Club Notes v Oldham 13.3.88

Today's visitors Oldham are welcomed to McLaren field, along with their officials, players and supporters. Analysing their away support then according to form we should be in for a bumper, above average attendance for this league fixture.

Actually visits from the Watersheddings team are very rare, due to their recognised first division status. This has certainly been proved with this season's results. Way back at the beginning of the season we were on the receiving end of a 46-11 defeat. Oldham are not infallible away from home and both Barrow and Doncaster have been victorious on their own ground - so we will have to emulate them today. Having said that they are firmly locked in battle at the top of the league table with Featherstone and Wakefield. And it looks odds on certainty that Oldham will have a first division place for the start of the next campaign.

Our form has improved with the last two games during the past week and fine wins have been recorded over Batley and Carlisle. Valuable points have eased our position near the foot of the second division.

Milestones have been reached recently with Peter Lister returning to first team action, scoring three tries to give him a Bramley career total of 100 touchdowns. Yes, you can't keep that man out of the news - out of the first team and playing reserve grade football he bounces back into the senior side, and with added flair that has been lacking of late, crosses for three tries in two games. Then he is sin-binned to face an automatic one match ban! Versatile player Steve Carroll remains as the only ever present this season with 27 consecutive appearances.

New signings Ronnie Sharp, from Milford and Mark Aston, on loan from Sheffield Eagles are welcomed to the club.

JEFF TENNANT ROADSHOW - Wednesday 23 March 8 pm.
at the Bramley Band Club - tickets available from Jeff himself or the secretaries office.

NEXT HOME GAME - Sunday 27 March v Wakefield T 3.30 pm.

CLUB CALL -- OLDHAM

COACH - Eric Fitzsimons, no stranger to this neck of the woods, he had a spell as a player with Hunslet. Whilst with our neighbours he not only was a speedy winger he was an accurate marksman. For two seasons running he was well up the goal scorer charts. Eric came to Hunslet having been signed from the team that he now coaches. From Hunslet he returned across the border to Lancashire to play for Rochdale Hornets. In June 1986 he was appointed coach to the Hornets side where he obtained his first coaching experience. His attitude, coaching skill and potential was admired by nearby first division Oldham. When he became available he was a natural choice to succeed Frank Myler as the Watersheddings boss. His brief is to make a speedy return to the premier division, and with this seasons high scoring victories this looks like a formality.

JEFF TENNANT TESTIMONIAL BROCHURE - STILL AVAILABLE
FROM THE SUPPORTERS CLUBSHOP TODAY - ONLY £1.00

OLDHAM R.L.F.C. PEN PICTURES

MICK BURKE

Ex Great Britain full back star. Australian Tourist 1984. Won every award at Widnes except League Champions including Lance Todd Trophy at Wembley and the Harry Sunderland Memorial Award for outstanding performance in the Championship final.

PADDY KIRWAN

Local lad, who signed from the Oldham Colts side - he is a great hearted player with tremendous strength complimented by a good football brain. Affectionately known as Cast-Iron his super try put Wigan out of the Challenge Cup last season and cost the league winners over £200,000 in lost revenue.

JEFF EDWARDS

'Mr. Happy' Jeff has played in most three-quarter positions for Oldham and done so with great skill. An aggressive tackler his intelligent cover defence has often helped Oldham out of difficult situations.

IAN SANDERSON

Hooker. A fierce competitor. His schoolboy charm and good looks are no clue to his commitment on the field and his Lancashire cap of 2 years ago is not likely to be his last honour. His darting runs from acting half gain much valuable ground for the side.

HUGH WADDELL

Signed for Oldham despite competition from 3 other Lancashire clubs, just before the cup deadline in a £15,000 move from Blackpool Borough. Ex Rugby Union player, a trialist with Leicester City Soccer. Waddell's strong displays with Blackpool Borough earned him an England cap in 1985 and he won man of the match with a display in pre-season friendly with Leigh.

COLIN HAWKYARD

Native of Huddersfield, plays equally well in the centre or in the second row. Always guarantees 100% effort and a great team player with a tremendous heart for the game. 8 years with Oldham he scored a magnificent try against the Australian Tourists last season.

MICK WORRALL

Toured Australia in 1984 and was starring until he collected a knee injury in the 2nd Test. Talented kicker and aggressive defender now settled in Oldham and determined to be in this years Aussie touring party. No reason why he should not achieve this ambition.

TERRY FLANAGAN

A brilliant loose-forward. From a rugby playing family, he toured Australia with Great Britain in 1984. A clever player and one of the youngest most sought after After Dinner Speakers in the North with his quick wit and great insight of the game.

IAN SHERRAT

Local lad who joined Oldham from Bradford Northern in a player cash deal that saw David Hobbs move to Odsal. Sherrat learnt his Rugby at Fitton Hill school Oldham before signing for Bradford as a 17 year old, now aged 21. Spent last two summers in Brisbane and has attracted the interest of 2 Sydney clubs for next season.

PAUL SHERMAN

Product of the junior leagues in Widnes and developing into a good all-round player with resolute defence and the ability to score tries when least expected. A player to watch out for.

KEVIN MEADOWS

Ex Warrington and Saints flier who scored 5 tries in an Oldham match v Salford when on loan 3 years ago. Played 22 consecutive matches for Warrington last season and has increased his all-round involvement with advice from highly-rated coach Les Boyd.

OLDHAM PEN PICTURES (CONTINUED)

STEVE PETERS

Former Great Britain tourist also ex Saints and Warrington. One of the most talented and versatile players in the game. A players player who regularly tops the tackle count with 40 plus tackles and who will be a key man in bringing on Oldham's youngsters.

PAUL ROUND

Great Britain under 24 star signed in a recent record deal with Saints. A natural athlete with blistering pace who scored for Saints at Wembley last year. Expect a lot of friendly competition between him and Mal Graham for top forward try scorer in the second division.

KEITH ATKINSON

Another local boy, former Great Britain Colt, a tremendous goal kicker who has kicked 9 from 10 attempts in pre-season friendlies. With a fine turn of speed and the ability to turn defence into attack with a well-timed run. Only 21 he seems destined for great honours in the game.

RICHARD IRVING

An under 19 International recently signed from Mold Green Club in Huddersfield despite competition from 4 first division clubs. Scored two solo tries from the half-way line in the pre-season friendlies and is likely to prove one of the finds of the season with his powerful runs. Already a firm favourite with the crowd.

MAL GRAHAM

One of the games great players. A former winger who played in the Grand Final in Sydney. In 5 years he has made the transition to forward with ease. he has been the leading forward try-scorer with all his previous English clubs. Hunslet 84/85, Oldham 85/86 and Bradford Northern 86-87. A devastating tackler, now settled in Oldham with his English wife.

CONGRATULATIONS PETER!

Well done Peter Lister on reaching another milestone with 100 tries in his Bramley career.

Not before time many will say, including myself, for the supporters know that Peter is a very good footballer when he wants to be.

The last two games he has played showed what the Bramley team has been missing of late. Someone to provide that extra little bit of magic, that little chip here or a timely pass to break up the pattern of just straight running at the opposition.

So keep it up Peter, for this will surely benefit not only you but the moral of the supporters.

Bob Ferguson.

Weak tackling gave the visitors a 14-2 lead before Bramley decided it was high time they hit back. This they did with tries by Hussey and Hunter, Langley kicking three goals. All Bramley's fourteen points came in the first half and for the whole of the second half it was one way traffic from Batley.

In the end they ran riot with their standoff Yarrow scoring a brace of tries in quick succession. Luckily their marksman, prop forward Steve Durham, had a terrible day kicking only two goals out of eight shots at goal. Batley rather belatedly changed kickers for the last kick of the match and John Stainburn was spot on with 100% accuracy rate - one out of one! Although lack of an accurate goal kicker didn't really matter with Bramley unable to put a stop to Batley's canter producing eight touchdowns.

Recent results from our Alliance have been encouraging, albeit the team having an helping hand from senior players who required much needed match practice. So this latest defeat was disappointing to say the least for coach Calvin Wilkes.

SUPPORTERS CLUB NOTES

by BOB FERGUSON

The closing stages of the season will be a testing time with games against three of the top sides in the second division. More than anything it will be a test of how good all the new signings knit together with already established team members.

Sundays game with Batley showed some of the fire that has been missing this season, with more aggression and commitment on the field. The spirit set the faithful band of Bramley fans into full vocal support - something that has been missing this season.

At half-time today members of the supporters club will be holding a blanket collection in aid of the Jeff Tennant testimonial fund. Jeff attended a recent supporters club meeting to update members on how his fund is going. It was reported to be quite healthy with almost £3,000 collected. Events coming up are the R.L Roadshow, race nights and raffles.

With regard to the supporters club rugby match a series of games have been arranged. The first was played last week and a win over Skelmersdale was recorded. This morning we were due to meet Warrington supporters and next week is the away fixture at Skelmersdale. Anyone wishing to play for our team should turn up on Sundays 10 am at the Bramley Park changing rooms or ring Nigel Robinson on Pudsey 557395. We are also due to play Hunslet at Elland Road in aid of the Graham King testimonial fund.

The faithful 100 club seems to have ground to a halt at the loyal 25. Support for this venture, at the moment, is very slow due probably to the lack of matches during February and the poor team performances. I don't think that £10 is too much to ask for from the Bramley faithful. Please dig deep to show your support for the board in their endeavours to build up a good team once again. Anyone wishing to donate should send a cheque or P.O. to Bob Ferguson, 17 Smalewell Green, PUDSEY LS28 8QN, on the official form from the clubshop or just send name and address with donation.
