THANKS FROM DAVE

First of all I would like to express my sincere thanks to everyone concerned with staging this afternoon's game.

Special thanks go to Oldham Rugby League Club, today's opposition, who accepted the offer to play against Salford without hesitation.

Over the years I have spent at the Willows, I have made many friends and have always been proud to have worn the red jersey, which has been associated with so many great players.

I have really appreciated the tremendous work put in by my Testimonial Committee and look forward to the future events that are lined up for me.

I now hope that today's match provides a thrilling spectacle and that it will be a springboard for a successful season for all concerned with Salford Rugby League Club.

Many thanks for supporting my Testimonial.
