COUGARS

CARNEGIE CUP

SUNDAY 1st APRIL 2007

KICK OFF 3.00pm COUGAR PARK

Today we see a few familiar faces back at Cougar Park in the form of players. With of course Steve Deakin returning as a coach albeit for the opposition on this occasion. Lets give them and the Directors and officials of Oldham a very warm Cougars welcome. Oldham like the Cougars, are in the throes of building back after a similar season to ourselves last year, in a higher division of course. They seem to be getting there, having put 42 points on the scoreboard at Swinton last week.

But the Cougars are going well, last week gaining our first away win, and also the double over an opposing team, in quite some time, and doing it in great come back style. Something our brilliant band of noisy supporters really enjoyed. Gateshead supporters are always very vocal, but this time we had two winning teams our players on the park and our supporters out bantered theirs in the stand. The lads really did feel the backing and responded in excellent form. Thanks and lets keep it going.

I would like to thank personally a new company to the town in Jewsons, who have kindly come forward with promises of substantial sponsorship. We will work to prosper together.

Enjoy your rugby

Down Memory Lane

Apart from actually appearing in a Challenge Cup Final in 1937, there has been several occasions when Keighley have gone close, the last being in 1976 when St. Helens won a Semi-Final tie by 5 points to 4 in controversial circumstances, at Fartown.

It appears that St. Helens, as far as Cup Ties are concerned, have been the thorn in the side of Keighley on more than one occasion and on those occasions disputes have marred the outcome. Lawkholme Lane too has been the scene of several unhappy incidents.

Under wartime regulations on 27th March 1915 4000 spectators as Keighley play St. Helens at Lawkholme Lane in a 3rd Round Challenge Cup Tie. The wartime regulations required, in the event of the scores being level at the end of normal time, that two periods of extra-time be played 15 minutes each. This requirement was to cut out unnecessary travel. On this occasion the score at the end of the normal 80 minutes was 0-0, still so with the first period of extra-time being played in a snowstorm. 11 Keighley supporters cheered when Taylor dropped a goal. This lead Keighley held until three minutes from the end of the second period of extra time, when Trewith for St. Helens scored a hotly disputed try. A Keighley player was sent off the field shortly afterwards for disputing the referee decision, and the match ended with a victory for St. Helens by 3 points to 12. The referee, Mr Robinson of Bradford reported the Keighley spectator for allegedly throwing stones at him as he left the grounds. He stated that he was not hit but two policemen and a boy were. The offence was admitted, and the Northern Union Committee decided to suspend the Keighley ground for the rest of the season. This resulted in a League match against Hunslet being played on Bradford's ground at Birch Lane and a fixture against Leigh not being fulfilled.

History repeated itself 40 years later when on 5th March 1955, St Helens again defeated Keighley by 3 points to

2 at Lawkholme Lane, this time a 2nd Round Challenge Cup Tie, before a crowd of 10000 spectators. In the 20th minute of the match Len Ward gave Keighley the lead with a penalty goal, and they held on to this lead until 4 minutes from the end of the match, facing a strong wind in the second half. Again a disputed try was scored when several St. Helens players were involved in a passing movement from the Keighley '25' which resulted in Carlton touching down. A forward pass was apparent to most of the spectators and thousands of television viewers, and even St. Helens officials thought that they were lucky to 1 in the next round. This time there was no bad reaction from the spectator and the Keighley directors granted the players winning pay for their effort

Keighley too have played their share of junior clubs in the Cup. The one Cup Tie against amateur opposition to gain most comment has been the 1st Round Challenge Cup Tie of 1948 which was a two-legged affair against Risehow & Gillhead. After winning the first leg at Lawkholme Lane by 11 points to nil, Keighley went away and lost by 2 points to 10, scraping through to the Second Round by just 3 points.

Another amateur club gave Keighley a fright at Lawkholme Lane in 1930, again in the 1st Round of the Challenge Cup. Their opponents on that occasion were the Cumbrian team, Great Clifton, who proved to be as 'Great' as their name implied. The game was played on a quagmire there could be no other word for it, and Great Clifton took the lead after 10 minutes of play with a converted try. Keighley had only themselves to blame for not capitalizing on some of the many chances that came their way, but just before half time they did manage to score a try which put them back in contention. After 10 minutes of the second half Kendall got a try which proved to be crucial as Keighley ended the match winners by 6 points to 5.

That match was played on 8th February 1930 and produced feelings in a Great Clifton supporter that made him write a poem about the occasion.

Carnegie Great Student Run TAKING SUPPORT BEYOND BOUNDARIES

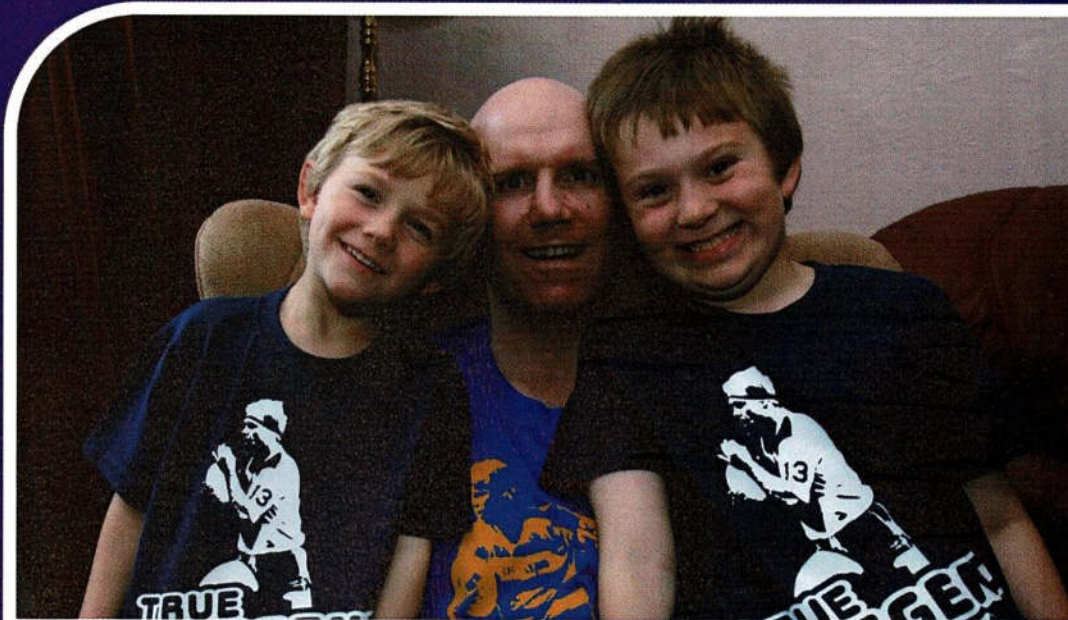

When Leeds Met launched the Carnegie Great Student Run 2007, leading the way was former Widnes, Wigan and GB star Joe Lydon. Joe declared his intention to run the 5km race to raise money for the Mike Gregory Trust Fund. Mike is one of rugby league's most popular, respected and courageous stars who captained Warrington and his country with such distinction.

The Mike Gregory Trust Fund was formed by friends and supporters from the rugby league community who knew

of Mike's battle against Motor Neurone Disease and felt compelled to do something to help.

It is Mike and his family's intention that the trust's funds will be used to cover his ongoing medical expenses and help raise awareness about the effects of Borrelia/Lymes Disease.

Through the Carnegie Great Student Run and the Carnegie Challenge Cup, Leeds Met Carnegie provides a unique opportunity for the whole of the rugby league community to participate and support the Mike Gregory Trust Fund.

OFF THE BENCH

Welcome to former cougars coach Steve Deakin and his Oldham players for this all league 2 challenge cup clash.

I'm sure, as us Oldham were hoping for that glamour tie to help financially but with both teams being from league 2 it is a chance to progress even further and then possibly get that money spinning game.

Its going to be a tough game with Oldham probably a lot stronger outfit this year than last season in league 1 and we are going to have to be at our very best for 80 minutes to win through but with home advantage we hope we can produce our best form to edge it.

In my former half back partner at Batley Neil Roden, Oldham have a potential match winner who on his day is among the best half backs outside super league so we are probably going to have to keep a close eye on him this afternoon.

Finally I would like to thank all of you supporters who have been travelling to our away games over the last 2 years. The losing run started before my time at Keighley in April 2005 but we did not manage a win last year and I must admit it was something the club wanted to end as quickly as possible this time out.

We came very close a few weeks ago at York but just missed out and we were nervous about sundays game and it showed at times early in the game when we went 10 nil down then again in the second half when we got our noses in front. It certainly was very nailbiting but one thing that shone through is that even though we didn't play too great overall the team spirit and commitment was there for all to see and was a great relief to see Mick Foggerty dive in the corner as the hooter sounded. Hopefully it has got rid of the hoodoo and we can transform it into plenty of away and home wins this year.

Simeon Hoyle - Formerly with Keighley Cougars and Halifax, hooker Simeon was one of the first of the new boys to be signed up by Roughyeds for 2007. He is a hooker of the

old school ---- a tough and industrious operator in defence while having enough know-how to make things happen from dummy half

Geno Costin - A non-quota Aussie, 22-year-old Geno is in England for the first time and

hoping to make an impact in NL2. Former Halifax stand-off Carl Briggs, lined up originally to become Gateshead Thunder's new coach, planned to take Geno to the North-East with him. When that move broke down, Briggs pointed Geno in Oldham's direction, much to the delight of coach Steve Deakin.

Geno first established himself in the Queensland Cup competition with Wynnum-Manly, alongside another Roughyeds recruit Mark Ogden, but last year played in the same comp for Logan Souths.

Said Tamgaht - This French international, has represented his country at every level,

including fullyfledged Test matches against Australia and New Zealand. He played prop against the Aussies and second-row against the Kiwis, but both he and coach Steve Deakin have confirmed that he can operate equally well at loose-forward and also in the backs at centre or wing. On his way up the ladder to full French international honours, he played for Carpentras, Avignon and UTC (better known now as Perpignan-based Catalans Dragons)

Ian Sinfield - Another vastly experienced forward who is returning to his hometown club.

The brother of Leeds Rhinos captain, Kevin Sinfield, Ian played in the first ever Roughyeds game at Rochdale on New Year's Day, 1998. He had come initially on loan from Salford, but soon afterwards he was signed on a permanent basis, with Roughyeds paying out an undisclosed fee for his services. 'Sinny' had four seasons at Oldham, making more than 70 appearances, before moving to Rochdale, then to Keighley, and on to Swinton. While at Keighley he played in the NL2 Grand Final alongside Simeon Hoyle, Paul Ashton and Richard Mervill.

Stuart Oldham - Formerly with St Helens and Swinton, Stuart has good pace and also has

experience of the full-back position. While at Saints, he impressed the then academy coach Dave Rotherham, who spoke highly of him to Oldham boss Steve Deakin. He lives at Eccles and played his first serious rugby with Sedgley Park RU club before moving up the ladder in union with Liverpool St Helens.

Richard Mervill - Formerly with Halifax and then Keighley, Richard comes to the Roughyeds for

2007 from Australia ---- a similar route to that taken by his former Cougars team mate, Simeon Hoyle. Mervill played in the 2003 Keighley side that won promotion to NL1, alongside hooker Hoyle and stand-off Paul Ashton, and later jetted off Down Under, where he has been playing for Dapto in the Illawarra competition.

John Hough - He was the first player to sign for the 'new' Roughyeds

club when it was formed by Chris Hamilton and his fellow directors in the autumn of 1997, following the demise of Oldham Bears. Currently two seasons into a three-year contract, 29-year-old Oldham-born John will have completed ten years with the club at the end of the 2007 season and will thus qualify for a testimonial.

Mark Ogden - A 23-year-old from Queensland, Mark also occupies a spot

on the Roughyeds overseas quota. An accomplished play-maker, he is said to have the ability to guide the side around the park from outsidehalf. He was in the Brisbane Broncos development squad as a teenager and in 2000, aged 17, he represented Queensland Schoolboys.

Kris Smith - Another vastly experienced player, this 28-year-old has been on the books of four Super League clubs, namely Leeds, Salford, London and Halifax. He has also played in France with Pia and Carpentras and it was while he was briefly at Carpentras.

Alex Wilkinson - Oldham-born Alex played his early rugby with Royton Tigers and toured with

GB schoolboys to Australia in 1999 and with England academy to New Zealand and Australia in 2001. Super League giants Bradford Bulls snapped him up and, while at Odsal, he had a loan spell with London Broncos, where he played six times in Super League. He then moved on loan to Huddersfield, where he added another 13 Super League games to his tally. He played a similar number while on loan to Hull FC, who offered him a two-year contract. However, Alex wanted to complete his degree and with part-time rugby the only option he chose his hometown club.

Neil Roden - Neil has rejoined Roughyeds from Leigh after leaving the club initially to go to Batley in

2004. In his first stint with Oldham, after joining from Wigan Academy, he amassed 290 points (68 tries and 18 drop goals) in 142 appearances over four and a half seasons. No other player in the nine-year history of the 'new' Roughyeds club has totalled more tries than Roden, whose 68 pushed Mark Sibson (61) into second place.

Chris Baines - A young forward who also did enough for coach Steve Deakin last year, while on loan

from Warrington, to win a contract for 2007. He proved to be a good, hard-working forward in his first season with the Roughyeds and the experience he gained will serve him and the club well in NL2.

Lee Wingfield - This 24-year-old second-row forward, signed last year from amateurs Leigh

East, can also operate equally well at centre. He won many honours in the amateur game and played on numerous occasions for Great Britain. He played against France and Russia in Russia in 2003 and kept his place for international appearances against France at Carcassonne and then for the return game at Whitehaven.

Wes Rodgers - At the age of 29, Wes brings experience, a cool head and stability to Oldham's front-

row in 2007. Oldham-born, he first played for the Roughyeds in the club's early days, but he returns, from Swinton, as a much more experienced and matured front-row forward, who is delighted to be coming back for a second chance with his hometown club.

Andy Gorey - A scrum-half in his Royton Tigers days, local lad Andy became a good

full-back in the former Roughyeds academy side. He was under contract on the break-up of the academy side, but he pledged to fight for a place in the first team rather than go elsewhere. In 2006 he became a fans' favourite with gutsy performances, capped off with a couple of length-of-the-field tries. Diminutive, but pacy, he established himself as a regular on the wing, making more than 20 appearances and taking his try tally into double figures to finish the season as the club's top try scorer.

Paul Ashton - Aged 27, Paul learned his trade at Saddleworth before playing for Halifax,

Rochdale, Keighley and Swinton. He was in the Cougars side, with his new Roughyeds team mates Simeon Hoyle and Richard Mervill, that won promotion to NL1 in 2003. He got his big chance at Oldham in 2006, initially on a week-to-week basis, and did enough to earn a full contract for 2007.

Drew Houston - One of the two overseas quota men for 2007, 23-year-old Drew comes

highly recommended by another new Roughyeds recruit, Simeon Hoyle. Hoyle played in Australia in 2005 and liked what he saw of the Dapto pair, Houston and a former Keighley colleague Richard Mervill. Houston, once a youngster linked with Melbourne Storm, had two seasons with a Storm feeder club, Norths in the Queensland Cup, before heading south for Dapto, champions of the Illawarra competition.

Paul O'Connor - Had three games for Roughyeds while on loan from Widnes Vikings last season and made

such an impression on coach Steve Deakin that the boss didn't hesitate to go for him again when he learned he might be available..

A former Ireland and Great Britain international at Students' RL level, 22-year-old Paul spent two seasons with Widnes, his hometown club, operating mainly in the under-21s at full-back or on the wing.

Michael Stout - Another Roughyeds signing from Swinton, Michael has a good turn of speed for a forward

and likes to use it while breaking wide out --- a quality that also enables him to do a stint in the centre.

This Warrington-born school teacher played in the academy squads of both Warrington Wolves and Widnes Vikings before joining Swinton Lions a year ago.

Cougars Independent Squadbuilder Association

Hello again and welcome to CISA. Firstly an apology, due to technical difficulties (a cock up!), there were no standing order forms available at the game last weekend. however by the time you read this you should have had some both on Thursday night at the quiz and around the ground today.

I would encourage all the true fans to support CISA, it's time to start supporting the team, stop complaining or waiting/hoping for something to change. Nothing will, and doing nothing is not a good, or positive, way of helping put the Cougars back on the

Rugby League map. So stop sitting on your hands and complete your forms today.

I've just bought "A league of their own 2" and helped raise funds for CISA, it was simple and easy and cost me nothing extra.

I simply went to www.easyfundraising.org.uk, registered my name and email address and selected CISA from the "drop down list" as my cause (there are loads so be careful - we don't want anyone else getting our support do we?) and went onto Amazon and bought as usual.

Want to watch the Cougars play for free next year? As well as organising a regular draw, at the end of the season the name of a regular supporter of CISA will be drawn at random and win a ground Season ticket for 2008 - so join up today, don't delay.

Till then we hope you all enjoy today's game, till next time, goodbye.

John Fisher, Chair CISA

MATCH DAY SPONSORS

A big Cougar welcome to all our sponsors here today and we hope you enjoy the experience

Main Match Sponsors

COMMERCIALLY SPEAKING ?????

**Report from Helen Carter -
Commercial Manager**

I would like to welcome you all today to Cougar Park, its great to see so many of you Cougar fans here, I would also like to welcome Oldham Directors, player and fans here today.

As today is the 4th round of the Carnegie Challenge Cup today's match sponsors' are solely Carnegie and I would like to extend our welcome to Steve Denton, Carnegie's Pro Vice Chairman. Steve will be deciding today's Carnegie Man of the Match, which will hopefully be a Cougar player. To get to the 5th round of the Carnegie Challenge Cup would be a massive boost for the club especially for us to get a glamour draw so we really need you to get behind the boys today and cheer them on.

I would also like to welcome and thank United Co-operative to the National League. They have signed a 2 year sponsorship deal for the National Leagues. Bill Hout, President of the United Co-operatives has a strong links with rugby league and has been a Warrington fan since he was a child. The organisation has sponsored the national rugby festivals in the past and it was a natural progression in then sponsoring the leagues.

Finally I hope you all enjoy the game today and lets cheer our boys to victory.

See you soon

Helen

Development

For 6-9 weeks Keighley Cougars Development team have been coaching the basic skills and rules for tag rugby league in the Oakbank primary cluster.

The culmination of this was on Wednesday 14th march when all schools from Nessfield, Worth Valley, Holycroft, Oakworth, Haworth, Lees, Stanbury, Laycock, Oxenhope and Ingrow competed in separate boys and girls tag rugby league competitions. In both events leagues of 5 were formed with the top 2 in each group going through to the semi-finals.

The boys competition was an intense affair with no team wanting to give an inch, standards were very high from all teams but something had to give. In the end Haworth, Ingrow, Oakworth and Nessfield came out on top. In the semis Haworth pipped Ingrow 3 tries to 2 and Oakworth beat Nessfield 2-1. The final proved a showcase event and a last second breakaway try sealed a 4-2 win for Haworth.

The girls event mirrored the boys with some cracking players emerging. Things were certainly very close as 3 teams tied for the 2nd semi-final spot from group 1. Lee's primary pipped Worth Valley and Stanbury and joined Nessfield, Haworth and Oxenhope in the semis. Oxenhope beat Nessfield and Haworth beat Lee's to book a double appearance in the finals for both boys and girls. This time thought the girls were not as fortunate as Oxenhope proved just

too much for a double success as they won 4-2. Oxenhope and Haworth now go on to the Champion Schools final at Cougar Park in May representing the Oakbank Partnership.

All last week the girls Carnegie National Schools competition got underway in the Bradford & Keighley service area. All the Cougar coached teams did themselves extremely proud and as per usual we had a very high success rate for teams moving on to the Yorkshire regional finals at Shaw Cross at the end of April. 2 teams per age group move forward to this next stage and below are the schools that did so (Block capitals for schools coached by us)

Year 7 - HOLY FAMILY & PARKSIDE
Year 8 - HOLY FAMILY & ILKLEY GRAM
Year 9 - HOLY FAMILY & OAKBANK
Year 10 - Immanuel & Wyke

As you can see Holy Family dominated the competitions, not managing to lose a game in all the comps but the others proved very strong also. We will be re-visiting these schools and carrying on with the coaching to hopefully get them on to the next stage which is the National Finals

Enjoy today's game

Club Mascot, Freddie Cougar did his bit for Comic Relief this year, joining the kids from Ingrow Primary School for their fundraising BIG Aerobics workout, in which the whole school took part in in the school playground.

Freddie proved to be a big hit with all the kids, being mobbed as soon as he joined the kids and even managed to join in some of the aerobics sessions, shaking a paw very enthusiastically to the music!

As well as raising money for Comic Relief the event was organised to celebrate Ingrows achievement of gaining its 'healthy schools' status.

FREDDIES PAGE

Hiya Kids,

A big welcome to all our junior fans for today's big Cup game and my usual big welcome to all the junior fans from Oldham who have made the trip over to Cooper Park.

Wasn't it great to get the away win at Gateshead under our belts? My old Pal Captain Thunder was not a happy mascot I can tell you! Mind you he hasn't had to put up with Barry Eaton and Matt Foster all weeks, wandering around Cougar Park with silly grins on their faces!!!

As you can see from elsewhere in the programme I've been out and about in the Community for Comic Relief Day, I had a great time but was a bit sore after all those aerobics!!

Finally you may notice when you come down to the Ground that work has started on the new Cougar Pride Centre in the old players bar, hopefully we'll be seeing quite a few of you down for sessions from School when it opens

A Cougar Thank You

We received the following E-mail from Andrew Bissell , Dad of one of our younger team mascots this season . Looks like young Ievan may be trying to emulate his Uncle Simon & Turn out for the 1st team in years to come !

A big big thank you for organising today. Ieuan was a little overwhelmed when he got there and realised what he was going to be doing (he is only 3), but thanks to everyone at the club they made him feel really special and they all looked after him. I think it was Sharon who took him down the tunnel and looked after him and explained what would happen. Trevor Smith was also very good with him just making him smile and also bringing him off the pitch. But a special thank you to Craig F as he could see Ieuan was overwhelmed and was very good with him taking him on the pitch and making him feel easy.

Could you please pass on my thanks when you see those people and let them know I really do appreciate what they did.

We have to wait 3 more years before we can take leuan to the Keighley Cougar Cubs to train and play. Every day leuan tries to tell me he is six years old now as he thinks I will just say ok and take him to training.

Also thanks for putting Simon on the front of the programme. Not sure if you were doing that anyway, but it was a nice touch if you did it for Ieuan being the mascot. He'll treasure that programme. I asked Ieuan after the game who was the best player today and he said..... Ieuan!

Thanks again

Andrew

The Cougar Pride 'Playing for Success' project continues to go from strength to strength with different school groups visiting Cougar Park to brush up their study skills under the watchful eye of centre manager Liz Kidman and mentor Brendan Rawlins.

The Big News is that work has begun on transforming the old players bar into a permanent home for the project that will be officially launched very soon in the future .

Meanwhile some of the kids have been putting pen to paper to celebrate the Cougars recent victories as well as putting Brendan under the spotlight.

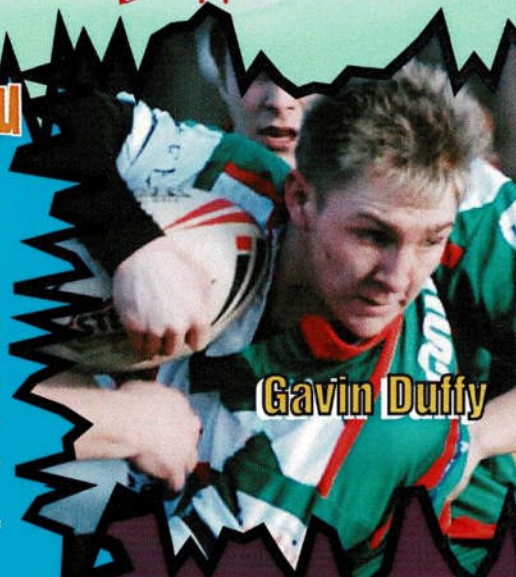

The Cat Strikes again

The Cats came back and jumped in the sack
And ran to the top and stayed right there.
To get the mouse and to get there crown
To rain supreme over all the ground
When they got to the bottom they got to the top
And spun round and round to be a clown
Up and down and round and round.
They got the ball the thunders fall
And now the cougars win win win.

The Cougars came out of the tunnel
roaring and growling,
The Thunders came out roaring
and snoring.

Cougars vs thunders who's gonna win and who's going in the bin. Thunders tried to strike until matt gave them a fright up they jumped and there is the try.

Come and try see if you will win but
I'm sure you'll end up in the bin.
