JOHN

WITH a couple of home games over the next five days we enter a phase which will determine if the season has anything left for us. As I said in the last

programme notes a top four place is well within our reach, but only if the players wanted it. The Premiership has become a big event in its own right and whilst I believe (even with nothing at stake) that pride should ensure that standards don't slip, we have in that competition something very positive to aim for.

Defeat in that Leeds match was a disappointment and although we had our moments we also dropped off in patches and when we then fought back we had too much ground to make up. Our best throughout would have won us that game but unless we compete for the full eighty we will lose matches against the top sides. Against Wakefield we again could have paid the price with defeat after a very poor first half performance. There was never any doubt that we had the ability to win the match but it took a 'reappraisal of our attitude' at half time

for us to get things right and I was grateful to 'T' for once again setting a tremendous lead.

On Sunday at the Willows we got an important win and ran in plenty of points for the second successive game which ought to give us the confidence to go ahead and build a good run. Defensively though we weren't as tight as we should have been and against better sides than Salford that will be costly. I know that we can defend better though and if we apply ourselves to that we have the firepower to win any match.

Congratulations to Oldham on reaching the cup semi finals which will have given their confidence a real boost. I'm sure however that Andy Goodway will have told his players to put the cup out of their mind for the time being. That though is often easier said than done, but they will be fired up tonight and we need to build upon our last two results to get the win that should be well within our capabilities.

PACKMEN IN EXCHANGE DEAL

Today is the first opportunity that we have had to welcome Lee Harland to the club since he joined us from Halifax. A second rower, Lee moved in an exchange deal which took Martin Ketteridge to Thrum Hall. He has Gt. Britain Under 21 honours and started his professional career at Leeds, who he joined from Drighlington ARL. His next move was to Halifax and although his 1st team opportunities there have been limited, at 21 he has plenty of potential.

Martin was our longest serving player, making over 300 first team appearances and kicking 420 goals, and we wish him well with his new club.

MORE REP HONOURS

More representative honours came our players' way earlier this month when we had three players in the starting line-up for the Gt. Britain Under 21's who took on France in Albi. Chris Smith and Richard Goddard were playing their second game this season for the Under 21's whilst for Andy Hay it was a well deserved British debut.

Unfortunately they were not able to influence the result as Britain went down 16 - 17.

STUART JOINES THE 'DEBUTANTS'

Injuries might have placed a strain on our resources recently but they have paved the way for quite a number of players to make their first team debuts, the most recent of which was Stuart Flowers. Stuart came on as a substitute at Belle Vue at the end of last month and played a significant part, including a well taken try, in our change of fortune which eventually saw us clinch a victory over Wakefield.

35 YEARS FOR JOHN

We obviously devote much of the space on this page to current players but as in all clubs there are a lot of dedicated people who work behind the scenes. One of those people at Castleford is Johnny Walker and this year marks the 35th anniversary of his association with the club. Johnny made his playing debut back in 1960, playing at loose forward when we defeated Dewsbury here at Cas. He went on to play 220 matches for the club over the next seven seasons scoring 27 tries.

Since his playing days ended Johnny has been a loyal member of the back room team. He has a methodical approach to the variety of tasks that came his way and his work for the club has been invaluable over the years. John has now decided to retire and we'd just like to say thank you John and all the best.

LEN GARBETT LOOKS BACK

A SHOCK 20-22 home defeat to Featherstone Rovers opened the 1989/90 season, with Australian full-back, Steve Larder, and former Rovers player, Graham Steadman (stand-off) (2g) making their debuts, 3rd September 1989. One week later two more debutants were in a side which won 26-24 at St. Helens - Darren Price (sub) and Andy Clarke (loose-forward) who was sent off. Another week later saw a 44-0 win at Hunslet in the 1st Round of The Yorkshire Cup with Australian Gary French (scrum-half) (t) playing his first match. Further debutants were Tony Smith (sub) V. Hull K.R. (h) 27/9/1989 in a 28-12 Round 2 Yorkshire Cup win: St. John Ellis (wing) (4g) and Paul Whitehead (sub) V. New Zealand, Tuesday, 3/10/1989, losing 20-22: Ian Bragger (centre) V. Wakefield Trinity (a) 12/11/1989: Neil Roebuck (loose-forward) V. Leeds (a) 26/12/1989: Australian Jeff Hardy (stand-off) and Lee Crooks (field-side prop) V. St. Helens (a) 14/1/1990. Making their last 1st Team appearances for Castleford were Dean Blankley (scrum-half) V. St. Helens (a) 10/9/1989 (4 + 1 sub app. no pts): Mark Gibson (full-back) V. New Zealand (11 + 1 sub app. 1 try - 4 pts): Paul Crabtree (2nd row) V. Sheffield Eagles (h) 15/10/1989 (10 + 7 sub apps. 1 try - 4pts): Phil Mirfin (2nd row) V. Wigan (a) 29/10/1989 (3 + 7 sub apps. 5 tries - 20 pts): Tony Marchant (sub) V. Widnes (a) 25/11/1989 (254 + 5 sub apps. 98 tries - 374 pts): Chris Chapman (wing) (57 + 3 sub apps. 26 tries - 104 pts) and Roy Southernwood (scrum-half) (38 + 20 sub apps. 9 tries - 36 pts) V. Widnes (h) 20/1/1990: Kenny Hill (sub) V. Wigan (h) 28/3/1990 (17 + 4 sub apps. 1 try - 4 pts) and Kevin Ward (sub) V. Leeds (a) 22/4/1990 (301 + 12 sub apps. 74 tries - 249 pts). An 18-18 draw at Featherstone in the Semi-Final of The Yorkshire Cup, resulted in a 26-28 home defeat in the replay, after a 28-12 home win over Hull K.R. in the 2nd Round. Wins were recorded in the first two rounds of the Regal Trophy - 42-18 at Chorley Borough, and 62-2 win at Whitehaven St. John Ellis scoring 5 tries, only to lose 10-24 to Wigan in

the semi-final at Headingley. Cas went out of the Challenge Cup in a 39-12 Preliminary Round defeat at St. Helens, despite newcomers Lee Crooks and Jeff Hardy. 26 League matches brought 16 wins and 10 defeats, scoring 703 points, conceding 448, finishing 7th out of 14, which meant a trip to Leeds in the Premiership Play-Offs, Round 1, Leeds winning 24-18 (Kevin Ward's last match). Six days previous Monday 16th April, Leeds had been beaten 38-18 at Wheldon Road, Lee Crooks kicking 7 goals.

Overall 36 players were used to play 37 matches, Steve Larder playing in 35 of them. Graham Steadman was the leading points scorer with 220 pts from 17 tries, 75 goals and 2 drop-goals, and was also top goal-kicker. Steve Larder was top try scorer with 29 tries. 174 tries, 151 goals and 3 drop-goals were scored for a total of 1001 points. The remaining 76 goals were scored by Martin Ketteridge (42) Lee Crooks (14) Steve Larder (10) St. John Ellis (9) and Gary French (1). In The British Coal Tests V. France, Kevin Beardmore (hooker) played in the 8-4 win at Perpignan 18/3/1990, and in the 2nd Test at Leeds 7/4/1990, Graham Steadman (stand-off) (3g), Kevin Beardmore (hooker) Keith England (blindsides-prop) and Shaun Irwin (sub) France won 25-18. England, Irwin and Steadman were in the 1990 Gt. Britain side touring Papua New Guinea and New Zealand, England playing in both Tests against Papua New Guinea, and all three Tests against New Zealand. Graham Steadman (stand-off) (2t 4g) and Kevin Beardmore (hooker) were in a Yorkshire side which beat Lancashire 56-12 at Wigan 20/9/1989. The Gt. Britain Under 21 side included Shaun Irwin (Capt.) (centre), Grant Anderson (stand-off), Graham Southernwood (hooker) and Neil Roebuck (sub). Transferred were John Kear (Bramley), Kenny Hill (Doncaster), Brian Juliff and John Blackburn (Rochdale Hornets).

The highest attendance at Wheldon Road was 9,601 V. Featherstone Rovers, Sunday, 22/10/1989, Yorkshire Cup Semi-Final Replay.

LAST season we completed a fairly comfortable double over Oldham although we had to overcome a dogged display from the home team before the points were safe at the Watersheddings. At Cas we completely dominated the first 30 minutes with Graham Steadman in great form, and with a 26-2 lead a really big score looked on the cards. At this point however Oldham's then player coach Bob Lindner brought himself on from the subs. bench and turned his sides fortunes around Lindner may have felt that he had something to prove to Castleford, having had to end his second stint when playing at Wheldon Road somewhat prematurely. Actually he didn't but he set a tremendous lead to his side on both attack and defence and although in fairness we never looked like losing we were eventually restricted to a 34-16 win. Oldham's leading try scorer last term, Darren Abram crossed once for the visitors and added a couple of goals for good measure.

Despite the fact that by April, Spring should have arrived we travelled to face Oldham on a bitterly cold snowy evening. Again we took an early and clear lead with tries from former "Roughyeds" Tony Morrison and Richard Russell and a comfortable victory looked on the cards. However from therein the home side made us work very hard before completing a 28-10 victory. Again the outstanding Bob Lindner did well for Oldham whilst both scrum halves, Mike Ford, back on his old stamping ground, and Martin Crompton, shone with enterprising displays.

In the previous two terms, Oldham were in the second division although we had a clash in the Regal Trophy, a tie we won in a high scoring encounter. In 1990/91 honours were even with home advantage proving decisive. An early season fixture at the Watersheddings saw us fall 22-28 with Bradford Northern's new signing Paul Round crossing twice in a lively display for one of his many former clubs. Ironically in a season when they were relegated Oldham were to win three of their first four home fixtures,

these against Leeds, Cas and Warrington! Revenge was gained in our home fixture when winger David Plange was the star of our 28-10 victory crossing for a hat-trick of tries. Our former centre star Gary Hyde had his moment of glory when he scored on his return to Wheldon Road.

Two years previously we again shared the points, reflecting how our fortunes changed so dramatically that term. The first-half saw us string together a long unbeaten run but Oldham gave us one of our toughest tests in that spell. The 22-19 victory took us to the top of the table but we gave a patchy performance and found it hard to shake off a determined display from the visitors. John Joyner gave a top class display for Cas whilst Oldham's hooker, Andy Ruane played a big part in keeping his side in the game. By the time of the return game our fortunes had slipped dramatically and although Oldham were virtually doomed to relegation they beat us easily 34-18. Aussie loose-forward and captain, John Cogger was Oldham's inspiration but his entire side played well with only props Martin Ketteridge and Keith England showing any sort of form in our line-up.

OUR VISITORS

WELCOME to Oldham for this evening's rearranged fixture. Under Andy Goodway Oldham are having a good season and although a gap has opened up between the top 7 in the table and the rest, they are tucked in nicely in eighth place and look a good bet for a play-off place. Goodway is a former Castleford junior but never played for the club, opting to sign professional with Oldham. He went on to have a fine playing career at Wigan but after a spell at Leeds returned to his first club. With Bob Lindner leaving Oldham at the end of last term a vacancy opened up and Goodway was handed the coaching position at the Watersheddings and clearly is making his mark.

His side are in a steady run of form and having beaten our conquerors Warrington in the cup were expected to progress to the semi's by defeating Huddersfield three days ago. They will however have been disappointed by a narrow home defeat at the hands of Wakefield in their last 1st Division outing.

A couple of our former players are in the opposition ranks - in centre Shaun Irwin and in the pack Gary Lord. Shaun has had injury problems recently and looks likely to

be out for a while but generally the move to Oldham looks to have been a good one for him. From making his Cas debut as a sixteen year old Shaun always looked likely to do well and he did go on to gain GB honours. However injuries and what was perhaps an unwise positional change hindered his progress here and the exchange which took him to Oldham and brought Richard Russell to Cas looks to have been a good deal all round. Gary

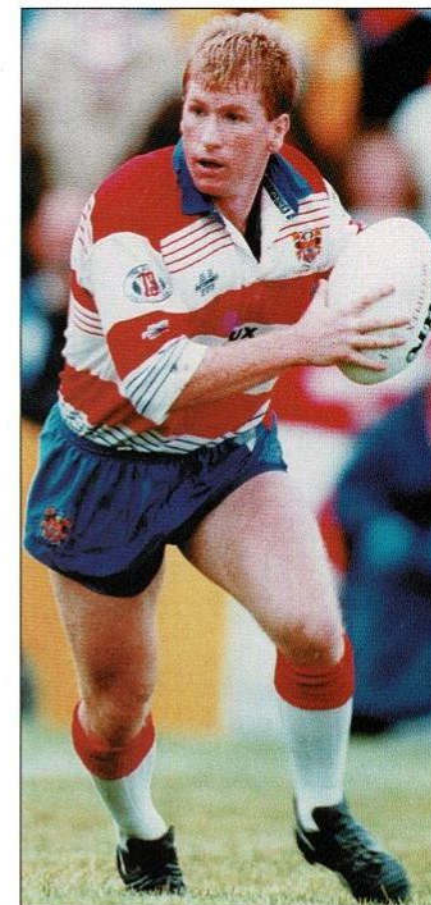

Lord was another who made his mark as a young player with us, most notably when he was given the full back role in our 1986 Wembley win. He never really cemented his place though and when Mal Reilly took over as Leeds coach Gary was his first signing. He eventually changed positions and switched into the forwards and a further move to Halifax gave him a regular slot in the Thrum Hall pack. Gary always seems to have a strong game when facing us and we can expect no quarter today.

Turning to Shaun and Gary's team mates Oldham have done a series of good deals to get some experience together and have some top young talent coming through. Australian Wally Gibson played originally at Huddersfield, the speedy full back

posing a big threat when attacking from the back. Former Swinton man Scott Ranson is a lively winger who will probably partner Steve Gartland, a signing from Rochdale but who originated from Oldham St. Annes ARL. Paul Topping was reportedly a player that we showed some interest in when he was at Leigh. After a spell out of the game he joined up with Oldham and has shown great versatility in their back line. His wing partner will probably be Adrian Belle, another former Rochdale player. Kiwi Wilson Marsh seems to have secured the stand off spot, as well as the goal kicking role whilst scrum half is in the very capable hands of Martin Crompton. A capture from Wigan, Crompton originally made his mark with Warrington and is always a dangerous opponent.

The Oldham forwards are a mixture of home and New Zealand products although one of those Kiwis, the experienced Mike Kuiti, has been in the league for some time with Leeds and Rochdale. His compatriots Joe Faimalo and Jason Temu are newer recruits but have slotted in well. From closer to home Paul Norman and former Widnes man Paul Davidson compete for pack spots alongside Gary Lord whilst former Queens Park amateur Dave Stephenson has held the hooking role in recent weeks.

Martin Crompton
Lively scrum half who has been in great form recently for Oldham.

MIXED FORTUNES IN THE LEAGUE

Despite a hat trick of tries from winger Peter Burns we crashed to a heavy defeat against St. Helens at Knowsley Road. Our line-up was strengthened by Graham Steadman and Richard Goddard returning from injury but we got off to a bad start and although we then fought back a young Saints outfit dominated the second-half. Craig Palmer and Stuart Flowers battled hard but poor tackling proved our downfall which the lively home team took full advantage of to run in seven tries.

Match details: Castleford 20 (Tries: Burns 3; Steadman 1. Goals: Ian Tonks 2) V. St. Helens 40.

We got back on to the winning path after a lean spell when Halifax were the visitors. Our team had a stronger look all round although the visitors had plenty of experience on view, including star winger Mark Preston who grabbed a hat trick. Our own mistakes kept

Halifax in the match but we tightened up at the important time in the second-half to clinch a welcome win. Half backs Simon Price and Gareth Stephens had good games for Cas and Jason Flowers was as dependable as ever, whilst Nathan Sykes backed up well from 1st team duties a couple of days earlier.

Match details: Castleford 28 (Tries: Jason Flowers 2; Paul Darley; Ian Tonks and AN Other 1 each. Goals: Ian Tonks 4) V. Halifax 20

CUP K.O. AT ODSAL

Although we showed an improvement in form over previous weeks our Alliance cup hopes ended at Bradford in the quarter-finals. Paul Darley gave us an early lead and Peter Burns continued his good scoring form with our other try, but our efforts were to prove in vain as Northern repeated their feat in defeating us in the Yorkshire Senior Competition Cup.

Match details: Castleford 12 (Tries: Burns and Darley. Goals: Ian Tonks 2) V. Bradford 26

From this season the "Dennis Tiffany" award for Alliance player of the season is to be decided by the coach at the term's end.

"Down the Lane" with Nigel Brookes

THINGS certainly seem to be happening apace in Rugby League these days, says the Yorkshire Evening Post's Man-down-the-Lane, Nigel Brookes.

As long as I can remember, RL was one of those games where the players just got on and played on a weekend and the administrators did little more than bumble along and occasionally bring mirth and merriment to everyone by dropping the balls half way through the Challenge Cup draw.

Now, it seems, there is always something going on to grab the headlines.

We have players banned for allegedly knocking referees over.

Super-stadiums appear to be ready to sprout from the countryside

like daisies in the lawn.

Poor old Doncaster look like becoming an annexe of Sheffield Eagles.

And the shaming question of the misuse of anabolic steroids does not want to go away.

Last things first. I may be a simple soul but answer me this.

How does an edict by the Rugby League to Jamie Bloem, forbidding him from saying that other players take steroids, alter in the slightest degree the likelihood of such things going on?

What the Rugby League needs to do is for the management committee to face up to this issue and not to try and sweep it under the carpet.

They should spend whatever money it takes to drug test every player in the league every couple of months.

Steroids stay in the system and abusers will be caught. Rugby league does not want cheats, nor does it want young men who poison themselves in the pursuit of glory.

Jamie Bloem apart, it is a tremendous pity what is happening to

the Tatters Field outfit.

I was selighted - except for one certain afternoon - to see Dony doing so well, but my, how the bubble has burst.

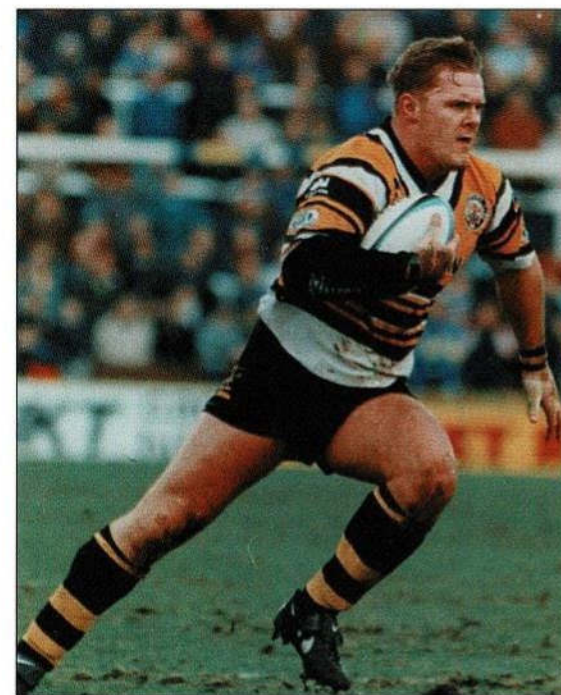

How ironic it is that after stumbling through endless financial crises when they were the laughing stock of Rugby League, that they should go under when things at last came right on the field. Sport is cruel.

Today's opponents are not what you might call a fashionable club, but all that might well be changing in the near future.

Oldham have ideas on spending umpteen millions on improvements at The Watersheddings to bring the ground and its facilities right up among the top flight in RL.

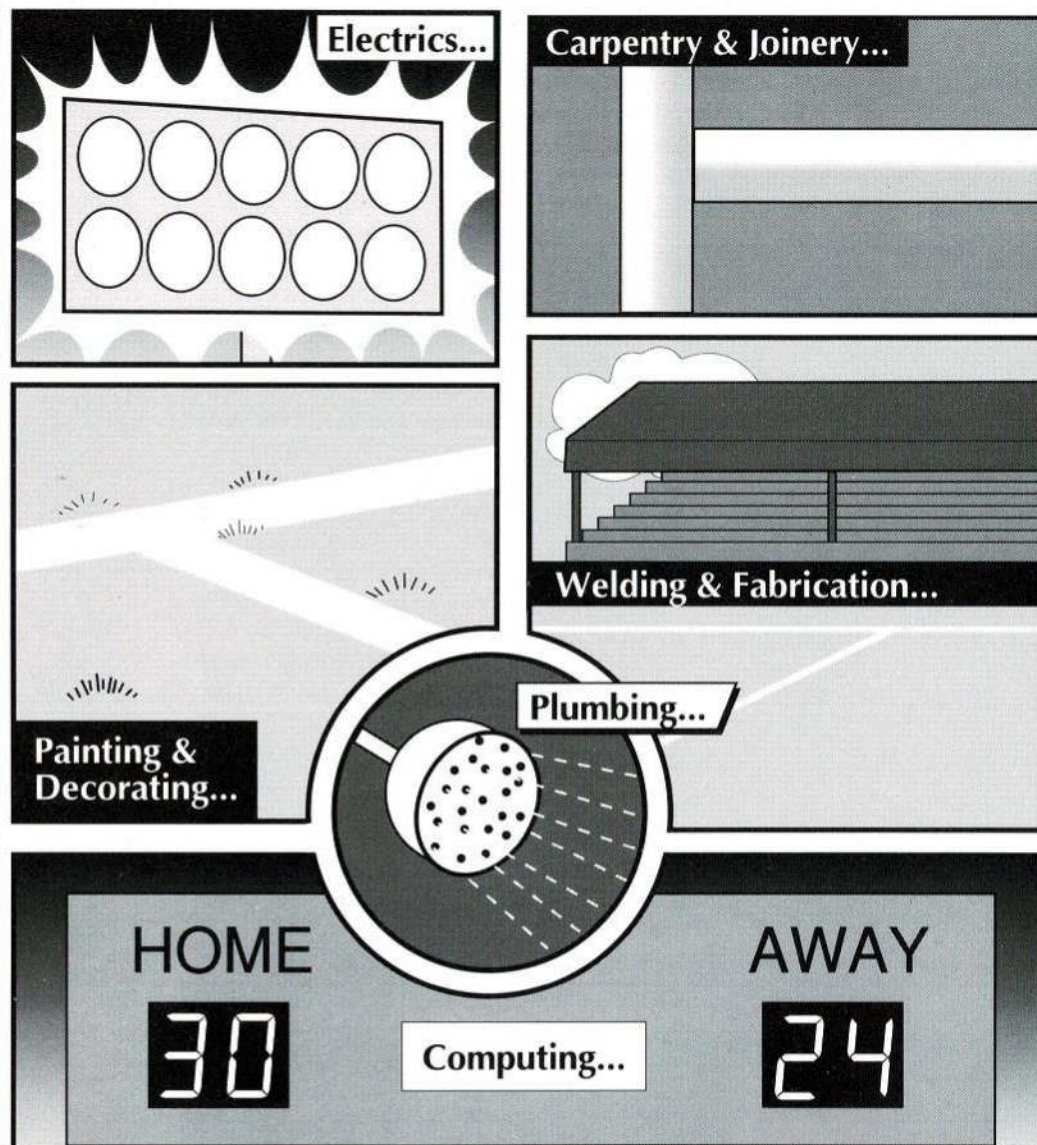

I wish them every success in their ambitions... as long as they manage to make the place an overcoat or two warmer.

And as for the referee incident, all I can say is I would have like to have seen someone try that on Sgt. Major Eric Clay!

NARROW DEFEAT AT HULL

Although giving a creditable performance at third in the table Hull in their last outing, our youngsters were pipped 24 - 28. Our tries came from Finnerty with a couple, Hargrave and Horner crossing once each whilst Danny Orr kicked 4 goals. A measure of Hull's ability came from their next match when they defeated the previously unbeaten St Helens.

This week we were in cup action with 3rd Division Oldham our opponents.

ANOTHER REP. CALL FOR IAN

Congratulations again to Ian Tonks who received his second call up for the Gt. Britain Academy squad. Ian was on the bench when the British youngsters took on the French in Carcassonne ten days ago, gaining his second cap when replacing Widnes' Steve Barrow in the GB youngsters 48 - 4 win.

Danny Orr
Added 4 goals to his account at Hull.

From this season the "Norman Evans" award for Academy player of the season is to be decided by the coaches at the term's end.

TONY KEMP

THE pivotal role that Tony Kemp has been employed in this term has recently seen him in some of the best form that he's enjoyed in his two years at the club. Before joining us he had spent a spell in the reserve grade at his last club, Australia's Newcastle Knights, and clearly Tony has to some extent been able to relaunch his career with us. This in turn attracted interest from other clubs and everyone who reads the games press will be aware of the reports that Leeds were keen to obtain his signature. The new limit of two overseas players seems to have thwarted any plans that our neighbours may have had and at the time of writing Tony hadn't determined his future plans, although we have offered him a contract to stay at the club.

On the immediate future Tony believes that the season still has plenty to offer for Castleford as we enter it's last stages.

"Our season definitely isn't over yet and the team are confident that we can clinch third or fourth place in the table. We've got through most of our games against the top sides and with plenty of home games we're certainly looking forward to playing in the Premiership."

Whatever his own future plans might be I put it to Tony that with his experience of playing league in this country and in both New Zealand and Australia he was well placed to make a judgement on Castleford's longer term potential, which he agreed was there.

"It's difficult to compare things with Australia but there are some good young blokes here at the club with a number who could do really well. If the club can keep them all together then the future looks good."

Another endorsement for some of our emerging youngsters but obviously there remains the need for players of Tony's experience and calibre to help in bringing them through.

WELCOME to everyone this evening for this much re-arranged league fixture against Oldham. This evening will have sister and brother as our mascots, Katie and Nathan Tennant who are from Knottingley.

Nathan is 3 years old and attends Simpson Lane Nursery, he always watches us when we're on telly and he has been to a couple of games. His favourite player is Tawera Nikau.

At our recent fixture away at Wakefield 6 year old Stephen Scarfe from Airedale was our mascot, his favourite player is also Tawera Nikau.

Sunday 12 March saw Tom Bob McCurdie and Danny Joe Parker as mascots. Tom Bob is four years old from Airedale, he attends Townville Nursery School. He is bursting to play for Cas so watch our Crooksy as this young chap wants your spot! Lee is his favourite player.

Four year old Lee Burrows of Castleford was our mascot at our last home fixture against Leeds, photographed here coming out of the tunnel with his favourite player, skipper Lee Crooks.
