END OF SEASON NOTES

Welcome to our last game of the season which sees the Blues take on table topping Oldham. A warm welcome to all their supporters, players, staff and officials to Iffley Road.

May I take this opportunity to congratulate Oldham on producing such a set of solid, consistent performances week in week out to finish top of the pile. A great example to follow, congratulations Chris Hamilton and Scott Naylor and best wishes to all at Oldham with the push for promotion.

Looking back on the year, we haven't been as consistent as hoped, but progress has been achieved in a roller coaster ride of performances. It's been a year of firsts, first Challenge Cup win, first player to 50 matches, first time we used dual registration and first GB armed forces players, along with first wins at the Hemel ground, first Family Fun day and first club to do a digital program! Not forgetting being selected as an official SkyTry partner.

As a whole, the group of players, coaches, trainers and managers have continued the momentum and realistically we are where we aimed to be at the close of the season. We've had highs, lows, thrills and spills, good hidings and near misses, but we have always remained honest, positive and together.

Naturally the Blue Army supporting us like no other southern team fans are part of the picture and your dedication and loyalty to the lads is a credit to you all as a group. A huge thank you from the whole club for being there for the team through thick and thin. You guys are unreal, you are the 18th man!

I'd like to thank all the players and their families

for their commitment and support to the Blues. It has been great to see players' parents, wives and girlfriends getting behind the team.

I would also like to say an official thank you to Steve Ferris and Bradford Bulls and Andrew Henderson of London Broncos who we have DR'd players with. The partnership proved beneficial to both clubs and the example of professionalism these players brought into our group was exemplary, their effect terrific and it was a delight to make them Blue Bulls and Broncos for a short time, all were a credit to Bradford and Broncos. Many thanks Steve and Hendo and the lads.

Talking of professionalism, head coach Tim Rumford has shown plenty. His commitment, energy and desire to try and bring out the best is very evident. Getting the experience of his first season under his belt will have been a positive learning curve which will stand both him and players in good stead for 2016. Thank you Tim and thanks to your family for their support to the cause.

To the team behind the team, Tim G, Will B, Jake, Oz, Joe, Big Sam, Skinny Sam, Stefan and Gary thank you on behalf all the boys and the board for your dedication and contribution to the squad, again top notch gentlemen and thank you.

Our partnership with Brookes University has grown and been another success of this season. Having access to training facilities has helped tremendously with the squad and looks to go on to another level with the Strength and Conditioning centre next year. Giving work experience to students due to our presence has also been rewarding. Again on behalf of the club we'd like to say thank you to Sarah and all the staff at Harcourt Hill and Gypsy Lane. Your

support is invaluable and much appreciated. >>
I'd like to give a special thanks to Luke Hartley and Oli Smith, two young lads that help design and produce the new look program and website. Your input lads and ideas are greatly appreciated. Top notch lads!

One of the reasons that rugby league captivates all of us is because of the sheer unknown of what will happen in any given game and any season. So while there are no guarantees for next season, the two things I know is that there will be no lack of effort by anybody in the Blues camp to reach our goals and improve. The new season will be around in no time and Tim and the staff have been working hard for 2016 already. Recruitment and planning is underway

to tackle the challenges and every effort will be made to make improvements again for the Blues.

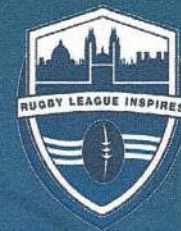

Can't forget to give Ryan Cousins a big rap as he's a big cog in the Blue machine! Your support to me, the club and to the team is outstanding and inspiring. Spud you are a hot potato mate, a true King Edward!

Finally on behalf of the club thank you again for all of your support this year, I hope you enjoy today's last match, good luck to all the players. Take care of yourselves in the off season and I look forward to seeing you all again next year to help cheer on the boys.

All the best
Adrian Smith. MD

COACH'S CORNER

"THANK YOU FOR YOUR SUPPORT THIS YEAR AND ALL THE BEST"

Hi and welcome back to Iffley! It's my last note of the season and it feels like its flown by with some very positive points and a few low moments in the blur of 2015. To be fair I anticipated that, but a pleasing aspect this year is how we showed character and responded with can do attitudes. For that I have to thank my back room staff, the players and the fans for sticking by the lads and myself.

It has been a new experience for me and my family, one we have enjoyed greatly. Meeting new people, new players and pulling a group together with a focus of growing the game pushing rugby league in Oxford is exciting and a challenge I personally relish.

I'd like to say firstly thank you to all the fans that have made me so welcome but a huge thank you to my back room staff and all the players for their efforts this year. We've had hurdles and barriers to deal with as do all clubs, but the honesty and desire to improve and be the best we can has been fantastic. Thank you gentlemen for all your hard work, with you I believe we are in a better place to kick on next year and continue the challenge in confident mood. Consistency is going to be a big target next season!

Last week against Hemel was a pleasing result over a local rival in more ways than one. Players were asked to do jobs out of

their natural position, injuries providing opportunity to blood some of our young guns and the response was great, running in seven tries. One of the most pleasing aspects was the likes of Charlie Greene and Louis Richards getting some valuable experience that will stand them in good stead.

I'd also like to say a word of thanks to Andrew Henderson and the London Broncos along with Jimmy Lowes at Bradford Bulls. Both clubs have supported Oxford RL with DR players this season which has helped our environment immensely. The DR players have all gained good game time to remain match fit and made good professional impressions upon the Oxford lads. A true benefit to all concerned. Many thanks Hendo and Jimmy.

Finally, both myself and the board are working hard off the pitch towards next season and it is very pleasing that we have secured the services of a number of our senior players already. It will be great to take some continuity into 2016 and as always with the aim to improve as individuals and ultimately push on as a whole group. I'm excited by the new look structure of the league 1, it will be tough, intriguing and exciting.

Thank you again for your support this year and all the best for the off season.

Enjoy the game
Tim

OLDHAM PLAYERS TO WATCH

ADAM CLAY

Age: 24 **Position:** Winger

One of the best finishers around at this level and has shown that again this season, recording 17 tries in 19 appearances including a double in the match against Oxford at Whitebank back in June.

DANNY LANGTREE

Age: 24 **Position:** Second-row Forward

Arguably one of the stand out players in League 1 last year given the number of accolades he was given. Langtree has continued his fine form in 2015 scoring 12 tries in 22 appearances. Langtree is a second rower who was a former St Helens Junior and spent his first two seasons in the reserves but he became an immediate first team regular on Scott Naylor's arrival for the start of the 2013 campaign. Since then he has played in 70 of a possible 75 games, scoring 36 tries.

LEWIS PALFREY

Age: 25 **Position:** Stand-off

If you allow him to, Palfrey could manage a game on his own with his infield kicking game. He is handy both with the boot and chipping in with tries and has 11 to his name this season, and is an ever present member of the squad and captain of the side.

MAGIC MOMENTS

IT'S BEEN A SEASON FULL OF GREAT MOMENTS, SO WE SPOKE TO SOME PLAYERS, FANS AND STAFF TO ASK WHAT HAS BEEN THEIR HIGHLIGHT OF THE YEAR

Adam Withington and Kyle Danns -

The win against Hemel in the challenge cup, coming back from 10-0 down with everyone digging deep for each other.

Jake Kennet - Watching Louis Richards and Chris Palser-Thorne battle for the last training top.

Adrian Smith - The work of JJ Baird and John Connaughton with SkyTry has been outstanding, equal of the dedication shown by Ryan Cousins to the club cause.

Louis Richards - When Harry Kaufman smiled.

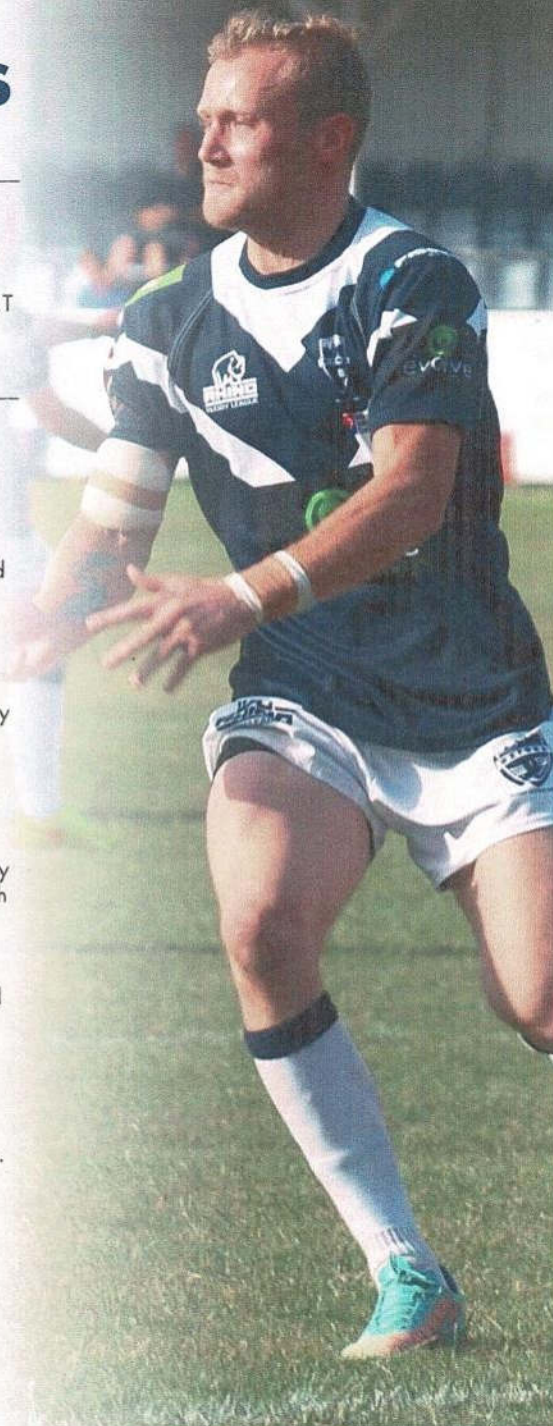

Mark Barlow - Beating Gloucestershire at home. We were already two tries up with only 10 minutes remaining when we broke through the All Golds down their left side and Danny Thomas (Henderson Gill) was supporting on the inside. Danny received the ball and scored a great try in the corner. Well it would have been if it hadn't been pulled back for a forward pass.

Marcus Brooker - Doug Randall smashing Louis Richards in training.

Nathan Kitson - My eleven minute hat-trick.

Tim Griffiths - On the field - Coming back from 12-0 down to beat the All Golds. (And losing my voice!) Off the pitch - The lovely, loud and loyal fans from North Wales.

Andy Speake - Scoring my first try against Hemel so I got off the naked run.

20
Aaron Jones-Bishop - Getting my first try for the club away at Hemel in the challenge cup.

Roger - Jordan Andrade's barnstorming run against Barrow.

Julie Shaw - The Family Fun day was a great event for the club, beating Coventry put the cherry on the cake!

Andy Speake - Scoring my first try against Hemel so I got off the naked run.

Ray Curry - The signing of Nathan Kitson.

Will Brewer - Watching Ryan end up in the showers by accident at half time against the All Golds.

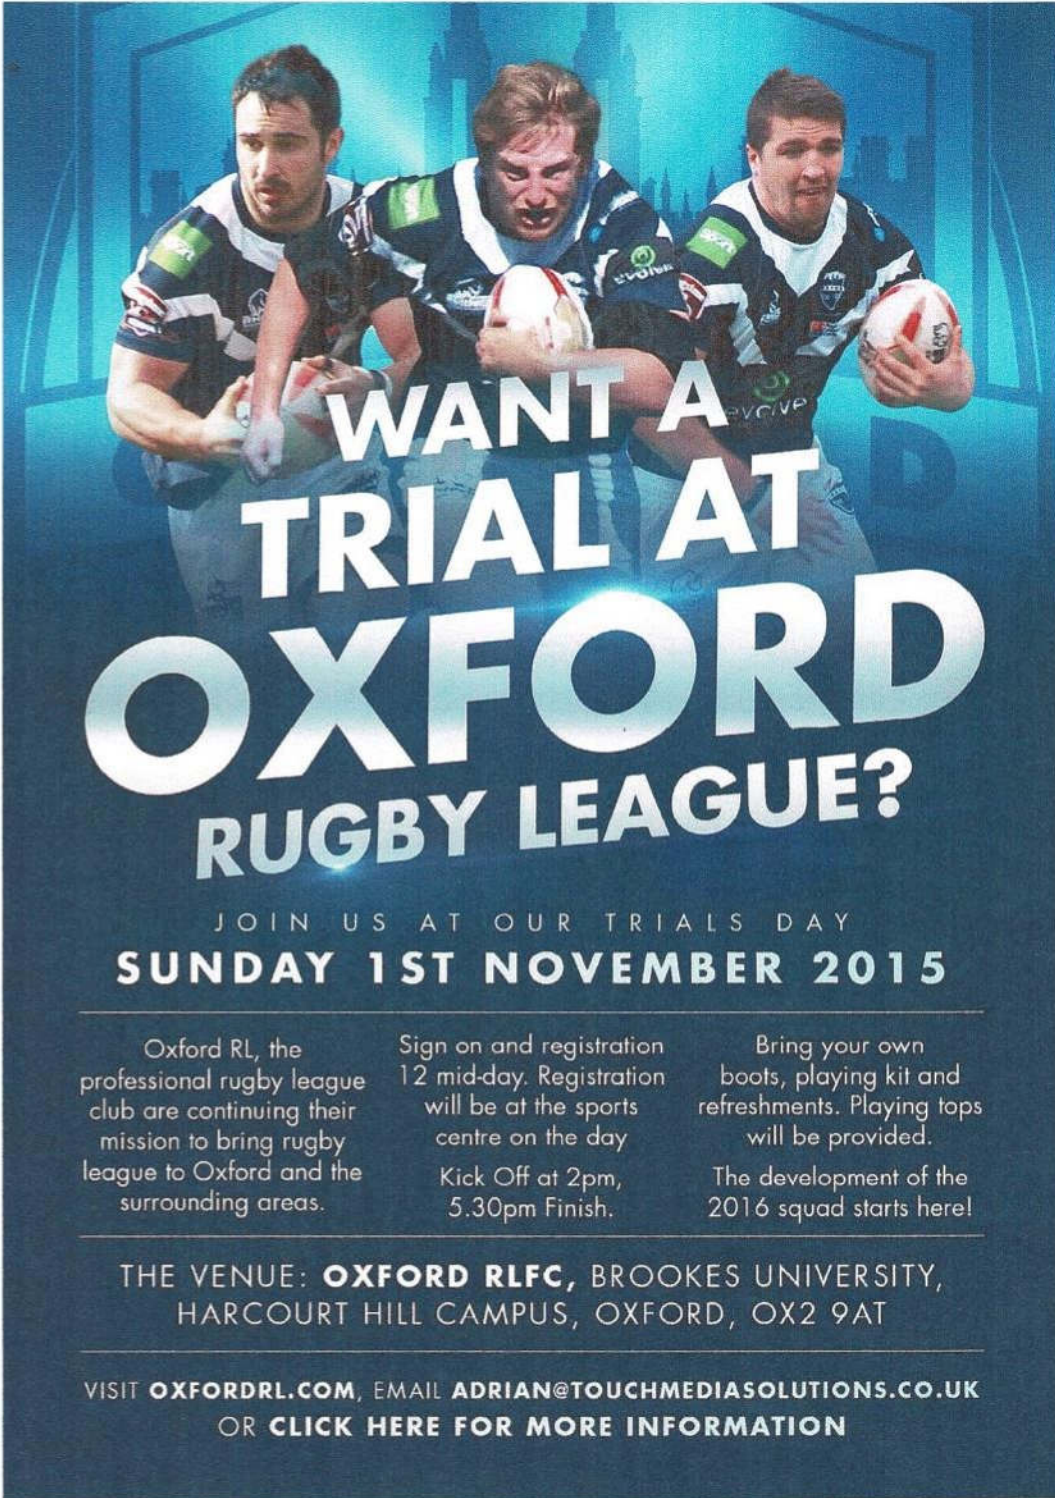

Chris Palser-Thorne - Against Keighley, when lightening hit close to the stadium we were told that the game was being stopped

and that we were to go to the changing rooms I quickly ran to the changing rooms not realising no body else was doing the same. Seconds later, JJ Baird shouted into the changing room at me to get back on the pitch as the game was being restarted! It was an embarrassing run back out onto the pitch as the game was being restarted.

And by far the winner -

Jamie Milburn, Luke Evans, Dean Mignacca - Andy Matthews last gasp try against Coventry.

Here's to many more memorable moments in 2016. Come on Oxford.

END OF SEASON NOTES

Welcome to our last game of the season which sees the Blues take on table topping Oldham. A warm welcome to all their supporters, players, staff and officials to Iffley Road.

May I take this opportunity to congratulate Oldham on producing such a set of solid, consistent performances week in week out to finish top of the pile. A great example to follow, congratulations Chris Hamilton and Scott Naylor and best wishes to all at Oldham with the push for promotion.

Looking back on the year, we haven't been as consistent as hoped, but progress has been achieved in a roller coaster ride of performances. It's been a year of firsts, first Challenge Cup win, first player to 50 matches, first time we used dual registration and first GB armed forces players, along with first wins at the Hemel ground, first Family Fun day and first club to do a digital program! Not forgetting being selected as an official SkyTry partner.

As a whole, the group of players, coaches, trainers and managers have continued the momentum and realistically we are where we aimed to be at the close of the season. We've had highs, lows, thrills and spills, good hidings and near misses, but we have always remained honest, positive and together.

Naturally the Blue Army supporting us like no other southern team fans are part of the picture and your dedication and loyalty to the lads is a credit to you all as a group. A huge thank you from the whole club for being there for the team through thick and thin. You guys are unreal, you are the 18th man!

I'd like to thank all the players and their families

for their commitment and support to the Blues. It has been great to see players' parents, wives and girlfriends getting behind the team.

I would also like to say an official thank you to Steve Ferris and Bradford Bulls and Andrew Henderson of London Broncos who we have DR'd players with. The partnership proved beneficial to both clubs and the example of professionalism these players brought into our group was exemplary, their effect terrific and it was a delight to make them Blue Bulls and Broncos for a short time, all were a credit to Bradford and Broncos. Many thanks Steve and Hendo and the lads.

Talking of professionalism, head coach Tim Rumford has shown plenty. His commitment, energy and desire to try and bring out the best is very evident. Getting the experience of his first season under his belt will have been a positive learning curve which will stand both him and players in good stead for 2016. Thank you Tim and thanks to your family for their support to the cause.

To the team behind the team, Tim G, Will B, Jake, Oz, Joe, Big Sam, Skinny Sam, Stefan and Gary thank you on behalf all the boys and the board for your dedication and contribution to the squad, again top notch gentlemen and thank you.

Our partnership with Brookes University has grown and been another success of this season. Having access to training facilities has helped tremendously with the squad and looks to go on to another level with the Strength and Conditioning centre next year. Giving work experience to students due to our presence has also been rewarding. Again on behalf of the club we'd like to say thank you to Sarah and all the staff at Harcourt Hill and Gypsy Lane.
