RALPH'S REVIEW

A warm welcome to today's competition sponsors Silk Cut and our opponents Oldham who beat Dewsbury in the previous round and will be worthy opposition today.

Last week I wrote that if our team hit form they would be hard to beat especially at Whitehaven. Well they certainly hit form and Widnes in a big way, bossing the big Widnes pack and team in every position and severely denting their ambition of joining the elite next season.

The 800 or so local fans who were lucky enough to have seen the game saw the team play with a pride, commitment and skill not seen for along time, plastering not only Widnes but the Arctic conditions as well. I would like to congratulate Kevin and his team and thank them for a great afternoon's entertainment, however one game doesn't make a season, we have witnessed the depths at Barrow and the heights against Widnes. You have set your standards lads, we all prefer the latter, keep it up.

Last week saw us continue our recruitment of players from the amateur game, signing the Distington twins Ian and Trevor Dryden. Both are powerful forwards who impressed Kevin and the club, both of which are delighted to have them on board and wish them success in their professional careers.

Enjoy the game, Ralph.

Welcome once again to the Recreation Ground.

If you were one of the brave 1005 supporters here last week and a 'Warriors' supporter, I'm sure like me you were proud of the gutsy performance from the lads.

Comments from those who passed after the game were complimentary and rightfully praised the lads on their superb performance. They tackled with a passion and commitment that hasn't been seen for a long time.

This was a team performance from the history books. Back in the dark days when I played we hated coming up to Cumbria because we knew we were in for a good bashing.

So you now know where I'm coming from. People need to know that this is our 'turf', our 'Warrior' fortress, enter at your peril.

But I'm a realist and know our tremendous performance last week doesn't give us any points today against the 'roughyeds'.

Welcome to

Mick Coates and his lads, congratulations on your tremendous victory last week. I know your win surprised everyone outside Oldham and that includes me. So well done and good luck in the League.

Unfortunately, only one of us can go through to the next round and with home advantage and your long tiresome journey up to 'marra country', that should be the Warriors, but yes, I know, it will come down to who performs on the day.

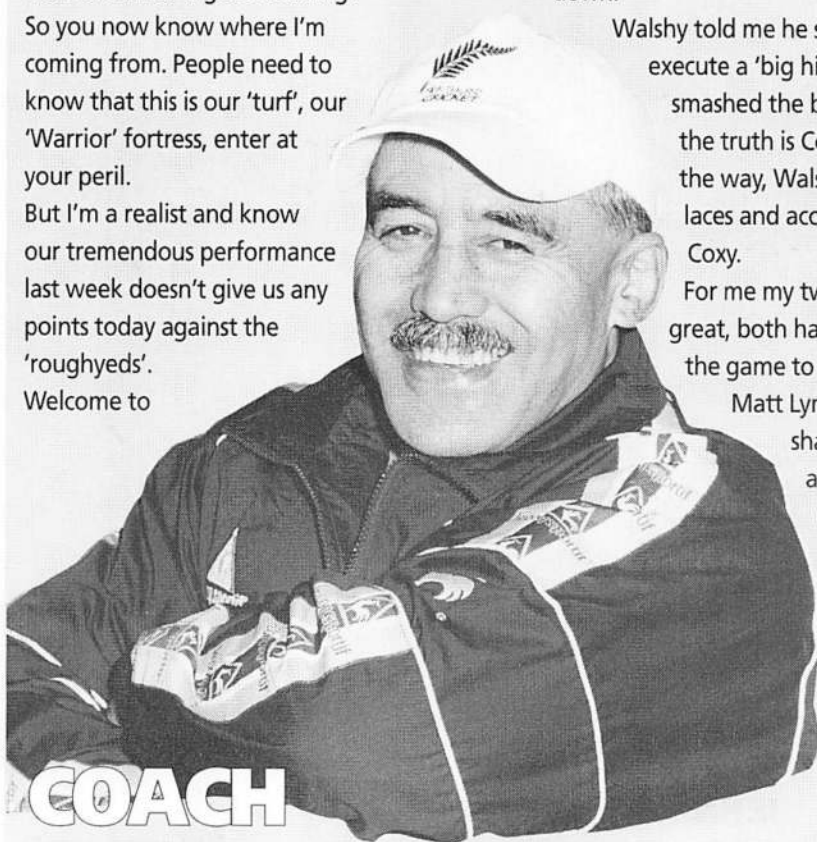

Last week I was excited with the pack before the game, I had that feeling they were going to climb into 'Widnes' and they never let me down.

Walshy told me he showed Coxy how to execute a 'big hit', (he said, he smashed the big soft mute). But the truth is Coxy got his melon in the way, Walshy tripped over his laces and accidentally collided with Coxy.

For me my two generals were great, both half backs controlled the game to pin point precision..

Matt Lynch won his fare share of admirers with a great starting line up debut, his partnership with captain David Seeds is an exciting prospect.

Enjoy the game.

THE VISITORS

OLDHAM have shown the same sort of resilience that has characterised Whitehaven's progress through to the last 16.

They were far from convincing in their home win over enterprising amateurs Eccles, but stuck to their task doggedly to complete a 26-7 victory at Spotland. Winger Adrian Meade scored a brace of tries and ex-Hull KR halfback Daniel Brown was a worthy man-of-the-match.

If Oldham were less than convincing in eliminating Eccles, they showed tremendous character in causing an upset with their richly deserved 18-10 victory over Neil Kelly's fancied Dewsbury.

Inspired by skipper Leo Casey, they defended as though their lives depended upon the result.

The signs are that, despite an unexpected 0-30 opening day league reverse at Batley, coach Mick Coates and assistant Graham Bradley, will steadily turn things around.

CHALLENGE CUP HISTORY

The Haven and Oldham are two clubs which have never appeared at Wembley - and they are meeting in Challenge Cup football for the first time.

But there have been six previous Recreation Ground clashes in knockout football - incorporating the now-defunct Lancashire Cup, John Player and Floodlit Trophy competitions - and honours are even, with three wins apiece in cup meetings staged at Whitehaven.

Whitehaven's last knockout victory over

Oldham was a 5-0 victory in the first round of the first ever John Player Trophy competition in 1971.

Oldham's cup victories at the Recreation Ground include an 11-2 Lancashire Cup first-round victory in September 1962 and a 31-10 success in the same competition two years later, when winger Malcolm Price scored four tries and Frank Dyson kicked five goals.

But Oldham have not visited Whitehaven at all since claiming a 20-6 Second Division league victory on their way to winning promotion in 1987-88, with former Great Britain prop Hugh Waddell among their try-scorers in the first match of that season at the Recreation Ground.

LAST SEASON

After to all intents and purposes, Oldham Rugby League Club folded at the end of the 1997 season, after finishing bottom of the Super League. A group of businesses headed by solicitor Chris Hamilton rallied round and the Oldham club was reformed. Last season was one of rebuilding, though with arguably one of the best support bases in Division One, that should not be too difficult. Having sold their traditional home at the Watersheddings, the Oldham club are this season playing their home games at Rochdale pending the construction of a new stadium in Oldham.

SEEING DOUBLE

DISTINGTON TWINS SIGN UP

Following the signing of the Purdham brothers recently, the club went one better last week when we signed Ian and Trevor Dryden, twin brothers from the Distington club.

Two back rowers, these lads impressed coach Kevin Tamati when he watched them in action in last month and they had no hesitation in signing. Tall at over 6ft 2in, these lads are two back rowers who could make more than useful professionals.

The Distington club has over the years built up close links with the Haven. Chairman Ralph Calvin for several years was coach of the Distington club while Chief Executive Gordon Bowes was a club official for many years while the current Distington coach is ex-Haven scrum half Gary Hewer.

Ian (left) and Trevor Dryden sign for Haven watched by Ralph Calvin and Kevin Tamati.

Academy players in young Lions Squad

Next week the GB and Ireland Young Lions will be playing a series of matches against the French touring squad. Effectively this squad represents the best youth players in the country irrespective of whether they are playing Academy or BARLA rugby. Two ex-Whitehaven Schools U16 players are in the squad in Craig McDowell (Bradford Bulls) and Steven Kirkbride (Warrington Wolves), also selected are Jonathan Wignall and Steven McCourt who were regulars in our Academy team last season, and who will be featuring in this year's joint West Cumbrian Academy team. Congratulations to all four lads on their selection.

WHITEHAVEN R.L.F.C.

fully supports the 'Let's Tackle Racism in Rugby League' campaign, and welcomes all players and spectators irrespective of their ethnic or racial origins. Racism has no place within our game, and racist chants are totally unacceptable, allow everyone to enjoy the game.

IN YER FACE DAVID SEEDS

Today we focus on current club skipper David Seeds, arguably one of the best centres playing outside of Super League.

A product of Kells ARLFC and a BARLA Youth International David signed for the club in September 1993 and made his debut later that month. He quickly established himself as a first team player, a pacy attacker who can score tries but at the same time a rock solid defender.

He played for Cumbria against Australia in 1994 and went on to be Whitehaven's top try scorer in 1996 with 10 touchdowns.

David currently stands high in the list of all time Haven try scorers with 90 career touchdowns, only Vince Gribbin and Bill Smith are above him.

Saturday 20th February 1999

ALLERDALE UNDER 13's 16

WHITEHAVEN UNDER 13's 32

Not only was this game a local derby, but also a semi-final in the ESRL Plate Competition. With the honours being shared evenly in the league campaign, here was the opportunity to show who was the 'best in the West'! On a bright sunny but very cold day, the two teams started off well, both completing their sets of possession, and tackling ferociously. It was Allerdale who opened the scoring in the 12th minute, when Whitehaven made their first mistake, when prop Daniel Young dropped the ball, but from the restart Whitehaven gathered possession and with quick handling centre Dave Green sprinted into the left hand corner to level the score at 4-4.

Again from the kick off, Whitehaven made huge drives into the Allerdale defence with props Carl Schofield and Daniel Young leading the way and when on last tackle scrum half Gavin Beasley decided on a power play which eventually led to left winger Liam (Nocker) Campbell driving in at the left hand corner again. Jason Mossop just failed with the conversion, 4-8. Now with the bit between their teeth, Whitehaven forwards started to lay the foundation which would lead them to victory. Again the two props, second rows Scott McAvoy and Barry Garner ably supported by half backs Beasley and Mossop tore the Allerdale defence apart at will, resulting in captain Carl Schofield grabbing himself two well taken tries. Jason Mossop converting once, Whitehaven now leading 18-4. Just before half time against the run of play Allerdale hit back with a score, which gave them some hope of turning the result in their favour, half time score 8-18.

Just like the first half, Allerdale where first to

score again, edging nearer to Whitehaven, the score 12-18, but as before this seemed to spark the visitors into their stride, again the forwards totally dominating. It was not long until Dave Green scored his second try, then came the try of the match when from a Allerdale kick deep into the Whitehaven 20, full back Craig Kirkbride collected the ball, ran it out eluding tacklers to run 50 yards up the field and when confronted with his opposite number, threw a pass inside to supporting player Jordan Buchanan, who then kicked the ball forward regathered to score underneath the posts. Jason Mossop converted to put the game Whitehaven's way, the score now being 12-28.

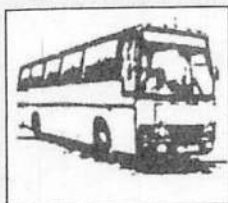

Unfortunately for Allerdale, centre Dave Green saved his best for last, when a set move from a scrum, Dave took the ball at pace, bumped off into two defenders, then used his speed to run-round the full back for another spectacular score.

Kevin Tamati, Haven's head coach was an avid spectator and he was given the duty of picking the Man-of-the-Match Award. He found himself in an awkward dilemma with some 6 players to choose from, but in the end, he chose prop Daniel Young for his workrate and commitment, especially as he had made a costly mistake early on.

The U13s now await to see who they will play in the final, the opponents being the winners of the Oldham v. Leigh game.

SILK CUT CHALLENGE CUP

TODAYS MATCH SPONSOR

1999 SILK CUT PRIZES

This is the final season of Silk Cut's current £2.1 million three year sponsorship of Rugby League's most famous knockout competition, played under the Silk Cut banner since 1985. However, a two year extension to the contract worth £1.8 million has been agreed, taking the sponsorship to the year 2001 and guaranteeing Rugby League's first £1 million in sponsorship in the final year. The 1999 Wembley victors will receive a record prize cheque for £110,000.

Of the 1999 sponsorship investment of £750,000 a total prize fund of £525,100 is projected for the Silk Cut Challenge Cup. The remaining funds will be deposited in the League's Capital Development Fund. The complete 1999 Silk Cut Challenge Cup prize structure is:

TEAM IN TOWN

AIDE MEAD: Product of Oldham Bears Academy this utility back is a handy member of the Roughyeds squad.

JOSH BOSTOCK: Aussie three-quarter almost unstoppable near the try line. Surprisingly released by Wakefield Trinity and a major capture for the Roughyeds.

AFI LEUILA: Only member of the Bears Super League squad to join the 'new' Oldham team. Of Tongan origin Afi is a strong running three-quarter who likes nothing better than to attack the opposition.

BRIAN QUINLAN: Local born goal kicking centre or second row, missed most of last season through injury.

MICK FARRELL: 21 year old utility back was outstanding for Rochdale in 1997 but had a disappointing 1998. The ex-Waterhead amateur will be looking for a big season with his hometown club.

JOE McNICHOLAS: This young winger is one of the most exciting prospects in the Northern Ford Premiership. Having turned down an offer from Bradford Bulls, Joe was unfortunate to miss most of '98 after breaking his leg in the early season. Rochdale born, he is armed with pace and a great side-step.

PAUL CROOK: Half back who previously played with Dewsbury, Oldham Bears and Hull Sharks. Creative player who is happy at either stand-off or loose-forward.

CRAIG BARKER: Local half-back or hooker who was not always a first choice in '98 but never lets the side down when selected.

LEO CASEY: Now at the veteran stage, Leo has returned to Oldham in the close season. Has represented Ireland at International level, this tough prop forward was delighted to be named as Captain for this seasons campaign.

JASON CLEGG: Formerly a Bradford Bull this prop has opened this season in barn-storming form. Scored a typical rampaging try in the Law Cup against Rochdale. 'Cleggy' is becoming a favourite with the Oldham spectators.

PAUL ROUND: Now in his second spell with Oldham, Paul is a real veteran of the game. Formerly a back rower he now tends to lead from the front row. Former clubs include St Helens and Castleford.

DANIEL BROWN: Formerly of Parramatta and Cronulla, Daniel played for Hull KR last season. A player with a big heart and a good rugby brain

and is proving to be a key player for Oldham this year.

JOHN HOUGH: John will go down in the 'new' clubs history books as the first player to officially sign for the Roughyeds. A bright future is predicted for this ex-Warrington Wolves hooker who is renowned for his hard work and sportsmanship.

MARK PERRETT: This Welsh International is another of the Roughyeds' major close season signings. Mark is a hard working prop or second row who is determined to re-start his career after injury.

GARY COULTER: 29 year old former Huddersfield second row who has returned to the game after taking a spell out away from it. His hard work and no-nonsense attitude will be invaluable to the Roughyeds.

MIKE PRESCOTT: Another player who will be determined to have a good season after last season was wrecked through injury, Mike is deceptively a quick back row forward.

MICK MARTINDALE: A good ball playing loose-forward, 24 year old Mick was at Halifax for a number of years before joining his hometown club via Wakefield Trinity.

EMMERSON JACKMAN: A BARLA tourist in the summer of 1998 this eye-catching stand-off or loose-forward established his reputation at Saddleworth Rangers and Oldham St Annes.

NATHAN VARLEY: Started most games from the subs bench last season but was still one of the clubs top tacklers. This ex-Bradford back rower has had his pre-season ruined by an ankle injury picked up on New Years Day at Rochdale.

GRAEME SHAW: Signed from Bradford Bulls, Graeme became the 'new' clubs first International when he was capped for Scotland in October '98. Pacy, hardworking second row forward.

LAURENT MINUT: Nicknamed by his teammates 'Minle' he has already endeared himself to the Roughyeds with his hardworking and the try saving tackle on Paul Medley in the previous round versus Dewsbury.

EMMANUEL PERALTA: Like 'Minle', 'Manu' was signed from Villeneuve, he is no stranger to the English game having signed for Kelghley in 1997.

TALKING POINTS

Challenge Cup Review

The fourth round of the seasons Challenge Cup certainly threw up some great games and a few surprises.

Both last seasons finalists Sheffield and Wigan went out at the first hurdle, incidently the first time this has happened since 1965 and has only the second time in the history of the Challenge Cup. Favourites Wigan are already out and with four all Super League clashes this weekend, some more big names are going to fall.

And there is so much to look forward to at this fifth round stage with only Super League clubs and Northern Ford Premiership clubs left in the hunt for Wembley glory.

There were some magnificent games in the fourth round, with both of

last year's finalists knocked out of the cup.

This year's Silk Cut Challenge Cup is as open as ever, with record-scoring Bradford Bulls strong favourites to make up one half of the Wembley equation. Other eagerly anticipated Super League clashes involve Leeds Rhinos, who face St Helens, and Warrington Wolves against Halifax Blue Sox.

There will also be some closely fought action between Northern Ford Premiership clubs, with at least two guaranteed to make it through to the quarter-finals and cause a potential upset against Super League opposition. Widnes Vikings take on Leigh Centurions and Whitehaven Warriors play Oldham.

The new West Cumbria Alliance squad had a blank weekend last week so no match reports this time. News of yesterdays clash with Featherstone will appear in a future edition.

Meanwhile, a round-up of action elsewhere in Division One.

Keighley's sequence of league successes leapt into double figures with a comfortable home victory over Hunslet.

Max Tomlinson, the journeyman winger whose career started at Bradford Northern and included a spell at the South Leeds Stadium, made a highly encouraging debut for Cougars with a four-try haul.

Christian Tyrer enjoyed an excellent kicking game in general play, but it was an unhappy night for goal-kicking with all nine conversions missed.

Chris Ross was a lively stand-off for Hawks, whose best try came from a bewildering touch-line sprint from prop Steve Pryce.

One of Keighley's main rivals for the league title is Featherstone.

Rovers made a winning start to the campaign at Lionheart Stadium, finally shaking off a brave challenge from Batley in the last half hour.

The introduction as substitute of recently recovered long-term injury victim Steve Goodwin was a turning point as his varied tactical play gave Rovers' increased attacking options.

Bulldogs selected a complete three-quarter line of ex-Rovers in Lee Bargate, Lee Child, Neil Bradbrook and Carl Riley.

Rochdale achieved the league treble against Barrow last season and in the second half had ample opportunity to extend the sequence, but they could not press home their advantage and Raiders sub Anthony Horton clinched victory with three minutes to spare.

Hornets have appointed Peter Fitzgerald as caretaker coach following the resignation of former Salford winger Phil Edge due to family commitments.

The Cumbrians introduced hard-hitting Kiwi prop Ray Barchard, fresh from his arrival in this country.
