Willows Preview

FIRST of all a warm welcome to our friends from Watersheddings for this 1st Round tie of the Greenalls Lancashire Cup. The season opened at the Willows a fortnight ago with our 34-14 success over neighbours Swinton in the Agecroft Cup and the momentum was continued at Spotland last Sunday when the lads pulled off a tremendous 41-12 success against First Division opponents Rochdale Hornets. (See match report on page 25).

On last weeks display it was hard to believe that Hornets were the First Division side but it is early days yet. Remember that we beat Hornets by 52 points to 12 in a 1st Round Lancashire Cup tie here at the Willows last season and afterwards Rochdale went undefeated until the New Year, so who knows what could happen? Still, it was a good game for us to win and prepare for the coming season when it is imperative that we make a swift return to the top flight. The pressure will be on us to do well but if we are to compete with the very best then we have to pull out all the stops. There can be no room for complacency and coach Kevin Tamati is determined that the players will not get carried away with these early successes. Each game is a different challenge and Oldham will be out to prove this afternoon that they are First Division material. Tony Barrow is a shrewd tactician and his presence at Spotland last week was not just for a day out. He will have already mapped out his tactics and I feel sure that we are in for a cracker of a Lancashire Cup tie, this afternoon.

Today's ties are as follows:-

MAIN STAND GOES UP IN SMOKE

As you are all now very much aware, last month's fire at the Willows has resulted in the end section, near to the Social Club, being completely dismantled, a crippling blow for all concerned with Salford Rugby League Club.

As Chairman John Wilkinson commented after surveying the scene "We spent £232,00 on ground improvements and safety work last season and we thought that was the end of our troubles. Although unused, ambitious plans were underway to provide executive boxes as well as a general facelift to the area concerned, now we will have to shelve those schemes for the time being".

Our picture above shows the fire ravaged stand, the day after the blaze took place. (Photo by Kieran Platt).

It was only thanks to a lot of hard work that the annual Agecroft Cup match was able to be staged at the Willows a fortnight ago. Fans will remember that a similar blaze, last year, caused £10,000 of damage at the opposite end of the Main Stand. On that occasion prompt action prevented any further escalation of the fire.

Our older fans will also reflect on the fire that took place in November 1972 shortly after a match against Workington Town had taken place.

The blaze destroyed Blocks A and B and parts of M and C including the Directors and Press boxes, supporters having to be relocated in the North Stand.

PLAYER OF THE YEAR 1990-91

Following each home match, an independent judge is asked to nominate the top three players from the Salford team. These players are then awarded points of 3, 2 and 1 respectively. The player receiving the highest number of points during the season will receive the Trophy.

OLDHAM

DUNCAN PLATT (Full back): Signed from Widnes in December 1988 and kicked 41 goals over the last few months of that season. Steady player and useful goalkicker who likes to link up with his attack. Brother of Wigan and G.B. forward Andy Platt.

RICHARD IRVING (Winger): Snapped up by Oldham from Moldgreen A.R.L. club in Huddersfield. Won both BARLA G.B. and Yorkshire honours. Rapidly making strides in the professional game.

DES FOY (Centre): Toured Down Under in 1984 and is the younger brother of Martin Foy. Originally played for Widnes but figured in the deal that took prop forward Brian Hogan back to Naughton Park. G.B. International. Bags of pace.

JOHN HENDERSON (Centre): Signed from Leigh for £50,000 in September 1988. Represented Lancashire. Rated as one of the fastest centres in the game. Played almost 150 games for Leigh and has passed the career century of tries mark.

RICHARD RUSSELL (Utility player): Signed from Wigan in the close season 1989. Appeared for the G.B. Colts and Under-21 sides. Played in every back position at Central Park but is probably best at stand off.

PAUL LORD (Winger): Been at Watersheddings since April 1985 when he turned professional from Stanley Rangers A.R.L. club. Represented BARLA G.B. and Yorkshire at Under-17 level.

STEVE ROBINSON (Winger): Joined Oldham from Saddleworth Rangers in November 1987. Progressed to become an extremely fine winger.

BRETT CLARK (Stand off): Clever half-back who had a spell with St. Helens during the 1986-87 season. Very popular player who has had stints at Western Suburbs and Sydney St. George.

MIKE FORD (Scrum half): Former Wigan player who spent several good seasons at Central Park. Played in the 1985 Chal-

lenge Cup Final alongside Brett Kenny. Also played for Leigh. Toured Down Under in 1988, also gained four Under-21 caps.

DEREK PYKE (Prop): Signed from Widnes for a £50,000 fee during the close season. He made 220 appearances for Leigh in a ten year spell before moving to Widnes, who paid £60,000 for him plus Harry Pinner: Represented Lancashire.

AUSTIN DONEGAN (Prop): Joined Oldham from St. Helens for a fee of £20,000 last May. Big and fast, he can play prop or second row.

ANDY RUANE (Hooker): Former Widnes and Rochdale Hornets hooker. Hard grafter and good goalkicker. A very impressive player, who has made his presence felt at Oldham.

JOHN FIELDHOUSE (Prop): G.B. International who was signed from St. Helens. Man of the series against the Kiwis in 1985. Settled in well at Watersheddings.

KEITH NEWTON (Second row): Strong forward signed from the Chemics in January 1989. Opened his try account for the club with 2 tries against Dewsbury in the Challenge Cup.

RONNIE DUANE (Second row): Down Under. Tourist in 1984. Had a serious knee injury while out on Tour and was flown home. Tony Barrow, who signed him at Warrington as a 17 year old, has now taken him to Oldham.

JOHN FAIRBANK (Second row): Former BARLA International forward signed by Leeds in November 1987 from Elland A.R.L. club. Joined Oldham in September 1988. One of five league playing brothers.

SHAUN ALLEN (Loose forward): Appeared for St. Helens in the 1985 and 1988 Premiership Finals and also in their 1984 Lancashire Cup winning side. Joined Oldham on loan before signing in March 1989. Represented the G.B. Under-21 side.

TOMMY LEAVES HIS MARK AT THE WILLOWS

The Willows was a sad place during the close season when news filtered through that one of its favourite sons, former half-back Tommy Harrison, had passed away.

A Wiganer, who had played for the local Hindley rugby club, he joined Salford in 1937 and made his debut against Halifax, at Thrum Hall, on April 2nd 1938.

Although he missed out on the Wembley Challenge Cup Finals of 1938 and 1939, he quickly established himself as a half-back of some repute and he would certainly have made many more appearances for the club, if the war had not intervened.

Tommy began his Salford career as a stand off but it was as a scrum half that he really made his name as partner to Welshmen Reg Jones and later Eifion 'Jack' Davies.

Although small in stature, he had a big heart and he was a cornerstone of the Willows club for a period stretching some 17 years, broken only by the outbreak of war.

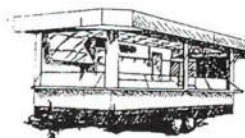

His service to the club was rewarded in 1950 when he was granted a well deserved benefit and also Tommy was installed as captain of the side.

I suppose he was unlucky in the fact that from 1945 until he played his last match for the club on April 8th 1955, Salford never finished higher than fifth place in the league.

Though he never won any medals with Salford, he gained many friends with his wholehearted displays and was unlucky not to reach representative status. His brilliant play made him a contender for a G.B. place but two shoulder injuries put him out of the game for a whole season which cost him his International honours and also upset the teamwork at Salford. His solitary recognition came when he played for a United Kingdom XIII against a French XIII in Paris on May 3rd 1951 and although he finished on the winning side he was overlooked for future Internationals.

In total, he made 359 appearances for Salford, scoring 62 tries and 9 goals.

Bits and Pieces

TRANSFER ACTIVITY AT THE WILLOWS

During the close season there have been quite a few changes to the playing staff here at the Willows. Overseas signings Tony Rampling and Mark Brooke-Cowden have both had their contracts terminated following a breach of the club rules.

Enquiries revealed the misuse of the telephones in the press box and the Board had no option but to release the players concerned.

Ian Gormley recently joined Rochdale Hornets and indeed played at loose forward for them in last Sunday's Preliminary round of the Greenalls Lancashire Cup.

Although the club did not want to lose him, he sought First Division rugby and now he has achieved his aim, there only remains the fee to be settled. Salford were asking £95,000 for the former Widnes player but Hornets valued him at £40,000, therefore the fee will be fixed by Tribunal. Ian is the grandson of ex-Miners leader Joe Gormley.

Scrum half and former Reds captain David Cairns, has returned to his native Cumbria. His previous club Barrow stepped in with an offer which was accepted by the Board of Directors and so after 3 years at the Willows, he has gone back to Craven Park. He played for G.B., G.B. Under 24s, as well as representing Cumbria; his stint at Salford saw him play 79 games for the Reds.

Former Oldham St. Annes full back Glen Warhurst has been released. With Steve Gibson in impressive form, his chances were restricted to just one appearance in the Senior side, at Wigan at the end of the 1987-88 season.

Another personality to leave the Willows is Alliance Team Coach Iain MacCorquodale, who took over from Bob Welding just over 12 months ago. Previously he had been assistant to Eric Fitzsimmons at Oldham. His successor is prop forward Steve O'Neill, who will still be on call for first team duty if required.

Meanwhile, Salford have signed New Zealander Shane Hansen, a 28 year old back row forward from top Auckland side — Northcote Tigers. He comes highly recommended by Kevin Tamati and has joined the playing staff on a one year contract.

Another overseas player on his way to the Willows is former Aussie Test prop Peter Tunks, who had a spell with Leeds during the 1987-88 season. He has been playing for Penrith in the Sydney League and should prove to be a big asset in the club's bid for a swift return to the First Division.

An **A-Z** of the Club's Post-war Players

FRANK ALDER

Leigh born, he originally played for his home town club during the period 1947-48 to 1949-50 and made 54 appearances for them before joining Salford in February 1950. Ironically, he made his debut against his old club, in the second row, on March 4th 1950 at the Willows, when Salford scored an 8 points to 2 victory. Frank played in every pack position but eventually settled in at prop forward. He was a loyal servant for the club over a period of 12 seasons before playing his final match at Oldham in a 37 points to nil defeat on November 19th 1960.

JOE ARGENT

He was signed by Salford from Widnes prior to the Challenge Cup register closing and he made his debut for the Reds at home to Workington Town on January 29th 1966. The second row forward was dogged by injuries at the Willows though he did manage a hat trick of tries against Leigh on the opening day of the 1966-67 season.

KEVIN ASHCROFT

Kevin has been involved in the game, both as a player and later as a coach, for over 25 years. Although Leigh born, it was at Dewsbury that he made his professional debut in the 1963-64 season. A brief stay at Crown Flatt ended in a transfer to Rochdale Hornets, a club he was to return to a few years later after lengthy spells at Leigh (twice) and Warrington. It was at this stage of his career that the hooker was selected for Lancashire, later going on to represent G.B. on six occasions. He was persuaded to join Salford from Rochdale Hornets for a modest £750 fee in August 1978 and he made his debut at Whitehaven in a Lancashire Cup 2nd round match. That inaugural season he played 35 matches for the club including an appearance against the 1978 Kangaroo Tourists. After Alex Murphy resigned as coach in November 1980, Kevin took over the reins in a player/coach capacity but he too resigned in March 1982 to take over at Warrington. He returned to the Willows as Team Manager at the start of the 1984-85 season but it was an uphill battle all the way and eventually he parted company with Salford shortly after the beginning of the 1989-90 season, making way for the incoming Kevin Tamati.

MAL ASPEY

Signed from Wigan as a coach during the close season 1982 but later the Riversiders agreed to him playing for Salford. He originally turned professional with Widnes from their junior side after joining the Chemics in 1964, straight from school. He made over 500 appearances for the Naughton Park side and scored more than 200 tries before moving to Craven Cottage for the launch of the newly formed Fulham side. Later, he moved to Wigan before his transfer to Salford.

In a lengthy career, usually at centre, he can consider himself unfortunate not to have been capped by G.B. but he had the satisfaction of representing Lancashire on several occasions.

He played his last game for the Reds against one of his old clubs Fulham, on September 4th 1983.

GEORGE ASPINALL

The Wigan-born prolific scoring winger joined Salford from Hunslet in March 1947 and immediately made a try scoring debut against Bramley at the Willows. During the war, George had guested for his home town club and became an International during the years of hostility, when he represented England v. Wawles. Whilst at Liverpool Stanley, his first club, he represented Lancashire.

He scored 7 tries in 11 appearances in his first season at the Willows but in 1947-48 he appeared in all but one of the 41 games played, notching up an impressive tally of 27 tries (which included hat tricks against Liverpool Stanley (one of his former clubs) and Keighley. The total was never bettered in his six seasons at the club but during the 1948-49 season he scored 4 tries in one match against Swinton at Station Road. He played his final game for Salford at home to Dewsbury on April 5th 1952.

GREG AUSTIN

The Australian threequarter joined Salford during the close season of 1986 after having played for Rochdale Hornets during the 1985-86 season.

The former North Sydney player, was the son of former Olympic sprinter Reg Austin and his 17 tries from 32 appearances during 1986-87 made him Salford top try scorer that season. For good measure he also landed 25 goals to give him a personal tally of 117 points at the end of his opening season at the Willows. He returned to play for the club during the 1987-88 season but in a struggling side, he only managed 8 tries from his 16 appearances. He switched his loyalties Down Under when he joined crack New South Wales side mainly for the 1988-89 season but returned to this country last season to assist Hull Kingston Rovers in their promotion to Division One.

ERIC AYLES

A bustling prop forward who signed for Salford in March 1956 after a lengthy career at Belle Vue Rangers and St. Helens. He made his debut at Dewsbury and played for the club in their remaining 6 matches of the 1955-56 season. He quickly established his front row position and was practically an ever present during the 1956-57 season with 37 appearances, only missing 5 games. He made 28 appearances during the 1957-58 but a dislocated shoulder in the match with Workington Town forced him to sit out the remaining games. The shoulder did not respond to treatment and consequently he retired from the game during the close season 1958.

ROCHDALE HORNETS 12 SALFORD 41

Salford really gave their fans something to savour from this display of controlled rugby which must have set the alarm bells ringing already at Spotland, with Hornets all set for First Division football. On this display **Kevin Tamati** can look forward to the coming season with relish but he was quick to point out that there is a long campaign ahead and promotion is the priority at the Willows.

From as early as the 2nd minute Hornets fate was sealed, when a high kick by **Kerry** put **Whitfield** under pressure and the former Halifax player allowed the ball to slip from his grasp to provide **Hadley** with an easy score. **Kerry** added a good goal. (0-6). After only 3 minutes play **Peter Williams** had to retire with a cut head and he was replaced by **Brown**.

Two minutes later **Whitfield** kicked a good penalty goal to reduce the Hornets deficit. (2-6). However, he missed a similar chance shortly afterwards.

Salford continued to dictate matters and following pressure on the home line, hooker **Lee** seized his chance to drop a goal. (2-7). At this point **Williams** returned to the action. In the 23rd minute full back **Whitfield** atoned for his earlier error, when he turned inside to score between the uprights. He also added the conversion to put Hornets ahead at 8 points to 7. The home side's lead was short-lived though and **Kerry** made it 9-8 to the Reds, shortly followed by a **Fell** touchdown following some smart work by **Burgess**. This time there was no joy for the reliable **Kerry**, who missed with an easy conversion attempt. (8-13). A tremendous tackle by **Fell** prevented **Whitfield** from scoring but **Gibson** blotted his copybook with a clumsy tackle when second man in and he was shown the yellow card. **Whitfield** kicked the resultant penalty. (10-13). There was no further scoring before the break but Hornets prop forward **Marsden** was sin-binned for a foul tackle on **Lee**.

Bradshaw entered into the action after the interval, at the expense of second row forward **Mercer** and he witnessed a clever break by **Birkett** which resulted in a good try for **Williams**. **Kerry** tacked on the two points. (10-19).

Five minutes later **Whitfield** kicked another penalty for Hornets (12-19) but it was the last time that the Salford's defence was to be breached.

In the 50th minute **Evans** took advantage of a rebound to kick through and win the race to touch down. Again, **Kerry** added the goal. (12-25). It was one way traffic now and apart from the occasional one man break, the home side offered little resistance. On the hour, hard working hooker **Lee** forced his way over from close in and **Kerry** had a simple task to convert. (12-31).

Brown returned for **Fell**, in time to see full back **Gibson** charge 70 yards upfield to leave a flat footed Hornets defence in his wake. His try was made into a six-pointer with an easy kick from **Kerry**. (12-37). Still, Salford looked hungry for points and **Hadley** set the seal on a fine all round team display when he took on **Fox** down the touchline and scored in the corner. This time **Kerry** was not up to the task but this effort by the Reds is an encouraging pointer for the forthcoming season.

Kangaroo Tales

During part of the 1990-91 season, Britain will be playing hosts to the Australian Tourists who will feature in three Test Matches as well as taking on our top club sides, based on last season's final placings. Unfortunately, that means that Salford fans will be deprived of the chance of seeing the mighty Green and Golds, here at the Willows. However, on this page, throughout the season, we shall recall stories of past encounters with the Kangaroos including both Salford and G.B. Touring sides, focussing on those matches that have involved our players.

When the Aussies visited these shores for their first ever Tour in 1908-09, the large 35 man squad including the famous H.H. "Dally" Messenger who had been here the previous season with the New Zealand party. That lengthy 45 match inaugural Tour, which included a match against Salford, began on October 3rd at Mid-Rhondda and closed with a match against Lancashire (at Leigh) on the 8th of March!

Nowadays, the Tour is much shorter because of club commitments and in fact the 1986 Tourists were here for a brief thirteen match stay.

Returning to that series, 82 years ago, though, and it is worthwhile recalling the sort of opposition that the Kangaroos encountered.

Such teams as Aberdare, Treherbert, Welsh League, Ebbw Vale, Broughton Rangers and Merthyr Tydfil were all on the agenda with the 3 Test Matches played on the following football grounds — Queens Park Rangers (1st Test), St. James Park, Newcastle (2nd Test) and St. Andrews, Birmingham City ground, the third Test.

Just for the record the highest attendance was at Newcastle where 22,000 spectators witnessed the second Test. Receipts for the game on January 23rd 1909 were £568!

Details of the game against Salford were as follows:-

October 17th 1908 SALFORD 9 AUSTRALIA 9

The British Amateur Rugby League Association ROYAL RECOGNITION

Buckingham Palace has announced that Her Majesty the Queen will visit Huddersfield and will open the new Headquarters of the British Amateur Rugby League Association on Friday 30 November 1990.

The Queen's visit is a tremendous honour and recognition to BARLA. The Association, supported and financed by the Sports Council, has an impressive record in developing Rugby League at amateur level since its foundation in 1973 — indeed it has been described as "one of the sporting success stories of recent times".

The Association has seen an increase of over 20,000 players and 800 teams. Much of its work has been in the crucial area of youth rugby and last year the English Schools reported 160 new schools had taken up the sport, a pleasing statistic, that is contrary to the current trend in school sport.

BARLA has seen remarkable growth in areas of urban deprivation and stress and its record of involvement with ethnic minorities is impressive.

The National Coaching Scheme, under Director of Coaching Phil Larder is one of the most successful in British sport and has played a major role in improving playing standards throughout the game.

The world's "number one" Rugby League player and current Great Britain Professional Captain, Ellery Hanley, who was awarded the MBE in the Queen's Honour List, is a former BARLA Youth International, as are many other Lions stars such as Gary Schofield, Mike and Andy Gregory. BARLA's work in pioneering the game in new countries, has resulted in 17 tours to and from the Southern Hemisphere, has been acclaimed by the International Board and only last month BARLA completed an historic tour of the South Pacific playing inaugural internationals against the Cooks Islands, Western Samoa and Tonga.

SALFORD R.L.F.C. JUNIOR DEVILS

Welcome back to the new season and what a great start with last weeks win at Rochdale. Let's hope we can continue in the same vein until the end of the season.

Last Saturday we had the Junior Devils Open Day which went down very well and I would like to thank the Junior Devils committee for the work they did, also thanks to Les Bettinson, Steve Gibson and Paul O'Neill for providing assistance with the coaching and racing sessions. We should not forget groundsman John Holroyd for giving up his Saturday to open the ground and changing rooms for the events and to chairman John Wilkinson for letting us have some of his precious time. Thank you.

Back to todays game, I would like to welcome the junior fans of Oldham and wish their team all the best in their quest to stay in the 1st Division during the coming season.

Have a nice day,
DANNY BENTHAM
