Match Day

From
STRUDDY

Let's begin with two welcomes. Firstly to the fans, players and officials of today's opponents Oldham. This is our fourth encounter of the season with a fifth to come. After not playing Oldham for a number of years and never entertaining them at Chiswick, the new league format and cup draw has certainly rectified the situation. The last home match against Oldham was a close and exciting encounter which we let slip with a kick ahead try in the final minutes. We put this right with a fine away win when we went up to the Watersheddings. Our 10-0 result was perhaps our best performance of the season. Let's hope today's game provides an attractive and exciting match.

Our second welcome is to any new fans who have arrived at the game due to the efforts and coverage given to us by the Croydon Advertiser. We particularly welcome younger spectators who have come as members of "Nigel's Gang", plus any accompanying parents. If this is your first taste of live Rugby League we hope you enjoy it to the full.

As I mentioned in the Highfield replay programme the Croydon Advertiser has been a notable exception to the general lack of media attention in London. Please continue your efforts on our behalf.

Younger spectators may be interested in joining our Junior

Crusaders. The Junior Crusaders meet for training every Saturday morning at the Crystal Palace National Sports Centre. They also provide our match day mascots. Eventually we hope a competitive team can be formed. Full details can be obtained by contacting the club office on 081 659 8375.

Also for any youth members or fans up to 18 the Sports Council are sponsoring an Easter Rugby League Coaching Week again at the National Sports Centre. This will last five days from 13th -17th April 1992 and will cost £25.00 for the week. Coaching sessions will involve Crusaders first team players and activities will vary each day. For further information please contact Linda on 081 778 0131 ex 311.

Those of you at the Highfield game will hardly have failed to notice a change on the public address microphone. Director Ray Stoner took over this task for the evening. Ray also takes the match day photographs for programme inclusion. He can't continue to do both jobs!! We are therefore looking for a regular supporter who is free to take over one of these roles. If you fancy yourself as an announcer or photographer please contact the club and give your name to Rebecca on 081 659 8375. We hasten to add that neither role is a paid position!! You will however join the growing number of Crusaiders who help to keep the club

functioning. Film will be provided for such a potential photographer.

One paid position that we do have vacant is that of Sponsorship and Lottery Co-ordinator, responsibilities include obtaining Player, Man of the Match, Programme and pitch sponsorship as well as maintaining the already established London Crusaders Lottery. Again all enquiries to Rebecca on 081 659 8375.

The person will work on a basic 30% commission basis.

Now to comment on recent performances....it's good to get the Silk Cut out of the way, although there was a chance of being in a record breaking quarter final, I still maintain that our position in the Premiership and finishing in the top 4 is of more importance to the continuation and success of this club. Recent results in the Second Division league table have given us a little breathing space for error in the final 11 games but the closeness of this competition will not allow for a form reversal, we have to keep winning.

Today's match will be the last (for this season at least) for John Plath, who returns to Australia on February 27th. I'd like to personally thank John for the great effort on the field and comradeship off the field. I sincerely believe it was John's arrival and performances that turned the tables for the Crusaders. Don't be too alarmed because we do have Lachlan Churchill, Ray Owens, Chris Winstanley, Wayne Boyle and Kevin Holderness all eager to see the back of Plathi! Thanks John for your efforts. See you next year.

Thank you all for your attendance, let's keep the crowd growing and don't forget to have a look into interesting items for sale at the club shop.

CAPTAIN'S Talk

It feels as though it is a long time since I last wrote a column and a lot has happened in that time. Since the New Year, we have enjoyed good form in the league matches, but not played up to the standards we are capable of in the cup matches. All the lads are disappointed about the defeat at Workington and we have been working hard to try and put things right.

There is nothing wrong with the fitness of the team and we spent time last week in training just sitting down and talking about what has been going wrong over the last couple of weeks so that we could reach some answers as a

team. Hopefully that will be time well spent and we will be able to play at something approaching our real form today.

It will be a hard game today. We have played Oldham three times already this season, including the Regal Trophy match and all the games have been close. We won the last match and this time have the home advantage. Oldham will also have played a hard game up at Workington in mid-week. We are all looking forward to this match so that we can take up our league campaign back where we left off.

Many of you will have heard about Gary Mason joining the club. Gary

has been settling in well with the team and should be making his home debut for the A team today in the game against Scarborough Pirates. The A team has a lot of good players at the moment and anyone with a spare afternoon should come down and see them play.

As one player joins, however, we will shortly be losing another. John Plath will soon be returning to Australia and on behalf of all the team, I'd like to wish him all the best on his return.

Introducing our Visitors

VINCE NICKLIN

An Aussie with a New Zealander's passport, Vince came to Oldham from Sydney via Limoux in France. Sort that one out! As a boy, he played with St George and Easts in Sydney, before making a name for himself in France and then joining Oldham during the summer.

Currently playing full back, but can also operate at half-back, stand-off or in the centre.

RICHARD IRVING

A blockbusting winger from the Huddersfield area, Richard Irving won youth international honours before turning pro for Oldham in Eric Fitzsimon's first spell at Watersheddings. Played regularly in the first team for the past couple of seasons.

TOMMY MARTYN

A player of exciting potential, Tommy is the son of the former Leigh, Warrington and GB forward Tommy Martyn and the nephew of Mick Martyn, who set scoring records as a forward with Leigh in the early 60's. He is a stand-off or centre, who can "sniff" tries out of nothing - a poacher who can turn matches at a stroke.

CHARLIE MCALISTER

A New Zealander, Charlie signed for Oldham three years ago from Bradford and Bingley RU club in Yorkshire. Can play centre or second row and is also a goal kicker. A powerful man, Charlie has played in Australia and has just been appointed the club's vice-captain.

JOHN HENDERSON

Former Leigh centre and a prolific try scorer, John signed for Oldham for £50,000 and after a summer of discontent (he was one 7-3 of several contract rebels) he has made his peace, won back his first team place and is looking as keen as in his early days with the club.

STEVE WARBURTON

Steve was the BARLA open age international stand-off last season. He signed for Oldham from Warrington amateur club, Woolston, and made his debut as substitute against Hull in the last match of last season. Did well and enhanced his reputation further in France. A clever, attacking player with promise and class.

NEIL FLANAGAN

A local lad, Neil is a scrum half who won international honours as a young amateur and had several clubs chasing his signature. Recently, he attracted the attention of Hull with his all action displays.

AUSTIN DONEGAN

At 17 stone, the biggest man on Oldham's books. He joined Oldham from St. Helens and is a young prop in whom Oldham have high hopes. Very fast for a big man, he can show the odd back or two a clean pair of heels.

RICHARD PACHNUIK

A 20 year old from Dewsbury with Polish grandparents, Richard starred in the "A" team last season, did well pre-season in France and made his debut in the first home game of the season against Leigh. A clever creative thinking type of hooker, he is expected to go a long way.

TIM STREET

A local lad, he signed for Wigan and then moved to Leigh and Swinton before joining Oldham in the summer in a swap move with John Fairbank and Neil Clawson going to Station Road. A strong prop, Tim earned GB colts and under-21 honours during his Wigan days.

PAUL ROUND

One of the most respected and well-known forwards in RL, Paul signed for Oldham from St. Helens for £65,000 four years ago. The fee was set by tribunal and at the time, was a club record. A long-striding running forward, he has recently been elevated to club captain, which he regards as a great honour.

KEITH NEWTON

One of the more experienced players in a young squad, Keith had several seasons with hometown Widnes before signing for Oldham for £12,000 during Tony Barrow's reign as coach. A hardworking prop or second-row man, he can bob on a bit when a gap appears. Prefers second row.

RICHARD RUSSELL

A local lad who arrived home at Watersheddings via Wigan. Played for Wigan on the wing in the world club championship against Manly but is now regarded as a hooker or loose forward. Creative player with an excellent pair of hands.

SIMON LONGSTAFF

Simon was a young man whom many clubs were chasing. Almost joined Oldham in the first instance, but opted for Halifax and finally came to Watersheddings towards the end of the 1990-91 season. A versatile player he could have made a big name for himself in athletics, but has chosen RL - and Oldham - to make it big in sport.

KEITH ATKINSON

Local lad, Keith came through via the colts and played in France for Great Britain colts a year or two ago. Full of courage, he is one of the unluckiest players in the game, twice having returned to action in the second row after major spinal surgery.

As with the first team, the Alliance side has suffered a series of cancelled and re-arranged fixtures. Our last home league match against Scarborough Pirates should have seen the Rugby League debut of Gary Mason but

this had to be postponed. Our away trip to Sheffield in the Younger's Alliance Challenge knock out competition was a victim of the weather on February 2nd. These set backs mean that the reserve side has been inactive for a long period!

The cup game against the Eagles was eventually played last Saturday resulting in a 36-22 defeat.

The game was marked by Gary Mason's debut for London Crusaders. Gary came on as a substitute and scored immediately.

Today sees the side at home as a Curtain Raiser verses Scarborough Pirates.
