fitting tribute, indeed, for our team which has to live up to the pressure of being made Second Division title favourites at 7-4.

These notes had to be written before we took on Keighley at Watersheddings on Wednesday, but it is hoped that we did enough to attract a big crowd to today's game against Bramley.

The directors believe — with great justification — that they have done well to assemble a team that has the makings of not only stretching out for Second Division and Second Division premiership honours, but of also making an impact in the Knock-out trophies.

What the club needs now is good backing from supporters so that the directors can keep up the good work.

After three Second Division matches, we go to Warrington next Sunday in the first round of the Lancashire Cup and that will really be a tough test, as many people are tipping the Wires to be one of the teams of the season.

Unfortunately, we do not know just when our Aussie backs, Peter Walsh, and Brian McCarthy will be arriving.

All we can say is that we should be a formidable side if we can maintain the form we displayed in Cumbria with people like the Aussie pair and the injured Des Foy and Mick Burke still to come into the reckoning.

Kevin Meadows, one of our summer signings, goes away after taking a short pass from Steve Peters up at Whitehaven.

MICK BURKE

Ex Great Britain full back star. Australian Tourist 1984. Won every award at Widnes except League Champions including Lance Todd Trophy at Wembley and the Harry Sunderland Memorial Award for outstanding performance in the Championship final. Joined Oldham just before the cup deadline in January. Likely to be out for first three weeks with a knee injury.

PADDY KIRWAN

Local lad, who signed from the Oldham Colts side - he is a great hearted player with tremendous strength complimented by a good football brain. Affectionately known as Cast-Iron his super try put Wigan out of the Challenge Cup last season and cost the league winners over £200,000 in lost revenue.

JEFF EDWARDS

'Mr. Happy' Jeff has played in most three-quarter positions for Oldham and done so with great skill. An aggressive tackler his intelligent cover defence has often helped Oldham out of difficult situations.

IAN SANDERSON

Hooker. A fierce competitor. His schoolboy charm and good looks are no clue to his commitment on the field and his Lancashire cap of 2 years ago is not likely to be his last honour. His darting runs from acting half gain much valuable ground for the side.

HUGH WADDELL

Signed for Oldham despite competition from 3 other Lancashire clubs, just before the cup deadline in a £15,000 move from Blackpool Borough. Ex Rugby Union player, a trialist with Leicester City Soccer. Waddell's strong displays with Blackpool Borough earned him an England cap in 1985 and he won man of the match with a display in pre-season friendly with Leigh.

COLIN HAWKYARD

Native of Huddersfield, plays equally well in the centre or in the second row. Always guarantees 100% effort and a great team player with a tremendous heart for the game. 8 years with Oldham he scored a magnificent try against the Australian Tourists last season.

MICK WORRALL

Toured Australia in 1984 and was starring until he collected a knee injury in the 2nd Test. Talented kicker and aggressive defender now settled in Oldham and determined to be in this years Aussie touring party. No reason why he should not achieve this ambition.

TERRY FLANAGAN

A brilliant loose-forward. From a rugby playing family, he toured Australia with Great Britain in 1984. A clever player and one of the youngest most sought after After Dinner Speakers in the North with his quick wit and great insight of the game.

IAN SHERRAT

Local lad who joined Oldham from Bradford Northern in a player cash deal that saw David Hobbs move to Odsal. Sherrat learnt his Rugby at Fitton Hill school Oldham before signing for Bradford as a 17 year old, now aged 21. Spent last two summers in Brisbane and has attracted the interest of 2 Sydney clubs for next season.

PAUL SHERMAN

Product of the junior leagues in Widnes and developing into a good all-round player with resolute defence and the ability to score tries when least expected. A player to watch out for.

KEVIN MEADOWS

Ex Warrington and Saints flier who scored 5 tries in an Oldham match v Salford when on loan 3 years ago. Played 22 consecutive matches for Warrington last season and has increased his all-round involvement with advice from highly-rated coach Les Boyd.

STEVE PETERS

Former Great Britain tourist also ex Saints and Warrington. One of the most talented and versatile players in the game. A players player who regularly tops the tackle count with 40 plus tackles and who will be a key man in bringing on Oldham's youngsters.

PAUL ROUND

Great Britain under 24 star signed in a recent record deal with Saints. A natural athlete with blistering pace who scored for Saints at Wembley last year. Expect a lot of friendly competition between him and Mal Graham for top forward try scorer in the second division.

KEITH ATKINSON

Another local boy, former Great Britain Colt, a tremendous goal kicker who has kicked 9 from 10 attempts in pre-season friendlies. With a fine turn of speed and the ability to turn defence into attack with a well-timed run. Only 21 he seems destined for great honours in the game.

RICHARD IRVING

An under 19 International recently signed from Mold Green Club in Huddersfield despite competition from 4 first division clubs. Scored two solo tries from the half-way line in the pre-season friendlies and is likely to prove one of the finds of the season with his powerful runs. Already a firm favourite with the crowd.

MAL GRAHAM

One of the games great players. A former winger who played in the Grand Final in Sydney. In 5 years he has made the transition to forward with ease. he has been the leading forward try-scorer with all his previous English clubs. Hunslet 84/85, Oldham 85/86 and Bradford Northern 86/87. A devastating tackler, now settled in Oldham with his English wife.

SLALOM LAGER SEASON 1987-88 ALLIANCE 2ND DIVISION

'A' TEAM TRIUMPH

The 'A' team got off to a good start in its Alliance second division campaign by beating Whitehaven 'A' 26-21 at Watersheddings last Saturday.

Chris Myler was on holiday, Tony Morrison was injured, and Bob Marsden, Martin Hall and Mick Bardsley were all suspended.

Nevertheless, the side did well to beat a well organised and attractive Whitehaven outfit that stormed into an early 14-0 lead.

A try by Paul Lord set Oldham on the way back and then Mark Fairbank and a trialist winger both scored as the local side clawed back to 14-14 at the interval.

Early in the second half, Oldham pulled away to 24-14 with a Mick Parrish try and three Parrish goals, but 'Haven got back into the game at 24-20, reduced the arrears to 24-21, and Oldham were grateful for a late Parrish penalty that finally proved decisive.

As a result of this game, Paul Sherman was named as substitute for the first team at Whitehaven last Sunday, and the travelling reserves were Paul Lord and Leo Casey.

MOST VALUABLE PERFORMANCE

In each game Oldham play this season — first and 'A' team — the players will elect their own man of the match or, to put it in modern terms, the most valuable performer.

Men selected so far are as follows: Swinton (h), Terry Flanagan; Swinton (a), Bob Marsden; Leigh (h), Hugh Waddell; Whitehaven (a), Ian Sherratt.

LOCAL AMATEUR NEWS

GLEN WARHURST

Congratulations to local boy Glen Warhurst, who was the only Oldhamer to be selected for the under-19 Great Britain squad to meet the Junior Kiwis in October. A former pupil of St Anslem's he began his rugby with teacher Larry Kearns, who has started so many boys on the road to rugby stardom, and came to prominence in the town team under-16 side which included Martin Hall, Tom Foley, and Steve Molloy, who last year captained the Great Britain under-19 side before signing for Warrington.

Glen's coaches in the town under-16 side were current Oldham coaches Eric Fitzsimons and Iain MacCorquodale, who vividly remember his excellent displays and would love to see him become a pro at Oldham.

Glen has trained with Oldham in the close season and it is hoped that when he decides to turn pro Oldham do not lose out as they have done with so many local stars in the last few years such as Mark Roberts (Warrington), Michael Ford and John Henderson (Leigh), Darren Bloor (Salford), Gary Ainsworth (Swinton), and Richard Russell (Wigan).

Players like this must be encouraged at all costs to remain in the town if Oldham is to be re-established as one of the top clubs in Rugby League.

COMMERCIAL CORNER

LIFELINE

Local man Ray Hill is now in charge of Oldham's commercial department on a full-time basis. Well known in the town, Ray is 39 and the father of three daughters.

He has a butcher's shop in Ripponden Road and is also well-known in local amateur soccer circles, not only as an ex-player with Chadderton and Chamber Colliery, but also as the Chamber chairman.

He has supported Oldham Rugby for many years and is determined to make a success of his new venture at Watersheddings.

He is Oldham Rugby through and through so if you want to help the club in any one of several commercial activities—lifeline, cash-line, lottery etc—just give Ray a ring on 620-4870.
