Welcome to WHELDON ROAD

A welcome third successive league victory coming in the shape of completing a league double over Featherstone made for a very satisfactory day last weekend. Sundays performance at Post Office Road was I believe our best league display of the season with everyone playing their part. Rovers have put together a very tidy squad but apart from a brief spell in the second half we controlled the game well. After receiving some criticism following the Australian match it was good to see Lee Crooks turn out such an impressive game whilst in his first full game Paul Fletcher really looked the part at full back. For the main however it was a good team performance.

Just turning back to the Aussie game, which I felt fell rather flat for what promised to be such a big occasion, our performance had to be marked down as a disappointment. Despite being up against a Test team I hope that no one felt that we had done well to hold them to 20 points as that would be to accept second best. The Australians were good but far from devastating and in reality we could have done much better.

OUR VISITORS TODAY

OLDHAM

A warm welcome to Oldham this afternoon as we seek to continue our winning run in the league whilst the 'Roughyeds' look to return to the winning path. As they have no doubt heard a million times they seem to have become one of leagues 'yo-yo' teams, although coach TONY BARROW appears to have built a squad that could bring stability to the Watersheddings. Like ourselves however they have had mixed fortunes this term, currently occupying 8th place in the league with four wins from their 9 games.

Two weeks ago they looked as if they might have taken Wigan at Central Park with young centre TOMMY MARTYN and former St. Helens packman PAUL ROUND in outstanding form. However with full back DUNCAN PLATT dismissed Andy Gregory led Wigan to victory. Last week they were narrowly beaten by Bradford Northern when mistakes and goal-kicking opportunities being missed proved costly. Martyn had another good game as did captain MIKE FORD and another former Wigan player RICHARD RUSSELL, whilst at full back our former centre GARY HYDE replaced the suspended Platt. The defeat was perhaps surprising as Oldham have already defeated Yorkshire opposition at home in the shape of Leeds and ourselves. Our defeat came a couple of months ago when having fought back well we allowed the game to slip from our grasp.

Oldham returned to Division One this time from third place although they defeated champions Hull K.R. in a thrilling Second Division Premiership Final. Mike Ford took the man-of-the-match award as his team recovered from a 8-29 deficit to triumph 30-29.

Honours were even two seasons ago in our last league clashes although Oldham might justifiably claim to have won on points. Here at Castleford we had a narrow 22-19 victory with tries coming from Chris Chapman, Kevin Beardmore, John Joyner and Ken Hill with Bob Beardmore adding 3 goals. For the visitors Paul Round, playing at full back, John Henderson and Ashley Gilbert crossed, whilst hooker Andy Ruane chipped in with 3 goals and a drop goal.

Ample revenge came Oldham's way at the Watersheddings with a 34-18 win. Aussie loose forward John Cogger and winger Paul Lord grabbed a couple of tries each with one each to Gary Hyde and Duncan Platt, the latter adding 5 goals. Tony Marchant, Grant Anderson and Phil Mirfin scored Castleford's tries and playing at open side prop Martin Ketteridge kicked 3 goals.

QUALITY COMES FIRST

DARRYL'S Deliberations

What a great exhibition of Rugby League at Old Trafford last Saturday. It highlighted once again that Great Britain can more than match it with the Aussies and only for a lapse in concentration well into injury time, they could have drawn the game. It is always a bitter pill to swallow when you lose the game on the siren but it took a brilliant "big play" by the Australians to unlock the game and draw the series 1 a piece.

I thought the Great Britain forwards matched it with their counterparts especially Harrison, Dixon and my Great Britain man of the match Andy Platt, but on the other side of the ledger the honours went to the Aussie backs with Cliff Lyons being outstanding.

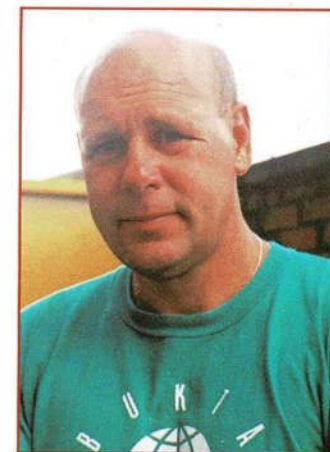

The scene is set for a great decider at Elland Road next Saturday.

Closer to home we went to Post Office Road last week and came away with a well deserved two championship points. I was particularly pleased with our defence with all our forwards contributing into the high twenties. Graham Steadman also completing 20 tackles, Graham and Gary French controlled the game territorially with some excellent kicking supported by a good chasing game.

Another aspect of our game which has improved is our support play although it can improve even further and today at home against Oldham I will be looking for this improvement.

Enjoy the game

TEST MATCH TRIVIA

Surely the most overused word to describe the Aussie tourists has been "awesome", worst still because it seems to have been picked up by so many English journalists who obviously feel it necessary to latch on to Australian terms and phrases. The tourists are very good, but awesome they are not.

Talking of overused, the question from English journalists which fell in to that category before the 1st Test was "won't the 4 substitute rule benefit the Australian team?" Every man and his dog asked that question and clearly it hasn't made a scrap of difference.

Am I the only one that finds it strange how players (not mentioning any names of course) who everyone so dislikes so much when playing against us, suddenly become heroes in the Gt. Britain jersey? I suppose it follows the same thinking which sees favourite players become 'rejects' when they move to another club.

Articulate and intelligent comment on the BBC coverage of rugby league, whatever next. Please, give John Monie a contract and if they really want to do the job right, why not Harry Gration too?

Finally from the Leeds Weekly News (a free paper reaching the many

Cas supporters living around the Garforth area) I give you the following quote on the Wembley Test "the Leeds quarter of Schofield, Powell, Gibson and Dixon were all outstanding, and it was a telling point that when Powell was substituted the Australians began to dominate."

HYPE AND MORE HYPE

Now talking of Leeds let me say that Gary Schofield is a fine player, but, some chap on the radio, I think the one who seems to have replaced Harry on Rugby League North was suggesting that he was as good as Wally Lewis, and I believe that he was being serious! Even worse in the Leeds R.L. agony column (See the Yorkshire Evening Post on Saturday) he was being compared to Lewis Jones and Alan Hardisty. Well I'm not old enough to have seen much of Jones but in Alan Hardisty we are talking about a different class.

'SCRUMDOWN'

The presenters on last weeks Scrumdown seemed to want to make something of a Graham Steadman tackle on Paul Newlove, and inevitably invited 'Foxy' to comment. I suggest they all rewind their tape and watch what happens a few minutes earlier after Graham had scored the opening try.

RUGBY LEAGUE UPDATE

The match marked Jon Wrays professional debut but he had little chance to shine.

Just 4 days after the Featherstone match we travelled to Leigh with 8 changes in our line up, which included 4 trialists. Although losing 14-32 we gave a good account of ourselves against strong opponents. Andy Hay and Wayne Thornton gave good displays but it was not enough to maintain our winning run.

Leeds came down the Lane last week with a somewhat understrength team, although including Eddie Rombo and Vince Fawcett on their wings. Cas however had a strong line up which really should have done better than a narrow 20-17 victory. Steve Larder ran well and Terry McAllister and Neil Roebuck tried hard but really it was a lacklustre performance.

(Teams and scorers for these matches on the Alliance Update page).

ALLIANCE UPDATE 'EXTRA'

The Alliance team have turned in some mixed performances yet have lost just one of the 4 matches played since I last wrote, and that was with a weakened line-up.

Wigan came to Cas having thrashed us a few weeks earlier at Central Park. However the tables were turned rather emphatically as we ran in 12 tries and only a slim return of only 2 goals limited the drubbing. Nonetheless 52-12 was revenge enough in a good all round display highlighted by Paul Fletcher and Terry McAllisters performances.

Our next visitors were Featherstone in a match that was a very poor advert for rugby league. A local derby is no excuse for some of the actions that were witnessed and the statistics speak for themselves. Rovers had 2 players plus their coach sent off. They also had 3 players sin-binned. For Cas Neil Roebuck had a 10 minute 'rest'. For the record we won 24-16 but it was not a memorable performance although our players could be excused for being rather wary when on attack.

QUOTES OF THE WEEK...

GRAHAM STEADMAN

They always give me a 'warm' welcome at Post Office Road, but we got the right result, a win.

JOHN JOYNER

This Australian Team is not as good as either the 1982 or 1986 team, there's no Stirling, Lewis or Kenny and they're badly missed.

PAUL FLETCHER

I enjoyed my first full 1st Team game against Featherstone and our performance proved we're a class side.

GARY FRENCH

I didn't play at Oldham when we lost, I was commentating for the club video. This Sunday I'll be on the park and we intend to win.

KEVIN BEARDMORE

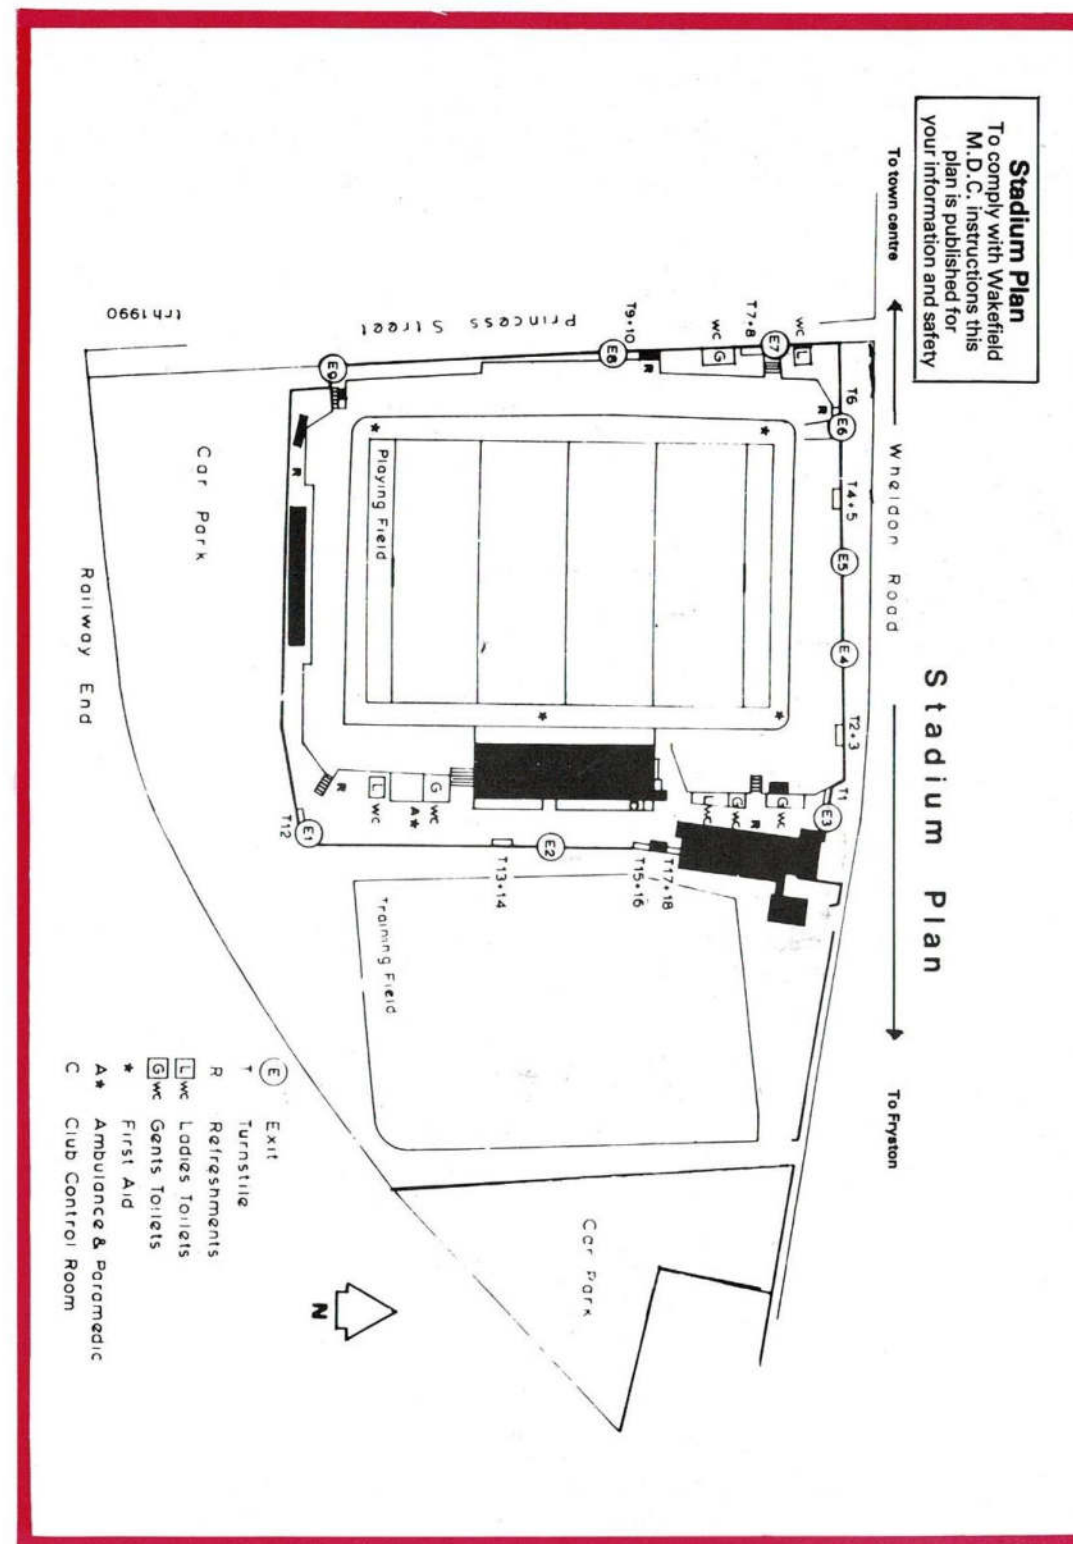

The lads are putting it together now, confidence is sky high and we're going to start climbing up the league table. Incidentally has anyone any spare tickets for Elland Road.

JEFF HARDY

I reckon a good forecast is the Aussies to win at Elland Road and Cas to beat Oldham.

The contest between these two Under-13 sides today should prove to be a close and exciting affair. Both teams are capable of good rugby as they displayed when they met earlier in the season in a 10-a-side competition held at Knottingley High School. Manor ran out winners on that occasion by 12-4.

Schoolboy rugby is flourishing in the Castleford area at the moment. The individual schools play friendly fixtures at various age levels as well as entering the Yorkshire & Humberside Schools Cup competitions. Last season AIREDALE HIGH won the Under-16 competition and FEATHERSTONE HIGH the Under-15 competition, showing the strength of R.L. in the district.

The better school players also gain selection for the strong Castleford & District Schools squads. Castleford Schools has teams at Under-16, 13 and 11 age levels, who all play regularly in the Yorkshire & Humberside Schools Leagues and the England Schools R.L. Cup competitions.

On the strength of their performances for Castleford Schools, players can then gain selection for Yorkshire County Schools and then the Regional team (Yorkshire & Humberside combined). The ultimate achievement in Schoolboy R.L. is to be selected for England Schools at Under-16 level. Last season three local youngsters: — ANDREW HAY, Airedale High School; SIMON CHILD, Kings School, Pontefract; and GARETH STEPHENS, New College, Pontefract — achieved this and toured France with England Schools R.L.

Anyone requiring further details about Schools rugby should contact KEITH BANKS at Airedale High — 553766 or RON ENGLAND at Knottingley High — 672859.

Turning Back the Pages

with Len Garbett

As I turned back the pages on the various statistics of Castleford R.L.F.C., it was most interesting to discover that 164 hat-tricks of tries have been scored by Castleford players from the 1926/27 season to the end of the 1989/90 season. It is impossible therefore to include all of them in one programme, so today's programme covers from 1926/27 to 1958/59, when 55 hat-tricks were scored.

DEAN BLANKLEY DEPARTS FOR BRAMLEY

Scrum-half, and occasional hooker, DEAN BLANKLEY parted company with the club a couple of weeks ago when he joined the already quite large Castleford contingent at Bramley.

Dean made his debut against Widnes in March 1989 adding a further 3 appearances that term, a season when he was voted Alliance Player of the Year. However his promising career faltered with injuries and he only made the one appearance in the 1st team, and his last for the club, early last term.

He joins Bramley for a £5,000 fee and we wish him well.

CORPORATE EVENT A HIT

For those wondering about the marquee's on the training pitch when we played Australia, they were housing a very successful corporate event. Indeed at the post match reception Australian R.L. President Ken Arthurson was very complimentary about the welcome and hospitality afforded them.

Rather later than planned, the CASTLEFORD SOUVENIR GUIDE 1990-91 should have arrived today and be on sale at the Club Shop.

JON WRAY JOINS US FROM UNION

By now I imagine that everyone is aware that we have a new wing signing in JON WRAY. Jon has joined us from rugby union where he played with the Morley club. Previously he was with West Park Bramhope and he also had a spell with Bath. He gained a number of representative honours with England Colts, Yorkshire Under 21's, North of England Under 21's and indeed had been selected for the England Under 21 squad prior to his signing for Castleford. Jon is however no stranger to league having played our code as a youngster, and that cannot have been too long ago having only turned 20 last May.

He was recommended to us by former Leeds and Gt. Britain wingman John Atkinson and according to reports both Wigan and Featherstone were also interested in obtaining his signature, whilst I believe that Hull too made enquiries. However he opted for Cas adding to our squad a winger with pace and who has a reputation as a solid tackler.

JON WRAY

Our latest signing,
joining us from Morley
Rugby Union.

IMPORTANT NOTICE

We have been advised by the BRITISH TRANSPORT POLICE that some of our supporters are taking a short cut over the railway lines at the end of the ground. This practise is not only very dangerous but it is also illegal. They advise us that anyone caught crossing the lines coming to or leaving the ground will be prosecuted, but they do ask for your help and co-operation in this matter.
