COUGARS

CO-OPERATIVE NATIONAL LEAGUE 2

SUNDAY 24th JUNE 2017

KICK OFF 3.00pm COUGAR PARK

Alright, we have lost two of our last three games. But lets be fair, are we full time Super League players?, or National League 2 players, yes professional and dedicated, but still part-time and holding down a full time occupation, out of the game.

Look at the events of the last week. On Sunday our young lads take on the second placed team in NL2 and stuff 'em. Three days later after a near full days work we have to finish early to get a bus at 4.00pm for a two hour journey to play the team lying in 3rd place in NL2 for a 7.45pm kick off.

Not the best of preparations for a full blooded battle in our wonderful game of rugby league, and with rain lashing down throughout. Back on to the bus, arrive back in Keighley and to bed for 1.00am, mustn't miss work the following morning.

Three days later we travel to Swinton who but for their unfortunate points deduction would have been lying in 4th or 5th position in the league. When does one have the time to recover from the knocks and recover ones fitness from such major confrontations ?

No wonder ,after such a brilliant start at Sedgley Park, we run out of steam in the last quarter of the game. I really do feel for the boys and thank them for their efforts at a time when circumstances were completely against them.

We will be reminding RFL that National League players have work commitments outside the game and cannot be likened to Super League players. Especially with National Leagues now being truly National, with South Wales, London, Cumbria and Gateshead. We cannot accommodate mid week matches, there must be one or two free weekends or end of season dates incorporated into the fixture lists next term so that these incidents do not occur.

Sorry end of soap box orations and thanks to all you understanding fans for your support.

Today we welcome the Directors, officials, players and supporters from Oldham, another tough encounter, as they all are in this division but with what our lads have shown us recently, after a full weeks rest, I feel we may have a chance of pulling it off.

We do hope our visitors enjoy their day with us and have a safe journey home.

Enjoy your rugby

Neil

Down Memory Lane

In the 2nd of his series on Keighleys Cup final run of 1937, David Kirkley concentrates on the build up to the final.

With their semi-final win over Wakefield at Fartown Huddersfield Keighley had reached a Challenge Cup Final at last. Someone after the match congratulated the club chairman Sam Slater, "Congratulations, Sam, but who'd have thought Keighley would be going to Wembley?"

"Aye, indeed, who would have thought it? There isn't anyone here would have thought it six months ago." Sam agreed.

Word soon got around Keighley of the tremendous win and as the team bus heading home approached Cross Roads they were met by an incredible sight. Hundreds of people lined the route right down into town cheering them all the way; most of the route was decorated with flags and streamers.

Filled with many Welsh players you can imagine the team was

in good voice and they waved and sang all the way to the Victoria Hotel in Keighley. Thousands of people in the road outside blocked Cavendish Street and there were many more inside.

As Bevan, the try scorer, got off the bus the crowd went wild going on to recognise and cheer each player in turn

leave until they had seen their heroes once again.

In the club's diamond jubilee year and in the year of the Coronation of King George VI the final promised great things.

Picture shows the team before the semi final

The team then went up to appear on the balcony to the adulation of the crowd.

The players then went inside for a meal but had to go out onto the balcony again later as the multitude would not

Carnegie Great Student Run TAKING SUPPORT BEYOND BOUNDARIES

When Leeds Met launched the Carnegie Great Student Run 2007, leading the way was former Widnes, Wigan and GB star Joe Lydon.

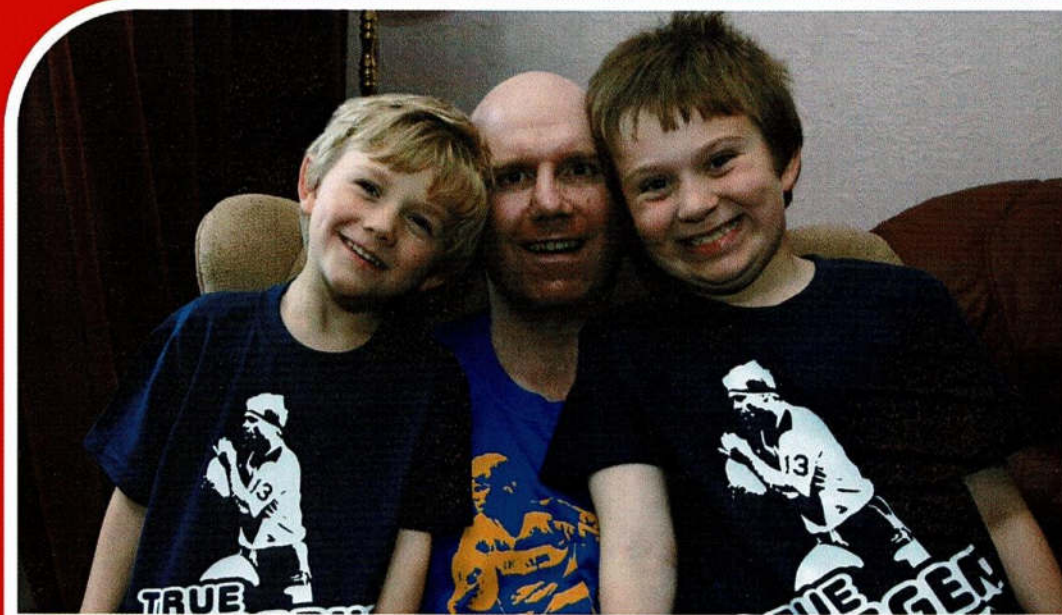

Joe declared his intention to run the 5km race to raise money for the Mike Gregory Trust Fund. Mike is one of rugby league's most popular, respected and courageous stars who captained Warrington and his country with such distinction.

The Mike Gregory Trust Fund was formed by friends and supporters from the rugby league community who knew

of Mike's battle against Motor Neurone Disease and felt compelled to do something to help.

It is Mike and his family's intention that the trust's funds will be used to cover his ongoing medical expenses and help raise awareness about the effects of Borrelia/Lymes Disease.

Through the Carnegie Great Student Run and the Carnegie Challenge Cup, Leeds Met Carnegie provides a unique opportunity for the whole of the rugby league community to participate and support the Mike Gregory Trust Fund.

BE PART OF IT - RUB SHOULDERS WITH CHAMPIONS - SUPPORT A GOOD CAUSE

OFF THE BENCH

Welcome to high flying Oldham for what is going to be a tough game.

Oldham have been on a fantastic winning run that came to an end last week although they will count themselves unfortunate as they were leading with a few minutes to go and were reduced to 12 men for half the game after having a man sent off but 2 late tries from featherstone earned them the win with Oldham just not quite being able to hold out and the extra man telling in the end. Lets not forget that those 2 teams are probably the 2 form teams at the moment so im sure Steve Deakin and his boys wont be too disheartened and they know that they have 2 games in hand that could elevate them to top of the league if they win them both.

Oldham have a couple of players in their ranks who i was very interested in bringing to Keighley in Tony Tonks and Adam Hughes but we were unable to compete financially at this stage to land them but hopefully as you read these notes we will have had a good response to my players fund which was launched on Friday night and if that becomes a success then with that and the club getting stronger and stronger off the field then we may be able to bring in this kind of quality to our team to add to what we have already. Teams that want to achieve are always looking to bring players in to strengthen their squad and Oldham have been able to do that which has got them right up there with a chance as they attempt to get promotion to League 1. Hopefully in the near future if we can all pull together as a club, supporters,sponsors,

media etc, we can start to build on the good foundation we have got at the club and push the club forward so that we can challenge the top teams week in week out.

We have just come out of a tough 3 games in 1 week which started fantastic with a great win over Workington which showed that when we play to our potential we can give anybody a game.It is not surprising that that our ball control was around 87% which is the reason we gave ourselves a chance to win.Against Barrow although we gave a fully committed performance our Ball control was around 60% and in poor conditions their pack got on top in the final quarter of the game. Against Swinton last sunday we played very well for an hour and were in with a great chance of winning the game but the 2 games previous against the 2 biggest teams in our league took its toll and we were visibly shattered in the last 15 minutes. Something needs to be done to avoid having these midweek fixtures because i know we would not have fallen away like we did at Swinton had we not had to go to Barrow on the Wednesday night.

Lastly thanks to all who attended on Friday night and those who can help in any way and thanks to all who come down week in week out to cheer on their beloved KEIGHLEY COUGARS.

OLDHAM pen-pictures 2007

Lucas Onyango - A real flier, aged 25, Lucas grew up in rugby union in his native Kenya. He first came to England in the Kenya RU seven-a-side squad for the

2002 Commonwealth Games in Manchester. He liked it here, returned to stay, and played rugby union with Sale Sharks (briefly) and Manchester before turning codes to sign for Widnes Vikings in 2005. In nine first team games for Vikings he scored six tries and showed that he was one of the fastest men in the sport. Sadly, he picked up a serious knee injury at Batley and he was never to play for Widnes again.

Once fully recovered he played rugby union again in the Manchester area and Roughyeds signed him in March, 2007 from Leigh RU Club. Shortly before turning pro with Widnes he played for Kenya again in the 2005 Rugby World Sevens in Hong Kong. Roughyeds believe Lucas will score a lot of tries in the Co-Operative National League Two where his speed and elusive running will make him a real crowd pleaser.

Geno Costin (Second Row/Prop) A non-quota Aussie, 22-year-old Geno is in England for the first time and hoping to make an impact in NL2. Former

Halifax stand-off Carl Briggs, lined up originally to become Gateshead Thunder's new coach, planned to take Geno to the North-East with him. When that move broke down, Briggs pointed Geno in Oldham's direction, much to the delight of coach Steve Deakin.

Geno first established himself in the Queensland Cup competition with Wynnum-Manly, alongside another Roughyeds recruit Mark Ogden, but last year played in the same comp for Logan Souths. Has long had a yearning to embark on an adventure to England and now that opportunity knocks he intend to make the most of it. Arrived in Oldham with his mate Mark Ogden on Boxing Day --- just in time for his first training session on freezing Oldham Edge two days later.

Richard Mervill (Prop Forward) Formerly with Halifax and then Keighley, Richard comes to the Roughyeds for 2007 from Australia --- a

similar route to that taken by his former Cougars team mate, Simeon Hoyle. Mervill played in the 2003 Keighley side that won promotion to NL1, alongside hooker Hoyle and stand-off Paul Ashton, and later jetted off Down Under, where he has been playing for Dapto in the Illawarra competition.

Hoyle, who had also played out there, alerted Roughyeds to the availability of

both Mervill and his Dapto team mate Drew Houston and it was thanks largely to Hoyle that Oldham got their names on contracts. Said to have a high work rate and a good offload, Mervill has experience of the game in both hemispheres and, with Wes Rogers and Jason Bouits, he will provide much of the Roughyeds' go-forward from the front-row.

Drew Houston (Second Row/Centre) One of the two overseas quota men for 2007, 23-year-old

Drew comes highly recommended by another new Roughyeds recruit, Simeon Hoyle. Hoyle played in Australia in 2005 and liked what he saw of the Dapto pair. Houston, a former Keighley colleague Richard Mervill, Houston, once a youngster linked with Melbourne Storm, had two seasons with a Storm feeder club, Norths in the Queensland Cup, before heading south for Dapto, champions of the Illawarra competition. Drew comes to Oldham with a reputation as a good line runner and a big hitter on the edges of the rucks in defence.

He helped Dapto to the championship of the Illawarra competition last year and he also earned selection in the competition's representative side, centre.

Adam Hughes (Centre). started his Oldham career in blistering form with four tries in his first three outings.

He crossed for two on his debut against Barrow, added another at London Skolars and scored an absolute gem at Workington --- one of the best centre's tries seeHe has made 182 Super League appearances --- nine with Leeds; 46 with Wakefield; 16 with Halifax; and 91 with Widnes.

In Super League he totalled 78 tries (four for Leeds, 21 for Wakefield, eight for Halifax and 45 for Widnes) and 85 goals (34 for Wakefield and 51 for Widnes) for a total Super League points haul of 482. n from an Oldham player in many years.

Wes Rogers (Prop Forward) At the age of 29, Wes brings experience, a cool head and stability to Oldham's front-row in 2007. Oldham-born,

he first played for the Roughyeds in the club's early days, but he returns, from Swinton, as a much more experienced and matured front-row forward, who is delighted to be coming back for a second chance with his hometown club. On leaving the Roughyeds last time, he spent three years with Rochdale,

followed by three more seasons with Swinton, and he is one of six ex-Lions who will be wearing Roughyeds colours in 2007, the others being Kris Smith, Stuart Oldham, Michael Stout, Andy Crabtree, and Ian Sinfield.

Kris Smith (Second Row/Centre) Another vastly experienced player, this 28-year-old has been on the books of four Super League

clubs, namely Leeds, Salford, London and Halifax. He has also played in France with Pia and Carpentras and it was while he was briefly at Carpentras that he was a club mate of the Roughyeds' new French signing, Said Tamghart. He is a big man of 6ft 4in and 15 and a half stones and he has had brief experience of Super League with both London and Halifax. A product of the Eccles amateur club, he was snapped up by Leeds Rhinos while still a teenager.

He then moved to Salford where a knee injury hampered his progress. His French excursion followed before he returned to England to play with London and Halifax before enjoying a four-year stint with Swinton.

He showed his versatility with Swinton last season when he played 14 times in the second-row, five at loose-forward and once at stand-off, coming into prominence with outstanding displays in the second-row as the Lions beat Featherstone Rovers and Celtic Crusaders, both away, to earn their Grand Final appearance against Sheffield.

Tony Tonks (prop) Oldham have high hopes of the 22-year-old Yorkshireman, whom they signed from Bradford Bulls just a few days before the

start of the 2007 Co-Operative National League Two campaign. A Normanton lad, and a product of Normanton Knights, Tony had a season with Wakefield academy before turning pro for Bradford when he was 16. He was full-time at Odsal for six years, though for the 2006 season he was loaned out to Doncaster Lakers in NL1. He played in nearly every game for Doncaster, but then returned to Bulls where he was under contract for the remainder of the 2007 campaign.

Said Tamghart (Utility) The description 'utility' perhaps fails to do justice to this French international, who has represented his

country at every level, including fully-fledged Test matches against Australia and New Zealand. He played prop

OLDHAM pen-pictures 2007

against the Aussies and second-row against the Kiwis, but both he and coach Steve Deakin have confirmed that he can operate equally well at loose-forward and also in the backs at centre or wing.

Paul Ashton (Half Back) Son of former Watersheddings scrum-half star Ray Ashton, Paul is fulfilling a lifetime's ambition to play for his hometown club. Though born in

Widnes, he was only a few months old when his parents moved to Oldham where his father carved out a career that earned him GB tour honours in 1984 during 212 club appearances which reaped him 72 tries. Aged 27, Paul learned his trade at Saddleworth before playing for Halifax, Rochdale, Keighley and Swinton. He was in the Cougars side, with his new Roughyeds team mates Simeon Hoyle and Richard Mervill, that won promotion to NL1 in 2003.

He got his big chance at Oldham in 2006, initially on a week-to-week basis, and did enough to earn a full contract for 2007. Will be challenging for both half-back spots as he feels equally comfortable with both No 6 or No 7 on his back.

Lee Wingfield (Second Row) This 24-year-old second-row forward, signed last year from amateurs Leigh East, can also operate equally well at centre. He won

many honours in the amateur game and played on numerous occasions for Great Britain. He played against France and Russia in 2003 and kept his place for international appearances against France at Carcassonne and then for the return game at Whitehaven. Perhaps the pinnacle of his achievements in the amateur game came in 2004 when he toured Australia with GB amateurs and played in every game. He signed a contract to cover 2006 and 2007 and he proved to be one of Oldham's top performers in the early part of the 2006 season until first a ban and then an injury at work kept him out of the side. Although he prefers to play in the pack, he has also operated well in the threequarters.

back-row forward ADAM ROBINSON Wakefield-born 20-year-old, a joiner by trade, is blessing the day he chose to sign for Oldham, instead of

opting to stay in his native Yorkshire with one of the other clubs who were interested in signing him, such as Featherstone, Keighley and Hunslet. Adam spent five years at Wakefield, whom he joined on a scholarship when he was 14. He ultimately spent two years as a full-time pro in the Wildcats' Super League squad when Shane McNally was coach. A burning desire for more first-team rugby led him to Doncaster where, in the 2006 season, he played regularly in the same

pack as another recent Roughyeds recruit, prop Tony Tonks.

Andy Crabtree (Hooker) One of half a dozen players signed by Roughyeds from Swinton Lions for 2007, Andy is eager to fulfil the early

promise that earned him not only a spot on the books of Wigan Warriors but also a place in a talented Great Britain academy side that boasted several players who have gone on to big things at the highest level. At Swinton in 2006 he faced immense competition for the specialist No 9 role, but he made nine appearances, three starts and six off the bench. A tidy footballer with good hands and a rugby brain, the youngster has the attributes to play loose-forward as well as hooker, but it is with No 9 on his back that he has accomplished most of his achievements so far. He can also kick goals.

Chris Baines (Back Row) A young forward who also did enough for coach Steve Deakin last year, while on loan from Warrington, to win a

contract for 2007. He proved to be a good, hard-working forward in his first season with the Roughyeds and the experience he gained will serve him and the club well in NL2. He was in his third season of under-21s rugby at Warrington when he first got the chance to move on loan to Roughyeds. He had three separate and continuous one-month loan spells and when the Wolves said they would release him he had no hesitation in grabbing the chance to commit himself to Oldham for the remainder of 2006 and then 2007. A product of Wigan St Pat's, he toured New Zealand with Great Britain Young Lions in 2003, also representing his country at youth level against Australia and France.

Jason Bouits (Prop Forward) One of many new boys in the Roughyeds squad for 2007, 23-year-old Jason arrived on the recommendation of two of his former Halifax team

mates, Jamie Bloom and Alan Hadercroft. Alan, already established here as one of coach Steve Deakin's senior men, wasted no time in tipping off the boss when he learned from Bloom that Bouits was ready to leave The Shay to take up a new challenge. At 16 stone and 6ft 2in, Jason can play his weight in the front-row, as he proved in his two seasons at Fax where he was an ever-present with 30 appearances in 2005 and then added 27 more in 2006 --- statistics which show he is as durable as he is consistent. Started off at Salford under-16s, spent four years as a young pro with Bradford Bulls and signed for Halifax in November, 2004.

Andy Gorey (Winger)

A scrum-half in his Royton Tigers days, local lad Andy became a good full-back in the former Roughyeds academy side. He was under contract on the break-up of the academy side, but he pledged to fight for a place in the first team rather

than go elsewhere. In 2006 he became a fans' favourite with gutsy performances, capped off with a couple of length-of-the-field tries. Diminutive, but pacy, he established

himself as a regular on the wing, making more than 20 appearances and taking his try tally into double figures to finish the season as the club's top try scorer.

Not many of last year's squad were offered new contracts, but Gorey was and he quickly put pen to paper as he looked to further develop his career with his hometown club.

Gareth Langley (Winger) Pacy, and a good finisher, 'Gaz' Langley comes to the Roughyeds after five years in one of the most

professional learning and development schools in rugby league --- the youth and academy set-up at St Helens. Born in the well-known rugby league district of Parr, near St Helens, 22-year-old Gareth didn't take up the sport with Blackburn until he was 15. By the time he was 16 he was playing for Salford under-18s, having been headhunted by the then Salford academy coach Steve McCormack. He wasn't on contract and it didn't take long for hometown St Helens to take him to Knowsley Road. He was the Saints senior academy player of the year in 2005 and runner up toplayer of the year in 2006, a season in which he made his Super League debut in a young Saints side that took on Catalans Dragons in Perpignan.

John Hough (Hooker) Out 'Houghie' in two and you will find 'Roughyeds' running right through him. He was the first player to sign for the 'new'

Roughyeds club when it was formed by Chris Hamilton and his fellow directors in the autumn of 1997, following the demise of Oldham Bears. Currently two seasons into a three-year contract, 29-year-old Oldham-born John will have completed ten years with the club at the end of the 2007 season and will thus qualify for a testimonial. A product of the Waterhead club, he signed for Warrington Wolves while still a boy, but he carved himself a niche in the history of the new Oldham club when he signed as a free agent on December 2, 1997.

Report from Helen Carter - Commercial Manager

Good afternoon everyone and welcome to Cougar Park for this afternoons game against Oldham RLFC and welcome to the Oldham players, fans and officials. I hope you all enjoy your day with us.

I would also like to welcome today's match sponsors, Keighley News, the Victoria Hotel and Jewson. Enhancing our relationship with Jewson, Keighley Cougars held a Management Training Day that included a motivational talk from Matt Foster and was finished off with the employees of Jewsons taking part in a kicking competition. We really appreciate your support and hope you have a great day with us here at Cougar Park.

Cougar Park will also be hosting a 'Celebrity Football Match' on 1st July 2007. 'Battle of the Stars' sees Hollywood celebrities from Harry Potter, Emmerdale, Dream Team and members from the band 'The Good Die Young' take on Rancell UK, a team made up of players selected to trail at LA Galaxy, the team David Beckham will be playing his football at next season. This is all in aid of the charity ASBAH (Association for Spina Bifida And Hydrocephalus). Your support is hugely important, not only to give to a worthy cause but for your chance to see Hollywood stars in Keighley!

I would also like to make you aware of the Annual Golf Day which will be taking place on 24th September 2007. This fantastic event includes a day on the prestigious Keighley golf course along side one of our first team members followed by an entertainment filled evening with guest speaker Malcolm Lord, Hilarious comedian Charlie Hale, presentation and auction! Anyone interested in this incredible opportunity should contact me on 01535 606044.

We will also be looking towards having a "kids go free" match in the coming weeks so look out

for details on the exact date on the website or in the press. The club needs to attract children to the games as they are our fans of the future, so please help us to make our match days a real family affair.

Finally, I hope you all enjoy today's game and cheer our boys onto victory!

See you soon, Helen

Holy Family make it 3 in a row

Congratulations go out once again to everyone involved with Holy Family's year 9 girls rugby team as for the third successive year they have made it to the schools National Cup Final. The girls had to tough it out though with a very strong challenge coming from Outwood Grange school (who incidentally had Barry Eatons neice in the team). Holy Family only went through on points difference having finished on the same points as Outwood but scoring more tries. The same scenario happened for Settle year 7's but unfortunately for them Castleford High had a better points difference which meant they just missed out on a trip to the finals at Wembley. It was agonisingly close for our two

year 8 teams from Settle and South Craven with both teams finishing second in their group just missing out on the finals! Settle College also competed at year 10 and finished 3rd in their group. To have 5 schools in 4 year groups at the National Finals shows just how strong girls rugby is in our schools. Hopefully next year with a bit of luck more than 1 school will be heading down to Wembley!

The Oakbank Partnership Champion Schools tag rugby league Festivals also took place at the end of May down at Utley playing fields. The schools taking part were the champions of there local schools cluster. For the boys there were Burley Oaks (Ilkley Gram), Haworth (Oakbank), Eastburn (Parkside), Steeton (Greenhead), East Morton (Bingley and St Stephens (Holy Family) competing in a league format where the team finishing top would be winners. With standards very high the top 3 teams were separated by 2 points only, Eastburn triumphing over Haworth and East Morton. The girls competition was between Burley Oaks (Ilkley Gram), Crossflatts (Bingley), Steeton (Greenhead), Oxenhope (Oakbank), Wilsden (Parkside) and Hothfield St (Holy Family). Again things got very tight and Burley Oaks just made it past the post in 1st place with Steeton very close behind them.

Coaching is happening in the schools at the moment in preparation for the forthcoming tackle rugby festival in July. This is likely to be the biggest ever competition held in Keighley as we have already had 24 boys and 16 girls teams confirmed to be taking part, beating last years total of 21 boys and 15 girls teams.

Enjoy the game Matt

5 mins – 5 questions
Craig Weston

Your joining the Cougars came a little out of the blue to the Supporters , how did it all come about ?

I'm a good friend of Barry's from our time at Widnes together and we've had a few chats over the past few months . I came back to England a few months again and I'm now settled in a new job . I wasn't initially planning to start playing professionally again , but here I am !

How much did you know about the Cougars and apart from Barry were you aware of any of the other of your playing colleagues ?

When I first came over to England in 1997 , Keighley were one of the top clubs in the lower divisions . I was with

Huddersfield at the time and I played against them in a semi final, as Matt Foster reminded me about the other day, so I knew a bit about the club from then plus obviously what Barry had told me.

It was your first game for the club the other week -how did you find it ?

Seen as it has been three and a half years since I've last played I wasn't sure how my lungs would hold out ! But despite the result after all that time out i was happy with my performance . I'm trying to pick up all the plays and blend in with the other players and hopefully we can gain a win today against Oldham.

How hard has it been to get back into a training routine ?

I've always tried to keep myself fit but there really is nothing like being match fit. I'm working hard but it'll be a month or so before I find my feet and reach that level.

Do you see your move back into playing as route into the Coaching side of the game ?

Not at this stage - I'm happy to help Barry and use my experience to help the other guys

***Cheers Craig and
good luck today !***

FREDDIES PAGE

Hiya Kids,

A big welcome to all our junior supporters out there in Cougar land also a huge hello to all the youngsters that are here today supporting Oldham, we hope you enjoy your day here at Cougar Park.

Well what a great day against Workington , I really enjoyed myself and it was a very happy Freddie that retired to the boot room that night. Sadly I couldn't make the trips to Barrow and Swinton , but lets hope we can get things back on track today against the Roughyeds.

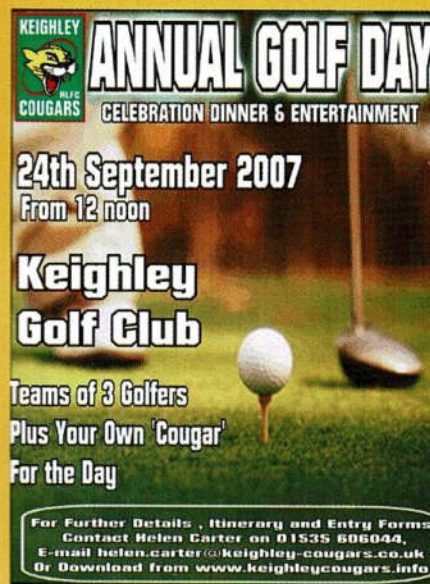

Just a reminder that the Club shop will be soon getting some Away shirt replicas in in kids sizes , if you would like to order one please see Ann in the Shop just inside the main gate on matchdays.

Don't forget to watch out for me in next weeks Keighley Gala procession, I'll be there along with some of the players, I'll be giving a special wave to anyone I see in a Cougar Shirt !!

As well as that I am hoping to see plenty of you at the Schools Tackle Tournament held at Utley in July with the World record attempt at Rugby Passing also taking place that day.

Enjoy the game and keep cheering !!!
 coooooooooouuuuuugggggggdaaarrrrrsssss!!!!!!

Leaving from the 'Vic' mid morning and aiming to arrive in Workington for pre match 'refreshments', the bus will leave for home approx 1 hour after the game leaving ample time for celebrations or commiserations, depending on the result!

Everyone (including Kids) are welcome , with the final cost being determined by the numbers travelling .

If you are interested please see Greasley in the bar today or he can be contacted on 07789540721.
