Bobbie's View

Good afternoon and a warm welcome to Steve Molloy the players, staff and supporters of Oldham.

Our old adversaries gave us a torrid time the last time we met and we will be looking to turn the tables on them today.

I was pleased with our performance last time out against Keighley and had it not been for some awful refereeing decisions we should have taken the spoils. However, the experimental side showed plenty of commitment which will stand us in good stead and today you will see further changes with new players coming into the side so my coaching staff and I can consider the options available to us for the start of the coming National League campaign.

Enjoy the game and your Easter break.

Boardroom Brief

Today we offer a very warm welcome to all the Board, officials players and supporters of Oldham who have made the short journey for this afternoon's Arriva Trains National League Cup fixture.

We also want to welcome today's sponsors and trust they will have a wonderful day's entertainment.

Today's match will be our final fixture before the start of the National League season. It was always going to be a difficult competition for us, coming as it did before the squad of players had been fully assembled and training was in full swing. And so it has proved.

Throughout the Arriva Trains tournament we have been looking for signs of improvement to provide a springboard into the National League season. There have been a few disappointments over the past few weeks but also some signs of improvement. Consistency has been lacking, but again perhaps that was to be expected.

Today's game gives us a chance to redeem ourselves for the defeat at Boundary Park a couple of weeks ago. That game started badly for us, conceding three tries in 12 minutes meant we were always fighting an uphill battle. It was not the sort of performance or result that you would want at the best of times and certainly not one you want against your nearest neighbours.

Hopefully the Hornets players who take the field today will be stung by that result and be even more desperate to put one over our "derby" rivals and it will be us celebrating tonight.

There was some good news a couple of weeks ago with the announcement that the LHF Healthplan a Yorkshire-based part of the HSA Group and one of the biggest Healthplan providers in the north of England has sponsored the National League.

The six-figure deal will run for one year and cover all three National League divisions. We would echo Richard Lewis, the Rugby Football League's Executive Chairman's, comments "We are delighted to welcome LHF Healthplan into Rugby League. Over many years our sport has built up a reputation for being supported by top class sponsors and I am sure that our relationship with LHF will prove to be beneficial too."

Player Coach - Steve Molloy

Oldham are led on and off the field by the experienced 33 year old Steve Molloy. An ex England captain, Molloy signed for his second spell at Oldham from Batley Bulldogs and was the obvious choice as player coach when Mike Ford, the previous coach, left mid season. A front row forward who has also played for Featherstone, Sheffield, Warrington, Huddersfield and Leeds, Molloy is from Oldham and leads from the front. He will be aware of the expectation heaped upon his shoulders to take Oldham forward, a challenge that he will not shirk.

THE ROCHDALE OBSERVER · CAMPAIGNING FOR ROCHDALE

OLDHAM 2004 SQUAD - PEN PICTURES

Gareth Barber - A 21 year old Oldham born Half back who was reared on rugby with his best pal, Leeds and Great Britain forward Kevin Sinfield. When Sinfield signed for the Rhinos, Barber signed for Warrington, but returned "home" to Oldham before the start of the 2000/2001 season. A promising young player who made the stand off position his own last season, was selected for the NFP under 21 squad who beat the Super League under 21's in 2001.

Keith Brennan - A product of Amateur Rugby League in the Oldham area, playing for both Higginshaw and Shaw Rhinos before signing for his home town club. Scrum Half is his preferred position but he has filled in in many places, most notably as hooker whilst deputising for John Hough. Brennan decided to hang up his boots at the end of the 2002 season, but after the start of the 2003 campaign the lure of Rugby League was too much to resist.

James Bunyan - 25 year old second row or centre who signed from Rochdale Hornets. Was brought in particularly to stiffen up the defence on the fringes. He is one of those players who is a quiet achiever rather than a star performer, but in the same vein he is a player who is highly respected by his fellow professionals. He comes with a wealth of experience and is very keen to be playing at the highest possible level, which of course concurs with the clubs ambitions of reaching Super League. His previous clubs also include Huddersfield Giants, Doncaster Dragons.

Will Cowell - Played 18 times in Super League for Warrington Wolves, mostly as a substitute. The 22-year-old Cumbrian, a product of that prolific provider of rugby league players, Kells, he left Wilderspool permanently to join Oldham originally on a one-year contract which he has recently extended for another year. He plays full-back, wing or centre, preferring full-back his chances to impress the coach will probably be as a winger or centre. Former Warrington coach Daryl van de Velde, spoke well of Cowell before the youngster was invited to join the Roughyeds.

Gavin Dodd - The former Royton Tigers youngster, who later had a spell with Bradford Bulls academy team. Fast on the break, yet unpredictable at times, Dodd scored some good tries for the team last season and made the full back position his own forcing Sibson out to a wing berth. Dodd represented Great Britain students in Australia and New Zealand two years ago, and was selected in the GB under 21 squad last season.

Lee Doran - Another young player in whom Oldham have a lot of confidence. A Wiganer, Lee has worked his way through the Oldham academy and alliance sides and is now probably one of the first names on the first team sheet each week. Good pace and robust defence give him all the assets required to make a top class second row forward. Showed up well in the NFP under 21's, in 2001, One of five Oldham players in the squad.

Martin Elswood - Oldham's recently captured local 20 year old second row or centre Martin Elswood from Super League club Huddersfield Giants. At around 6'4" and 16st Martin has power as well as pace, he is eager to further his career and for this reason wants to get some first team rugby under his belt. Martin was brought up on a strong rugby background at North Chadderton school and was also reared in the Royton Tigers youth set up.

Phil Farrell - Phil starting his fourth season at Oldham has just been appointed club captain. Played a lot of his rugby with Oldham at second row but it looks like he will fit into the loose forward role this season, a position his older brother Andy fills for Wigan. One of the youngest captains in the league.

Craig Farrimond - Oldham captured Craig Farrimond a back row forward from Super League club Warrington Wolves on his 21st birthday. He started his rugby years at Ince Rose Bridge and played for them in a BARLA National Cup Final before signing for Warrington, where he has been the captain of the under 21 side for the last two seasons. He also featured in the Super League under 21 side which beat their NL1 counterparts. Craig was offered a full time contract by the Wolves, but he did not consider it lucrative enough to give up his job. Oldham beat off competition for his signature, including Leigh and Halifax.

OLDHAM 2004 SQUAD - PEN PICTURES

Jon Goddard - Goddard came to Oldham on loan in the 2002 season on the high recommendation of Graham Steadman, Castleford boss. Goddard was reared in Castleford youth and schools rugby before going to The Jungle to play for the academy side. During his two seasons in their Alliance team he has played three times in Super League. Although a young novice when first thrown into the first team he has developed and made the transition from a full back to competent centre.

John Hough - The first player to sign for his home town club when the new Roughyeds were formed by Chris Hamilton and his fellow directors in the autumn of 1997. On his day one of the best hookers in the NFP a danger to any defence form acting half back. One of the leading try scoring forwards in the National League.

Nicky Johnson - Nicky signed for Oldham towards the end of the 2003 season for the run in to the play offs on a loan deal from Bradford Bulls. Nick is a winger and was a member of the Bradford Academy team which won the Super League Academy Championship. An Oldham lad he is keen to play for his own town team and had a good debut scoring a try against Whitehaven in Cumbria

Iain Marsh - Iain is a 22 year old goal kicking centre or winger signed from Barrow Border Raiders. Iain a St Helens lad played for Salford for 5 years including some Super League appearances. Then went to St Helens the season before last. A solid defender and very strong finisher. He is the biggest outside back we have had at Oldham for quite some time and continues the policy of adding size strength and a mean streak to the side.

Martin McCloughlin - Martin fits the Oldham ethos of big front row men, he can also play second row. Signed from Barrow at the end of the 2002 season, during the year with the cumbrian club he twice managed to get his name into the NFP form team of the month.

Dane Morgan - Dane Morgan standing 6'5" and weighing around 17½ stone, the 24 year old second row or prop forward has a brilliant pedigree. He has played for North Sydney and was a try scoring member of the World Club Championship winners Melbourne Storm who beat St Helens for the title. Dane came to Britain with an ambition to play in Super League, an ambition the Roughyeds share.

Neil Roden - Signed from his own town club Wigan, the son of Wigan's chief scout now has the scrum half jersey to himself, after winning the accolade of Players Player of the Year in 2002. Has shown improvement in every season with the Roughyeds and is one of the best scrum halves outside Super League.

Paul Southern - Oldham captured the vastly experienced prop forward from Rochdale Hornets in the close season. Paul who is 27 years renewed acquaintances with Iain Marsh, Simon Svabic and Ian Watson who he has played with in his spells at Salford and Rochdale. Paul showed great consistency playing for Hornets last season and this earned him a place in the NL1 form team of the year. The Roughyeds hope he can continue that consistency.

Simon Svabic - Simon is another one of the players signed from the Centurions at the end of the 2002 campaign, although his career started in Oldham with the now defunct Bears. A stand off half of great guile and important play maker in the Roughyeds armoury for this year.

Ian Watson - The Scrum Half was another close season capture from Rochdale Hornets. Ian has been a Welsh international since 1996 and is regarded to be a clever half back with a good kicking game. An experienced scrum half who has served Salford, Swinton, Widnes and Rochdale since his amateur days with Eccles

Lee Marsh - Lee Marsh signed on a one month loan deal from Salford City Reds but has been at Oldham ever since. Can play Centre/Stand Off/2nd Row/Loose Forward. He represented the National League against the Super League under 21's in both games. He was denied a regular place at Salford due to the abundance of talent there with Beverly/Clinch/Moana etc.

Pat Rich - Recently re-signed for Oldham. Pat played in the successful 1991 Grand Final team and still holds the club points scoring record for his achievements during that season. Pat plays centre, and is renown for his copy book tackling and his prolific goal kicking which enabled him to gain the point scoring record.

NATIONAL LEAGUE TALK

The big kick-off! with GARETH WALKER of RUGBY LEAGUER & LEAGUE EXPRESS
By GARETH WALKER of Rugby Leaguer & League Express

THE real deal of the LHF Healthcare National League seasons start on Easter Monday - and it's what everyone has been waiting for. That's not to say the Arriva Trains Cup group stages hasn't had its merits - the competition has provided some terrific action. But the league campaigns are what the National League season is all about.

Both NL1 and NL2 have a hugely competitive look about them. Leigh Centurions will start as favourites for NL1, though not in the 'overwhelming manner' that Huddersfield and Salford were in the past two years. The Centurions have taken several teams apart during the ATC, and with coach Darren Abram insisting they have plenty of improvement left in them, they will certainly take some stopping. This year's relegated team, Halifax, have not taken on that favourites' tag due to a combination of their lack of a full-time squad (as opposed to Huddersfield and Salford), and some indifferent performances in the ATC. But make no mistake about it, with players of the calibre of Anthony Farrell, Phil Cantillon and Jon Roper in their ranks they should be among the front runners. Hull KR have been a little up and down so far, but should also be among the NL1 leaders, along with Whitehaven, whose run to the Challenge Cup quarter-finals has shown their potential. Both teams will have to win consistently away from their own, fortress-like home grounds to ensure a top four spot.

Oldham and Doncaster have both shown glimpses of their potential, while if you are looking for a dark horse then Batley Bulldogs - even without the injured Dean Lawford - could emerge from the pack and provide a real challenge. Featherstone Rovers look the most difficult team to assess - their results have included a home defeat to 12-man York, and an against-all-odds win at Hull KR.

But most people expect the relegation battle to be fought out between Keighley Cougars and Rochdale Hornets, though no doubt respective coaches Gary Moorby and Bobbie Goulding believe their sides can pick up enough wins at home to avoid bottom spot.

Rugby Leaguer & League Express we will be publishing a midweek edition to cover the Easter Bank Holiday action. Our Easter Special will be on sale on Thursday 15 April, and will report on all the action from Easter Monday and Tuesday. It will, as usual, cost just £1. Make sure you order your copy, so you won't miss any of the Easter action.

Oldham 22 v 22 Rochdale Hornets (Att 2,050)

One of the most entertaining games between the two sides came in last years Arriva Trains Cup. It was perhaps no surprise that this game should end in a draw given the number of close encounters served up by the two sides in various competitions in recent seasons. And a draw was a fair reflection on a game that both sides could legitimately argue they should have won.

The game started scrappily in blizzard conditions and the standard of play of both sides noticeably improved as the weather itself relented.

The first score came on the quarter hour when Richard Pachniuk and Mick Nanyn combined to put James Bunyan in at the corner. Oldham bounced right back when Lee Doran burst onto a Gareth Barber pass to touchdown next to the posts. One of the key turning points came just after the half hour mark. Phil Farrell had a try disallowed following Neil Roden's grubber kick and seconds later Gavin Dodd was sin binned for interfering at a Hornets penalty. This proved the spark for a spell of incessant Hornets pressure and it came as no surprise when Matt Long strolled over from close range for a converted score.

Hornets probably went in at half time fairly contented with a 10-6 lead and could not of anticipated Oldham's whirlwind start to the second half. First Farrell made a break before setting up the supporting Barber to score between the posts. Farrell then scored himself following a left to right cross-field passing move. A similar move 4 minutes later saw Chris Morley power over and create and Oldham found themselves 22-12 in front.

But Hornets refused to capitulate and a number of solid drives resulted in Jon Roper's first try on his Hornets debut. Minutes later, with Oldham not having touched the ball, Richard Pachniuk capped a man of the match performance by scooting over from dummy half.

With the scores level at 22 all, the last 10 minutes provided opportunities for both sides to score. Casey Mayberry went close and several drop goal attempts were either charged down or drifted agonisingly past the posts. At the final hooter both sides were left reflecting on how they had failed to win.
