THE CHAIRMAN'S THOUGHTS

with
CHRIS HAMILTON

Welcome back to Boundary Park for our pre-season match against Super League side Leeds Rhinos.

Tonight's game is very special. Not only does it allow us the opportunity to raise much needed cash to put towards the next instalment in our payment agreement with both the Excise and Revenue, but it also gives the chance for one of Oldham's favourite rugby sons and ex Roughyed forward, Barrie McDermott, to sign off his playing career, here in his home town (and in a red and white shirt at that!).

Certainly, Barrie's involvement in tonight's game has captured the imagination of both sets of supporters, so, let's hope that this is reflected in the attendance.

We were both pleased and honoured to play the Rhinos at Headingley at the beginning of last season as part of Barrie's testimonial activities. In return, Leeds promised to come to Boundary Park to play a pre-season friendly to kick-start the 2006 season and we would like to pass on our thanks to Garry Hetherington and his staff in making that possible.

Barrie has struck a deal with Leeds Metropolitan University to provide free entry to tonight's game to U16's and for every ticket taken up they will donate £1 to the club. We hope that this, coupled to our own discount on pre-purchased tickets, will tempt enough people to the game to make a distinct difference in our financial battle.

We were all disappointed when the Law Cup game against Hornets had to be cancelled last Friday and hastily rearranged to Sunday. It probably meant that a number of supporters missed the match but everyone who attended could see that after all the rain just how spongy the pitch was. We were just glad to be able get the match played. Whilst our performance was below par, it was easy to pick out the team that had the added advantage of having the

lion's share of last season's squad still in place against that which has been subjected to extensive rebuilding. Having said that, our coach John Pendlebury and his players, will have found the run-out hugely beneficial. The lads with little experience of rugby at this level have now had the chance at first-hand to see the amount of fitness and application required. For that reason alone the match was most worthwhile.

Obviously, tonight will provide another stern test for the players, especially as there have been only five days between this and last Sunday's game. It is vital that we step up our performance level, as this is the last game before the season kicks-off in earnest on February 12th.

Both my fellow director Sean Whitehead and myself, would like to take this opportunity to heartily thank everybody who has supported the various fund-raising events that have been organised to raise money for the club since the back-end of last season. We must reiterate though that we are not yet out of the woods and in addition to the £50K payment that has to be made at the end of the month we have further payments to make in both March and May. It goes without saying that we are still accepting pledges to Club 180 and we once again ask for your assistance in helping save the club--- we can't do it on our own! There seems to be a feeling that everything is now ok - **but we're not yet safe and we still need your help.**

I would like to wish John Pendlebury and all the new players good luck in their new careers at Oldham RLFC, and, as ever, I will do all I can to assist them.

Thank-you for your continued support and enjoy the game.

Chris Hamilton

FROM THE TOUCHLINE

with JOHN PENDLEBURY

Good Evening and a warm welcome to Boundary Park for the first game of 2006.

Well, as you know, it's been all change during the close season on both the coaching and playing front.

It hasn't been an easy task, bearing in mind the competition for players and the annual merry-go-round, but with the support from Chris and Sean, I feel that we have managed to assemble a squad of players that will do Oldham proud. As with all these things we will continue to look to strengthen the squad, with additions still needed in the three-quarters.

We have retained the services of over half of last season's players and recruited in key positions. The new signings should provide a mixture of experience (from the likes of Alan Hadcroft, Craig Dean, and Chris Percival) and youthful enthusiasm from the younger members.

I trust you will give them all a warm welcome.

When I took over the role of coach the main task was to assemble a squad of players that I felt would be competitive in this division. From October onwards I have, along with Chris, spent more hours than I care to

remember drinking coffee in hotel foyers with potential new recruits.

Once the recruitment was under way both myself and Keith Brennan turned our attention to off-season training. This varied from weights and field work to attacking those notorious Oldham hills. It has been pleasing to see the enthusiasm and commitment of all the players and the progress they have made, bearing in mind their full-time occupations.

I hope that the 2006 season will provide a platform from which Oldham can build for the future.

Tonight, Boundary Park welcomes Super League opponents Leeds Rhinos and I'm sure you will join me in welcoming Tony Smith and his team. The game should provide us with a competitive work-out putting the finishing touches to our preparations for the opening of the season proper.

I look forward to seeing you all in the coming months and thank you for your support.

with BRIAN WAKER

What's worth saying about Barrie Mac's playing career has already been said.

So, on the basis that tonight's appearance (which, I'm pleased to say, will be as a guest player for his hometown club), will be his swansong. Therefore, all that remains for me to do, is to provide a set of stats for the match programme, wish him well in his new coaching position with the Rhinos and add that 'The Battle of Carcassonne' will be out on DVD soon!

THE ROUGHYEDS 2006

AN OVERVIEW OF THE NEW LOOK OLDHAM RLFC SQUAD OF 2006

ANDY BAILEY - Signed during the close-season from Castleford Tigers. At 6' 3" is an ideal build for a second-row forward. Super League experience with Hull who signed him from Featherstone Rovers.

GARETH BARBER - A local born player who started his professional career with Warrington Wolves. Primarily a stand-off who can fill most positions in the back-line. In 2005 he was also used effectively at hooker. Represented the National League under 21 side that defeated their Super League counterparts in 2001.

MIKE CALLAN - A prop-forward who has had Super League experience with Warrington Wolves. Hoping to make a huge impact this season under the guidance of coach John Pendlebury.

GED CORCORAN - 23 year old prop-forward signed for the Roughyeds after spells with Halifax (where he gained Super League experience), Dewsbury

Rams and French outfit Limoux. Started his rugby career with Royton Tigers.

WAYNE CORCORAN - 20-year-old Irish international forward. Recruited from Halifax where he gained first team experience.

CRAIG DEAN - Former Chorley Lynx, Halifax and Leigh player who can turn out at full-back or in either half-back positions. Had a short spell with Saddleworth Rangers.

ANDY GOREY - A young full-back who is bursting with enthusiasm. He made 8 first team appearances last season albeit on the wing but is hoping to claim the number one jersey this term.

DEAN GORTON - Looking for regular first team action after spending two years in the Salford City Reds U21 side, where, in 2004, he picked up their Player of the Year award.

DANNY GUEST - A big prop who has just returned to Oldham after retiring at the end of the 2003 season following a serious knee ligament injury. Former Oldham Bear who has had experience with Keighley Cougars and Lancashire Lynx. This will be his fourth spell with Oldham.

ALAN HADCROFT - A robust centre who is known for his solid defence and strong running. Signed from Halifax for the 2006 season, Alan's previous club list includes Wests and his hometown side Leigh Centurions. Played for the National League against New Zealand 'A'.

GARETH HAYES - 20 year-old prop-forward signed from Salford City Reds during the close-season. He was voted Salford's U21 Player's Player of the Year in 2004. Leigh born Gareth stands at 6'3" tall and weighs 17 stone.

IAN HODSON - Signed initially on loan from Swinton Lions in 2005. After impressing he was given a contract for 2006. A hard worker who can handle the ball and who is equally at home in the second-row or at loose-forward.

CHRIS HOUGH - Oldham born half-back who excelled last season forming a great partnership with Marty Turner. A leader who knows how to galvanise his team-mates into action.

JOHN HOUGH - The first player to sign for his hometown club when it was reformed in 1997. An hooker who has signed a contract to take him to the end of the 2007 season, which will allow him to complete 10 years with the club.

Signed from Warrington Wolves, he can also play at loose-forward and is excellent at acting half-back.

JAMES KIRKLAND - Ex Oldham academy. A young hooker who should go far in the game. Former Waterhead Junior and Wigan Warrior student. A tough tackler and excellent acting half-back.

CHRIS MAYE - A 21 year-old second-row or centre signed from Swinton Lions for the 2006 season. Started his pro career at Wigan Warriors before moving to St Helens where he was on the verge of being selected for the England Academy side, but was thwarted by a wrist injury. Had a loan spell at Halifax where he gained Super League experience.

DANNY NANYN - Injury brought to a halt this young prop's impressive start to the 2005 season,

but then managed to pick up where he left-off. Started well against Rochdale Hornets last week.

CHRIS PERCIVAL - Just returned to Oldham after a spell on-loan at the end of 2003. He played for Leigh Centurions for two seasons. A quick three-quarter who scored 20 tries in 20 games in his first season with Leigh but missed out in 2005 with a broken leg. Will be seeking to rekindle his try scoring feats this year.

MICK REDFORD - Signed for the Roughyeds during the close-season from Blackpool Panthers. Originally from the Leigh East amateur club, has also played for Chorley Lynx. Was a crowd-pleaser at Blackpool where he played prop, second-row or centre.

MARK ROBERTS - Joined Oldham on loan from Warrington Wolves towards the end of the 2004 season. Initially used as a centre, where he can display a turn of pace. Also has sufficient upper-body strength to enhance the back-row of the pack.

After an injury plagued season in 2005 is keen to put things right in 2006.

SIMON SVABIC - Footballing half-back who made a huge impact for the Roughyeds in the second half of the 2005 season at loose-forward. Former Oldham Bear, Salford and Leigh player.

ALEX WILKINSON - Local born Alex, toured with Great Britain schoolboys to Australia in 1999 and with the England Academy to New Zealand and Australia in 2001. He played his junior rugby with Royton Tigers before signing for Super League giants, Bradford Bulls. Whilst at the Bulls he had a loan spell with London Broncos where he chalked up 6 Super League appearances, before going on loan to Huddersfield Giants where he added another 13 top-flight games to his tally. Had a loan spell with Hull F.C. where he impressed the Humberside high-flyers sufficiently for them to offer him a two year contract. Alex decided he wanted to complete his degree and when part-time rugby was the right option he chose his hometown club. Can play both centre and wing.

LEE WINGFIELD - 24 year-old second-row signed from amateur club Leigh Easts. He has been selected for the BARLA Great Britain team for three successive seasons, and toured both Australia and Russia. Signed a two year contract that commences with the start of the 2006 campaign.

WATCH OUT LEEDS...

...BARRIE'S GONNA GET YA!!

One of the big attractions in tonight's pre-season challenge match is the re-appearance in a Roughyeds' shirt of Super League superstar Barrie McDermott.

Although Barrie found ultimate stardom away from Oldham, he has always shown gratitude to the town where his career began and to the school, clubs and coaches who guided him on those first faltering steps that eventually led him to Wembley, test match glory and legendary status at Leeds, where he has enjoyed a remarkable cult following.

Barrie was brought up in Glodwick and attended St.Albans school. He was a member of the school rugby league team which, at that time, was the top team in Oldham. From there he went, briefly, to Saddleworth Rangers before joining Waterhead where his talent blossomed. After starring through the age groups at Peach Road, McDermott achieved his highest honour in amateur rugby when he toured New Zealand in 1991 with the BARLA Young Lions.

McDermott played in four of the seven tour matches including both tests against the Junior Kiwis. New Zealand, led by Steve Kearney and with Willie Poaching at loose-forward, were much too strong for the Young Lions and won both tests. The first match, at Wingham Park, Greymouth, was lost 34-16 but Barrie McDermott had the satisfaction of being named man-of-the-match. The second test was played on Auckland's North Shore and was lost 28-0. On his return to Britain, Barrie McDermott achieved one of his great ambitions when he turned professional with Oldham.

Barrie made his senior debut in the first match of the 1991-92 season. It was a Second Division match against Sheffield Eagles at the Don Valley Stadium and it ended in a 16-all draw. McDermott was substitute and he came on to replace second-row forward Shaun Allen. His first match in the starting line-up came three weeks later at

St.Helens in a quarter-final Lancashire Cup-tie. He wore the now familiar no.10 shirt in a match which St.Helens won 39-26. During his three seasons with Oldham, McDermott made 40 appearances and scored six tries, his first touchdown coming in his second outing, a 46-19 home victory over Leigh. Barrie never played in a major trophy final for Oldham but he did excel in a couple of important cup-ties which went a long way in deciding his future career. The first came in October 1992 when he was a try scorer at Wigan where the home side beat the Roughyeds 48-8 in a Lancashire Cup, semi-final tie. Fourteen months later he scored another try against Wigan in a Regal Trophy tie at Watersheddings when the visitors overcame dreadful weather, as well as a spirited Oldham performance, to beat the Roughyeds 16-8. Oldham's final match of that 1993-94 campaign was against Wigan who had to win at Watersheddings in order to lift the First Division Championship. Oldham rocked Wigan early on in that match and Barrie McDermott was outstanding throughout despite the fact that Wigan won by 50 points to six. Nine weeks later McDermott was a Wigan player following his £60,000 transfer.

During the eleven years and nine months since Barrie McDermott last wore an Oldham shirt, he has gone on to win the Challenge Cup at Wembley and the Super League Grand Final at Old Trafford. He has also represented Lancashire three times, England once, Ireland 12 times and Great Britain in fifteen test matches. He will be remembered as one of the great prop-forwards of his generation and tonight you will have the privilege of watching him play in his last ever match.

ANOTHER SEASON...

by Matthew Chambers of the Oldham Chronicle

Another season, another new face on the Oldham rugby scene.

With the legendary figure of Roger Halstead having retired from the Chronicle after spending a mind-boggling 41 years covering the Roughyeds, I recently took up the mantle as rugby league reporter on the paper.

It's been a great experience already. As a Huddersfield lad I've grown up within the rugby league culture, but that hasn't stopped me being amazed by the passion and commitment shown in this town by rugby league fans and administrators, both professional and amateur.

Add to that the open, welcoming nature of the sport in general, and it's hard to imagine a smoother induction.

But enough of the gushing: there's a season about to start. Roughyeds supporters have had it rough in the past few years, to say the least. Relegation from Super League, the loss of Watersheddings and near-financial meltdown doesn't make for a comfortable ride.

The club certainly isn't out of the woods yet but there seems to be a growing sense of optimism around the place, especially concerning the team's prospects on the pitch.

New coach John Pendlebury appears to have assembled a youthful squad containing plenty of performers with a point or two to prove. It seemed at one point during the close season that the revolving door would never stop spinning due to a steady flow of departures.

In all, 12 players opted not to re-sign for the coming season, and it would take a good side at this level not to feel the impact of losses such as Jon Goddard, Ricky Bibey and Marty Turner.

However, new signings such as - amongst others - big Mick Redford, the Corcoran brothers, former Hull man Andy Bailey and ex-Leigh try machine Chris Percival have restored confidence that a play-off place could be achieved in what is a very strong National League One this year.

Of course, much will depend on how the new signings blend under the watchful eye of Pendlebury, a former Super League coach of the year.

At the very least, another season of rugby lies ahead for Roughyeds' and for all those who hold the club close to their heart, that in itself is cause for celebration.

LEEDS RHINOS

Player Profile

Ashley Gibson, centre. Honours: England U18

Made the breakthrough into the first team against Leigh Centurions last season and had a dream introduction, scoring a hat trick.

Danny Williams, second-row.

Honours: England U18

Prior to joining Leeds he played for the amateur side Whinmoor. Represented England at U16, 17 and 18 levels. He represented Yorkshire in the Origin game in 2005 and was subsequently selected for the England U18 Academy squad against France.

Michael Brown, centre.

A versatile player who previously played for Hunslet Parkside and has represented Yorkshire.

Michael Ratu, centre.

Prior to joining Leeds he played for Oldham amateur side Higginshaw and has represented Lancashire and England at U15 and U16 levels.

He was a member of the 2005 Senior Academy side who won the First Division Grand Final against Widnes. Prior to joining Leeds played for Hunslet Parkside and has

Born in Oldham, David made the move across the Pennines in 2004 to join the Leeds Academy. Last season he scored 9 tries in 16 appearances and was part of the winning Senior Academy Division One Champions. Previously played for Leigh Centurions. He has represented England U17 Academy and the Lancashire U18 Academy.

Chris Buttery, centre.
