Welcome to our friends from Oldham for this northern Rail Cup Quarter Final and for what promises to be a tremendous Cup Tie. We are trying to go one better than Dewsbury did in the Challenge Cup and they are trying to add Batley as a scalp in knock out cup competitions.

We both had good wins last weekend and so we go into to-days game full of confidence but we need to take

advantage of the home fixture having succeeded last round away at Barrow. Both teams know that a cup Final is within their reach and now realistically there are only two finals per Season we can get to and this means that the Northern Rail Cup become very important in our calendar.

This week the Cup was at St. Mary's RC School in Batley and a competition was held to design a poster for the match. The winners will be presented with prizes at to-days game. 70 children put in entries and the standard was high and so well done to everyone and again a big Thank You to our Sponsors, Northern Rail.

The kick off time today was altered to allow supporters to watch Leeds United on television and still come to the game. Only time will tell whether this was a good decision or not but it was as a result of people making suggestions to us that we did this. No doubt that someone will complain saying that we should not be dictated to by football. I should add that I have no wish to watch the match as if Leeds were playing in my back garden I would draw the curtains. Huddersfield Town would be different but certainly the kick off change is not to suit the wishes of any Director, although I think that Gary is a bit of a Leeds fan.

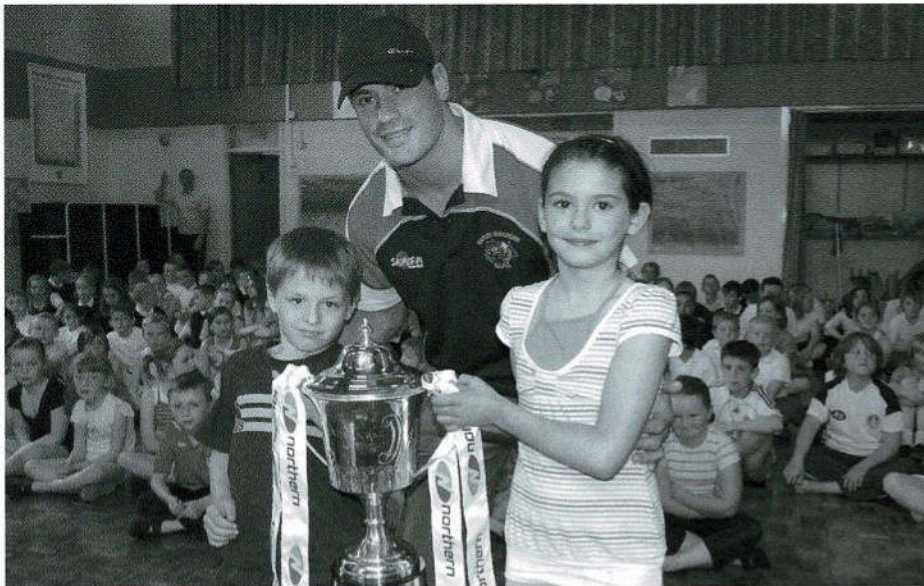

I see some criticism in letting Scott Childs go to Hunslet and I can understand peoples views but the Board and Coaching Staff felt that it was the right move for the player and the Club and only time will tell if we were right or not. We wish him well in his career. It is always difficult to let players go and justify it could be seen of criticism of the player which we have no wish to do and hopefully the player will not criticise the Club but rather than trying to justify it lets just say that we made the decision in the best interest of the player and the Club. Sometimes Directors and Coaches have to made difficult decisions but that is what we are here to do.

Our next home game is televised against Dewsbury and we want to fill the new Long Stand with kids wearing free t.shirts thanks to Sponsorship from Leyland Paints. So get the word round to get as many to the game as possible I the hope that it is as good an occasion as last Season. However, for today lets just enjoy a great cup Tie,

Enjoy the game.

Kevin.

Batley Bulldogs in conjunction with the Northern Rail have run a competition at St Mary's School in Batley to design a poster for today's game against Oldham. There will be 8 winners in total who will be presented at half time with a goody bag including a family pass to use on Northern Rail trains.

View from the Coach

Welcome all today for our NRC Quarter Final tie against Oldham. This is the next game in our quest to reach a major Final for the first time since the Trans Pennine Cup in 1998. So

ten years on - who knows - this could be our year.

What a fantastic win last week. To do the double over a quality team like Whitehaven is a great achievement for us. Agreed they have not had the best of seasons so far, but I don't want to take anything away from the boys. After 3 poor performances before last week, I felt we got back to our early season form. Although it was a fairly apprehensive start in the first half, I thought we showed some great quality in the second half and came out comfortable winners in the end. that win gets us back into the top 6 in NL1 which is where we aim to stay.

Today we welcome the fans, directors, coaches and players of Oldham to the Mount. They have built a very useful looking squad with plenty of experience. Steve Deakin is a very knowledgeable

coach and has bought well in the off season and includes some real quality players. They have built an NL1 squad playing in NL2 - which is why they sit in the top 4 having only lost one game so far to Keighley. They have already beaten NL1 opposition on 3 occasions this season in Salford, Whitehaven and Dewsbury, so we know they have the pedigree to be a good side, who look favourites for promotion.

It was good to welcome back some of our injured players last week in Paul Mennell and Byron Smith, and they certainly made a difference - as did the return of Oli Marns. Hopefully we should have Jamie Stokes back soon, and Andy Jarrett continues his recovery from a broken wrist and is getting his fitness back through the reserve grade. That just leaves Francis Maloney and Bolu Fagborun - who picked up a hip injury scoring his fine try last week - on the injured list.

Thanks once again for your valued support. Please continue to get behind the boys.

Gary

A warm welcome

Oldham RLFC

To date Batley and Sheffield Eagles have met 24 times in competitive matches.

Batley have won 9 of these encounters and Sheffield Eagles have won 14. One game has ended in a draw. In total Batley have scored 430 points and Sheffield Eagles have scored 509 points.

Over the years several players have represented both clubs, these include; Craig Lingard, Dean Lawford, Richard Picksley, Steve Walker, Wayne Flynn, Leon Williamson, Richard Price, Steve Molloy, Jeff Wittenberg, Andy Young, Darren Summerill, Jon Bruce, Neil Kellett, Andy Rice, Chris Molyneux, Darren Robinson and Yusuf Sozi.

CHRIS BAINES (back-row): Signed on a two-year deal for 2008 and 2009 following the good impression he made on Roughyeds in the previous two seasons. Aged 23, he joined the club originally on loan from Warrington. Toured New Zealand with Great Britain Young Lions in 2003 after representing his country at youth level against Australia and France. A product of Wigan St Pat's.

SIMON BALDWIN (prop): One of the most experienced forwards in the squad, formerly with Leigh, Halifax, Sheffield, Salford, Rochdale Hornets and Whitehaven. Having ended last season at Whitehaven and having had two spells with hometown Leigh, Simon has made his seventh move in a long career to sign a one-year Roughyeds deal. Made 127 Super League appearances, mainly in the second-row, but now widely regarded as a prop.

JASON BOULTS (prop): This 24-year-old former Bradford and Halifax workhorse was a real stalwart of the Oldham pack in 2007. He played in 25 games and for much of the season he was first-choice No 8 after producing an outstanding performance in the win at Celtic Crusaders in May. A wholehearted grafter with a huge engine, Jason never takes a backward step.

MATTY BROOKS (half-back/hooker): Joined Roughyeds last season on loan from Hull KR, scoring two tries in 17 appearances and ending the campaign with a terrific show as a substitute in the

NL2 Grand Final against Featherstone at Headingley. Now a fully-fledged Oldham player on a one-year deal he will have to make the adjustment from full-time pro with Rovers to part-time footballer with Roughyeds. Turned pro for Bradford, then on to Hull KR. A native of East Hull.

DARYL CARDISS (utility back): Aged 30, this hugely experienced utility back has played for Wigan, Halifax, Warrington and Widnes. Joined Wigan from Hunslet Boys Club in 1994. Made a total of 142 Super League appearances and scored 46 tries in the elite competition. Enjoyed a fine stay at Halifax, for whom he scored 39 tries in 99 outings.

JAMES COYLE (scrum-half): Now contracted to Roughyeds until November, 2009, this talented 22-year-old joined the club from Wigan midway through last season and made an immediate impact. His 14 appearances yielded six tries, but it was the vast number of tries he made for others that underlined his real potential. Another product of Wigan St Pat's, he was a shooting star in Wigan's academy system before spending the whole of the 2006 season on loan at Widnes.

TOMMY GOULDEN (back-row): Equally at home in the second-row or at loose, 26-year-old Tommy was a key member of the Rochdale Hornets pack in 2006 and 2007, having been signed from amateur rugby in Leigh by Bobbie Goulding in 2005. Leigh born, he picked up every possible honour as an amateur, including captaincy of BARLA Great Britain, before turning pro for Rochdale.

TOMMY GRUNDY (back-row): Aged 22, Leigh-lad Tommy is one of the younger members of the Roughyeds squad. Can play equally well in any of the back-row spots as well as centre. Turned pro for Warrington as an 18-year-old, then played for Leigh and Blackpool before returning to his hometown club, Leigh, for 2006 and 2007. Joined Roughyeds on a two-year deal.

DANNY HALLIWELL (centre): One of eight new signings, 26-year-old Leigh-born Danny was on loan at Leigh, from Salford, last season and he has also worn the colours of Halifax, Warrington and Wakefield. Can play anywhere across the back division and, like many of his Oldham colleagues, has considerable Super League experience. His 43 top-flight outings comprise three for Wakefield, 10 for Wigan, 25 for Halifax and five for Leigh.

SIMEON HOYLE (hooker): Edinburgh-born Simeon is half-way through a two-year contract with Roughyeds. Aged 28, and formerly with Keighley Cougars and Halifax, he is a hooker of the old school, tough in defence but with an ability to make things happen from dummy half. In 2003 he helped Keighley to win promotion to NL1 by beating Sheffield in the NL2 Grand Final.

PHIL JOSEPH (utility): Turned pro with Huddersfield Giants and, as a teenager, played 14 Super League games for the Giants in 2004. Moved to Swinton Lions in 2005, scored 11 tries in 29 games, and was named NL2 player of the year. Suitably impressed, Hull KR signed him on a two-year deal, but after one season at Craven Park he left the Super League-bound Robins to join Halifax, from whom Oldham signed him on a two-year contract.

GARETH LANGLEY (wing): Pacy, and a good finisher, 'Gaz' joined Roughyeds prior to the 2007 season after five seasons at St Helens. He was Saints academy player of the year in 2005 and runner-up in 2006. Played at Salford as a teenager before joining his hometown club at Knowsley Road. In 30 games for Oldham last season, he scored 13 tries and kicked 35 goals for a points haul of 122.

RICHARD MERVILL (prop): Formerly with Halifax and Keighley, Richard had a superb season in his first for the Roughyeds in 2007. Walked off with two major awards at the end-of-year Awards Night and was rewarded with a two-year contract for 2008 and 2009. Suffered a broken hand in one of his early games in 2007 and was similarly unlucky in the build-up to the 2008 campaign when he dislocated an elbow in training. There will be no complaints from the fans if he bounces back this year like he did last.

MICK NANYN (centre): A points machine - one of the best goalkickers in the English game - Mick has starred for Swinton, Rochdale Hornets, Whitehaven and Widnes and has smashed club scoring records wherever he has been. He took the Widnes record off Jonathan Davies in 2006. He played 29 games for Widnes last season, scoring 28 tries and kicking 161 goals for a points haul of 434. Also has the distinction of having played in each of the last four NL1 Grand Finals, two for Whitehaven and two for Widnes.

PAUL O'CONNOR (full-back): A Great Britain Students international, Widnes-born Paul played briefly on loan for Oldham in 2006, then returned in 2007 on contract having let it be known to the club that, in the May, he would be leaving for a pre-arranged sabbatical in the southern hemisphere. He had a great first half of the season but he didn't play again for the club until he reappeared in the first pre-season friendly of 2008 at Leeds. Having signed a new two-year deal he is set fair for a long association with the Roughyeds.

LUCAS ONYANGO (wing): A real flier, aged 26, Lucas grew up in rugby union in his native Kenya. Has played for Sale Sharks, Manchester and Leigh in rugby union, and Widnes Vikings in League. He had a great season for Oldham in 2007 when he scored 18 tries in 23 outings only to damage a shoulder at the end of the year. He entered the 2008 season waiting for an operation on that shoulder and was expected to be sidelined at least until the start of the NL2 campaign at Easter.

ROB ROBERTS (back row): Joined Roughyeds in late July, 2007 and landed a match-winning drop goal at York in a 15-14 win on his debut. Played Super League with Hull, Halifax and Huddersfield and also represented several clubs in the National League. Known as 'Two Bobs' - for obvious reasons - he put his career back on track with Oldham after a difficult time at Leigh and revelled in his new responsibilities as captain.

ADAM ROBINSON (back row): A tough-as-teak young Yorkshireman, Adam played much of his early rugby at Wakefield. Aged 21 he turned down Featherstone in order to sign for the Roughyeds last year from Doncaster. A product of the Stanley Rangers amateur club in Wakefield, Adam thrives on his defensive duties but his first campaign in an Oldham shirt was cut short by a

shoulder injury on which he had an operation. He is determined to bounce back, having signed a new two-year deal.

NEIL RODEN (stand-off): Neil rejoined Oldham from Leigh in 2007 after leaving the club initially to go to Batley in 2004. In his first stint here he scored 290 points (68 tries and 18 drop goals) in 142 games over four and a half seasons. He has overtaken Mark Sibson as the 'new' club's leading all-time try scorer. Last season, he was an influential midfield organiser, playing in all 34 games and forming a more-than-useful half-back pairing in the second half of the season with his fellow Wiganer James Coyle.

LEE SANDERSON (half-back): One of the unluckiest players in the game, Lee is currently on extensive rehab after a major knee reconstruction -- and it wasn't the first time he had been under the knife. Extremely talented, and a gifted footballer and goalkicker, his father, Mark, played for Rochdale Hornets and his uncle, Ian, was a hooker at Oldham in Watersheddings days. Lee has previously played for Leigh, London, Rochdale and Barrow.

WARREN STEVENS (prop): Yet another vastly experienced performer with more than a century of Super League outings on his CV. This former Warrington and Leigh stalwart was playing with Blackpool last season on a match-to-match basis when Roughyeds boss Steve Deakin invited him to accept a more permanent arrangement with the Roughyeds. He played only a handful of games at the back end of last season, but Deaks has a load of faith in him as underlined by his new two-year contract.

MARCUS ST HILAIRE (wing/full-back): A star with Leeds Rhinos, Huddersfield Giants and Bradford Bulls, 30-year-old Marcus has joined Oldham on a two-year deal. He played 24 Super League games last season, 2007, representing Bradford 19 times on the wing, once as a substitute and four times as fullback when deputising for Michael Platt. His record speaks for itself -- 39 tries in 111 outings for Leeds; 37 tries in 74 games for Huddersfield; and 14 tries in 39 games for Bradford.

SAID TAMGHART (back row): A French international, Said has represented his country at every level, including full Test matches against Australia and New Zealand. Came under the influence of Oldham coach Steve Deakin when both were at UTC, better known now as Perpignan-based Catalans Dragons. Said was popular with fans in his first season at Oldham when he made 29 appearances, most of them coming off the bench as an impact forward.

LEE WINGFIELD (utility): Played for Great Britain at amateur level in Russia, France and Australia, but desperately unlucky with injuries since he turned pro for Oldham on a two-year deal for 2006 and 2007. In top form early last year until he broke a hand and then suffered a serious knee injury against Swinton in his first game back. Currently on rehab after an operation, but hoping to be fit to make his comeback in the next few weeks.

Mansfield Marksman

Mansfield Marksman came into the Rugby League in 1984, taking their name from the sponsorship of a local brewery who had a 'Marksman' lager brand. Playing initially at Field Mill (home of Mansfield Town FC since 1919) there were initial hopes that the game could be firmly established in the East Midlands. In their first season Mansfield averaged 1,202 falling to 487 in the second season. Alvin Stardust who was born in the town was the Club President.

Things initially appeared to be going well then the soccer club got greedy and upped the rent, this proved to be the beginning of the end for Mansfield and a move to Derbyshire to ground share with Alfreton Town ensued, eventually a further move to Sutton Town's Lowmoor Road ground at Kirkby-in-Ashfield occurred. With seating capacity of only 150 and a small covered area of another 300 the ground was one of the smallest to host the professional game. For 1989 - 90 season following a boardroom split Mansfield lost their brewery sponsorship and changed their name to Nottingham City.

Chris McWilliam

Australian prop forward Chris arrived at Batley via Keighley Cougars for the 1994 – 5 Season and stayed until Season 2000 – 1. His whole hearted rugged style was admired by the Batley faithful who soon regarded him as a crowd favourite.

Probably the highlight of Chris' Batley career was the try he scored in the famous 22 – 22 draw with St Helens in the Regal Trophy Third Round Tie at Mount Pleasant on 18th December 1994, when despite 3 Saints defenders clinging to him he forced his way over the line to put us back in the lead.

Dreaming of Blackpool

By GARETH WALKER of Rugby Leaguer & League Express

THE Northern Rail Cup pulls into the quarter-final stage of its journey this weekend, with eight clubs still dreaming of making the Bloomfield Road final on Sunday July 6.

The competition has really picked up in the closing rounds of recent seasons, and there's no reason why this year should be any different.

First up, in a match that may have taken place by the time you read this, is Featherstone Rovers at home to Salford City Reds in the Thursday night televised game.

The fact that Sky are screening the competition this year should give it added credence – and the game at the Chris Moyles Stadium promises to be a cracker.

Salford remain competition favourites, and although they are still undefeated in Co-operative National League One, they are certainly not brushing teams aside on a weekly basis.

Featherstone and their coach Dave Hobbs are keen to make a better impression in front of the cameras following televised defeats to Sheffield and Celtic – and they have the ability to push the Reds close.

Then on Friday, two National League Two clubs meet at Spotland, where Rochdale Hornets host Doncaster.

Hornets are hardly in fine form at present after successive defeats to Hunslet and Barrow, and they will start as outsiders against the Dons.

But Bobbie Goulding's side are certainly capable of providing an upset, and his battle of wits against former teammate Eleri Hanley should be fascinating.

Hanley's team lost for the first time in NL2 last Friday at Workington, and will be keen to make amends.

On Saturday, in many people's pick of the last eight matches, Widnes travel to Wales to face an in-form Crusaders side.

John Dixon's team were perhaps a touch unfortunate not to get more than a bonus point out of their recent trip to Salford, where they lost 24-22 after leading 12-0 early on.

And they have shown that they are capable of beating the leading NL1 teams with recent victories over Halifax – in this competition – and Widnes themselves at the Stobart Stadium.

But Steve McCormack's Vikings will be keen to make amends, and as Northern Rail Cup holders, have as much incentive as anyone to win this competition.

Then finally on Sunday, in a game brought forward to noon, Batley Bulldogs take on Oldham at Mount Pleasant.

Oldham have already shown an appetite for cup upsets this year, having beaten Salford and Whitehaven in the NRC and thrashing Dewsbury on their own ground in the Carnegie Challenge Cup.

But they will come up against a Bulldogs team keen to make the most of this opportunity for a place in the National League limelight.

The game should provide the perfect finale to a fascinating few days of quarter-final matches.

HOW refreshing it was to meet Super League's six full time referees recently.

I was down at the match officials HQ at Leeds Met University on the kind invitation of Stuart Cummings, getting the referees' views (for once) on the state of our game. And I'd like to say a public thank you to Messrs. Ganson, Smith, Bentham, Klein, Thaler and Silverwood, firstly for their time and willingness to talk and, secondly, for not picking on the poor journo too much – after all, they get enough stick off us.

I'd met a couple of the guys before but only briefly, so it was a pleasant experience to spend the day with them and see what they get up to now that they're full time and all.

The fact that the six of them spend their week in each other's pockets seems to be doing them good. There's a good rapport there, from what I saw – plenty of the banter you'd find in any Super League dressing room. I suppose you need a sense of humour doing what they do.

More than that, there's a good team ethic and, as Stuart Cummings calls it, a "peer pressure" to get things right so they don't let each other down as much as let themselves down. It was a valuable experience taking in the referees' point of view and I reckon from now on, when I'm thinking of ripping into an official after an error, I may just think back and remember that, at the end of the day, these guys are only human and, inevitably, they're going to make mistakes like the rest of us.

So it's an interesting quirk of our game, then, that we stick by this old saying 'the referee should be anonymous'. You can take that two ways. One, if you don't notice a referee in a game then it's likely to have been a good one. Two, that the only time we should see or hear from referees is when they're out there on the field during a match. But, given my experience, maybe we need a rethink on the second one. We never see referees on Boots n' All or the Super League Show; we never see them come out post-match on TV and explain their decisions and only once in a blue moon do we hear them on local radio phone-ins.

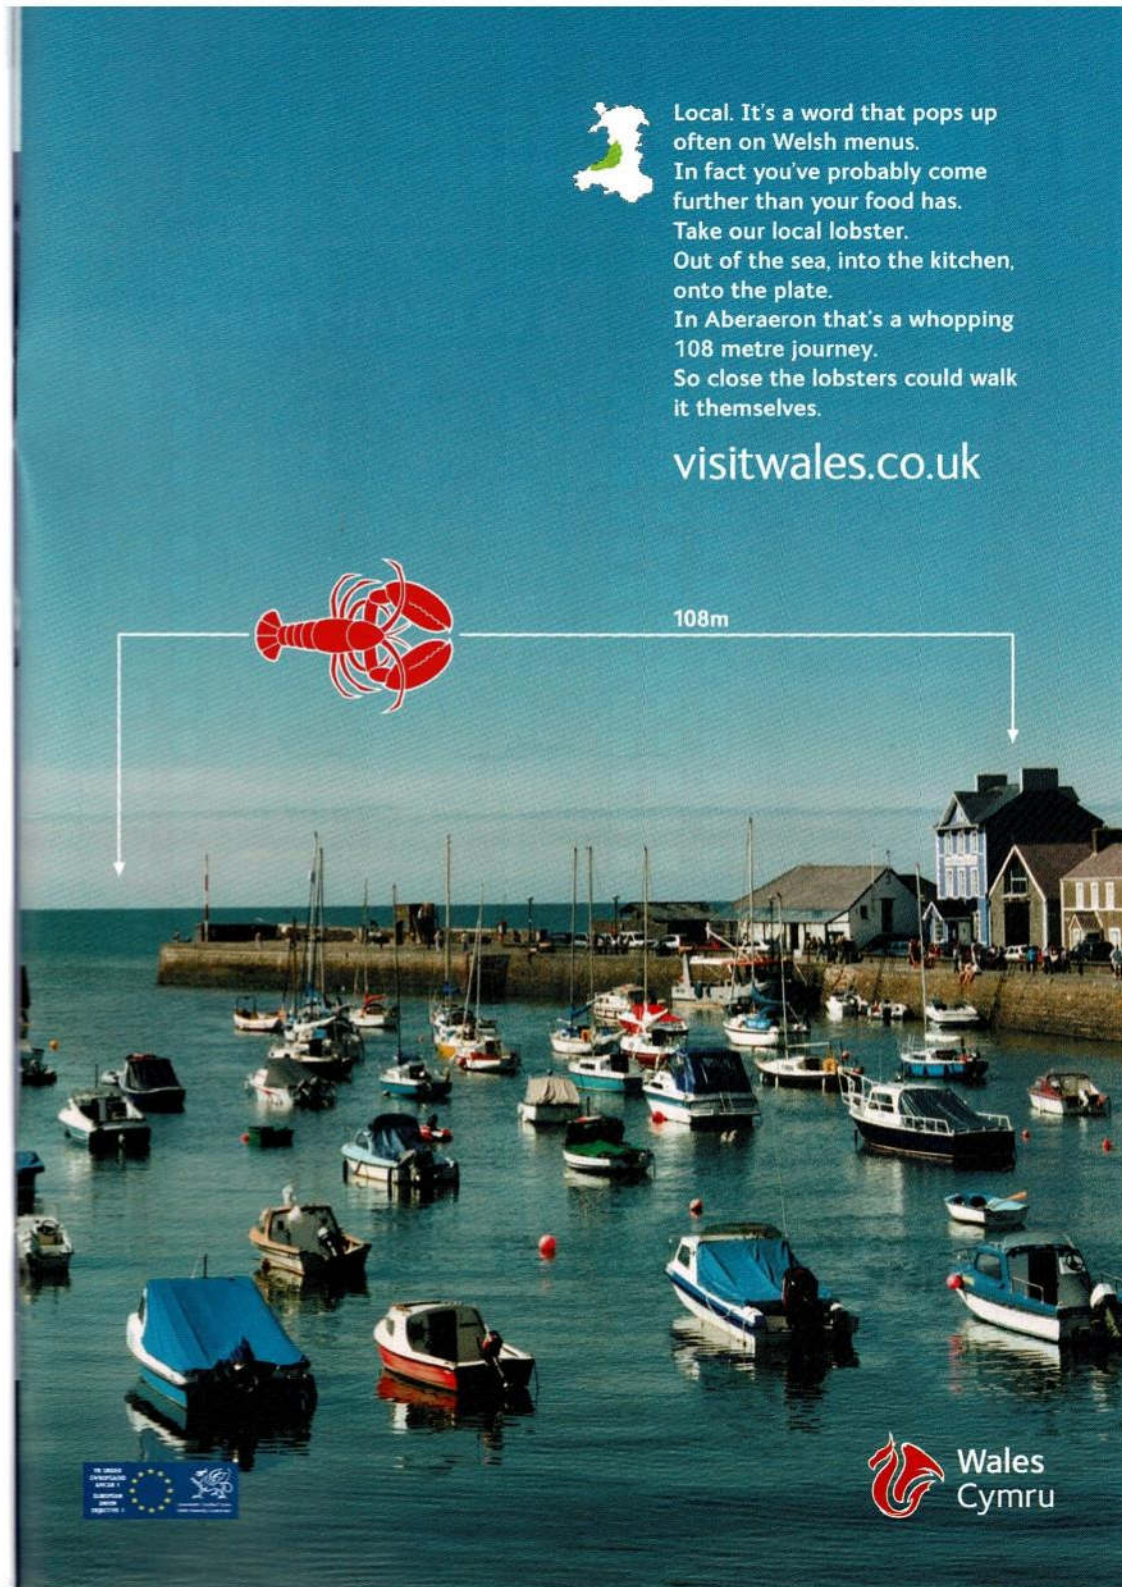

I understand the reasons given for that – that they don't want to be dragged into the controversies of our game. But then I reckon if we saw and heard from them now and again then maybe we'd understand them better; warm to them even?

Or is it just easier to keep them at arm's length, safe in the knowledge that when things go wrong for us we can use them as an easy excuse? And no one will care.

Local. It's a word that pops up often on Welsh menus. In fact you've probably come further than your food has. Take our local lobster. Out of the sea, into the kitchen, onto the plate. In Aberaeron that's a whopping 108 metre journey. So close the lobsters could walk it themselves.
